BOARD OF COUNTY COMMISSIONERS
AGENDA ITEM SUMMARY**

Meeting Date: December 8, 2020 Consent Regular
 Ordinance Public Hearing

Department: Facilities Development & Operations

I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to:

- A) **Determine:** that an extension to the term of the continuing contracts for environmental assessment services is beneficial to the interest, health, safety and welfare of the County and its citizens; and
- B) **Approve:** Amendment No. 5 to the contracts for environmental assessment services with the following consultants on a continuing contract basis extending the contracts from December 22, 2020 to March 31, 2021:
1. AECOM Technical Services, Inc. (R2015-1253), Non-SBE/Local, 11.06% SBE participation to date;
 2. Partner Assessment Corporation d/b/a Partner Engineering and Science, Inc. (fka Eco Advisors, LLC) (R2015-1255), Non-SBE/Local, 53.28% SBE participation to date; and
 3. Terracon Consultants, Inc. (R2015-1254), Non-SBE/Local, 18.01% SBE participation to date.

Summary: The Board of County Commissioners (Board) approved the continuing contracts on September 22, 2015, which provided for an initial two (2) year term with three (3) renewal options each for a period of one (1) year. Amendment No. 4 (R2020-1339 thru 2020-1341) extended the term of the continuing environmental assessment contracts beyond the initial expiration date of September 21, 2020 for three (3) additional months to December 21, 2020, to allow for advertising and the selection of the firms for the new continuing contract. The department advertised for the new continuing environmental assessment services contracts, but will have to re-advertise, which delays the approval of the new continuing contracts before the current contracts expire on December 21, 2020. Amendment No. 5 will extend services through to March 31, 2021, while the new firms are being selected. These contracts provide for environmental conditions assessments, identification of remedial activities and related consulting and remediation observation services. The existing contracts were awarded under the prior Small Business Enterprise (SBE) Ordinance, and the SBE participation goal was 15%. AECOM Technical Services, Inc. committed to an SBE participation goal of 19%; Partner Assessment Corporation d/b/a Partner Engineering and Science, Inc. (fka Eco Advisors, LLC) 93%; and Terracon Consultants, Inc. 15%, respectively. Eco Advisors, LLC was the only consultant that was an SBE. However, on July 23, 2019, the Board approved an Assignment, Assumption & Consent Agreement from Eco Advisors, LLC to Partner Assessment Corporation d/b/a Partner Engineering and Science, Inc., a non-SBE firm. The Office of Equal Business Opportunity (OEBO) has reviewed the existing SBE participation and approved this extension request under the existing contract terms. **(Capital Improvements Division) Countywide (LDC)**

Background and Justification: In accordance with Board adopted procedures, pursuant to Florida Statute 287.055 (Consultants Competitive Negotiation Act), three firms were selected to perform consulting services on a continuing contract basis. During the first five (5) years of these contracts, AECOM Technical Services, Inc. was awarded \$356,394.55, Partner Assessment Corporation d/b/a Partner Engineering and Science, Inc. (fka Eco Advisors, LLC) was awarded \$310,638.46 and, Terracon Consultants, Inc. was awarded \$415,519.29 in Consultant Services Authorizations. Amendments No. 4 extended the contract through to December 21, 2020 to allow for continuous professional services required by the County, while selecting the firms for the new continuing contract. However, all of the proposals that were submitted were rejected causing further delays. It is the consensus of Facilities Development & Operations (FD&O) that these firms have successfully provided the professional services required by the County, in a good and timely manner, and extending the continuing environmental assessment contracts best serves the interests, health, safety, and welfare of the County and its citizens. Amendment No. 5 will maintain the continuous professional services required by the County.

This provision shall not supersede any provision of this Contract which requires a longer retention period.
