**PALM BEACH COUNTY**, a political subdivision of the State of Florida, ("County"), by and through its Department of Airports, under that certain Lease Agreement with **Atlantic Aviation West Palm Beach LLC**, ("Lessee"), dated October 18, 2000 (R-2000-1067, as amended and assigned), (the "Lease Agreement"), hereby consents to that certain License Agreement for Office Space effective as of January 1, 2022, between Lessee and Gitibin and Associates, Inc. dba Go Rentals ("Sublessee") (the "Sublease", attached hereto) for the sublease of certain premises contained within the leasehold of Lessee under the Lease Agreement, as summarized in the attached "Summary of Terms", Contract Number 554533.

**LICENSE AGREEMENT  
OFFICE SPACE (FL)**

This Agreement is entered into as of the Effective Date by and between the Operator and User. Capitalized terms used herein without definition shall have the meaning ascribed to such terms in the Summary of Terms.

**1. Right to Use Space.**

1.1. Operator grants User the right to use and occupy the Space described in the Summary of Terms. User accepts the Space in its "AS IS" condition.

1.2. The Space shall be used exclusively for the purpose(s) set forth in the Summary of Terms. This Agreement does not grant User the right to conduct, and User shall not conduct, any business at the Facility unless User has obtained all required permits, authorizations, and approvals, including the written approval of Operator.

1.3. User shall comply with all applicable statutes, ordinances, rules, regulations, orders and requirements, now in force or which may hereafter be in force, regulating the use, occupancy or alterations by User of the Space, and the rules and regulations set forth on Schedule 1 to this Agreement specifying additional terms, conditions and obligations of User. User shall not cause or permit the Space to be used in any way (i) which constitutes (or would constitute) a violation of any law, ordinance or governmental regulation or order, (ii) which unreasonably interferes with the rights of other tenants or users of the Space or the Facility, or (iii) which constitutes a nuisance or waste, or is disorderly, unsafe or hazardous. User's rights granted herein are subject and subordinate to the terms and conditions of the Master Lease Agreement. User agrees to promptly execute any amendment to this Agreement which is required by virtue of new or amended terms in the Master Lease Agreement. Nothing in this Agreement shall create or purport to create any obligations of the Airport to User, and the Airport shall be deemed an intended third-party beneficiary of this Agreement.

1.4. User shall keep and maintain the Space and every part thereof in good and clean condition and in accordance with rules and regulations established by Operator or the Airport from time to time during the Term. This provision is not intended to impose an obligation on User to repair the Space unless such repair is necessitated by the fault or neglect of User. User shall not make any alterations or additions to the Space, or inscribe, paint, affix or display on any part of the Space any sign, advertisement or notice, including window displays, without first obtaining Operator's written permission, and shall return

occupancy at the termination of this Agreement in the same and in as good condition as exists on the Effective Date, reasonable wear and tear and modifications expressly approved in writing by Operator excepted.

1.5. Operator reserves the right to enter the Space at all reasonable times for the purpose of making any inspection it may deem appropriate to the proper enforcement of any of the covenants and conditions of this Agreement or the Master Lease Agreement or to undertake repairs, additions or alterations to the Space.

1.6. This Agreement creates only a license terminable as set forth herein. Nothing in this Agreement shall be construed or deemed to construe a grant of an interest in real property or to convey an estate or to vest property rights in the User, nor shall this Agreement or its performance be interpreted to create a landlord/tenant, partnership, agency, joint venture, bailment, trust or fiduciary relationship between Operator and User.

**2. Use Fees.**

2.1. User shall pay to Operator the Use Fees set forth in the Summary of Terms, in advance, on the first day of each month during the Term. Use Fees shall be prorated on a daily rate basis for any partial month during the Term. Upon execution of this Agreement, User shall pay and maintain with Operator a Security Deposit in the amount set forth in the Summary of Terms. The Security Deposit shall be held by Operator to guarantee the full and faithful performance of User's payment obligations under this Agreement and may be applied by Operator without notice to User against any obligation of User due hereunder that is not paid when due. In the event Operator draws down on such Security Deposit, User shall promptly (and in no event longer than ten (10) business days) replenish the Security Deposit to the original amount. Upon termination or expiration of this Agreement, the Security Deposit shall be returned to User less any outstanding obligations to Operator at the time of the termination or expiration of this Agreement.

2.2. User agrees that the Use Fees shall be subject to review and adjustment by the Operator as set forth in the Summary of Terms, and/or at other times by giving User not less than sixty (60) days written

notice. After the effective date set forth in said notice, the new Use Fees shall become effective automatically for all purposes, unless and until further adjustments are made to the Use Fees in accordance with this Section 2.2.

2.3. In addition to Use Fees, User shall pay Operator all applicable sales, use, excise, or other taxes or fees imposed by any governmental jurisdiction by virtue of this Agreement. User shall be liable for all taxes, fees and assessments owed on or by User's business. Under no circumstances shall Operator be liable for or required to pay any tax, fee, assessment or other charge owed by User, including any taxes, fees or charges applicable to User or any of User's businesses owed to the Airport.

2.4. Unless otherwise indicated in the Summary of Terms, User shall pay for all water, heat, gas, light, power, air conditioning, telephone and other utilities that Operator shall supply and, if applicable, trash disposal.

2.5. If User fails to pay in full any Use Fees or other amounts provided for in this Agreement within five (5) business days after the same becomes due and payable, User shall be obligated to pay a late charge equal to five percent (5%) of the amount, or any portion thereof, not so paid when due. In addition, any fees or other amounts, or any portion thereof, to be paid by User pursuant to this Agreement which are not paid in full within ten (10) business days after the same becomes due and payable shall bear interest at a rate equal to two (2) percentage points above the then applicable Wall Street Journal Prime Rate (U.S. money center commercial banks) or its successor, accruing from the date such amount became due and payable to the date of payment thereof by User. Such interest shall constitute additional Use Fees due and payable to Operator by User upon the date of payment of the delinquent payment referenced above.

### **3. Term and Termination.**

3.1. This Agreement shall commence on the Effective Date and continue for the period set forth in the Summary of Terms (the "Initial Term"). After the Initial Term, this Agreement shall continue in effect from year to year, being automatically renewed after each year (each a "Renewal Term"), unless either party gives written notice of termination, with or without cause, to the other party at least sixty (60) days prior to the end of the Initial Term or any Renewal Term. The Initial Term together with each Renewal Term is referred to as the "Term."

3.2. Operator may terminate this Agreement at any time upon sixty (60) days prior written notice to User.

3.3. This Agreement will automatically terminate upon the termination or expiration of the Master Lease Agreement for any reason or as otherwise expressly directed in writing by the Airport, and no damages, monies or compensation will be owed to User by Operator for such early termination.

3.4. Events of Default. Each of the following events shall constitute a default under this Agreement on the part of User:

(a) the failure of User to pay and deliver to Operator any payment after same is due and to cure such default within five (5) business days after Operator gives User written notice of such default; provided, that, Operator shall only be obligated to provide such notice and opportunity to cure two (2) times during any consecutive twelve (12) month period;

(b) the failure of User to comply with any other provision of this Agreement as soon as reasonably practical and in any event within five (5) business days after written demand by Operator, except that if any non-monetary failure is not capable of being cured within such five (5) business day period, User shall be given a reasonable time to cure such failure so long as User has timely commenced curing such failure within the five (5) business day period and thereafter diligently proceeds to cure such failure as promptly as possible; provided that Operator shall only be obligated to provide such notice and opportunity to cure two (2) times during any consecutive twelve (12) month period;

(c) the filing of any voluntary or involuntary petition or similar pleading under any section or sections of any bankruptcy act by or against User or any voluntary or involuntary proceedings in any court shall be instituted to declare User insolvent or unable to pay User's debts, and in the case of any involuntary petition or proceeding if same is not dismissed within ninety (90) days from the date it is filed, or if User makes an assignment for the benefit of its creditors, or if a receiver is appointed for any property of User or if User's interest hereunder is levied upon execution or its attached by process of law and not discharged or dismissed within ninety (90) days; and

(d) notwithstanding Section 3.5(b) above, violation of Article 7, Anti-Bribery, Anti-Corruption, whereupon no cure period shall be permitted, and Operator may terminate the Agreement immediately.

3.5. Operator may terminate this Agreement upon written notice to User in the event of any default by User or termination or expiration of the Master Lease

Agreement, or as otherwise expressly directed in writing by the Airport. User shall remove all of User's property from the Space and pay to Operator all outstanding Use Fees and other fees and charges due and owing Operator under this Agreement as promptly as practicable after the effective date of termination, but in all cases within five (5) business days of the effective date of termination. If User should fail to vacate the Space within such period, User shall be deemed to be a trespasser and Operator may peaceably enter upon the Space and remove User's property without further notice, demand or court proceeding and without liability to User. Operator shall be under no duty or obligation to store or maintain any of User's property at any time and shall not be liable to User for any damage to or destruction of such property. If Operator stores the property, User shall be liable to Operator for the costs and expenses of transportation and storage.

**4. No Assignment or Sublicense.** User shall not assign, sublicense, or otherwise transfer this Agreement or its rights or obligations hereunder, or permit occupancy or use of the Space, in whole or in part, by another party without Operator's prior written consent, which consent will not be unreasonably withheld, delayed or conditioned. Any attempted assignment, sublicense, or other transfer without Operator's prior written consent shall be null and void.

**5. Insurance.**

5.1. User agrees that it will maintain at its expense at all times during the Term in full force and effect, with insurers of recognized responsibility, minimum insurance coverage(s) as set forth on Schedule 2 to this Agreement. All such insurance, except worker's compensation, shall name Operator, Atlantic Aviation FBO Inc., their respective direct and indirect subsidiaries and affiliated companies under common control with Atlantic Aviation FBO Inc., the Airport, and each of their respective officers, directors, agents, servants, contractors and employees as additional insureds (the "Additional Insureds") and respond on a primary basis. User and its insurance carrier(s) agree to waive all rights of subrogation in favor of the Additional Insureds. Prior to commencing the use or occupancy of the Space, User shall deliver to Operator a certificate evidencing the minimum insurance coverage required hereunder (the "Certificate"). User shall provide Operator with an updated Certificate promptly upon the renewal of any insurance policy described in the Certificate. If User fails to perform any of its obligations regarding the acquisition and maintenance of insurance, Operator may perform the same and the cost of same shall be

payable by User upon Operator's demand. User acknowledges that its potential liability under this Agreement is not limited to the amount of insurance coverage it maintains or the limits required herein.

5.2. Operator agrees that it will maintain at its expense at all times during the Term in full force and effect, with insurers of recognized responsibility, the minimum insurance coverage(s) as required under the Master Lease Agreement. Upon thirty (30) days written notice by User, Operator will provide User with a certificate of Operator's insurance coverage. Operator is required to respond to a request from User for a copy of such insurance certificate no more than one (1) time per calendar year.

**6. General Indemnity.**

6.1. Any and all injury, breakage, or damage to the Space or the real property of which the Space is a part, arising from any act or omission of User or its agents, contractors, servants, invitees, or employees, may be repaired by Operator at the sole expense of User.

6.2. User agrees to indemnify, save and hold harmless the Additional Insureds from any and all liabilities, expenses, causes of action, damages, and/or reasonable attorney's fees resulting from or arising out of any of User's businesses, operations, occupancy, or use of the Space, or from any act or omission of User's agents, contractors, servants, invitees, or employees, except to the extent solely by the gross negligence or willful misconduct of Operator.

**7. Disclaimers of Liability.**

7.1. All personal property of User, its agents, contractors, servants, invitees or employees, in and on the Space or any part of the real property on which the Space is located, shall be and remain therein under any and all circumstances at the sole risk of said parties and Operator shall in no event be liable to any such person or party for any damage to, or loss thereof.

7.2. Operator shall not be liable for any personal injury to User, User's agents, contractors, servants, invitees or employees arising from the use and condition of the Space or any part of the real property on which the Space is located.

LIABLE TO USER OR ANY OF USER'S AGENTS, CONTRACTORS, SERVANTS, INVITEES OR EMPLOYEES FOR INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, PUNITIVE OR EXEMPLARY DAMAGES (INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR LOSS OF USE, LOST PROFITS OR LOST OPPORTUNITY), WHETHER IN CONTRACT OR TORT (INCLUDING STRICT LIABILITY AND NEGLIGENCE). OPERATOR SHALL HAVE NO OBLIGATION TO KEEP, MAINTAIN OR SECURE USER'S PROPERTY, AND USER ASSUMES ALL RISK OF LOSS OR DAMAGE TO ITS PROPERTY LOCATED IN THE SPACE.

