I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve:

- A) an amendment to the Infrastructure Surtax (IST) Project Plan approved by the Board of County Commissioners (BCC) on April 4, 2017, to advance the Alexander Run from Randolph Siding Road to Indiantown Road resurfacing project (Project) from FY2023 to FY2020; and
- **B)** a budget transfer of \$300,000 within the IST Fund from reserves to advance the funds for the Project from FY2023 to FY2020.

SUMMARY: Approval of the amendment and budget transfer will advance the Project from FY2023 to FY2020. The IST Plan is currently funding \$300,000 for the Project in FY2023. The advancement of the Project is needed to maintain the integrity of the existing pavement and provide a safe and consistent road surface area. Engineering's IST Reserve account will be replenished by \$300,000 in FY2023. The Sales Tax Oversight Committee reviewed this request at their August 20, 2020 meeting and approved it unanimously. **This Project is funded through the infrastructure sales tax.** District 1 (YBH)

Background and Justification: On November 8, 2016, the voters of Palm Beach County approved a one-penny infrastructure surtax for collections beginning January 1, 2017 and continuing for 10 years or until \$2.7 billion in proceeds are collected before September 1st of any year. Also included was the creation of an oversight committee to audit spending on approved projects for compliance with the following allocations: 50% to the School District, 30% to the County and 20% to the Municipalities. The proceeds of the tax will finance the renewal and replacement of existing capital investments, including roadway surfaces, bridges, drainage improvements, canals, park amenities, government buildings, and projects to maintain levels of service; all of which were deferred during the recession and remain outstanding. A complete list of IST projects (including the Project) along with their associated budgets and funding schedules was approved by the BCC on April 4, 2017. The BCC's approval of this amendment and budget transfer will allow Engineering to proceed with this Project.
