**I. EXECUTIVE BRIEF**

**Motion and Title: Staff recommends motion to approve:**

- A) an annual small concrete and pathway construction contract with Almazan Construction, LLC (ACL) in an amount not to exceed \$3,000,000;
- B) an annual small concrete and pathway construction contract with West Construction, Inc. (WCI) in an amount not to exceed \$3,000,000; and
- C) an annual small concrete and pathway construction contract with All Paving, Inc. (API) in an amount not to exceed \$3,000,000.

**SUMMARY:** Approval of these contracts will provide the annual construction services necessary for small concrete and pathway construction tasks on an as needed basis throughout Palm Beach County (County). The Affirmative Procurement Initiative selected for these contracts on August 5, 2020 by the Goal Setting Committee is a 20% minimum mandatory Small Business Enterprise (SBE) participation. ACL contractually agreed to 98% SBE participation. WCI contractually agreed to 20% SBE participation. API contractually agreed to 86% SBE participation. ACL, WCI and API were the lowest responsive bidders of six. These contracts will be in effect for thirty-six months from the date of approval by the Board of County Commissioners (BCC). ACL, WCI and API are all County based and certified SBE companies. Countywide (YBH)

**Background and Justification:** Bids for the contracts were received by the Engineering Department on February 16, 2021. The above contract amounts are based upon the estimated amount to be expended for small concrete and pathway construction projects throughout the County over a thirty-six month period. After reviewing the attached contracts and finding them in proper order, the Engineering Department recommends BCC approval.

**Attachments:**

- 1. ALC Contract (3)
- 2. WCI Contract (3)
- 3. API Contract (3)
- 4. Office of Equal Business Opportunity Compliance Review
- 5. Bid Tabulation
