I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to:

- A) Approve** a HOME Investment Partnerships Program (HOME) award of \$735,000 to CP Renaissance, LLC;
- B) Approve** a HOME award of \$265,000 to Autumn Ridge Apartments, Ltd.;
- C) Direct** staff to negotiate the loan agreement(s); and
- D) Authorize** the County Administrator, or designee, to execute the loan agreement(s), amendments thereto, and all other documents necessary for project implementation.

Summary: On June 25, 2021, the Department of Housing and Economic Development issued Request for Proposals HED.2021.2 (RFP) making \$1,000,000 in Federal HOME funding available to developers of affordable housing for new construction, rehabilitation, or acquisition. A selection committee consisting of three (3) voting members met at a public meeting held on August 13, 2021, and recommended funding for two (2) projects:

- 1) \$735,000 loan to CP Renaissance, LLC (a subsidiary of Neighborhood Renaissance, Inc.) to construct Coleman Park Renaissance, a 42-unit multifamily rental development, including no less than eleven (11) HOME-assisted units, located at on four (4) sites on North Tamarind Avenue in West Palm Beach; the City will provide a dollar-for-dollar match for the HOME award.
- 2) \$265,000 loan to Autumn Ridge Apartments, Ltd. (an affiliate of Landmark Development Corp. and the West Palm Beach Housing Authority) to construct Autumn Ridge, a 106-unit multifamily rental development, including no less than five (5) HOME-assisted units, located at 1580-1610 N. Congress Avenue in the unincorporated Westgate/Belvedere Homes CRA; the HOME award will be used as the local match for a funding application to the State Apartment Incentive Loan Program. Separate from this RFP, Autumn Ridge is pursuing an alternate funding strategy and applying to the State for competitive 9% Housing Credits with a previous \$715,000 local match from the County. Should the State award Autumn Ridge the 9% Housing Credits, the proposed \$265,000 HOME award will be nullified, and the funds reallocated.

All HOME-assisted units will remain affordable to tenants with incomes no greater than 80% of Area Median Income for no less than 30 years. The funding agreements and related documents pursuant to these HOME funds will be between the County and the entities identified herein or their respective successors and/or assigns. To facilitate project implementation, staff requests authorization for the County Administrator, or designee, to execute the loan agreements and related documents. **These are Federal HOME Program grant funds which require a 25% local match provided by State SHIP grant funds.** District 7 (HJF)

SECTION I

A. Statement of Purpose

Through this RFP, the Palm Beach County Board of County Commissioners (County) is offering federal HOME Investments Partnership (HOME) Program funds to Developers to create affordable Multifamily Housing, Single Room Occupancy (SRO) housing, or Group Homes through new construction or rehabilitation, with or without acquisition.

B. Background

The HOME Program was created by the 1990 Title II, 42 USC 1271, SEC. 201 Cranston-Gonzalez National Affordable Housing Act, and is administered by the U.S. Department of Housing and Urban Development (HUD). The purpose of this program is to allocate funds to strengthen public/private partnerships for the provision of affordable housing opportunities for Very Low Income and Low Income households. Palm Beach County's HOME Program is administered by the Department of Housing and Economic Development (HED).

C. Funding Available

RFP HED.2021.2 makes available **\$1,000,000** in HOME entitlement funding from Program Year (PY) 2021-2022. Funds are exclusively to provide loan financing for the development of HOME-Assisted Housing Units for Eligible Beneficiaries.

D. Defined Terms

Affordability Requirements are defined as the requirements imposed upon HOME Assisted Housing Units to serve lower income households at affordable rents as established in this RFP HED.2021.2.

Annual Monitoring Fee is defined as a fee paid by the Developer annually during the Period of Affordability to cover County costs of required project monitoring.

Area Median Income (AMI) is defined as the most current income limits published by HUD for the West Palm Beach - Boca Raton Metropolitan Statistical Area (Palm Beach County).

Developer is defined as an entity which: 1) is funded through this RFP to complete the development of HOME-Assisted Housing Units; 2) has site control of the project site; and 3) plans and implements the project through completion and delivery to Eligible Beneficiaries. Such entities shall be limited to private for-profit entities, private non-profit entities, public agencies, or ventures between the same. Developers shall assume responsibility for compliance with all program requirements in accordance with HOME regulations.

Disabled Person is defined as a person with a physical or mental impairment that substantially limits one or more major life activities, a person who has a history or record of such an impairment, or a person who is perceived by others as having such an impairment, including persons less than 65 years of age who receive Supplemental Security Income.

Elderly Person is defined as a person 62 years of age or older.

Eligible Beneficiaries are defined as Low Income and Very Low Income households.

Glades Region is defined as the geographic area of Palm Beach County located west of Twenty-Mile Bend.

