#### I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: Work Order No. 21-002 to the annual electrical contract with Protect Video, Inc. (Contractor) (R2019-1756) in the amount of \$237,581 for the Fire Station (F.S) No. 27 – Generator Replacement project for a period of 120 days from permit issuance or until project is complete.

Summary: The work consists of furnishing the labor, equipment, and materials needed to replace the existing generator with a new diesel generator capable of powering the entire fire station. The existing generator does not meet the requirements needed to power the entire facility during power outages. This project was competitively advertised and new contractors were invited to bid on the project by submitting prequalification documents prior to the submission of the bid response. This work order was solicited pursuant to the annual electrical contract and the requirements of the Equal Business Opportunity (EBO) Ordinance. The annual contract was last presented to the Goal Setting Committee on March 4, 2020 and the Committee established Affirmative Procurement Initiatives (API) of sheltered market for projects under \$100,000 (when at least three (3) Small Business Enterprises (SBE) are qualified under the annual contract) or an SBE contractor will be given a price preference if their bid is within 10% of the lowest non-SBE bid for projects over \$100,000. Since this project was over \$100,000, the SBE price preference API was applied. The Contractor is a certified SBE and submitted 56% SBE participation on this work order. The overall SBE participation on the annual electrical contract is 64.93%. The Contractor is a Palm Beach County business. Funding for this project is from the Fire Rescue Improvement fund. (Capital Improvements **Division) District 6 (LDC)** 

Background and Justification: This project was openly, competitively advertised and procured. Bids for this project were opened on October 15, 2020 and Protect Video, Inc. submitted the lowest responsive and responsible bid of the two bids received.
