Department: Facilities Development & Operations

I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to:

A) Determine that consistent with the provisions of Section 2-54(b) of the Palm Beach County Purchasing Code, an extension to the term of the continuing contracts for environmental assessment services is beneficial to the interest, health, safety and welfare of the County; and

B) Approve Amendment No. 4 to the contracts for environmental assessment services with the following consultants on a continuing contract basis extending the contracts from September 22, 2020 to December 21, 2020:

1. AECOM Technical Services, Inc. (R2015-1253), Non-SBE/Local, 11.06% SBE participation to date;
2. Partner Assessment Corporation d/b/a Partner Engineering and Science, Inc. (fka Eco Advisors, LLC) (R2015-1255), Non-SBE/Local, 53.66% SBE participation to date.
3. Terracon Consultants, Inc. (R2015-1254), Non-SBE/Local, 19.67% SBE participation to date; and

Summary: Amendment No. 4 extends the term of three contracts for environmental assessment services through December 21, 2020. The Board approved the continuing contracts on September 22, 2015, and the original contracts provided for an initial two (2) year term with three (3) renewal options each for a period of one (1) year. These continuing environmental assessment contracts are set to expire on September 21, 2020. The department advertised for the new continuing environmental assessment services contracts, but had to re-advertise, which resulted in a delay in getting the new continuing contracts in place before the expiration of the existing contracts. Amendment No. 4 will extend services for a three (3) month period through December 21, 2020, while the new firms are being selected. These contracts provide for environmental conditions assessments, identification of remedial activities and related consulting and remediation observation services. At this time and consistent with the provisions of Section 2-54(b) of the Palm Beach County Purchasing Code, staff believes that extending the continuing environmental assessment contracts best serves the interests, health, safety, and welfare of the County and its citizens. The existing contracts were awarded under the prior Small Business Enterprise (SBE) Ordinance, and the SBE participation goal was 15%. AECOM Technical Services, Inc. committed to an SBE participation goal of 19%; Terracon Consultants, Inc. 15%; and Partner Assessment Corporation d/b/a Partner Engineering and Science, Inc. (fka Eco Advisors, LLC) 93%, respectively. Eco Advisors, LLC was the only consultant that was an SBE. However, on July 23, 2019, the Board approved an Assignment, Assumption & Consent Agreement from Eco Advisors, LLC to Partner Assessment Corporation d/b/a Partner Engineering and Science, Inc., a non-SBE firm. The Office of Equal Business Opportunity (OEBO) has reviewed the existing SBE participation and approved this extension request under the existing contract terms. **(Capital Improvements Division) Countywide (LDC)**

Background and Justification: In accordance with Board adopted procedures, pursuant to Florida Statute 287.055 (Consultants Competitive Negotiation Act), three firms were selected to perform consulting services on a continuing contract basis. During the first five (5) years of these contracts, AECOM Technical Services, Inc. was awarded \$356,394.55, Terracon Consultants, Inc. was awarded \$380,154.29 and Partner Assessment Corporation d/b/a Partner Engineering and Science, Inc. (fka Eco Advisors, LLC) was awarded \$308,438.46 in Consultant Services Authorizations. It is the consensus of Facilities Development & Operations (FD&O) that these firms have successfully provided the professional services required by the County, in a good and timely manner. It is the desire of each consultant and FD&O that they continue to provide professional services. Under the provisions of Section 2-54(b) of the Palm Beach County Purchasing Code the Board of County Commissioners can extend contracts, entered into as a result of a competitive or alternate source selection process, beyond the specified term or renewal period when the Board determines that such an extension of the term of renewal period is beneficial to the interest, health, safety or welfare of the County. Any such extension of the term or renewal period by the Board shall not exceed twelve (12) months. Amendments No. 4 will maintain the continuous professional services required by the County.

**AMENDMENT No. 4
TO CONTINUING CONTRACT FOR
ENVIRONMENTAL ASSESSMENT SERVICES**

This is Amendment No.4 dated _____ to the Contract (R2015-1253) dated September 22, 2015, as previously amended by Amendment No. 1 (R2017-1308) dated September 26, 2017, Amendment No. 2 (R2018-1772) dated November 20, 2018 and Amendment No. 3 (R2019-1315) dated September 10, 2019 (collectively the “Contract”) by and between Palm Beach County, a political subdivision of the State of Florida, by and through its Board of Commissioners, hereinafter referred to as the COUNTY and AECOM Technical Services, Inc., authorized to do business in the State of Florida, hereinafter referred to as the CONSULTANT.

WITNESSETH

WHEREAS, the parties have entered into the Contract under which the CONSULTANT provided certain professional services to the COUNTY for various projects in accordance with Consultants Competitive Negotiations Act (CCNA) FS 287.055; and

WHEREAS, the parties hereto desire to amend the Contract to extend it through December 21, 2020.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants hereinafter set forth and for such other good and valuable consideration, the receipt of which the parties hereto expressly acknowledge, the parties covenant and agree to the following terms and conditions:

1. The term of this Contract is renewed for three (3) additional months beginning September 22, 2020.
2. Except as specifically modified above, the terms and conditions of the Contract are

Project Name: Environmental Assessment Services

hereby confirmed and remain in full force and effect.

3. CONSULTANT certifies that it is still in compliance with the requirements pertaining to scrutinized companies under Florida Statutes Section 287.135.
