Submitted For:	Roadway Production Division

I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve:

- A) an annual pathway and minor construction contract with West Construction, Inc. (WCI) in an amount not to exceed \$25,000,000;
- B) an annual pathway and minor construction contract with All Paving, Inc. (API) in an amount not to exceed \$25,000,000; and
- C) an annual pathway and minor construction contract with Wynn & Sons Environmental Construction Co., Inc. (WSE) in an amount not to exceed \$25,000,000.

SUMMARY: Approval of these contracts will provide for small paving and minor construction, on an as needed basis, throughout Palm Beach County (County). The Affirmative Procurement Initiative selected for these contracts on March 4, 2020 by the Goal Setting Committee is a 15% minimum mandatory Small Business Enterprise (SBE) participation. WCI agreed to 15% SBE participation. API agreed to 80% SBE participation. WSE agreed to 90.9% SBE participation. WCI, API and WSE were the lowest, responsive bidders of four bidders. These contracts will be in effect for 36 months from the date of approval by the Board of County Commissioners (BCC). WCI is a Palm Beach County based company. API and WSE are both Palm Beach County based and certified SBE companies. Countywide (YBH)

Background and Justification: Bids for the annual pathway and minor construction contracts were received by the Engineering Department on August 4, 2020. The above contract amounts are based upon the estimated amount to be expended for annual pathway and minor construction projects throughout the County over a 36 month period. After reviewing the attached contracts and finding them in proper order, the Engineering Department recommends approval by the BCC.

Attachments:
