In consideration of the mutual promises contained herein, the COUNTY and the ENTITY agree as follows:

ARTICLE 1 - SERVICES

The ENTITY'S responsibility under this Contract is to provide professional services in the area of veterinary and medical services _____, as more specifically set forth in the Scope of Work detailed in Exhibit "A".

The COUNTY'S representative/liaison during the performance of this Contract shall be Janet Steele, telephone no. 561-233-1250.

The ENTITY'S representative/liaison during the performance of this Contract shall be Dr. Linda Gregard, DVM, telephone no. 772-801-8730.

ARTICLE 2 - SCHEDULE

The ENTITY shall commence services on 6/1/2022 and complete all services by 5/31/2023. The Parties agree that the ENTITY will be entitled to payment for services rendered beginning on 6/1/2022, notwithstanding the date the contract is executed by the Board of County Commissioners. This contract may be extended by the parties for up to two (2) additional one (1) year terms.

Reports and other items shall be delivered or completed in accordance with the detailed schedule set forth in Exhibit "A".

ARTICLE 3 - PAYMENTS TO ENTITY

- A. The total amount to be paid by the COUNTY under this Contract for all services and materials including, if applicable, "out of pocket" expenses (specified in paragraph C below) shall not exceed a total contract amount of Sixty Two Thousand Dollars (\$62,000.00). The ENTITY shall notify the COUNTY's representative in writing when 90% of the "not to exceed amount" has been reached. The ENTITY will bill the COUNTY on a monthly basis, or as otherwise provided, at the amounts set forth in Exhibit "B" for services rendered toward the completion of the Scope of Work. Where incremental billings for partially completed items are permitted, the total billings shall not exceed the

estimated percentage of completion as of the billing date.

- B. Invoices received from the ENTITY pursuant to this Contract will be reviewed and approved by the COUNTY's representative, to verify that services have been rendered in conformity with the Contract. Approved invoices will then be sent to the Finance Department for payment. Invoices will normally be paid within thirty (30) days following the COUNTY representative's approval.
- C. "Out-of-pocket" expenses will be reimbursed up to an amount not to exceed zero Dollars (\$0 _____), and in accordance with the list of the types and amounts of expenditures eligible for reimbursement as set forth in Exhibit "B". All requests for payment of "out-of-pocket" expenses eligible for reimbursement under the terms of this Contract shall include copies of paid receipts, invoices, or other documentation acceptable to the Palm Beach County Finance Department. Such documentation shall be sufficient to establish that the expense was actually incurred and necessary in the performance of the Scope of Work described in this Contract. Any travel, per diem, mileage, meals, or lodging expenses which may be reimbursable under the terms of this Contract will be paid in accordance with the rates and conditions set forth in Section 112.061, Florida Statutes.
- D. Final Invoice: In order for both parties herein to close their books and records, the ENTITY will clearly state "final invoice" on the ENTITY'S final/last billing to the COUNTY. This shall constitute ENTITY'S certification that all services have been properly performed and all charges and costs have been invoiced to Palm Beach County. Any other charges not properly included on this final invoice are waived by the ENTITY.
- E. In order to do business with Palm Beach County, ENTITY'S are required to create a Vendor Registration Account OR activate an existing Vendor Registration Account through the Purchasing Department's Vendor Self Service (VSS) system, which can be accessed at <https://pbcvssp.co.palm-beach.fl.us/webapp/vssp/AltSelfService>. If ENTITY intends to use sub-contractors, ENTITY must also ensure that all sub-contractors are registered as subcontractors in VSS. All subcontractor agreements must include a contractual provision requiring that the sub-contractor register in VSS. COUNTY will not finalize a contract award until the COUNTY has verified that the ENTITY and all of its sub-contractors are registered in VSS.

ARTICLE 4 - TRUTH-IN-NEGOTIATION CERTIFICATE

Signature of this Contract by the ENTITY shall also act as the execution of a truth-in-negotiation certificate certifying that the wage rates, over-head charges, and other costs used to determine the compensation provided for in this Contract are accurate, complete and current as of the date of the Contract and no higher than those charged the ENTITY'S most favored customer for the same or substantially similar service.

