I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: Amendment No. 2 with two (2) firms extending the contract term for one (1) year to provide architectural services on a continuing contract basis for federally funded projects for the period of June 19, 2021 through June 18, 2022; incorporating standard contract terms; modifying the hourly rate schedule, and establishing a cumulative limit of \$700,000 for the twelve-month extension.

<u>Contractor</u>	<u>Resolution #</u>
A) Colome & Associates, Inc.	R2018-0904
B) Williamson Dacar Associates, Inc.	R2018-0905

Summary: On June 19, 2018, the Board of County Commissioners (Board) approved the architectural services continuing contracts for projects funded in whole or in part from federal funds. On June 16, 2020, the Board approved Amendment No. 1 (R2020-0656 thru 2020-0657), which authorized an extension of the term of these continuing contracts through June 18, 2021. Amendment No. 2 extends the term of these continuing contracts for architectural services for projects that are federally funded through June 18, 2022. To date, the firms have been awarded a cumulative value of \$114,025.77 in task authorizations. The original contract provided for an initial term of two (2) years with three (3) renewal options each for a period of one (1) year. Amendment No. 2 will implement the second renewal option of these contracts through June 18, 2022 with a cumulative limit of \$700,000 for the twelve-month extension in order to accommodate additional anticipated new projects. Additionally, Amendment No. 2 incorporates the County’s standard language regarding “E-Verify-Employment Eligibility” and modifies the hourly rate schedule for each consultant. Work is authorized through individual task assignments when required during the term of these continuing contracts. Projects under these continuing contracts may be funded in whole or in part by federal grants from the United States (US) Department of Transportation, Federal Transit Administration, grants from the Housing and Urban Development (HUD) Community Development Block Grant Program or grants or reimbursements from Department of Homeland Security (DHS)/Federal Emergency Management Agency (FEMA). This contract is exempt from the Equal Business Opportunity (EBO) Ordinance pursuant to section 2-80.22 thereof. **(Capital Improvements) Countywide (LDC)**

Background & Justification: On April 2, 2018, the selection of the consultants was performed under Board adopted procedures, pursuant to the Consultant Competitive Negotiation Act (CCNA) Florida Statute 287.055 and in accordance with the Federal Brooks Act. Two (2) firms were selected for these services. The Amendments will renew the contracts for the second renewal year of the contract. It is the consensus of Facilities Development & Operations Department that these firms have successfully provided the professional services required for this continuing contract. Both firms are in good standing and wish to continue to provide professional services.