Group Home is defined as a housing unit occupied by two (2) or more single persons (including elderly or disabled) consisting of common space and/or facilities for group use by the occupants of the unit, and separate private space for each single person (including shared bedrooms) that does not include private sanitary or food preparation facilities.

HOME-Assisted Housing Unit is defined as a housing unit assisted with HOME funding provided through RFP HED.2021.2 and bearing all requirements related thereto.

Low Income is defined as an annual household income that does not exceed eighty percent (80%) of AMI as annually determined by HUD.

Multifamily Housing is defined as housing characterized by four (4) or more attached units per residential structure under common ownership and offered for rent through a leasehold agreement.

Period of Affordability is defined as the time period for which HOME-Assisted Housing Units shall bear Affordability Requirements of the HOME Program and RFP HED.2021.2.

Redevelopment is defined as development activity entailing the demolition of multifamily rental residential structures or public housing structures currently or previously existing that are at least 30 years old and new construction of replacement structures on the same site, as further described at 67-48.002 F.A.C.

Rehabilitation is defined as development activity entailing the alteration, improvement or modification of an existing structure where less than 50% of the work consists of new construction, as further described at 67-48.002 F.A.C.

Respondent is defined as an entity that submits a proposal in response to this RFP.

Selection Committee is defined as the body of individuals that evaluates responsive proposals at a public meeting and formulates funding recommendations for consideration by the Palm Beach County Board of County Commissioners.

Single Room Occupancy (SRO) is defined as housing consisting of separate and identifiable single room dwelling units that are the primary residence of their occupants and that contain private sanitary and/or food preparation facilities.

Very Low Income is defined as an annual income that does not exceed fifty percent (50%) of AMI as determined annually by HUD.

Veteran is defined as a person who served in active military, naval, or air service and who was discharged or released under conditions other than dishonorable.

E. Location Requirements

Properties must be located exclusively within Palm Beach County. The Palm Beach County HOME Program Jurisdiction includes the geographic area within the corporate bounds of Palm Beach County, but excludes the municipalities of:

- Boca Raton, City of
- Boynton Beach, City of
- Delray Beach, City of
- Jupiter, Town of
- Ocean Ridge, Town of
- Palm Beach Gardens, City of
- Wellington, Village of
- West Palm Beach, City of

If a project is located within the municipal bounds of any of the above-listed municipalities, the municipality must make a financial contribution to the project in an amount no less than the HOME funding request (dollar-for-dollar 100% match). The municipal financial contribution to the project may be in the form of a grant, a loan, the market value of donated real property, or other quantifiable means, such as waiver of permit fees, impact fees, or other development fees. The County has the sole authority to determine the value of the financial contribution. The Respondent is solely responsible for obtaining the municipal financial contribution, and for providing documentation evidencing the financial contribution at time of proposal submittal.

Additionally, projects located within the above-listed municipalities must serve beneficiaries from both the municipality and the Palm Beach County HOME Program Jurisdiction.

F. Eligible Projects

Eligible projects shall be limited to Multifamily Housing, SRO housing, and Group Homes. Transitional housing, emergency shelters, and units within a condominium complex are not eligible for funding under this RFP.

Eligible project types shall be limited to new construction, rehabilitation, and redevelopment with or without acquisition.

G. HOME-Assisted Housing Units

Developers shall designate a certain number of units within the project as “fixed” HOME-Assisted Housing Units that shall bear HOME requirements and be occupied by Eligible Beneficiaries. Multifamily Housing and SRO projects may contain both HOME-Assisted Housing Units and non-HOME-Assisted Housing Units. In Multifamily Housing projects there shall be a representative distribution of housing unit sizes among the mix of HOME-Assisted Housing Units and non-HOME-Assisted Housing Units. HUD treats a Group Home as a single HOME-Assisted Housing Unit

The number of HOME-Assisted Housing Units in should be guided by maximum per unit HOME subsidy limits.

For Multifamily Housing projects, the maximum per unit HOME subsidy is \$65,000 for all unit sizes up to and including two (2) bedroom units, and is \$75,000 for all unit sizes three (3) bedrooms plus.

For SRO projects, the maximum per unit HOME subsidy is \$50,000 per each SRO unit.

For Group Home projects, HUD’s maximum per unit HOME subsidies limit the amount of HOME funds that can be awarded to a Group Home project to the amount allowed for the particular home size (2 bedroom, 3 bedroom, or 4+ bedroom).

See Exhibit A for a chart of maximum per unit HOME subsidy amounts.

Housing units that are set-aside within the project to meet the requirements of other non-HOME funding sources may also serve as HOME-Assisted Housing Units.