The said rates and costs shall be adjusted to exclude any significant sums should the COUNTY determine that the rates and costs were increased due to inaccurate, incomplete or noncurrent wage rates or due to inaccurate representations of fees paid to outside ENTITY'S. The COUNTY shall exercise its rights under this Article 4 within three (3) years following final payment.

ARTICLE 5 - TERMINATION

This Contract may be terminated by the ENTITY upon sixty (60) days' prior written notice to the COUNTY in the event of substantial failure by the COUNTY to perform in accordance with the terms of this Contract through no fault of the ENTITY. It may also be terminated, in whole or in part, by the COUNTY, with cause upon five (5) business days written notice to the ENTITY or without cause upon ten (10) business days written notice to the ENTITY. Unless the ENTITY is in breach of this Contract, the ENTITY shall be paid for services rendered to the COUNTY'S satisfaction through the date of termination. After receipt of a Termination Notice, except as otherwise directed by the COUNTY, in writing, the ENTITY shall:

- A. Stop work on the date and to the extent specified.
- B. Terminate and settle all orders and subcontracts relating to the performance of the terminated work.
- C. Transfer all work in process, completed work, and other materials related to the terminated work to the COUNTY.
- D. Continue and complete all parts of the work that have not been terminated.

ARTICLE 6 - PERSONNEL

The ENTITY represents that it has, or will secure at its own expense, all necessary personnel required to perform the services under this Contract. Such personnel shall not be employees of or have any contractual relationship with the COUNTY.

All of the services required herein under shall be performed by the ENTITY or under its supervision, and all personnel engaged in performing the services shall be fully qualified and, if required, authorized or permitted under state and local law to perform such services.

Any changes or substitutions in the ENTITY'S key personnel, as may be listed in Exhibit "A", must be made known to the COUNTY'S representative and written approval must be granted by the COUNTY's representative before said change or substitution can become effective.

The ENTITY warrants that all services shall be performed by skilled and competent personnel to the highest professional standards in the field.

All of the ENTITY'S personnel (and all Subcontractors), while on County premises, will comply with all COUNTY requirements governing conduct, safety and security.

ARTICLE 7 - SUBCONTRACTING

The COUNTY reserves the right to accept the use of a subcontractor or to reject the selection of a particular subcontractor and to inspect all facilities of any subcontractors in order to make a determination as to the capability of the subcontractor to perform properly under this Contract. The ENTITY is encouraged to seek additional small business enterprises for participation in

subcontracting opportunities. If the ENTITY uses any subcontractors on this project the following provisions of this Article shall apply:

If a subcontractor fails to perform or make progress, as required by this Contract, and it is necessary to replace the subcontractor to complete the work in a timely fashion, the ENTITY shall promptly do so, subject to acceptance of the new subcontractor by the COUNTY.

ARTICLE 8 - FEDERAL AND STATE TAX

The COUNTY is exempt from payment of Florida State Sales and Use Taxes. The COUNTY will sign an exemption certificate submitted by the ENTITY. The ENTITY shall not be exempted from paying sales tax to its suppliers for materials used to fulfill contractual obligations with the COUNTY, nor is the ENTITY authorized to use the COUNTY'S Tax Exemption Number in securing such materials.

The ENTITY shall be responsible for payment of its own and its share of its employees' payroll, payroll taxes, and benefits with respect to this contract.

ARTICLE 9 - AVAILABILITY OF FUNDS

The COUNTY'S performance and obligation to pay under this contract for subsequent fiscal years are contingent upon annual appropriations for its purpose by the Board of County Commissioners.

ARTICLE 10 - INSURANCE

ENTITY shall, at its sole expense, agree to maintain in full force and effect at all times during the life of this Contract, insurance coverages and limits (including endorsements), as described herein. Failure to maintain at least the required insurance shall be considered default of the Contract. The requirements contained herein, as well as COUNTY'S review or acceptance of insurance maintained by ENTITY, are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by ENTITY under the Contract. ENTITY shall agree to provide the COUNTY with at least ten (10) day prior notice of any cancellation, non-renewal or material change to the insurance coverages. The requirements contained herein, as well as COUNTY'S review or acceptance of insurance maintained by ENTITY are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by ENTITY under the contract.