9.2. No delay, waiver, omission, or forbearance on the part of Operator to exercise any right or power arising from any breach or default by User under this Agreement will constitute or be deemed a waiver by Operator of any such right or power including, without limitation, the right to declare User in default hereunder for any subsequent breach. To the extent that User enjoys any sovereign or analogous immunity pursuant to any domestic laws, as the same may be amended from time to time (or the benefit of any aspect thereof) with respect to this Agreement or User's obligations hereunder, User hereby irrevocably waives such immunity.

In the event of any conflict between the terms and conditions of this Agreement and the terms and conditions of the Master Lease Agreement, the Master Lease Agreement shall govern.

9.6. This Agreement may be executed by

If User refuses to remove the Aircraft or other property from the Space, User agrees to comply with and abide by any provisions for storm or hurricane preparedness required by Operator, in Operator's sole discretion, necessary for the safety and security of the Aircraft, Airport, Facility, Space or neighboring aircraft and property, if any. ## CONSENT TO SUBLEASE

**PALM BEACH COUNTY**, a political subdivision of the State of Florida, ("County"), by and through its Department of Airports, under that certain Lease Agreement with **Atlantic Aviation West Palm Beach LLC**, ("Lessee"), dated October 18, 2000 (R-2000-1067, as amended and assigned), (the "Lease Agreement"), hereby consents to Lessee entering into a Use and Occupancy Agreement for Office Space effective as of September 1, 2021, with DLE Aviation, Inc. ("Sublessee") (the "Sublease") for the sublease of certain premises contained within the leasehold of Lessee under the Lease Agreement, as summarized in the attached "Summary of Terms", Contract Number 652236.

Notwithstanding any provision of the Sublease to the contrary, County hereby rejects any such provision in the Sublease, if any, which gives a greater right to Sublessee than that which Lessee has and, further, County rejects any provision of the Sublease which purports to give Sublessee a right or interest in the premises independent of the Lease Agreement. It is the express intent of County in giving its consent that any forfeiture, loss, or termination of the Lease Agreement shall automatically terminate any sublease of the premises. In giving its consent to sublease the premises, County does not in any manner adopt, accept, or approve the terms of the Sublease or alter the terms of the Sublease.

## USE AND OCCUPANCY AGREEMENT

This Agreement is entered into as of the Effective Date by and between Operator and User. Capitalized terms used herein without definition shall have the meaning ascribed to such terms in the Summary of Terms.

### **1. Use of Space and Provision of Fuel Services.**

1.1 Operator grants User the right to use and occupy the Space and the right to use the apron and access facilities described in the Summary of Terms. The Space shall be used by User only for the purpose(s) set forth in the Summary of Terms. Unless otherwise provided in the Summary of Terms, the Space is common, non-exclusive, chosen by Operator, and used by other users. User shall notify Operator promptly if User expects to replace the Aircraft (either on a temporary or permanent basis) with a substitute aircraft, and all provisions of this Agreement applicable to the Aircraft shall apply to any such substitute aircraft of the same type and size. Operator shall provide such fuel services at the Airport as User shall request. This Agreement does not grant User the right to conduct, and User shall not conduct, any business at Operator's Facility unless User has obtained all required permits, authorizations and approvals for conducting such business, including the written approval of Operator.

1.2 User shall comply with all applicable statutes, ordinances, rules, regulations, orders and requirements, now in force or which may hereafter be in force, regulating the use, occupancy or alterations by User of the Space, and the rules and regulations set forth on Schedule 1 to this Agreement specifying additional terms, conditions and obligations of User. User shall not cause or permit the Space to be used in any way (i) which constitutes (or would constitute) a violation of any law, ordinance, or governmental regulation or order, (ii) which unreasonably interferes with the rights of other tenants or users of the Space or the Facility, or (iii) which constitutes a nuisance or waste, or is disorderly, unsafe or hazardous. User's rights granted herein are subject and subordinate to the terms and conditions of the Master Lease Agreement. User agrees to promptly execute any amendment to this Agreement which is required by virtue of new or amended terms in the Master Lease Agreement. Nothing in this Agreement shall create or purport to create any obligations of the Airport to User, and the Airport shall be deemed an intended third-party beneficiary of this Agreement.

1.3 User shall keep and maintain the Space and every part thereof in good and clean condition and in accordance with reasonable rules or regulations established by Operator or the Airport from time to

time during the Term. This provision is not intended to impose an obligation on User to repair the Space unless such repair is necessitated by the fault or neglect of User. User shall not make any alterations or additions to the Space without first obtaining Operator's written permission and shall return occupancy at the termination of this Agreement in the same and in as good condition as exists on the Effective Date, reasonable wear and tear and modifications expressly approved in writing by Operator excepted.

1.4 User shall provide reasonable advance notice to Operator of anticipated Aircraft flight activity. Operator shall maintain sufficient personnel and equipment to provide for the movement of the Aircraft as reasonably requested by User. Operator shall be solely responsible for the towing or repositioning of all Aircraft into and out of the Space. User expressly agrees not to undertake the towing or repositioning of the Aircraft. User shall be solely responsible for securing the Aircraft while positioned in the Space. Consistent with the foregoing obligation, User shall ensure the Aircraft is secured in such a manner that enables Operator to tow or reposition the Aircraft at any time for purposes of ingress and egress to any portion of Operator's Facility.

1.5 Operator reserves the right to use the hangar portion of the Space during those times when the Aircraft is away from the Airport and to enter any portion of the Space at all reasonable times for the purpose of making any inspection it may deem appropriate to the proper enforcement of any of the covenants and conditions of this Agreement or the Master Lease Agreement, during an emergency, or to undertake repairs, additions or alterations to the Space.

1.6 User may perform light Aircraft maintenance, Aircraft cleaning, and other support-related services on the Aircraft exclusively through User's employees or through contracted third parties that comply with Operator's minimum insurance requirements, provided, however, that aircraft towing and fueling shall be performed exclusively by Operator. Upon the request of Operator, User shall cause any such third parties to execute a hold harmless and indemnification agreement in form and substance reasonably satisfactory to Operator and provide evidence to Operator of the insurance coverage maintained by any such third parties.

## USE AND OCCUPANCY AGREEMENT

1.7 User acknowledges that there is limited space in Operator's hangar(s) at the Airport, and that as consideration for the grant of rights pursuant to this Agreement, this Agreement is expressly conditioned on User's agreement to purchase its requirement for aviation fuel from Operator. The foregoing obligation applies only with respect to the Aircraft which is/are the subject of this Agreement and only with respect to the User's requirements for aviation fuel for said Aircraft while at the Airport. In the event User breaches its obligation to purchase its requirement for aviation fuel from Operator, this Agreement, may, at the option of Operator, be terminated forthwith.

1.8 This Agreement creates only a license terminable as set forth herein. Nothing in this Agreement shall be construed or deemed to construe a grant of an interest in real property or to convey an estate or to vest property rights in User, nor shall this Agreement or its performance be interpreted to create a landlord/tenant, partnership, agency, joint venture, bailment, trust or fiduciary relationship between Operator and User.

### **2. Use Fees.**

2.1 User shall pay to Operator the fees set forth in the Summary of Terms ("Use Fees") as follows: Space Use Fees are payable, in advance, on the first day of each month during the Term in consideration of User's use and occupancy of the Space and for the provision of other services, as applicable, for the Term; Fuel Charges shall be immediately payable by User by credit card, at the time such services are provided by Operator. Space Use Fees shall be prorated on a daily rate basis for any partial month during the Term. Upon execution of this Agreement, User shall pay and maintain with Operator a Security Deposit in the amount set forth in the Summary of Terms, representing one (1) months Space Use Fees. The Security Deposit shall be held by Operator to guarantee the full and faithful performance of User's payment obligations under this Agreement and may be applied by Operator without notice to User against any obligation of User due hereunder that is not paid when due. In the event Operator draws down on such Security Deposit, User shall promptly (and in no event longer than ten (10) business days) replenish the Security Deposit to the original amount. Upon termination or expiration of this Agreement, the Security Deposit shall be returned to User less any outstanding obligations to Operator at the time of the termination or expiration of this Agreement.

