**I. EXECUTIVE BRIEF**

**Motion and Title:** Staff recommends motion to approve the new appointment of one (1) member to the Palm Beach County HIV Comprehensive AIDS Resources Emergency (CARE) Council:

<u>Seat No.</u>	<u>Appointment</u>	<u>Recommended By</u>	<u>Term Expires</u>
23	Medford Carney	HIV CARE Council	11/15/2024

**Summary:** The Palm Beach County HIV CARE Council (HIV CARE Council) nomination process is an open process with publicized criteria and legislatively defined conflict of interest standards. Mr. Carney has successfully completed the HIV CARE Council’s nomination process and the HIV CARE Council recommends the appointment. The total membership for the HIV CARE Council shall be no more than 33 at-large members, per Resolution No. 2011-1560. The diversity count for the 20 seats that are currently filled is African-American: 10 (50%), Caucasian: 5 (25%), Hispanic-American: 4 (20%) and Asian-American: 1 (5%). The gender ratio (female: male) is 11:9. Mr. Carney is African-American. Staff conducts targeted outreach in an effort to proffer candidates for appointments that maintain a diverse composition of the board. (Ryan White Program) Countywide (HH)

**Background and Justification:** In accordance with the Ryan White Comprehensive AIDS Resources Emergency Act of 1990 (P.L.101-381), Palm Beach County was designated an eligible metropolitan area disproportionately affected by the HIV epidemic and having a demand for services exceeding the capacity of local resources to meet that demand. The Federal Government, through the Department of Health and Human Services, has made funds available to Palm Beach County to meet such demand. In order to access these funds, it is legally mandated by Title I (Part A) of the Ryan White Care Act that Palm Beach County designate a Title I (Part A) HIV Services Planning Council. To that end, the Board established the Palm Beach County HIV CARE Council, per Resolution No. R-2011-1560 dated October 18, 2011, and amended on January 23, 2018. The Ryan White CARE Act Amendments of 1996 mandate a nomination process for appointments to Title I (Part A) Planning Councils. As vacancies occur on the CARE Council, replacements are selected in accordance with the HIV CARE Council nominations process that was adopted and approved by the CARE Council on June 25, 2012.

# **CARE Council Policy**

Policy Number: 10  
Amended: June 25, 2018

Issue: **Nominations Process for CARE Council Membership**

This policy is adopted by the CARE Council (CARE Council), for the purpose of ensuring there is an open and fair nomination process which will provide for a CARE Council membership which is reflective of the AIDS epidemic in Palm Beach County, Florida. In addition, it is the intention of the CARE Council to maintain a nomination policy which complies with directives of the Division of HIV Services (DHS) and HRSA as those directives relate to the Ryan White Act.

## **I. Legislative Background**

Section 2602(b) of the reauthorized Ryan White Act states: "Nominations to the planning council (CARE Council) shall be identified through an open process and candidates shall be selected based upon locally delineated and published criteria. Such criteria shall include a conflict of interest standard for each nominee."

## **II. Expectations**

An open nominations process, in combination with other legislative requirements and existing DHS policy on PLWH participation, shall result in broad and diverse community inclusion and culturally competent deliberations in CARE Council processes. The CARE Council will only approve and/or appoint members who have gone through the nominations process and shall appoint members on a timely basis to ensure minimum disruption to CARE Council activities.

Nominations to the CARE Council shall be sought from a wide spectrum of potential members. Recruitment shall be made through existing CARE Council committees and through ongoing solicitation through existing CARE Council members, service providers, outreach through advertising, and staff working with consumers of HIV/AIDS services. Particular consideration shall be given to disproportionately affected and historically underserved groups and sub-populations.

Every member of the CARE Council is encouraged to actively recruit members to fill gaps in CARE Council membership. Recruitment is not just the Membership Committee's responsibility. CARE Council members should use their own network and seek key contacts in other communities to help identify potential members to fill gaps and to provide individuals to participate in CARE Council committee activities.

**III. Steps in the Nominations Process:**

1. When necessary advertising may be placed in various publications countywide notifying the public of the need for participation through membership on the CARE Council. Included in the advertising shall be notification of the need to fill membership positions based upon the demographics of the epidemic in Palm Beach County, and to ensure legislatively mandated positions are filled. A time limit for return of applications shall be included in the notification.
2. Potential applicants shall be invited to attend membership orientation offered quarterly and provided a nominations packet containing a letter describing roles and responsibilities of the CARE Council, duties of membership, time expectations, gaps in representations, conflict of interest standards, HIV disclosure requirements, and an overview of the selection process and timeline; within three (3) business days of request. There shall also be an application form used to gather information about: relevant experience, expertise, skills, the person's interest in serving, the perspective he or she might bring to the CARE Council, how his or her peer group might relate to groups affected by HIV, and other related information.
3. Each returned application will be issued a document number, and receipt shall be logged in for tracking purposes.
4. CARE Council staff will review all application forms and will recommend a list of persons for the Membership Committee to interview per "Procedure for Applicant Interviews". When two or more persons apply for the same slot, the committee will interview at least two applicants for the slot. Interviews shall be conducted by at least two committee members—one of which must be the Chair or Vice Chair and a staff member, according to a structured interview format. Open ended questions about past experience on boards, ideas about significant HIV/AIDS issues and professional or affected community linkages shall be incorporated into the interview.
5. After the interviews are completed, the results of each interview are discussed at the next regularly scheduled Membership Committee meeting. When reviewing candidates for membership the committee will consider the following factors: attendance at CARE Council meetings, involvement at Membership Development Sessions and involvement on committees. The Membership Committee may also consider activities as involvement in Membership Development Sessions. In addition, seat availability, the demographics of the

board and candidate qualification will be taken into consideration. The final committee recommendations will be forwarded to the Executive Committee and if approved to the CARE Council. If the recommendation is accepted by the CARE Council, the individual's name will then be forwarded to the Palm Beach County Board of County Commissioners for appointment. The candidate must document completion of the Palm Beach County ethics training prior to submission of their name to the Palm Beach County Board of County Commissioners. In the event a recommended candidate is not acceptable to the Palm Beach County Board of County Commissioners, a request for a replacement candidate, if available, will be forwarded to the Membership Committee and the Membership Committee will provide the name of another candidate to the CARE Council. If the recommendation is accepted by the CARE Council, the individual's name will then be forwarded to the Palm Beach County Board of County Commissioners for appointment.

- A. Candidates must fulfill the following requirements prior to being forwarded for CARE Council Membership. Candidates must join one (1) committee and attend a CARE Council meeting or CARE Council sponsored training inclusive of annual retreat.
- B. Documented exceptions to these requirements may be made, based upon the need of the CARE Council or in an extenuating circumstance, at the discretion of the Membership Committee Chair with the approval of the Executive Committee.

Approved 04/30/01; Amended 01/26/04, 11/16/09, 11/22/10, 06/27/11, 06/25/12.