A. **Professional Liability**: ENTITY shall maintain Professional Liability, or equivalent Errors & Omissions Liability, at a limit of liability not less than \$100,000 each occurrence, and \$100,000 per aggregate. For policies written on a "claims-made" basis, ENTITY warrants the Retroactive Date equals or preceded the effective date of this Contract. In the event the policy is canceled, non-renewed, switched to an Occurrence Form, retroactive date advanced, or any other event triggering the right to purchase a Supplement Extended Reporting Period (SERP) during the term of this Contract, ENTITY shall purchase a SERP with a minimum reporting period not less than three (3) years. The requirement to purchase a SERP shall not relieve the ENTITY of the obligation to provide replacement coverage. The Certificate of Insurance providing evidence of the purchase of this coverage shall clearly indicate whether coverage is provided on an "occurrence" or "claims - made" form. If coverage is provided on a "claims - made" form the Certificate of Insurance must also clearly indicate the "retroactive date" of coverage.

- B. **Waiver of Subrogation**: ENTITY hereby waives any and all rights of Subrogation against the COUNTY, its officers, employees and agents for each required policy. When required by the insurer, or should a policy condition not permit an insured to enter into a pre-loss agreement to waive subrogation without an endorsement, then ENTITY shall notify the insurer and request the policy be endorsed with a Waiver of Transfer of Rights of Recovery Against Others, or its equivalent. This Waiver of Subrogation requirement shall not apply to any policy which includes a condition to the policy specifically prohibiting such an endorsement or voids coverage should ENTITY enter into such an agreement on a pre-loss basis.
- C. **Certificates of Insurance**: On execution of this Contract, within forty-eight (48) hours of a request by COUNTY, and subsequently, prior to expiration of any of the required coverage throughout the term of this Agreement, the ENTITY shall deliver to the COUNTY, unless otherwise directed by COUNTY, a signed Certificate(s) of Insurance evidencing that all types and amounts of insurance coverage required by this Contract have been obtained and are in full force and effect. The Certificate Holder shall read:

Palm Beach County Board of County Commissioners

ARTICLE 11 - INDEMNIFICATION

ENTITY shall protect, defend, reimburse, indemnify and hold COUNTY, its agents, employees and elected officers harmless from and against all claims, liability, expense, loss, cost, damages or causes of action of every kind or character, including attorney's fees and costs, whether at trial or appellate levels or otherwise, arising during and as a result of their performance of the terms of this Contract or due to the acts or omissions of ENTITY.

ARTICLE 12 - SUCCESSORS AND ASSIGNS

The COUNTY and the ENTITY each binds itself and its partners, successors, executors, administrators and assigns to the other party and to the partners, successors, executors, administrators and assigns of such other party, in respect to all covenants of this Contract. Except as above, neither the COUNTY nor the ENTITY shall assign, sublet, convey or transfer its interest in this Contract without the prior written consent of the other.

ARTICLE 13 - REMEDIES

This Contract shall be governed by the laws of the State of Florida. Any legal action necessary to enforce the Contract will be held in a court of competent jurisdiction located in Palm Beach County, Florida. No remedy herein conferred upon any party is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity, by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.

No provision of this Contract is intended to, or shall be construed to, create any third party beneficiary or to provide any rights to any person or entity not a party to this Contract, including but not limited to any citizen or employees of the COUNTY and/or ENTITY.

ARTICLE 14 - CONFLICT OF INTEREST

The ENTITY represents that it presently has no interest and shall acquire no interest, either direct or indirect, which would conflict in any manner with the performance of services required hereunder, as provided for in Chapter 112, Part III, Florida Statutes, and the Palm Beach County Code of Ethics. The ENTITY further represents that no person having any such conflict of interest shall be employed for said performance of services.