H. Eligible Beneficiaries

All HOME-Assisted Housing Units must be set aside exclusively for Eligible Beneficiaries during the Period of Affordability, that is for Low Income and Very Low Income households.

At least twenty percent (20%) of the HOME-Assisted Housing Units in Multifamily Housing and SRO projects must be set aside for Very Low Income households. Prospective tenants referred through Palm Beach County Community Services Department’s coordinated entry system must be given first priority for no less than half of the Very Low Income units in Multifamily Housing projects.

Because HUD treats a Group Home as a single HOME-Assisted Housing Unit, all occupants of a Group Home must be Eligible Beneficiaries with the exception of a live-in service provider (if any).

HUD’s 2021 income limits are set forth in Exhibit B.

I. Period of Affordability

All HOME-Assisted Housing Units shall bear the Affordability Requirements of the HOME Program and RFP HED.2021.2 for no less than thirty (30) years (the Period of Affordability).

During the Period of Affordability, all HOME-Assisted Housing Units shall be occupied by Eligible Beneficiaries as leasehold tenants.

The Period of Affordability will be secured and enforced through a lien on title to the property.

J. Affordable Rental Rates

During the Period of Affordability, all HOME-Assisted Housing Units must be leased to Eligible Beneficiaries at affordable rents.

For Multifamily Housing, affordable rents must not exceed HUD's HOME High and Low Rents, less utility allowance. The High and Low HOME Rents are applicable to HOME-Assisted Housing Units set aside for income groups as follow:

- Low Income (<80% AMI) Units = High HOME Rent
- Very Low Income (<50% AMI) Units = Low HOME Rent

HUD's most recent available HOME Rents are set forth in Exhibit C. HOME Rents are subject to annual adjustment by HUD.

For Multifamily Housing projects, a utility allowance for tenant paid utilities shall be calculated based on the applicable HUD utility allowance schedule, and shall be deducted from the applicable HOME Rent to yield the maximum rent that may be charged to the tenant leasing the HOME-Assisted Housing Unit. HUD's most recent available utility allowance schedule is provided at Exhibit D Utility allowances are subject to annual adjustment by HUD.

For SRO housing projects where all SRO units contain both sanitary and food preparation facilities, affordable rents shall not exceed the High and Low HOME Rents for a zero-bedroom unit/efficiency. For SRO projects where all SRO units do not contain both sanitary and food preparation facilities, the rent may not exceed 75% of the HUD Fair Market Rent for a zero-bedroom unit/efficiency. The rent limit includes the cost of utilities but does not include the cost of food or supportive services.

For Group Home projects, the affordable rent shall not exceed the HUD Fair Market Rent for the applicable housing unit size, such rent being divided proportionately among Group Home residents. The rent limit includes the cost of utilities but does not include the cost of food or supportive services.

HUD fair market rents vary by zip code and are located here:

https://www.huduser.gov/portal/datasets/fmr/fmrs/FY2021_code/select_Geography.odn

This RFP places no restrictions on the rents Developers may charge for the non-HOME-Assisted Units within a mixed income project, except that those rents shall comply with the applicable requirements of other non-HOME subsidy sources.

All rental requirements will be codified in a HOME funding agreement between the County and the Developer and will be secured by an encumbrance on title to the property.

K. Rehabilitation Standards

Rehabilitation work completed under this program shall seek to upgrade the property to the extent practicable and feasible to applicable housing and building code standards including the HUD Section 8 Housing Quality Standards, and Florida Statutes Chapter 553, Building Construction Standards. The rehabilitation shall address lead-based paint remediation and asbestos remediation. The rehabilitation may address hurricane protection, energy efficiency and conservation, the removal of architectural barriers, as well as any construction related improvements to the property in order to comply with the requirements of the required environmental review. When rehabilitation is undertaken, a minimum of \$1,000 in rehabilitation costs must be expended on each unit for all housing types.

L. Eligible Costs

Eligible uses of the HOME funds are limited to project development costs attributable to the HOME-Assisted Housing Units; including: acquisition; architectural and engineering services; demolition; site improvements, rehabilitation; construction; building permits; utility connection fees; impact fees; and developer fee. Determination of cost eligibility and reasonableness shall be at the County's sole and absolute discretion. Costs of off-site improvements, payment of delinquent taxes and other fees, and costs related to other project financing are ineligible for payment with HOME funds.

M. HOME Funding Terms

HOME funding will be provided to Developers in the form of a loan for permanent financing.

The loan shall be secured by a mortgage and note that require repayment of principal and interest. The loan's interest rate, term, and structure are negotiable. At its sole and absolute discretion, the County may offer fixed-rate, adjustable-rate, interest-only, and cash flow dependent loans.

