I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: an Interlocal Agreement with the Westgate/Belvedere Homes Community Redevelopment Agency (CRA) for the donation of approximately 1.36-acre property located on the southwest corner of Westgate Avenue and Seminole Boulevard to the County for the relocation of Fire Station 24.

Summary: The County desires to construct a new County fire station within the Westgate Belvedere Homes Community Redevelopment area to replace the existing Fire Station 24 currently located at 1734 Seminole Boulevard in West Palm Beach. The current station is dated and in need of significant upgrades. The CRA owns a 1.36-acre parcel on the southwest corner of Westgate Avenue and Seminole Boulevard and has agreed to donate the property to the County by Statutory Warranty Deed. The deed will include a restriction that limits the use of the property for a County fire rescue facility and other County purposes as determined by the County. Although CRA is donating the property, the County obtained an appraisal which values the parcel at \$640,000. The County has agreed to make available, separate office space to be constructed on the property for use by the Palm Beach County Sheriff's Office (PBSO) community policing officers serving the CRA. **This conveyance must be approved by a Supermajority Vote (5 Commissioners). (Property & Real Estate Management District 7 (HJF))**

Background and Policy Issues: The existing Fire Station was built in the 1960s on a .44 acre parcel located at 1734 Seminole Boulevard in West Palm Beach. The current station is dated and in need of significant upgrades to accommodate the delivery of Fire Rescue services which has gone through significant changes. In 2007, the County purchased a 0.47 acre property diagonally across from the current Fire Station location. Although the site alone is too small, the idea was to maximize the available land by collocating the fire station with adjacent Park property which was acquired in 1998 for the expansion of the Westgate Community Center Park. However, this location is not ideal as it is tucked away deep inside the community and would mean the fire trucks would have to drive down roads with multiple speed bumps and intersections, having a significant impact on Fire Rescue response times. The CRA site located on Westgate Avenue allows for better response times, and, being a larger parcel, is a better location for the new Fire Station.

On April 12, 2021, the CRA approved the donation of its property located on the southwest corner of Westgate Avenue and Seminole Boulevard to the County. The property will be conveyed subject to a deed restriction limiting the use of the property for a County fire rescue facility and other County purposes as determined by the County. The County acknowledges the CRA has a vision for the Westgate Avenue corridor that is aesthetically pleasing and consistent with other new developments in the area and agrees to provide the CRA the opportunity to review and provide general comments related to the design of the property. The design will include approximately 500 square feet of office space for the PBSO community policing officers. The new fire station will provide significant improvements over the existing facility including pull-through extended bays to hold multi-discipline equipment; an exhaust system required for emissions; medical and fire decontamination areas; expanded office space to handle mandatory reporting requirements; and accommodations for male and female firefighters and paramedics.

THIS INTERLOCAL AGREEMENT ("Agreement") is made and entered into this _____ day of _____, by and between PALM BEACH COUNTY, a political subdivision of the State of Florida ("County") and the Westgate/Belvedere Homes Community Redevelopment Agency, a dependent special district of Palm Beach County ("WCRA").

WITNESSETH

WHEREAS, the County and the WCRA are authorized to enter into this Agreement pursuant to Section 163.01, Florida Statutes, as amended, which permits local governmental units to make the most efficient use of their powers by enabling them to cooperate with other localities on a basis of mutual advantage; and

WHEREAS, the WCRA was created in May of 1989 by the Palm Beach County Board of County Commissioners through the authority of Chapter 163 Part III, of the Florida Statutes and has such powers as set forth therein, including, but not limited to the promotion of economic development throughout the Westgate Belvedere Homes Community Redevelopment area; and

WHEREAS, the County desires to construct a new County fire station within the Westgate Belvedere Homes Community Redevelopment area to replace the existing Fire Station located at 1734 Seminole Boulevard in West Palm Beach; and

WHEREAS, the new fire station will provide significant improvements over the existing facility including pull-through, extended bays to hold multi-discipline equipment, an exhaust system required for emissions, medical and fire decontamination areas, expanded office space to handle mandatory reporting requirements, and accommodations for male and female firefighters and paramedics; and

WHEREAS, the County has requested that the WCRA donate land for the proposed fire station site; and

WHEREAS, the WCRA owns the property as legally described in Exhibit "A" attached hereto and made a part hereof (the "Property"), and has agreed to donate the Property by Statutory Warranty Deed ("SW Deed") to the County ; and

WHEREAS, the County has agreed to make available, separate office space within the proposed facility to be developed on the Property for use by the area Community Officers working for the Sheriff of Palm Beach County. Once constructed, the County would enter into a License Agreement with the WCRA to address the Sheriff's maintenance and janitorial responsibilities for their interior office space; and

WHEREAS, County has agreed that the SW Deed will include a deed restriction which limits the use of the Property for a County fire rescue facility and other County purposes as determined by the County.

NOW THEREFORE, in conjunction with the mutual covenants, promises and representations contained herein, the parties hereto agree as follows:

1. The recitals set forth above are hereby adopted and incorporated herein by this reference.

The WCRA agrees to convey the Property to the County, without charge, by SW Deed, in the form attached hereto as Exhibit "B" and made a part hereof. Commencing upon the Effective Date as later defined herein, County shall have 45 days to perform a due diligence review and inspection of the Property (the "Due Diligence Review Period"). In the event that such due diligence review and inspection of the Property, as determined solely by the County, are not acceptable to the County for any reason, County in its sole and absolute discretion, shall have the right to terminate this Agreement at any time during the Due Diligence Review Period by giving written notice thereof to WCRA, whereupon the parties shall be relieved of all further obligations hereunder. If the County does not exercise its rights to terminate this Agreement, WCRA shall convey the Property to the County within 10 days after of the Due Diligence Review Period has ended, unless the County agrees to extend the conveyance to a later date.

2. The County acknowledges WCRA has a vision for the Westgate Avenue corridor that is aesthetically pleasing and consistent with other new developments in the area. County shall be solely responsible for obtaining all professional design, architectural and engineering services, development approvals, permits and the construction for the fire station on the Property. County agrees to provide the WCRA the opportunity to review and provide general comments regarding the site plan of the property. The County, at its sole discretion, will make all the final decisions on the development of the Property. The County also agrees to pay the expense to record the SW Deed.