The ENTITY shall promptly notify the COUNTY's representative, in writing, by certified mail, of all potential conflicts of interest of any prospective business association, interest or other circumstance which may influence or appear to influence the ENTITY'S judgement or quality of services being provided hereunder. Such written notification shall identify the prospective business association, interest or circumstance, the nature of work that the ENTITY may undertake and request an opinion of the COUNTY as to whether the association, interest or circumstance would, in the opinion of the COUNTY, constitute a conflict of interest if entered into by the ENTITY. The COUNTY agrees to notify the ENTITY of its opinion by certified mail within thirty (30) days of receipt of notification by the ENTITY. If, in the opinion of the COUNTY, the prospective business association, interest or circumstance would not constitute a conflict of interest by the ENTITY, the COUNTY shall so state in the notification and the ENTITY shall, at its option, enter into said association, interest or circumstance and it shall be deemed not in conflict of interest with respect to services provided to the COUNTY by the ENTITY under the terms of this Contract.

ARTICLE 15 - EXCUSABLE DELAYS

The ENTITY shall not be considered in default by reason of any failure in performance if such failure arises out of causes reasonably beyond the control of the ENTITY or its subcontractors and without their fault or negligence. Such causes include, but are not limited to, acts of God, force majeure, natural or public health emergencies, labor disputes, freight embargoes, and abnormally severe and unusual weather conditions.

Upon the ENTITY'S request, the COUNTY shall consider the facts and extent of any failure to perform the work and, if the ENTITY'S failure to perform was without it or its subcontractors fault or negligence, the Contract Schedule and/or any other affected provision of this Contract shall be revised accordingly, subject to the COUNTY'S rights to change, terminate, or stop any or all of the

work at any time.

ARTICLE 16 - ARREARS

The ENTITY shall not pledge the COUNTY'S credit or make it a guarantor of payment or surety for any contract, debt, obligation, judgement, lien, or any form of indebtedness. The ENTITY further warrants and represents that it has no obligation or indebtedness that would impair its ability to fulfill the terms of this Contract.

ARTICLE 17 - DISCLOSURE AND OWNERSHIP OF DOCUMENTS

The ENTITY shall deliver to the COUNTY's representative for approval and acceptance, and before being eligible for final payment of any amounts due, all documents and materials prepared by and for the COUNTY under this Contract.

To the extent allowed by Chapter 119, Florida Statutes, all written and oral information not in the public domain or not previously known, and all information and data obtained, developed, or supplied by the COUNTY or at its expense will be kept confidential by the ENTITY and will not be disclosed to any other party, directly or indirectly, without the COUNTY'S prior written consent unless required by a lawful court order. All drawings, maps, sketches, programs, data base, reports and other data developed, or purchased, under this Contract for or at the COUNTY'S expense shall be and remain the COUNTY'S property and may be reproduced and reused at the discretion of the COUNTY.

All covenants, agreements, representations and warranties made herein, or otherwise made in writing by any party pursuant hereto, including but not limited to any representations made herein relating to disclosure or ownership of documents, shall survive the execution and delivery of this Contract and the consummation of the transactions contemplated hereby.

Notwithstanding any other provision in this Contract, all documents, records, reports and any other materials produced hereunder shall be subject to disclosure, inspection and audit, pursuant to the Palm Beach County Office of the Inspector General, Palm Beach County Code, Sections 2-421 - 2-440, as amended.

ARTICLE 18 - INDEPENDENT CONTRACTOR RELATIONSHIP

The ENTITY is, and shall be, in the performance of all work services and activities under this Contract, an Independent Contractor, and not an employee, agent, or servant of the COUNTY. All persons engaged in any of the work or services performed pursuant to this Contract shall at all times, and in all places, be subject to the ENTITY'S sole direction, supervision, and control. The ENTITY shall exercise control over the means and manner in which it and its employees perform the work, and in all respects the ENTITY'S relationship and the relationship of its employees to the COUNTY shall be that of an Independent Contractor and not as employees or agents of the COUNTY.

The ENTITY does not have the power or authority to bind the COUNTY in any promise, agreement or representation.

ARTICLE 19 - CONTINGENT FEES

The ENTITY warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the ENTITY to solicit or secure this Contract and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the ENTITY, any fee, commission, percentage, gift, or any other consideration contingent upon or resulting from the award or making of this Contract.

