AGENDA ITEM SUMMARY

Meeting Date: July 13, 2021 Consent Regular
 Workshop Public Hearing

Submitted By: Department of Airports

I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: A contract (Contract) with J.W. Cheatham, LLC (Cheatham) in the amount of \$853,148.25 and 180 Calendar Days for the Wallis Road Phase 2 project at Palm Beach International Airport (PBI).

Summary: The County owns approximately 58± acres of property west of PBI (Airport Property), which is located east of Haverhill Road and west of Military Trail and managed by the Department of Airports (DOA). A segment of Wallis Road located adjacent to the Airport Property (Wallis Road) does not meet current County standards. This project provides for the improvement of Wallis Road, which is required for the development of the Airport Property for uses compatible with airport operations and to bring Wallis Road up to current standards. This project was advertised utilizing the County's competitive bid process. On April 13, 2021, nine (9) bids were received for the Wallis Road Phase 2 project at PBI. Cheatham is located in Palm Beach County and has been identified as the lowest responsible/responsive bidder in the amount of \$853,148.25. The project was presented to the Goal Setting Committee on January 15, 2020 and an Affirmative Procurement Initiatives (API's) of 20% Small Business Enterprise (SBE) participation was applied. The SBE participation on this project is 25.1%. **Countywide (AH)**

Background and Policy Issues: The Department of Engineering & Public Works (Engineering) and DOA entered into a Memorandum of Understanding regarding the design and construction of the project to allow for the development and lease of the Airport Property pending completion of the required roadway and associated drainage improvements. Currently, approximately 47± acres of the property has been leased for warehouse development, which is considered a use compatible with airport operations. Airport Logistics Park, LLC (R-2019-0300) leased approximately 39.68± acres of the Airport Property and has completed its first phase of warehouse development. PBI Post Distr. LLC (R-2017-1892) leased approximately 7.5± acres of the Airport Property for construction of a PODS warehouse, which is complete. The initial annual rental for these leases is \$1,134,281.15. Due to the financial impacts of the COVID-19 pandemic, Engineering agreed to allow the project to be completed in two phases. The first phase to construct the initial drainage conveyance was completed in 2020 (R-2020-0634). Phase 2 provides for the completion of the project, including pavement widening, installation of sidewalks, utility relocation, additional swale and drainage improvements and final marking.

RE: PBC Project No. PB 21-4
 PBI Wallis Road Phase 2 Construction Services
 Palm Beach International Airport
 Bid Tabulation and Contract Award Recommendation

Gary:

AECOM Technical Services, Inc. (AECOM) has reviewed the submitted bids for the referenced project. The established deadline for submission of bids was on April 13, 2021. The Bid Opening was conducted on April 14, 2021 at 2:00 PM.

Nine (9) bids were received from: J.W. Cheatham, LLC (JW Cheatham), Ranger Construction Industries, Inc. (Ranger), Heavy Civil, Inc. (Heavy Civil), Almazan Construction, LLC (Almazan), R & D Paving, LLC (R&D Paving), MJC Land Development (MJC), Municipal Contractors, Inc. (Municipal), Hardrives of Delray, Inc. (Hardrives of Delray), and Florida Blacktop, Inc. (Florida Blacktop). The bids, along with the Engineer's Estimate, and their Certification of Business Location (Attachment 5 to the Bid Form) is presented in the table below:

BIDDER	BASE BID PRICE	LOCAL BUSINESS IN PALM BEACH COUNTY
J.W. Cheatham, LLC.	\$853,148.25	✓
Ranger Construction Industries, Inc.	\$885,570.38	✓
Heavy Civil, Inc.	\$920,000.10	
Almazan Construction, LLC.	\$976,398.30	✓
R & D Paving, LLC.	\$1,008,293.18	✓
Engineer's Estimate	\$1,069,049.00	
MJC Land Development	\$1,138,385.20	✓
Municipal Constructors, Inc.	\$1,269,290.00	✓
Hardrives of Delray, Inc.	\$1,291,285.13	✓
Florida Blacktop, Inc.	\$1,313,870.47	✓

No bidders were identified as a Glades business. AECOM's review of the bids indicated that JW Cheatham, Ranger, Almazan, R&D Paving, and Hardrives of Delray completed the Bid Form and necessary attachments as required per the bid documents. These documents, among others, include: Bid Bond, OEBO Schedules, List of Subcontractors, Trench Safety Affidavit, Certification of Business Location, Addenda acknowledgement, Unit Price Bid Form, and the E-Verify Certification.

Heavy Civil did not accurately list all subcontractors in Attachment No. 3 of the Bid Form, not listing subs previously identified in the OEBO Schedule 2. MJC did not provide the E-Verify Certification (Attachment No. 7 to the Bid Form). Municipal did not provide the signed first page of Addendum No. 2; MJC did, however, acknowledge receiving Addendum No. 1 and Addendum No. 2 in their Bid Form & Attachments, page 3. Florida Blacktop acknowledged the receipt of Addendum No. 1 and Addendum No. 2 on Bid Form & Attachments, page 3; however, Florida Blacktop did not return the signed first pages of the addenda.

AECOM's review indicated that J.W. Cheatham's, the lowest bidder, was mathematically correct. J.W. Cheatham successfully constructed Phase 1 of Wallis Road, and they are an experienced and competent contractor. The Bid Tabulation and the Bid Review Checklist for all bidders is attached.

Based on AECOM's evaluation of the qualifications and the bids submitted, it is our recommendation that the DOA award the PB 21-4, PBI Wallis Road Phase 2 Construction Services Contract to the lowest responsible/responsive bidder, J.W. Cheatham, LLC, contingent on the DOA's legal and OEBO review of the bid documents.

If you have any questions, please feel free to contact me. We would be pleased to address any and all issues at your convenience.

Sincerely,
AECOM Technical Services, Inc.
