The digital displays would replace most posters and flyers, allowing for saving in print costs. Digital signage would be controlled centrally to allow easy updates and quick communication of time-sensitive messages. The grant funds would cover screens, media devices, software, and installation. Grant funds are released upon completion of required deliverables as laid out in the contract in a series of up to five installments. Matching funds are credited as staff time working on this project. Countywide (AH)

**Background and Justification:**

The Florida Department of State, Division of Library and Information Services is the state library administrative agency officially designated to receive and administer federal grant funds from the Institute of Museum and Library Services. The Library Services and Technology Act (LSTA) is the major federal grant program for libraries. The LSTA program, administered by the Institute of Museum and Library Services is a state-based program. The program focuses on information access through technology and information empowerment through special services that emphasizes public libraries but also encourages interlibrary cooperation and partnerships among all types of libraries. It increases emphasis on accountability and evaluation and is authorized under United States Codes. Florida's grant program is based on the purposes of LSTA and the needs of Florida residents and libraries. It is developed from the goals and outcomes provided in Florida's Library Services and Technology Act long-range plan.

In the event that the state or federal funds upon which this Agreement is dependent are withdrawn, this Agreement will be automatically terminated and the Division shall have no further liability to the Subgrantee beyond those amounts already expended prior to the termination date. Such termination will not affect the responsibility of the Subgrantee under this Agreement as to those funds previously distributed. **34. Subgrantee's Subcontractors.** The Subgrantee shall be responsible for all work performed and all expenses incurred in connection with this Agreement. The Subgrantee must take the necessary steps to ensure that each of its subcontractors will be deemed to be independent contractors and will not be considered or permitted to be agents, servants, joint venturers or partners of the Division.

**35. Liability.** The Division will not assume any liability for the acts, omissions to act or negligence of the Subgrantee, its agents, servants or employees; nor may the Subgrantee exclude liability for its own acts, omissions to act or negligence to the Division.

  - c) The Division shall not be liable for attorney fees, interest, late charges or service fees, or cost of collection related to this Agreement.
  - d) The Subgrantee shall be responsible for all work performed and all expenses incurred in connection with the project. In such event, the Division will provide the Subgrantee a notice of its violation by letter and shall give the Subgrantee fifteen (15) calendar days from the date of receipt to cure its violation. If the violation is not cured within the stated period, the Division will terminate this Agreement. The notice of violation letter shall be delivered to the Subgrantee's Contract Manager, personally, or mailed to his/her specified address by a method that provides proof of receipt. In the event that the Division terminates this Agreement, the Subgrantee will be compensated for any work completed in accordance with this Agreement prior to the notification of termination if the Division deems this reasonable under the circumstances. Grant funds previously advanced and not expended on work completed in accordance with this Agreement shall be returned to the Division, with interest, within thirty (30) days after termination of this Agreement. The Division does not waive any of its rights to additional damages if grant funds are returned under this Section.
- 39. Preservation of Remedies.** No delay or omission to exercise any right, power or remedy accruing to either party upon breach or violation by either party under this Agreement shall impair any such right, power or remedy of either party; nor shall such delay or omission be construed as a waiver of any such breach or default or any similar breach or default.

**FLORIDA SINGLE AUDIT ACT REQUIREMENTS**

**AUDIT REQUIREMENTS**

The administration of resources awarded by the Department of State to the Subgrantee may be subject to audits and/or monitoring by the Department of State as described in this Addendum to the Grant Award Agreement.

**Monitoring**

In addition to reviews of audits conducted in accordance with 2 CFR 200, Subpart F - Audit Requirements, and section 215.97, *Florida Statutes (F.S.)*, as revised (see Audits below), monitoring procedures may include, but not be limited to, on-site visits by Department of State staff, limited scope audits as defined by 2 CFR 2 §200.425, or other procedures. By entering into this agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of State. In the event the Department of State determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department of State staff to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

**Audits**

**Part I: Federally Funded**

This part is applicable if the recipient is a state or local government or a nonprofit organization as defined in 2 CFR §200.90, §200.64, and §200.70.

1. A recipient that expends \$750,000 or more in federal awards in its fiscal year must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. Exhibit 1 to this agreement lists the federal resources awarded through the Department of State by this agreement. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department of State. The determination of amounts of federal awards expended should be in accordance with the guidelines established by 2 CFR 200.502-503. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR 200.514, will meet the requirement of this Part.
2. For the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR 200.508-512.
3. A recipient that expends less than \$750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR 200, subpart F - Audit Requirements. If the recipient expends less than \$750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, subpart F - Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e. the cost of such an audit must be paid from recipient resources obtained

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of \$750,000 in any fiscal year of such recipient (for fiscal years ending June 30, 2017 and thereafter), the recipient must have a state single or project-specific audit for such fiscal year in accordance with Section 215.97, *F.S.*; Rule Chapter 69I-5 F.A.C., State Financial Assistance; and Chapters Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of State, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for federal program matching requirements.
2. For the audit requirements addressed in Part II, paragraph 1, the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), *F.S.* This includes submission of a financial reporting package as defined by Section 215.97(2) *F.S.*, and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.
