

**INTERLOCAL AGREEMENT  
FOR INSPECTOR GENERAL SERVICES**

This Interlocal Agreement (“Agreement”) is made on \_\_\_\_\_, 2022, between the Children’s Services Council of Palm Beach County (hereinafter the “CSC”), an independent special district operating under authority of Part V of Chapter 125, Florida Statutes, and Palm Beach County, a political subdivision of the State of Florida (“County”), for and on behalf of the Palm Beach County Office of Inspector General (“Inspector General”).

**W I T N E S S E T H**

**WHEREAS**, Section 163.01, Florida Statutes, known as the "Florida Interlocal Cooperation Act of 1969," authorizes local governments to make the most efficient use of their powers by enabling them to cooperate with other localities on a basis of mutual advantage and thereby to provide services and facilities that will harmonize geographic, economic, population and other factors influencing the needs and development of local communities; and

**WHEREAS**, Part I of Chapter 163, Florida Statutes, permits public agencies as defined therein to enter into interlocal agreements with each other to jointly exercise any power, privilege, or authority which such agencies share in common and which each might exercise separately; and

**WHEREAS**, Section 2-423(9) of the Palm Beach County Office of Inspector General Ordinance (the “Inspector General Ordinance”), R-2011-009, permits the Inspector General to negotiate agreements or memoranda of understanding with special districts and other public offices, which would authorize the Inspector General to provide independent oversight of any or all of the public entity’s transactions, projects, and operations, and to exercise any and all authority, functions, and powers set forth in the Inspector General Ordinance for the benefit of such public entity; and

WHEREAS, CSC wishes to have the Inspector General exercise certain authority, functions and powers for CSC's benefit.

NOW, THEREFORE, in consideration of the mutual representations, terms, and covenants hereinafter set forth, the parties hereby agree as follows:

**Section 1. Recitals**

The Recitals to this Agreement are incorporated herein by this reference with the same force and effect as if set forth in full.

**Section 2. Purpose**

The purpose of this Agreement is to have the Inspector General exercise certain authority, functions, and powers granted by the Inspector General Ordinance as to CSC's transactions, projects, and operations, to the extent specifically set forth herein.

**Section 3. Effective Date and Term**

A. This Agreement shall take effect upon execution of the parties, and shall govern the parties' relationship from October 1, 2022 until September 30, 2023. Thereafter, the Agreement shall automatically renew each year for two additional annual terms, subject to CSC's annual budget and TRIM process, such that the Agreement shall end on September 30, 2025, unless extended by both parties in writing.

B. Notwithstanding the foregoing subsection, this Agreement may be terminated by either party upon ninety (90) days written notice to the other party. Any ongoing OIG investigation at the time of termination shall cease unless the parties agree otherwise.

If no investigations are ongoing at the time of the notice of termination, the fees due and owing for the current annual contract term shall be prorated by 1/12 for each full month following the month in which the termination becomes effective. Any amounts due and owing to

CSC must be refunded within 60 days of such termination.

In the event of an ongoing investigation at the time of the notice of termination or on the date the Agreement expires by its own terms, the parties shall meet to discuss whether the investigation will continue and what amount, if any, CSC will pay the OIG to finish the work.

C. The Inspector General's independent oversight exercised pursuant to this Agreement shall not be limited with respect to acts committed by CSC, its officials, employees, or contractors, subcontractors, lower-tier contractors, or other persons doing business with or receiving funds from CSC or to events that occurred during the effective dates of this Agreement.

#### **Section 4. Responsibilities and Duties**

A. The Office of Inspector General shall provide independent oversight of CSC's transactions, projects and operations by 1) making investigations of CSC matters and publishing the results of those investigations, 2) exercising any and all authority, functions and powers relating to investigations, as provided in the Palm Beach County Office of Inspector General Ordinance, as it may be amended from time to time. The parties agree that Office of Inspector General shall not audit or exercise contract oversight of past, present, or proposed CSC programs, accounts, records, contracts, change orders and transactions during the effective dates of this Agreement.

B. CSC acknowledges that the Inspector General is considered "an appropriate local official" of the CSC for purposes of whistleblower protection provided by Section 112.3188(1), Florida Statutes.

C. CSC is aware that by entering into this Agreement, the Inspector General's authority as set out in the Inspector General Ordinance will extend to investigations relating to

all of CSC's contractors and their subcontractors and lower tier subcontractors, as well as, any other person or entity doing business with CSC or receiving CSC funds; that all records and documents in possession of such persons or entities which may be relevant to or related to their transactions with CSC shall be subject to inspection by the Inspector General; and that all such persons and all officials, employees, or agents of such persons or entities shall be required to cooperate with the Inspector General and provide statements, documents, records, and other information during the course of an Inspector General investigation or review.

D. To facilitate Inspector General access to these persons or entities, CSC shall use its best efforts to add the following language to all contracts it enters into during the effective dates of this Agreement:

“The parties to this Contract are aware that the Inspector General of Palm Beach County has the authority to investigate and review matters relating to the negotiation and performance of this Contract, and in furtherance thereof may demand and obtain all records and documents in possession of CSC's contractors and subcontractors and lower tier subcontractors, as well as, any other person or entity doing business with the CSC or receiving CSC funds. The Contractor understands and agrees that in addition to all other remedies and consequences provided by law, the failure of the CSC's contractors and subcontractors and lower tier subcontractors, as well as, any other person or entity doing business with the CSC or receiving CSC funds to fully cooperate with the Inspector General when requested may be deemed by CSC to a material breach of this Contract justifying its termination.”

E. The procedure for finalizing reports and recommendations set forth in Section 2-427 of the Inspector General Ordinance shall govern this Agreement with CSC.

**Section 5. Funding and Budgeting by CSC**

October 1, 2019- September 30, 2020

CSC will pay \$58,095.50 on or before October 1, 2022 to the Inspector General for FY 2023 for investigative services to be performed under this Agreement through September 30, 2023. For each renewal period, CSC shall pay such amount referenced above on or before

October 1, such that payments will be due and owing on October 1, 2023 for FY 2024 and on October 1, 2024 for FY 2025.

This amount shall be inclusive of the resources to be provided by the Inspector General through staff and any operating expenditures made directly by the Inspector General in the furtherance of or pursuant to this Agreement.

**Section 6. Reporting**

The exclusive venue for any litigation resulting from this Agreement shall lie in Palm Beach County, Florida.

**Section 20. Construction**
