Motion and Title: Staff recommends motion to approve: Amendment No. 3 to the continuing contract with Robling Architecture Construction, Inc. (R2020-1690) establishing a Guaranteed Maximum Price (GMP) in the amount of \$2,348,120 for construction management services for the Water Utilities Department (WUD) Water Treatment Plant (WTP) No. 3 Generator Storage Pavilion project for a period of 345 calendar days from notice to proceed or until the project is complete.

Summary: On November 17, 2020, the Board of County Commissioners (Board) approved the continuing contract with Robling Architecture Construction, Inc. for construction management services for capital projects under \$4,000,000. Amendment No. 3 authorizes construction services for a new pre-engineered metal generator storage pavilion and minor improvements to the existing warehouse building. The existing generators and materials are located in an outside open storage yard. Generally, exposing equipment to varying weather conditions reduces the life span of the equipment causing premature replacement. The new pavilion will allow for proper storage of the equipment and materials therefore, extending equipment service life. This continuing construction management contract was presented to the Goal Setting Committee on December 4, 2019 and the Committee established Affirmative Procurement Initiatives (API) of a small business enterprise (SBE) evaluation preference of 10 points for the selection of the construction manager and a mandatory 20% SBE subcontracting goal on the continuing contract. SBE participation for this amendment is 78.18%. To date, the overall SBE participation for the continuing contract is 63.51%. Robling Architecture Construction, Inc. is an SBE and is a Palm Beach County business. The funding source for this work is from the Capital Improvements fund. **(Capital Improvements Division) District 5 (LDC)**

Background & Justification: CM at Risk is a project delivery method where the construction manager provides design phase assistance, evaluation of cost and schedule including the implications of alternate designs, systems and materials on cost and schedule, and serves as the general contractor bidding the subcontracts for construction.

This Amendment is made as of _____ by and between Palm Beach County, a political subdivision of the State of Florida, hereinafter referred to as Owner, and Robling Architecture Construction, Inc., hereinafter referred to as “Construction Manager”.

WHEREAS, the Owner and Construction Manager acknowledge and agree that the Continuing Contract between Owner and Construction Manager dated November 17, 2020 (R2020-1690) (hereinafter the Continuing Contract) is in full force and effect and that this Amendment incorporates all the terms and conditions of the Continuing Contract including Task Order #22 as may be supplemented and amended by this Amendment.

WHEREAS, under Task Order #22, Owner assigned Project No. 18586 (the Project) to Construction Manager under the Continuing Contract;

WHEREAS, the parties have negotiated a Guaranteed Maximum Price for the Project, including the Construction Manager’s fees calculated in accordance with the terms of the Continuing Contract, whereby the Construction Manager will render construction and warranty services and other services as set forth herein and in the Continuing Contract;

NOW THEREFORE, in exchange for the mutual covenants and promises set forth herein and the sums of money agreed to be paid by the Owner to the Construction Manager, the parties agree as follows:

1. Recitals. The foregoing recitals are true and correct and incorporated herein by reference.

2. Construction Manager’s Representations. The Construction Manager represents that:

The Construction Manager, Trade Contractors, Sub-subcontractors, material and equipment suppliers have compared Phasing, Demolition, Architectural, Structural, Mechanical, Electrical, Plumbing, Civil and Site Drawings and Specifications and have compared and reviewed all general and specific details on the Drawings and that all conflicts, discrepancies, errors and omissions, which are within the commonly accepted knowledge base of a licensed general contractor, subcontractor, trades persons, manufacturers or other parties required to carry out the Work involved in this Amendment, have been corrected or clarified prior to execution of this GMP Amendment to the Continuing Contract, and therefore Construction Manager warrants that the GMP (exclusive of contingency) includes the cost of correcting all conflicts, discrepancies,

errors, or omissions which Construction Manager identified, or should have identified through the exercise of reasonable skill and care, during the preconstruction phase of this Project.

The Construction Manager’s review and comparison of all Drawings has taken into consideration the total and complete functioning of all systems and therefore the Construction Manager represents that the GMP represents the total cost for complete and functional systems.

