I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: Amendment No. 4 to the Contract with Aquifer Maintenance and Performance Systems, Inc., (AMPS) for System-Wide Wellfield Maintenance for Palm Beach County Water Utilities Department (PBCWUD) to renew the Contract for an additional 12-month period and to increase the Contract amount by \$300,000 to \$2,289,076.

Summary: On March 14, 2017, the Board of County Commissioners approved the Contract (R2017-0315) with AMPS in the amount of \$1,189,076. On January 23, 2018, Amendment No. 1 (R2018-0075) to the Contract renewed the Contract for an additional 12-month period. On February 5, 2019, Amendment No. 2 (R2019-0217) to the Contract renewed the Contract for an additional 12-month period and increased the Contract price by \$500,000 to \$1,689,076. On March 17, 2020, Amendment No. 3 (R2020-0317) to the Contract renewed the Contract for an additional 12-month period and increased the Contract price by \$300,000 to \$1,989,076. PBCWUD has undertaken a total of \$1,600,976.65 of authorized maintenance work under the Contract through December 31, 2020. Historically, PBCWUD has spent approximately \$400,000 annually to maintain the existing wellfields. An increase of \$300,000 is required for the continuation of maintenance which shall include replacement of associated pumps and motors reaching the end of life expectancy. The requested amount shall increase contract funding to \$2,289,076. The proposed 12-month renewal and increase of funds will allow for the continuation of system-wide wellfield maintenance to maintain adequate raw water supply to PBCWUD's water treatment plants. The renewal of the Contract does not guarantee nor authorize any work. Work will be assigned during the 12-month renewal period by formal Construction Delivery Orders (KDO) drawn against the Contract with the project cost identified on each KDO. The unit prices contained in the Contract will be used in determining the cost of the KDOs. This Contract was procured under the requirements of the 2002 Small Business Enterprise (SBE) Ordinance (R2002-0064) prior to the adoption of the new Equal Business Opportunity (EBO) Ordinance on October 16, 2018. The SBE participation goal established under the 2002 Ordinance was 15% overall participation. PBCWUD staff coordinated with the Office of Equal Business Opportunity to confirm that the proposed renewal was consistent with the principles of the EBO Ordinance. The Contract provides for 0% SBE participation, however, AMPS has since been certified as an SBE for the provision of well services, including drilling, plugging, consulting, maintenance and repair. AMPS is a Palm Beach County based company. (PBCWUD Project No. 16-001/VMG) Countywide (MJ)

Background and Justification: The Contract provides for maintenance of surficial production wells for Water Treatment Plant Nos. 2, 3, 8, 9 and 11. The renewal of the Contract will provide for the continued maintenance of existing system-wide wellfields to maintain an adequate raw water supply.
