An act relating to the Health Care District of Palm Beach County; codifying, amending, and reenacting special acts relating to the District; providing a popular name; providing boundaries; providing for a governing board, rules of the board, and membership; providing powers and duties of the board; providing for an ad valorem tax; providing for issuance of bonds; providing for an annual report; repealing chapters 87-450, 92-340, 93-382, 96-509, and 2000-489, Laws of Florida; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Pursuant to section 189.429, Florida Statutes, this act constitutes the codification of all special acts relating to the Health Care District of Palm Beach County. It is the intent of the Legislature in enacting this law to provide a single, comprehensive special act charter for the District, including all current legislative authority granted to the District by its several legislative enactments and any additional authority granted by this act.

Section 2. Chapters 87-450, 92-340, 93-382, 96-509, and 2000-489, Laws of Florida, are codified, reenacted, amended, and repealed as herein provided.

Section 3. The charter for the Palm Beach County Health Care Act is recreated and reenacted to read:

Section 1. Popular Name.— This act shall be known and may be referred to by the popular name the "Palm Beach County Health Care Act."

Section 2. Intent.— The Legislature recognizes that it is in the public interest to provide a source of funding for indigent and medically needy residents of Palm Beach County (the "County") and to maximize the health and well being of Palm Beach County residents by providing comprehensive planning, funding, and coordination of health care service delivery. Program elements should include, but not be limited to, preventive health services, community nursing services, ambulatory care, outpatient services, hospital services, trauma health services, and rehabilitative services, as feasible. All programs should be coordinated to maximize the delivery of quality health care.
