and to accept as full compensation for the satisfactory performance of this Contract the sum of **Four Hundred Sixty Thousand One Hundred Twenty and 00/100 Dollars (\$460,120.00)**, Total Bid Amount (Base Bid Plus Additive Bid) for **Hold Positions and RGLS at Runway 10R-28L and Taxiway R1 at Palm Beach International Airport.**

The prices named in the Bid are for the completed work, and include the furnishing of all materials and all labor, tools, and appliances and all expense, direct or indirect, connected with the proper execution of the work and of maintaining the same until it is accepted by the Board of County Commissioners.

Time is of the essence. The Contractor shall commence the work to be performed under this Contract on the date set by the Owner in the written notice to proceed, continue the work with due diligence and shall complete the entire work per Attachment No. 2 to the Bid Form. Further, in the event interim milestone completion dates are established in Attachment No. 2 of the Bid Form for separable portions of the work, the Contractor agrees to complete said separable portions of the work in accordance with said milestone dates.

In case of failure on the part of the Contractor to complete the work within the time(s) specified in the Contract, or within such additional time(s) as may be granted by formal action of the Board of County Commissioners or fails to prosecute the work, or any separable part thereof, with such diligence as will insure its completion within the time(s) specified in the Contract or any extensions thereof, Owner will suffer damage, the amount of which is difficult, if not impossible to ascertain. Therefore, the Contractor shall pay to the Owner, as liquidated damages, the amounts indicated in the Milestone and Damages Data (Attachment #2 of the Bid Form) for each calendar day of delay that actual completion extends beyond the time limits specified in said Attachment until such reasonable time as may be required for final completion of work. In no way shall costs for liquidated damages be construed as a penalty on the Contractor.

Liquidated damages due to the Owner may be deducted from payments due to the Contractor, or may be collected from the Contractor or its surety or sureties. These provisions for liquidated damages shall not prevent the Owner, in case of the Contractor's default, from terminating the Contractor's right to proceed as provided in General Provision section 80-09 "Default and Termination of Contract".

As provided in F.S. 287.132-133, by entering into this contract or performing any work in furtherance hereof, the contractor certifies that it, its affiliates, suppliers, subcontractors and consultants who will perform hereunder, have not been placed on the Convicted Vendor List maintained by the State of Florida Department of Management Services within the 36 months immediately preceding the date hereof. This notice is required by F.S. 287.133 (3) (a).

IN WITNESS WHEREOF, the Board of County Commissioners of Palm Beach County, Florida, has made and executed this Contract on behalf of the said County and caused the seal of the said County to be affixed hereto, and the Contractor has hereunto set his hand and seal the day and year written. which contract is by reference made a part hereof in its entirety, and is hereinafter referred to as the Contract.

THE CONDITION OF THIS BOND is that if Principal:

1. Performs the contract dated \_\_\_\_\_, 20\_\_ between Principal and County for the construction of **Hold Positions and RGLS at Runway 10R-28L and Taxiway R1**, Contract No. **PB 21-6**, the contract being made a part of this bond by reference, in the time and in the manner prescribed in the Contract and;

RE: PBC Project No. PB 21-6  
Hold Positions and RGLs at Runway 10R-28L and Taxiway R1  
Palm Beach International Airport  
Bid Tabulation and Contract Award Recommendation

Gary:

AECOM Technical Services, Inc. (AECOM) has reviewed the submitted bids for the referenced project. The established deadline for submission of bids was on May 11, 2021. The Bid Opening was conducted on May 11, 2021 at 2:00 PM.

One bid was received from Hypower, Inc. (Hypower). This project included a base bid and an additive alternate bid. The results for the Bid are arranged along with the Engineer's Estimate in Tables 1 and 2 below.

Table 1

BIDDER	BASE BID PRICE
Engineer's Estimate	\$389,245.00
Hypower, Inc.	\$433,320.00

Table 2

BIDDER	ADDITIVE ALTERNATE PRICE
Engineer's Estimate	\$16,675.00
Hypower, Inc.	\$26,800.00

Table 3

BIDDER	BASE PLUS ADDITIVE ALTERNATE PRICE
Engineer's Estimate	\$405,920.00
Hypower, Inc.	\$460,120.00

AECOM's review of the bid indicated that Hypower submitted a responsive bid and has provided all supporting documentation required per the bid documents. AECOM's review of the bid calculations indicated the bid was accurately submitted. The Bid Tabulation analysis and the Bid Review Checklist are attached.

Hypower has experience as a prime contractor for airfield projects, having performed work for the Palm Beach County Department of Airports (DOA) within the past five (5) years.

It is AECOM's understanding that the DOA intends on awarding the base plus additive alternate bid. Based on AECOM's evaluation of the base plus additive alternate bid; qualifications, experience and the bid obtained, it is our recommendation that the DOA award the PB 21-6, Hold Positions and RGLs at Runway 10R-28L and Taxiway R1 construction contract to the responsible/responsive bidder, Hypower, Inc., contingent on the DOA's legal and DBE review of the bid documents.

If you have any questions, please feel free to contact me. We would be pleased to address any and all issues at your convenience.

Sincerely,  
**AECOM Technical Services, Inc.**