The Developer shall pay a \$2,000 Annual Monitoring Fee during each year of the term of the loan.

N. Relocation

Respondents are cautioned that any activities causing displacement of residents and/or businesses are required to comply with the federal Uniform Relocation Assistance and Real Properties Acquisition Policies Act (URA). The Respondent is solely responsible for all procedural requirements and costs related to the URA.

O. Schedule

It is the goal of the County to select proposals that are most likely to meet the following schedule:

December 31, 2022.....	Execution of HOME Funding Agreement
September 30, 2024.....	100% expenditure of HOME Funds
September 30, 2025.....	100% Lease up / Beneficiaries Realized

P. Federal Requirements

Applicable federal regulations will be incorporated in the HOME funding agreement. The following are some of the federal regulations applicable to projects funded through this RFP. This list is not all-encompassing, and the exclusion of a requirement from this list does not relieve the Developer of its obligations related thereto:

- The HOME Investment Partnerships Act at Title II of the Cranston-Gonzalez National Affordable Housing Act, as amended, 42 U.S.C. 12701 et se., and the HOME Investment Partnerships Program Regulations (24 CFR Part 92);

The County reserves the right to appoint non-County employee(s) to the Selection Committee.

The following criteria will be used by the Selection Committee as a guideline in evaluating proposals, and is not intended to identify all items within each category to be considered. 20 Points - Financial Viability

The Selection Committee shall tally individual scores to yield a total score for each project, and shall rank the projects from highest scoring to lowest scoring. In the event of a tie score among two or more highest scoring proposals, the below-listed criteria shall be applied to the tied proposals. The criteria are listed in descending rank order, and shall be applied in sequence to tied proposals until a rank order is established among the proposals.

- 1st: Proposal with both RFP scoring preferences (Geographic AND Targeted Resident Population)
- 2nd: Proposal with one RFP scoring preference (Geographic OR Targeted Resident Population)
- 3rd: Proposal with higher score for Quality of Proposed Project scoring criterion
- 4th: Proposal with higher score for Qualifications and Experience scoring criterion
- 5th: Proposal with higher score for Financial Viability scoring criterion

B. Award Recommendation

The recommendation to award, if any, will be made to the Respondent whose proposal is considered to be most advantageous to the County as determined by vote of the Selection Committee. The Selection Committee may elect not to recommend the award of funding to any of the Respondents. The Department of Housing and Economic Development will post the award recommendation for review.

C. Funding Award

The Department of Housing and Economic Development will present the funding recommendation to the Palm Beach County Board of County Commissioners (BCC) at a public meeting. **The BCC has the sole authority to modify, reject, or approve funding recommendations under this RFP, or to award to another Respondent.**

D. Agreement Negotiations

After approval by the BCC, the County will enter into negotiations with the Respondent(s) awarded funding. If the County and the Respondent cannot successfully negotiate an agreement, the County may terminate said negotiations and the funding award, and may elect to initiate negotiations with the second highest ranked Respondent. This process may continue until an agreement(s) has been executed or until the County elects to terminate the process. No Respondent shall have any right against the County arising from such negotiations or termination.

E. Right to Protest

Any proposer who is aggrieved in connection with the recommended award of an RFP may submit

a written protest via hand delivery, mail or email within three (3) business days following notice of the recommendation to award. The protest must be submitted to the designated RFP contact person and must contain identification of the RFP and the protestor, as well as a factual summary of the basis of the protest. The written protest is considered filed when it is received and date/time stamped. Only the issues submitted in writing within the period specified for the protest will be considered.

Upon receipt of a written protest, HED staff shall review the protest and any written material provided by the protestor, and submit a written summary of the protest along with a recommendation to the Department Director or designee as to the validity of the protest. The Department Director or designee shall have the authority to:

1. Deny the protest, based on the findings of the review; or
2. Uphold the protest, and recommend award to the next highest ranked proposer; provided however if the RFP is awarded to the next highest ranked proposer, new notice and protest provisions defined in the RFP shall apply.
3. Cancel the RFP.