2.2 User agrees that the Use Fees shall be subject to review and adjustment by Operator as set forth on the Summary of Terms, and/or at other times by giving User not less than sixty (60) days written

notice. After the effective date set forth in said notice, the new Use Fees shall become effective automatically for all purposes, unless and until further adjustments are made to the Use Fees in accordance with this Section 2.2.

2.3 In addition to the Use Fees, User shall pay Operator all applicable Airport use fees, facility fees, fuel flowage fees, and other fees imposed by the governing body of the Airport imposed or assessed on the provision of aircraft storage, fuel, or other services rendered by Operator hereunder, together with any sales, use, excise, or other taxes imposed by any governmental jurisdiction by virtue of said services. User shall also be liable for all taxes, fees and other charges assessed or imposed on or by User's operations or businesses at the Airport. Under no circumstances shall Operator be liable for or required to pay any tax, fee, assessment or other charge owed by User, including any taxes, fees, assessments, or charges applicable to User or any of User's businesses owed to the Airport.

2.4 User shall only be obligated to pay separately for water, heat, gas, light, power, air conditioning, telephone, and other utilities, trash removal, and janitorial services if so indicated on the Summary of Terms.

2.5 If User fails to pay in full any Use Fees or other amounts provided for in this Agreement within five (5) business days after the same becomes due and payable, Operator shall be authorized to submit such charges for payment on User's credit card. User shall be obligated to pay a late charge equal to five percent (5%) of the amount, or any portion thereof, not so paid when due. In addition, any fees or other amounts, or any portion thereof, to be paid by User pursuant to this Agreement which are not paid in full within ten (10) business days after the same becomes due and payable shall bear interest at a rate equal to two (2) percentage points above the then applicable Wall Street Journal Prime Rate (U.S. money center commercial banks) or its successor, accruing from the date such amount became due and payable to the date of payment thereof by User. Such interest shall constitute additional Use Fees due and payable to Operator by User upon the date of payment of the delinquent payment referenced above.

### **3. Term and Termination.**

3.1 Provided User has furnished Operator with complete billing and credit information, including any requested credit application information and has placed its credit card information on file with Operator, this Agreement shall commence on the Effective Date and continue for the period set forth in

## USE AND OCCUPANCY AGREEMENT

the Summary of Terms (the "Initial Term"). After the Initial Term, this Agreement shall continue in effect from year to year, being automatically renewed after each year (each a "Renewal Term"), unless either party gives written notice of termination, with or without cause, to the other party at least sixty (60) days prior to the end of the Initial Term or any Renewal Term. The Initial Term together with each Renewal Term is referred to as the "Term."

3.2 Operator or User may terminate this Agreement at any time upon sixty (60) days prior written notice to User.

3.3 User may terminate this Agreement upon fifteen (15) days prior written notice to Operator if User sells the Aircraft or the Aircraft is lost or destroyed, and User does not replace the Aircraft.

3.4 This Agreement will automatically terminate upon the termination or expiration of the Master Lease Agreement for any reason, or as otherwise expressly directed in writing by the Airport, and no damages, monies, or compensation will be owed to User by Operator for such early termination.

3.5 Each of the following events shall constitute a default under this Agreement on the part of User:

(a) the failure of User to pay and deliver to Operator any payment after same is due and to cure such default within five (5) business days after Operator gives User written notice of such default; provided, that, Operator shall only be obligated to provide such notice and opportunity to cure two (2) times during any consecutive twelve (12) month period;

(b) the failure of User to comply with any other provision of this Agreement as soon as reasonably practical and in any event within five (5) business days after written demand by Operator, except that if any non-monetary failure is not capable of being cured within such five (5) business day period, User shall be given a reasonable time to cure such failure so long as User has timely commenced curing such failure within the five (5) business day period and thereafter diligently proceeds to cure such failure as promptly as possible; provided that Operator shall only be obligated to provide such notice and opportunity to cure two (2) times during any consecutive twelve (12) month period;

(c) the filing of any voluntary or involuntary petition or similar pleading under any section or sections of any bankruptcy act by or against User or any voluntary or involuntary proceedings in any court

shall be instituted to declare User insolvent or unable to pay User's debts, and in the case of any involuntary petition or proceeding if same is not dismissed within ninety (90) days from the date it is filed, or if User makes an assignment for the benefit of its creditors, or if a receiver is appointed for any property of User or if User's interest hereunder is levied upon execution or its attached by process of law and not discharged or dismissed within ninety (90) days; and

(d) notwithstanding Section 3.5(b) above, violation of Article 7, Anti-Bribery, Anti-Corruption, whereupon no cure period shall be permitted, and Operator may terminate the Agreement immediately.

