Re: Canyon Trails Traffic Sign Survey Certification

Dear Ms. Lefrak:

via planning, inc. has completed a survey of the traffic control signs within the Canyon Trails Community located in Boynton Beach, Florida 33473. The final traffic sign survey was conducted on April 29, 2019, following the modification of traffic control signs per recommendations in our previous study. A map of the traffic control signs is included in Exhibit A.

We inspected the size, mounting height, placement, and reflectivity of the traffic control signs within the community. The signs are found to comply with the Florida State Statutes, Florida Department of Transportation Standards, Palm Beach County Standards, and the Manual of Uniform Traffic Control Devices (MUTCD). The speed limit of 30 mph in the Community also complies with Florida State Statutes Section 316.189.

This letter serves as the Engineer's certification on traffic control signs for the Canyon Trails Community to enter into an agreement with Palm Beach County to provide for enforcement of all traffic laws within the Community. Please let me know if you have any questions at 954-560-5251 or <a href="mailto:thuha.nguyen@viaplanning.com">thuha.nguyen@viaplanning.com</a>.