The ruling of the Department Director or designee shall be final, unless the Respondent appeals it to a Special Master. If the protest is denied, the protestor may submit a written request of appeal, along with a \$1,500 non-refundable check, which shall be submitted in the form of a money order, cashier's check or a bank check payable to Palm Beach County, for costs associated with the engaging of a Special Master, to the designated RFP contact within three (3) business days of the issuance of the Department Director's written decision. If no appeal is submitted within the allotted time, the Department may proceed with the award process as provided in the RFP. Upon timely submittal of a written request of appeal, the designated RFP contact shall submit all documents relating to the protest, including the written decision, to the Director of Purchasing to be referred directly to a Special Master under contract with Palm Beach County in accordance with Section 2-55(c)(4) of the Palm Beach County Code. Notwithstanding the provisions of Section 2-55(c)(4) of the Palm Beach County Code, the request for a Special Master hearing shall be accompanied by a protest bond of \$1,500. Any costs associated with the engaging of a Special Master in excess of \$1,500, shall be the sole responsibility of the protestor. Special Master hearings shall be conducted in accordance with Countywide PPM CW-L-039, "Procurement Protest Hearings". The Special Master shall make a recommendation as to whether the protest should be upheld or denied. If the Special Master upholds the protest, the Special Master shall either make a recommendation to cancel the RFP, or to cancel the award recommendation and post a new award recommendation after re-evaluation based on the Special Master's determination of the facts in the case.

(d) *Reporting of expenditures.* Commencing November 1, 2011, and by November 1 of each year thereafter, all lobbyists shall submit to the central lobbyist registration site a signed statement under oath listing all expenditures made by the lobbyist in lobbying county or municipal officials and employees in excess of twenty-five dollars (\$25.00) for the preceding fiscal year commencing on October 1 and ending on September 30. A statement shall be filed even if there have been no expenditures during the reporting period. The statement shall list in detail each expenditure category, including food and beverage, entertainment, research, communications, media advertising, publications, travel, lodging and special events. Political contributions and expenditures which are reported under election laws as well as campaign-related personal services provided without compensation are excluded from the reporting

requirements. A lobbyist or principal's salary, office overhead expenses and personal expenses for lodging, meals and travel also are excluded from the reporting requirements. Research is an office expense unless it is performed by independent contractors rather than by the lobbyist or the lobbyist's firm.

(1) The county administrator of the central lobbyist registration site shall provide notice of violation to any lobbyist who fails to timely file an expenditure report and shall also notify the county commission on ethics of this failure. In addition to any other penalties which may be imposed under this article, any lobbyist who fails to file the required expenditure report within thirty (30) days of the date of notice of violation shall be suspended from lobbying unless the notice of violation has been appealed to the commission on ethics.

(e) *False statements.* A lobbyist shall not knowingly make, or cause to be made, a false statement or misrepresentation in maintaining registration or when lobbying county commissioners, members of local municipal governing bodies, mayors or chief executive officers that are not members of local municipal governing bodies, advisory board members, or employees.

(f) *Existing county registrations.* All registrations on file and in effect with the county before the effective date of this ordinance shall remain in full force and effect.

(Ord. No. 03-018, § 3, 5-20-03; Ord. No. 03-055, Pt. II, 11-18-03; Ord. No. 2009-051, pt. 2, 12-15-09; Ord. No. 2011-039, § 1(Exh. 1), 12-20-11)

Sec. 2-354. - Record of lobbying contacts.

(a) *Contact log.* Except when appearing before the board, local municipal governing body, or any advisory board, all persons shall sign, for each instance of lobbying, contact logs maintained and available in the office of reception of each department of county or municipal government as applicable. The person shall provide his or her name, whether or not the person is a lobbyist as defined in this article, the name of each principal, if any, represented in the course of the particular contact, and the subject matter of the lobbying contact. All contact logs shall be maintained by the county or municipality as applicable for a period of five (5) fiscal years.

(b) *Lobbying outside of county or municipal offices.* In the event that a lobbyist engages in lobbying which is outside of county or municipal offices as applicable, and which is a scheduled appointment initiated by any person for the purpose of lobbying, the lobbyist shall advise in writing the commissioner's office, the member of a local municipal governing board's office, the mayor or chief executive officer's office, the advisory board member's office, or the employee's department office as appropriate of the calendar scheduling of an appointment and the subject matter of the lobbying contact.

(Ord. No. 03-018, § 4, 5-20-03; Ord. No. 2011-039, § 1(Exh. 1), 12-20-11)

Sec. 2-355. - Cone of silence.

(a) "Cone of silence" means a prohibition on any communication, except for written correspondence, regarding a particular request for proposal, request for qualification, bid, or any other competitive solicitation between:

- (1) Any person or person's representative seeking an award from such competitive solicitation; and
- (2) Any county commissioner or commissioner's staff, any member of a local governing body or the member's staff, a mayor or chief executive officer that is not a member of a local governing body

or the mayor or chief executive officer's staff, or any employee authorized to act on behalf of the commission or local governing body to award a particular contract.

