As part of such compliance, the Subrecipient shall not discriminate on the basis of race, color, national origin, religion, ancestry, sex, age, marital status, familial status, sexual orientation, gender identity or expression, disability, or genetic information in the solicitation, selection, hiring or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall the Subrecipient retaliate against any person for reporting instances of such discrimination. The Subrecipient shall provide equal opportunity for subcontractors, vendors and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the County's relevant marketplace in Palm Beach County. The Subrecipient understands and agrees that a material violation of this clause shall be considered a material breach of this Agreement and may result in termination of this Agreement, disqualification or debarment of the company from participating in County contracts, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party. Subrecipient shall include this language in its subcontracts.

11. OPPORTUNITIES FOR RESIDENTS AND SMALL/MINORITY/WOMEN-OWNED BUSINESS ENTERPRISES

The Subrecipient agrees to furnish upon request to DHED, or the County's designees copies of transcriptions of such records and information as is determined necessary by DHED. The Subrecipient shall submit status reports required under this Agreement on forms approved by DHED to enable DHED to evaluate progress. 15. REPAYMENT PROVISIONS

In the event the Subrecipient fails to comply in whole or in part with the terms and conditions of this Agreement and/or the referenced regulations pertaining to the use of CDBG funds, and where DHED, the County, or HUD has determined that the County or Subrecipient has a repayment obligation required due to the Subrecipient's performance or lack thereof, the Subrecipient shall be responsible to reimburse the County in the amount requested by the County within 60 days of the date of written notification from the County to the Subrecipient.

The requirements of this Section shall survive the early termination or expiration of the Agreement.

16. UNIFORM ADMINISTRATIVE REQUIREMENTS

The Subrecipient agrees to comply with the applicable uniform administrative requirements as described in Federal Regulations 2 CFR Part 200.

17. REVERSION OF ASSETS

Upon expiration of this Agreement, the Subrecipient shall transfer to the County any CDBG funds on hand at the time of expiration and any accounts receivable attributable to the use of CDBG funds. Any real property under the Subrecipient's control upon expiration of this Agreement which was acquired or improved in whole or part with CDBG funds must either be used to meet one of the national objectives in Federal Community Development Block Grant Regulations 24 CFR 570.208 for a period of five years after expiration of this Agreement (unless a longer period is specified elsewhere in this Agreement), or, the Subrecipient shall pay the County an amount equal to the current market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for the acquisition of, or improvements to, the property. This provision shall survive the expiration or termination of this Agreement.

18. DATA BECOMES COUNTY PROPERTY

All reports, plans, surveys, information, documents, maps, and other data prepared, assembled, or completed by the Subrecipient for the purpose of this Agreement shall be made available to the County at any time upon request by the County, DHED, or the Palm Beach County Inspector General's office, as indicated herein. Upon completion of all work contemplated under this Agreement copies of all documents and records relating to this Agreement shall be surrendered to DHED if requested. In any event, the Subrecipient shall keep all documents and records for five (5) years after expiration of this Agreement.

19. INDEMNIFICATION

Each party to this Agreement shall be liable for its own actions and negligence and, to the extent permitted by law, the County shall indemnify, defend, and hold harmless the Subrecipient against any actions, claims, or damages arising out of the County's negligent or intentional acts in connection with this Agreement, and the Subrecipient shall indemnify, defend, and hold harmless the County against any actions, claims, or damages arising out of the Subrecipient's negligent or intentional acts in connection with this Agreement. The foregoing indemnification shall not constitute a waiver of sovereign immunity beyond the limits set forth in Florida Statute, section 768.28, nor shall the same be construed to constitute agreement by either party to indemnify the other party for such other party's negligent, willful or intentional acts or omissions. The Subrecipient shall hold the County harmless and shall indemnify the County for funds which the County is obligated to refund the Federal Government arising out of the conduct of activities and administration of the Subrecipient.

The provisions of this indemnification clause shall survive the expiration and/or early termination of this Agreement.

20. INSURANCE BY SUBRECIPIENT (MUNICIPALITY):

Without waiving the right to sovereign immunity as provided by section 768.28, Florida Statutes, (Statute), the Municipality represents that it is self-insured with coverage subject to the limitations of the Statute, as may be amended.

If Municipality is not self-insured, Municipality shall, at its sole expense, purchase and maintain in full force and effect at all times during the life of this contract, insurance coverage at limits not less than those contained in the Statute.

Should Municipality purchase excess liability coverage, Municipality agrees to include County as an Additional Insured.

The Municipality agrees to maintain or to be self-insured for Workers' Compensation insurance in accordance with Chapter 440, Florida Statutes.

Should Municipality contract with a third-party (Contractor) to perform any service related to the Agreement, Municipality shall require the Contractor to provide the following minimum insurance:

3. **Workers' Compensation**: Insurance in compliance with Chapter 440, Florida Statutes, and which shall include coverage for Employer's Liability.
4. **Waiver of Subrogation**: Except where prohibited by law, Municipality hereby waives any and all rights of Subrogation against the County, its officers, employees and agents for each required policy except Professional Liability. When required by the insurer, or should a policy condition not permit an insured to enter into a pre-loss agreement to waive subrogation without an endorsement, then Municipality shall notify the insurer and request the policy be endorsed with a Waiver of Transfer of Rights of Recovery Against Others, or its equivalent.