3.6 Operator may terminate this Agreement upon written notice to User in the event of any default by User or termination or expiration of the Master Lease Agreement, or as otherwise expressly directed in writing by the Airport. User shall remove all of User's property from the Space and pay to Operator all outstanding Use Fees and other fees and charges due and owing Operator under this Agreement as promptly as practicable after the effective date of termination, but in all cases within five (5) business days of the effective date of termination. If User should fail to vacate the Space within such period, User shall be deemed to be a trespasser and Operator may peaceably enter upon the Space and remove User's property without further notice, demand or court proceeding and without liability to User. Operator shall be under no duty or obligation to store or maintain any of User's property at any time and shall not be liable to User for any damage to or destruction of such property. If Operator stores the property, User shall be liable to Operator for the costs and expenses of transportation and storage.

**4. No Assignment or Sublicense.** User shall not assign, sublicense, or otherwise transfer this Agreement or its rights or obligations hereunder, or permit occupancy or use of the Space, in whole or in part, by another party without Operator's prior written consent, which consent will not be unreasonably withheld, delayed, or conditioned. Any attempted assignment, sublicense, or other transfer without Operator's prior written consent shall be null and void.

### **5. Insurance.**

5.1 User agrees that it will maintain at its expense at all times during the Term in full force and effect, with insurers of recognized responsibility, minimum insurance coverage(s) as set forth on Schedule 2 to this Agreement. User and its insurance carrier(s) agree to waive all rights of subrogation in favor of the Additional Insureds, except where damage results solely from the negligence or willful misconduct of the Additional Insureds. Prior to commencing the use or occupancy of the Space, User shall deliver to Operator a certificate evidencing the minimum insurance coverage required hereunder (the "Certificate"). User shall provide Operator with an updated Certificate promptly upon the renewal of any insurance policy described in the Certificate. User acknowledges that its potential liability under this Agreement is not limited to the amount of insurance coverage it maintains or the limits required herein.

5.2 Operator agrees that it will maintain at its expense at all times during the Term in full force and effect, with insurers of recognized responsibility, the minimum insurance coverage(s) required under the Master Lease Agreement. Upon thirty (30) days written notice by User, Operator will provide User with a certificate of Operator's insurance coverage. Operator is required to respond to a request from User for a copy of such insurance certificate no more than one (1) time per calendar year.

employees, agents, representatives, contractors, subcontractors, sublessees, suppliers, licensees, customers, invitees, and guests or any other person or entity whom User controls or has the right to control or who is acting through or on behalf of User, regardless of where Claims may occur, except to the extent caused solely by the negligence or willful misconduct of Operator.

6.2 Operator covenants and agrees to repair, or cause to be repaired, at Operator's own cost and expense, any damage to the Aircraft to the extent such damage is caused solely by the negligence or willful misconduct of Operator while performing towing, fueling and/or detailing services on or proximate to the Aircraft. Except as specifically provided herein, Operator shall have no obligation to keep, maintain or secure User's property, and User assumes all risk of loss or damage to its property located in the Space.