3. Guaranteed Maximum Price. Pursuant to Section 2.2 and Article 6 of the Continuing Contract between Owner and Construction Manager, the parties have agreed to a Guaranteed Maximum Price of **\$2,348,120.00** for the construction phase of the Project. The GMP is based on the following: **Attachment A.** In the event of a conflict between the terms and conditions of the Continuing Contract and the terms and conditions of Construction Manager’s GMP proposal, the terms and conditions of the Continuing Contract shall control.

4. Schedule of Time for Completion. The time of completion for this Amendment will be as follows: The Construction Manager shall substantially complete the work within **345** calendar days from the Notice to Proceed from Owner. Liquidated Damages are \$80.00/day for failure to achieve certification of substantial completion within the contract time or approved extension thereof.

5. Mandatory Subcontracting Goal. The County’s Goal Setting Committee has established a mandatory minimum subcontracting goal for this Continuing Contract as follows:

The SBE subcontracting goal for this Continuing Contract is a mandatory minimum of 20% participation on the construction subcontracts during the construction phase of projects.

To date on this Continuing Contract, Construction Manager has achieved: 63.51%

On this Amendment, Construction Manager will provide: 78.18%.

6. Attachments. The following attachments are attached hereto and incorporated herein by reference:

- Attachment A - GMP Summary
- Public Construction Bond
- Form of Guarantee
- Insurance Certificate(s)
- EBO Schedules 1 and 2

7. Contract Modifications. The Continuing Contract is modified as follows:

The Insurance Coverage & Limit Table of General Condition 31.15 to the Contract is amended and modified as follows:

<i>Worker’s Compensation and Employer’s Liability</i>	
<i>Coverage not less than</i>	<i>statutory</i>
<i>Employer’s Liability Limits</i>	<i>\$500,000/\$500,000/\$500,000</i>

The following general condition is added to the Contract General Conditions:

GC 83 E-VERIFY - EMPLOYMENT ELIGIBILITY

83.1 Construction Manager warrants and represents that it is in compliance with section 448.095, Florida Statutes, as may be amended, and that it: (1) is registered with the E-Verify System (E-Verify.gov), and beginning January 1, 2021, uses the E-Verify System to electronically verify the employment eligibility of all newly hired workers; and (2) has verified that all of the Contractor's trade contractors and subcontractors performing any duties and obligations under this Contract are registered with the E-Verify System and beginning January 1, 2021 use the E-Verify System to electronically verify the employment eligibility of all newly hired workers.

83.2 Construction Manager shall obtain from each of its trade contractors and subcontractors an affidavit stating that the trade subcontractor or subcontractor does not employ, contract with, or subcontract with an Unauthorized Alien, as that term is defined in section 448.095(1)(k), Florida Statutes, as may be amended. Construction Manager shall maintain a copy of any such affidavit from a trade contractor or subcontractor for, at a minimum, the duration of the subcontract and any extension thereof. This provision shall not supersede any provision of this Contract which requires a longer retention period.

83.3 Owner shall terminate this Contract if it has a good faith belief that Construction Manager has knowingly violated Section 448.09(1), Florida Statutes as may be amended.

83.3.1 If Owner has a good faith belief that Construction Manager's trade contractor or subcontractor has knowingly violated Section 448.09(1), Florida Statutes, as may be amended, Owner shall notify Construction Manager to terminate its contract with the trade contractor or subcontractor and Construction Manager shall immediately terminate its contract with the trade contractor or subcontractor.

83.4 If Owner terminates this Contract pursuant to the above, Construction Manager shall be barred from being awarded a future contract by Owner for a period of one (1) year from the date on which this Contract was terminated. In the event of such contract termination, Construction Manager shall also be liable for any additional costs incurred by Owner as a result of the termination.

8. Except as specifically modified herein, the Continuing Contract remains in full force and effect. All capitalized terms herein shall have the same meaning as set forth in the Continuing Contract.