ARTICLE 20 - ACCESS AND AUDITS

The ENTITY shall maintain adequate records to justify all charges, expenses, and costs incurred in estimating and performing the work for at least five (5) years after completion or termination of this Contract. The COUNTY shall have access to such books, records, and documents as required in this section for the purpose of inspection or audit during normal business hours, at the ENTITY'S place of business.

Palm Beach County has established the Office of the Inspector General in Palm Beach County Code, Section 2-421 - 2-440, as may be amended. The Inspector General's authority includes but is not limited to the power to review past, present and proposed County contracts, transactions, accounts and records, to require the production of records, and to audit, investigate, monitor, and inspect the activities of the ENTITY, its officers, agents, employees, and lobbyists in order to ensure compliance with contract requirements and detect corruption and fraud.

Failure to cooperate with the Inspector General or interfering with or impeding any investigation shall be in violation of Palm Beach County Code, Section 2-421 - 2-440, and punished pursuant to Section 125.69, Florida Statutes, in the same manner as a second degree misdemeanor.

ARTICLE 21 - NONDISCRIMINATION

The COUNTY is committed to assuring equal opportunity in the award of contracts and complies with all laws prohibiting discrimination. Pursuant to Palm Beach County Resolution R2017-1770, as may be amended, the ENTITY warrants and represents that throughout the term of the Contract, including any renewals thereof, if applicable, all of its employees are treated equally during employment without regard to race, color, religion, disability, sex, age, national origin, ancestry, marital status, familial status, sexual orientation, gender identity or expression, or genetic information. Failure to meet this requirement shall be considered default of the Contract.

As a condition of entering into this Contract, the ENTITY represents and warrants that it will comply with the COUNTY'S Commercial Nondiscrimination Policy as described in Resolution 2017-1770, as amended. As part of such compliance, the ENTITY shall not discriminate on the basis of race, color, national origin, religion, ancestry, sex, age, marital status, familial status, sexual orientation, gender identity or expression, disability, or genetic information in the solicitation, selection, hiring or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall the ENTITY retaliate against any person for reporting instances of such discrimination. The ENTITY shall provide equal opportunity for subcontractors, vendors and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the County's relevant marketplace in Palm Beach County. The ENTITY understands and agrees that a material violation of this clause

shall be considered a material breach of this Contract and may result in termination of this Contract, disqualification or debarment of the company from participating in County contracts, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party. ENTITY shall include this language in its subcontracts.

ARTICLE 22 - AUTHORITY TO PRACTICE

The ENTITY hereby represents and warrants that it has and will continue to maintain all licenses and approvals required to conduct its business, and that it will at all times conduct its business activities in a reputable manner. Proof of such licenses and approvals shall be submitted to the COUNTY's representative upon request.

ARTICLE 23 - SEVERABILITY

If any term or provision of this Contract, or the application thereof to any person or circumstances shall, to any extent, be held invalid or unenforceable, the remainder of this Contract, or the application of such terms or provision, to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected, and every other term and provision of this Contract shall be deemed valid and enforceable to the extent permitted by law.

ARTICLE 24 - PUBLIC ENTITY CRIMES

As provided in F.S. 287.132-133, by entering into this contract or performing any work in furtherance hereof, the ENTITY certifies that it, its affiliates, suppliers, subcontractors and ENTITY'S who will perform hereunder, have not been placed on the convicted vendor list maintained by the State of Florida Department of Management Services within the 36 months immediately preceding the date hereof. This notice is required by F.S. 287.133(3)(a).

ARTICLE 25 - MODIFICATIONS OF WORK

The COUNTY reserves the right to make changes in Scope of Work, including alterations, reductions therein or additions thereto. Upon receipt by the ENTITY of the COUNTY'S notification of a contemplated change, the ENTITY shall, in writing: (1) provide a detailed estimate for the increase or decrease in cost due to the contemplated change, (2) notify the COUNTY of any estimated change in the completion date, and (3) advise the COUNTY if the contemplated change shall affect the ENTITY'S ability to meet the completion dates or schedules of this Contract.

If the COUNTY so instructs in writing, the ENTITY shall suspend work on that portion of the Scope of Work affected by a contemplated change, pending the COUNTY'S decision to proceed with the change.