- (b) For the purposes of this section, a person's representative shall include but not be limited to the person's employee, partner, officer, director, consultant, lobbyist, or any actual or potential subcontractor or consultant of the person.
- (c) The cone of silence shall be in effect as of the deadline to submit the proposal, bid, or other response to a competitive solicitation. The cone of silence applies to any person or person's representative who responds to a particular request for proposal, request for qualification, bid, or any other competitive solicitation, and shall remain in effect until such response is either rejected by the county or municipality as applicable or withdrawn by the person or person's representative. Each request for proposal, request for qualification, bid or any other competitive solicitation shall provide notice of cone of silence requirements and refer to this article.
- (d) The provisions of this article shall not apply to oral communications at any public proceeding, including pre-bid conferences, oral presentations before selection committees, contract negotiations during any public meeting, presentations made to the board or local municipal governing body as applicable, and protest hearings. Further, the cone of silence shall not apply to contract negotiations between any employee and the intended awardee, any dispute resolution process following the filing of a protest between the person filing the protest and any employee, or any written correspondence at any time with any employee, county commissioner, member of a local municipal governing body, mayor or chief executive officer that is not a member of the local municipal governing body, or advisory board member or selection committee member, unless specifically prohibited by the applicable competitive solicitation process.
- (e) The cone of silence shall not apply to any purchases made in an amount less than the competitive bid threshold set forth in the county purchasing ordinance (County Code, chapter 2, article III, division 2, part A, section 2-51 et seq.) or municipal ordinance as applicable.
- (f) The cone of silence shall terminate at the time the board, local municipal governing body, or a county or municipal department authorized to act on behalf of the board or local municipal governing body as applicable, awards or approves a contract, rejects all bids or responses, or otherwise takes action which ends the solicitation process.
- (g) Any contract entered into in violation of the cone of silence provisions in this section shall render the transaction voidable.

(Ord. No. 03-018, § 5, 5-20-03; Ord. No. 03-055, Pt. 3, 11-18-03; Ord. No. 2009-051, pt. 2, 12-15-09; Ord. No. 2011-039, § 1(Exh. 1), 12-20-11)

Sec. 2-356. - Enforcement.

- (a) If the county administrator or municipal administrator as applicable is informed of any person who has failed to comply with the requirements of this article, he or she shall conduct a preliminary investigation as deemed necessary under the circumstances. In the event the county administrator or municipal administrator as applicable determines that a violation may have occurred based on the results of the investigation, the county administrator or municipal administrator as applicable shall forward the matter to the county commission on ethics for further investigation and enforcement proceeding as set forth in article XIII of this chapter, the countywide code of ethics. For the purposes of further investigation and enforcement by the commission on ethics, a complaint submitted under this subsection by the county administrator or municipal administrator shall be deemed legally sufficient.

(b) The commission on ethics may process any other legally sufficient complaints of violations under this article pursuant to the procedures established in article XIII of this chapter.

(Ord. No. 03-018, § 6, 5-20-03; Ord. No. 2009-051, pt. 2, 12-15-09; Ord. No. 2010-043, pt. 6, 9-28-10; Ord. No. 2011-039, § 1(Exh. 1), 12-20-11)

Sec. 2-357. - Penalties.

Violations of this article shall be punishable as follows:

- (1) Failure to properly register as required by section 3-353 of this article shall be deemed a single violation, punishable by a fine of two hundred fifty dollars (\$250.00) per day for each day an unregistered lobbyist engages in lobbying activity, in an amount not to exceed a total of two thousand five hundred dollars (\$2,500.00).
- (2) Failure to properly provide lobbying contact information as required by section 2-354 of this article shall be punishable by a fine of two hundred fifty dollars (\$250.00) for each violation.
- (3) Violations of the cone of silence set forth in section 2-355 of this article shall be punishable by a fine of two hundred fifty dollars (\$250.00) for each violation.
- (4) Any person who knowingly makes or causes to be made a false statement or misrepresentation in maintaining a lobbyist registration shall be subject to a fine of two hundred fifty dollars (\$250.00) for each violation.
- (5) Any person who violates the provisions of this article more than once during a twelve-month period shall be prohibited from lobbying as follows: A second violation shall result in a prohibition of one (1) year; a third violation shall result in a prohibition of two (2) years.
- (6) The penalties provided in this section shall be exclusive penalties imposed for any violation of the registration, contact log, and cone of silence requirements of this article. Willful and knowing violations of this article shall be referred by the commission on ethics to the state attorney for prosecution in the same manner as a first degree misdemeanor pursuant to F.S. § 125.69. Failure or refusal of any lobbyist to comply with any order of the commission on ethics shall be punishable as provided by law, and shall otherwise be subject to such civil remedies as the county or municipality as applicable may pursue, including injunctive relief.

Project Description

Project Developer - Neighborhood Renaissance, Inc.