6.3 THE PARTIES AGREE THAT UNDER NO CIRCUMSTANCES SHALL OPERATOR, ATLANTIC AVIATION FBO INC., THEIR RESPECTIVE DIRECT AND INDIRECT SUBSIDIARIES AND AFFILIATED COMPANIES UNDER COMMON CONTROL WITH ATLANTIC AVIATION FBO INC., OR THE AIRPORT BE LIABLE TO USER OR ANY OF USER'S AGENTS, CONTRACTORS, SERVANTS, INVITEES OR EMPLOYEES FOR INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, PUNITIVE OR EXEMPLARY DAMAGES (INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR LOSS OF USE, LOST PROFITS OR DIMINUTION IN VALUE) WHETHER IN CONTRACT OR TORT (INCLUDING STRICT LIABILITY AND NEGLIGENCE). restricted party listings, including those maintained by other governments pursuant to United Nations, regional or national trade or financial sanctions. User acknowledges and agrees that as part of Operator's trade sanctions policy, it will truthfully complete the OFAC Reporting Questionnaire, attached to this Agreement as Schedule 3, and return the completed questionnaire to Operator in no less than five (5) business days prior to the Effective Date. User represents and warrants that User is not engaging in this transaction in furtherance of a criminal act, including acts in violation of applicable anti-corruption laws. If User learns that conduct has or may have occurred in violation of this Article, User shall immediately notify Operator.

8.2 No delay, waiver, omission, or forbearance on the part of Operator to exercise any right or power arising from any breach or default by User under this Agreement will constitute or be deemed a waiver by Operator of any such right or power including, without limitation, the right to declare User in default hereunder for any subsequent breach. To the extent that User enjoys any sovereign or analogous immunity pursuant to any domestic laws, as the same may be amended from time to time (or the benefit of any aspect thereof) with respect to this Agreement or User's obligations hereunder, User hereby irrevocably waives such immunity.

8.3 This Agreement constitutes the entire agreement of the parties hereto and shall not be supplemented, amended, or modified except by a written instrument duly executed by the parties hereto.

8.4 Articles 6 and 7 and the right of Operator to collect Use Fees due and owing shall survive and continue in full force in accordance with the terms of this Agreement notwithstanding any expiration or termination of this Agreement or the Master Lease Agreement.

## USE AND OCCUPANCY AGREEMENT

8.5 This Agreement shall be governed by and construed in accordance with the laws of the jurisdiction where the Space is located, without regard to its conflicts of laws rules. In the event of any conflict between the terms and conditions of this Agreement and the terms and conditions of the Master Lease Agreement, the Master Lease Agreement shall govern.

8.6 This Agreement may be executed by electronic mail or facsimile transmission, in one or more counterparts, each of which shall be deemed an original, but all of which, taken together, shall constitute one and the same instrument.

8.7 User and Operator hereby voluntarily submit themselves to the jurisdiction of the federal and state courts situated in the jurisdiction in which the Space is located for the resolution of any dispute arising under this Agreement, and User and Operator expressly waive any defense or claim of inconvenient forum. User shall pay Operator's fees and expenses, including reasonable attorney's fees and court costs, should Operator prevail in any suit or action brought for the collection or payment of any unpaid Use Fees or other fees, charges, taxes or expenses due Operator under this Agreement.

8.8 Radon Gas. Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of Radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding Radon and Radon testing may be obtained from the county public health unit.

8.9 Hurricane/Tropical Storm Procedures. It is the express sole obligation and responsibility of User to provide for the safety, security and evacuation of its Aircraft, equipment and staff during any approaching storm, hurricane, or other weather event ("Weather Event"). User will be responsible for developing a Hurricane Plan and make arrangements to remove the Aircraft from the Space prior to such Weather Event and relocate the Aircraft to a location out of the event's projected path.

If User refuses to remove the Aircraft or other property from the Space, User agrees to comply with and abide by any provisions for storm or hurricane preparedness required by Operator, in Operator's sole discretion, necessary for the safety and security of the Aircraft, Airport, Facility, Space or neighboring aircraft and property, if any. User hereby explicitly approves in advance and waives any and all objections to any and all such plans, if any, and further grants

Operator the authority to move User's Aircraft within the Space and/or other property under Operator's control at the Airport as Operator deems necessary. Notwithstanding the foregoing, Operator shall not be liable for any damages, including without limitation, to User's property or Aircraft if User fails to remove the Aircraft prior to the Weather Event.

User acknowledges that there is no guarantee of the Aircraft's safety, and that Operator will assume no liability for damage to User's Aircraft or property resulting from the Weather Event. User acknowledges that the limitation of Operator's liability set forth in Article 6 of this Agreement shall apply to damage to User's Aircraft or property resulting from the Weather Event. User will be liable for any damages that are caused by the Aircraft or other property remaining on the premises.
