As provided in F.S. 287.132-133, by entering into this contract or performing any work in furtherance hereof, the contractor certifies that it, its affiliates, suppliers, subcontractors and consultants who will perform hereunder, have not been placed on the Convicted Vendor List maintained by the State of Florida Department of Management Services within the 36 months immediately preceding the date hereof. Bid Tabulation and Contract Award Recommendation

Gary:

AECOM Technical Services, Inc. (AECOM) has reviewed the submitted bids for the referenced project. The established deadline for submission of bids was on May 13, 2021. The Bid Opening was conducted on May 13, 2021 at 1:00 PM.

A total of two (2) bids were submitted for this Project to the Palm Beach County Department of Airports (DOA) from local contractors: Ranger Construction Industries, Inc. (Ranger), and Rio-Bak Corporation (Rio-Bak). The two contractor bids, along with the Engineer's Estimate, are presented in the table below:

BIDDER	BASE BID PRICE
Engineer's Estimate	\$384,370.00
Ranger Construction Industries, Inc.	\$452,773.50
Rio-Bak Corporation	\$537,700.00

AECOM's review indicated that both Ranger and Rio-Bak completed the Bid Form and all necessary attachments as required per the bid documents. These documents, among others, include: Addenda acknowledgement, Bid Form, Bid Price Form, Designation of Subcontractors, Bid Bond, DBE Schedules, Trench Safety Affidavit, Bidder Qualification Questionnaire, and the E-Verify Certification.

Ranger, the lowest bidder, and Rio-Bak each have previous experience working on projects for the DOA and each have provided a list of previous projects validating their qualifications, capabilities, and experience with their Bid. AECOM's review showed both Bids were calculated correctly on the Bid Price form and appear to be complete responsive bids.

Based on AECOM's evaluation of the qualifications and the bids submitted, it is our recommendation that the DOA award the PB 21-7, Vehicle Service Road Relocation Contract to the lowest responsible/responsive bidder, Ranger Construction Industries, Inc., contingent on the DOA's legal and DBE review of the bid documents.