Established in 1992, Neighborhood Renaissance, Inc. ("NR") is a proven nonprofit community based organization dedicated to building and supporting strong economies and diverse communities in Palm Beach County. Our approach to rebuilding neighborhoods is inclusive and received national recognition. We have a long history of working in partnership with residents, local government, businesses and lending institutions to reclaim troubled properties and improve neighborhoods while helping families to become economically self-sufficient through individualized housing counseling, case management and increased financial literacy. Our efforts have helped over 200 low and moderate-income families to become first-time homeowners. We are experienced rental and for sale real estate developers of single and multi-family properties and have built or substantially rehabilitated over 240 homes. In the past 8 years, our programs targeted nearly \$46 million of reinvestment into low-income communities.

Project Description: Coleman Park Renaissance will be a new 42-unit scattered site apartment project located on 4 scattered site locations along North Tamarind Avenue in the City of West Palm Beach. The buildings will be 3-story garden style walk-ups with a small commercial/retail component on one of the sites. The unit mix will consist of 12 one-bedroom one-bath units, 22 two-bedroom two-bath units and 8 three-bedroom two-bath units. The units will contain ceiling fans with light fixtures in all bedrooms, full size range and oven, and washer and dryer hookups. On-site amenities will include an office/tenant resident meeting space for the provision of tenant programs such as adult literacy, employment assistance, financial management and homebuyer education.

The apartment homes will be set aside for very low-, low- and moderate-income families with incomes under 70% of the Area Median Income ("AMI") and rents well below the market. The lots on which the scattered site development is being constructed were acquired during 2020 and 2021 with 4 of the lots donated by the City of West Palm Beach. Coleman Park Renaissance will be owned and operated by a subsidiary of Neighborhood Renaissance Inc. known as CP Renaissance, LLC and will be income restricted for at least 50 years by a Land Use Restriction Agreement and an Extended Use Agreement enforced by Florida Housing Finance Corporation.

The project will be an affordable housing development comprised of 3 Low HOME units, 8 High HOME units and 18 Low and Moderate income units. The Low HOME units will be for persons/households earning at or below 50% of the AMI. The High HOME units will be for persons/households earning at or below 60% of the AMI. The Moderate Income units will be for persons/households earning at or below 70% of the AMI. We are committed to reserving the 3 Low HOME units for Special Needs Populations.

Location Amenities: Coleman Park Renaissance is located along North Tamarind Road in the City of West Palm Beach on the west side of Division Avenue, North of 17th Street and south of 22nd Street.

The site is well located to community and social services:

- Kings IGA Market is .8 miles away and Publix Supermarket is 1.5 miles away
- CVS Pharmacy is .8 miles away
- Good Samaritan Medical Center is .8 miles away
- Coleman Park Community and Recreation Center is .2 miles away
- Roosevelt Elementary is .5 miles away, Roosevelt Middle School is .3 miles away and Palm Beach Lakes High School is 3.2 miles away.
- Palm Tran bus route 31 runs north and south adjacent to the Project along N. Tamarind Avenue. Stops for the 1 and 33 bus routes are all within a half mile of the development.
- Interstate 95 interchange is 2 miles from the project on Palm Beach Lakes Boulevard.

Target Market: The target market are households earning at or below 70% of the AMI. With respect to the HOME requirements, we will be targeting households earning 60% or less of the AMI for occupancy of eight units and households earning 50% or less of the AMI for three units. In addition, we will reserve the three 50% AMI units for Special Needs Populations.

Marketing Plan: Marketing activities will include listing on the MLS, constant contact mailings, community presentations to nonprofit service and housing agencies and will begin during the latter part of the construction period. Approximately four months prior to completion, we will accept applications on a first come basis and begin the income and eligibility documentation process. Household eligibility will be verified and applications processed to ensure that they conform to program guidelines. To reach targeted Special Needs Populations we will conduct outreach to organizations that serve the homeless, aging out of foster care, victims of domestic abuse, elderly, disabled and others.

- Regular Material Distribution and Attendance at Meetings of Community and Neighborhood Organizations including the Coleman Park Community Center:
 - NR representatives provide outreach to existing community and neighborhood groups throughout our service area to ensure that the existing residents have an opportunity to purchase/lease our homes and apartments and benefit from our services. Our efforts have included outreach to the following entities:
 - County Head Start Programs
 - Legal Aid of Palm Beach County

Additional organizations are continually being identified, including area neighborhood associations.

- Placement of Materials in Community Gathering Places:
 - Marketing materials are placed in various places in and around the community where potential clients frequent including: Post Offices, Boys

and Girls Club, Beacon Centers, Urban League, Prosperity Centers, local businesses and nonprofit housing agencies. Additional community sites are continually being sought.

