I. EXECUTIVE BRIEF

Motion and Title: **Staff recommends motion to approve:** Memorandum of Agreement (MOA) with the Children’s Services Council of Palm Beach County providing funding of up to \$100,000 for the Drowning Prevention Coalition for the period October 1, 2021 through September 30, 2022.

Summary: The Drowning Prevention Coalition program is managed by Palm Beach County Fire-Rescue. It is funded by multiple sources, including the Children’s Services Council (CSC) of Palm Beach County and the County’s General Fund. This MOA provides the terms and conditions of the Children’s Services Council of Palm Beach County’s commitment to the County to provide funding of up to \$100,000 in FY 2022 for the Drowning Prevention Coalition program, inclusive of funding of up to \$50,000 to specifically fund vouchers issued for swimming lessons. Although the County provides funding for the Drowning Prevention Coalition program, this CSC grant does not require a County match. Countywide (SB)

Background and Justification: The Palm Beach County Drowning Prevention Coalition program was relocated to Palm Beach County Fire-Rescue on October 1, 2000. The relocation gave the Drowning Prevention Coalition office space within Palm Beach County Fire Rescue. The funding sources for this program in FY 2022 include a transfer from the County’s General Fund in the amount of \$194,792, which is accounted for in the adopted FY 2022 budget, a balance brought forward of \$2,997, and the agreement with the Children’s Services Council of Palm Beach County in the amount of \$100,000. The Children’s Services Council’s contribution will defray some costs associated with the Drowning Prevention Coalition program.