This Waiver of Subrogation requirement shall not apply to any policy that includes a condition to the policy specifically prohibiting such an endorsement or voids coverage should Municipality enter into such an agreement on a pre-loss basis.

5. **Certificates of Insurance**: Prior to each subsequent renewal of this Agreement, within forty-eight (48) hours of a request by County, and subsequently, prior to expiration of any of the required coverage throughout the term of this Agreement, the Municipality shall deliver to the County, a signed Certificate(s) of Insurance evidencing that all types and minimum limits of insurance coverage required by this Agreement have been obtained and are in full force and effect.

The Certificate Holder shall read:

6. **Right to Revise or Reject**: County, by and through its Risk Management Department in cooperation with the contracting/monitoring department, reserves the right to review, modify, reject, or accept any required policies of insurance, including limits, coverage, or endorsements.

21. MAINTENANCE OF EFFORT

The intent and purpose of this Agreement is to increase the availability of the Subrecipient's services. This Agreement is not to substitute for or replace existing or planned projects or activities of the Subrecipient. The Subrecipient agrees to maintain a level of activities and expenditures, planned or existing, for projects similar to those being assisted under this Agreement which is not less than that level existing prior to this Agreement.

22. CONFLICT OF INTEREST

The Subrecipient represents that it presently has no interest and shall acquire no interest, either direct or indirect, which would conflict in any manner with the performance of services required hereunder, as provided for in Chapter 112, Part III, Florida Statutes, and the Palm Beach County Code of Ethics. The Subrecipient further represents that no person having any such conflict of interest shall be employed for said performance of services.

The Subrecipient shall promptly notify the County's representative, in writing, by certified mail, of all potential conflicts of interest of any prospective business association, interest or other circumstance which may influence or appear to influence the Subrecipient's judgement or quality of services being provided hereunder. The County agrees to notify the Subrecipient of its opinion by certified mail within thirty (30) days of receipt of notification by the Subrecipient. If, in the opinion of the County, the prospective business association, interest or circumstance would not constitute a conflict of interest by the Subrecipient, the County shall so state in the notification and the Subrecipient shall, at its option, enter into said association, interest or circumstance and it shall be deemed not in conflict of interest with respect to services provided to the County by the Subrecipient under the terms of this Agreement.

However, these paragraphs shall be interpreted in such a manner so as not to unreasonably impede the statutory requirement that maximum opportunity be provided for employment and participation of Low and Moderate-Income Persons of the project's target area.

23. CITIZEN PARTICIPATION

The Subrecipient shall cooperate with DHED in the implementation of the Citizen Participation Plan by establishing a citizen participation process to keep residents informed of the activities the Subrecipient is undertaking in carrying out the provisions of this Agreement. Representatives of the Subrecipient shall attend meetings and assist DHED in the implementation of the Citizen Participation Plan, as requested by DHED.

24. RECOGNITION

The Subrecipient shall include a reference to the financial support herein provided by the County in all publications, publicity events, and provide the County copies of all such publications. The Subrecipient shall also notify the County prior to any ceremonies or events relating to facilities or items funded by this agreement to allow for participation of Mayor, County Commissioners, County Administration, Department Staff or other County Official. Additionally, the Subrecipient and consultant shall prepare, obtain and review bids, prepare contract documents, inspect work in progress, recommend payment to contractors, and provide other professional services customarily provided by similar professionals for this type of project. The consultant shall also coordinate the design and construction work with the asbestos abatement contractor, should abatement become necessary.

NOTE: The Subrecipient shall provide a letter to Palm Beach County specifying if there is an on-going Consultant Service Contract in place with the Municipality and any of the consultants, providing services for the Cox Park Project under this CDBG Agreement.

(2) The Subrecipient shall prepare a bid package complete with drawings, specifications, and any items required for a competitive bid of the project. The bid process shall not allow for any local procurement preferences with regard to contract award.

The Subrecipient's advertisement for bid shall contain language noting that the project is federally funded through funds provided by Palm Beach County via of the US Department of HUD, and that Davis-Bacon and Related Acts and wage rates apply. The advertisement shall also encourage participation by MBE/WBE and Section 3 businesses.

Following the bid process, the Subrecipient shall submit to DHED a copy of the bid document package including any addendums, a notice of contract award, a copy of the executed construction contract, and documentation regarding any protests filed regarding the bids.

Prior to the Subrecipient's first reimbursement, DHED shall review the Subrecipient's procurement process and contract award to determine compliance with 2 CFR 200 and all procurement regulations applicable to CDBG funding and this Agreement.

(3) The Subrecipient shall prioritize the work in the project, and shall bid such work in a manner that requires the receipt of itemized costs from bidders. This would then allow the award of items that can be funded by the budget provided that the extent of work awarded will result in a functioning facility in the opinion of DHED.

The Subrecipient acknowledges that construction may not start until DHED notifies the Subrecipient of the results of the ER and the Release of Funds from HUD. Where applicable, the Subrecipient shall submit to DHED a plan of action and an implementation schedule for complying with any identified conditions requiring mitigation. For Renovation Projects (projects which will be reoccupied):

- Point counting should be conducted on all RACM indicating 1% - 10% asbestos by PLM analysis. If the asbestos content by PLM is less than 10%, the building owner/operator can elect to:
 1. Assume the material is greater than 1% and treat it as RACM, or