- Presence on the Internet:
 - To reach the largest audience, the internet is utilized. Available unit descriptions are posted with contact information on NR's website as well as the MLS, and other real estate listing sites such as: Go Section 8, Trulia, Hotpads, Real Rentals, and Zillow.
- Requests are also made for the inclusion of postings on City, Redevelopment Agencies and County websites.
- Participation in Community Events and Housing Fairs.
- Neighborhood Association Meetings and Newsletters:
 - Place information in newsletters, where possible
 - Attend meetings where possible
- Direct Mail:
 - Information will be directly emailed to the organization's clients, nonprofit partners, and realtors to ensure the maximum number of individuals who are aware of the project and referral opportunities.
- Referral Network:
 - NR also seeks referrals from our existing residents, past clients, and nonprofit groups who receive newsletters and updates about available units. Our existing tenants receive a \$50 referral fee for every qualified referral that results in the leasing of our homes.

Table. ACSST5Y2019.S1701

TABLE NOTES	Although the American Community Survey (ACS) produces population, demographic and housing unit estimates, it is the Census Bureau's Population Estimates Program that produces and disseminates the official estimates of the population for the nation, states, counties, cities, and towns and estimates of housing units for states and counties.
	Supporting documentation on code lists, subject definitions, data accuracy, and statistical testing can be found on the American Community Survey website in the Technical Documentation section. Sample size and data quality measures (including coverage rates, allocation rates, and response rates) can be found on the American Community Survey website in the Methodology section.
	Source: U.S. Census Bureau, 2015-2019 American Community Survey 5-Year Estimates
	Data are based on a sample and are subject to sampling variability. The degree of uncertainty for an estimate arising from sampling variability is represented through the use of a margin of error. The value shown here is the 90 percent margin of error. The margin of error can be interpreted roughly as providing a 90 percent probability that the interval defined by the estimate minus the margin of error and the estimate plus the margin of error (the lower and upper confidence bounds) contains the true value. In addition to sampling variability, the ACS estimates are subject to nonsampling error (for a discussion of nonsampling variability, see ACS Technical Documentation). The effect of nonsampling error is not represented in these tables.
	Dollar amounts are adjusted to respective calendar years. For more information, see: Change to Income Deficit.
	The 2015-2019 American Community Survey (ACS) data generally reflect the September 2018 Office of Management and Budget (OMB) delineations of metropolitan and micropolitan statistical areas. In certain instances, the names, codes, and boundaries of the principal cities shown in ACS tables may differ from the OMB delineation lists due to differences in the effective dates of the geographic entities.
	Estimates of urban and rural populations, housing units, and characteristics reflect boundaries of urban areas defined based on Census 2010 data. As a result, data for urban and rural areas from the ACS do not necessarily reflect the results of ongoing urbanization.

Table: ACSST5Y2019.S1701

	<p>Explanation of Symbols: * An "***" entry in the margin of error column indicates that either no sample observations or too few sample observations were available to compute a standard error and thus the margin of error. A statistical test is not appropriate.</p> <p>* An "-" entry in the estimate column indicates that either no sample observations or too few sample observations were available to compute an estimate, or a ratio of medians cannot be calculated because one or both of the median estimates falls in the lowest interval or upper interval of an open-ended distribution, or the margin of error associated with a median was larger than the median itself.</p> <p>* An "-" following a median estimate means the median falls in the lowest interval of an open-ended distribution.</p> <p>* An "+" following a median estimate means the median falls in the upper interval of an open-ended distribution.</p> <p>* An "****" entry in the margin of error column indicates that the median falls in the lowest interval or upper interval of an open-ended distribution. A statistical test is not appropriate.</p> <p>* An "*****" entry in the margin of error column indicates that the estimate is controlled. A statistical test for sampling variability is not appropriate.</p> <p>* An "N" entry in the estimate and margin of error columns indicates that data for this geographic area cannot be displayed because the number of sample cases is too small.</p> <p>* An "(X)" means that the estimate is not applicable or not available.</p>

Re: Autumn Ridge

To whom it may concern,

My name is Kyle Abney and I certify that I have met all of the requirements and am currently in good standing with the Home Innovation Research Labs' National Green Building Standard (NGBS) green building certification program, allowing me to perform third-party review, verifications and certification services for projects that are pursuing a NGBS certification.

If funding is awarded, Abney + Abney Green Solutions will provide consulting services for the above referenced project, located:

- 1580/1610 N. Congress Ave. 33409
- Aka, East side of Congress Ave., 700 ft. north of the Intersection of Congress Ave. & Cherry Rd., Palm Beach County, FL

As the Green Verifier for this project, we plan to work closely with the entire design and construction team by preparing a list of guidelines for the NGBS. We will review the construction documents, as well as provide multiple site visits to verify the project remains on track for a NGBS certification.

Please let me know if you have any questions.

Respectfully,

Vice President