If the COUNTY elects to make the change, the COUNTY shall initiate a Contract Amendment and the ENTITY shall not commence work on any such change until such written amendment is signed by the ENTITY and approved and executed on behalf of Palm Beach County.

At the time of termination, the ENTITY shall retrieve the badge and shall return it to the COUNTY in a timely manner.

ENTITY warrants and represents that it is in compliance with section 448.095, Florida Statutes, as may be amended, and that it: (1) is registered with the E-Verify System (E-Verify.gov), and uses the E-Verify System to electronically verify the employment eligibility of all newly hired workers; and (2) has verified that all of ENTITY's subconsultants performing the duties and obligations of this CONTRACT are registered with the E-Verify System, and use the E-Verify System to electronically verify the employment eligibility of all newly hired workers.

ENTITY shall obtain from each of its subconsultants an affidavit stating that the subconsultant does not employ, contract with, or subcontract with an Unauthorized Alien, as that term is defined in section 448.095(1)(k), Florida Statutes, as may be amended. SCOPE OF WORK

The veterinary responsibilities described below are only applicable for the charges and rates submitted by the ENTITY in Exhibit "B".

RELIEF VETERINARY SERVICES

The ENTITY will work at the Palm Beach County Animal Care and Control shelter when a staff ENTITY is unable to perform regular and routine duties due to scheduled or unscheduled leave (i.e. vacation, sickness/injury, required training, etc.), to provide coverage for the staff ENTITYs on their days off (not to exceed three (3) days/twenty-four (24) hours per week/ eight (8) hours per day), or to provide additional veterinary staffing at the shelter when needed. Under normal circumstances, the ENTITY will only be called to perform services during hours no earlier than 7:00 a.m. and no later than 6:00 p.m. County holidays are normally excluded. Every attempt will be made by the COUNTY to give the ENTITY at least 24 hours advance notice when her services are required. In the case of normal and scheduled vacation periods or training, the COUNTY will give at least seven days advance notice.

ENTITY is expected to make herself available to work at least one full eight-hour day at least one day per month and preferably will be available to work one full eight-hour day one day per week. When ENTITY'S services are requested, she is expected to work no less than a full eight-hour day, unless otherwise indicated by the Director or her designee.

The veterinary responsibilities described below are only applicable for the charges and rates submitted by the ENTITY in Exhibit "B".

All of the services required hereunder shall be performed by the ENTITY or under his/her supervision.

A. **RELIEF VETERINARY SERVICES**

The ENTITY is in a temporary caretaker position and in the absence of the regular staff ENTITY will be responsible for overseeing the overall health of incoming, impounded, and outgoing animals. The ENTITY is to work closely with the clinic staff, clinic coordinator, clinic supervisor, and Division director in assuring that appropriate medical care is given to each animal under the responsibility of the Division according to established policies. While the ENTITY may provide direction to the Division veterinary assistants, it is also expected that the ENTITY will perform actual hands-on medical work with animals in the clinic.

The tasks of providing veterinary care for animals impounded at the Animal Care and Control shelter are not the same as would normally be expected from a private clinic treating/caring for private animals. The large volume of animals and limited resources dictate veterinary strategies different than those in a private hospital. Essentially, the Animal Care and Control Division is responsible for assuring that all impounded animals are kept comfortably in an environment that is as disease free as possible. Injured/sick animals are given sufficient and appropriate medical care to keep them comfortable and free of pain. Extensive surgery and complex medical treatments are generally inappropriate. For severely injured/sick animals,

the ENTITY will decide if such animals should be immediately euthanized (according to state law). The ENTITY will need to give attention to diseases that are easily communicable from animal-to-animal or animal-to-human.

The specific regular responsibilities of the ENTITY, include but are not limited to:

1. Provide, coordinate, and direct appropriate medical care for small animals impounded at the Palm Beach County Animal Care and Control shelter according to established procedures. This care will include routine animal examinations performed by the ENTITY, as well as prescribing and administering drugs for sick/injured animals.
2. Direct the animal case work performed by Animal Care and Control personnel who are providing routine and medical care of impounded animals. Veterinary assistants are expected to perform routine medical procedures under the direction and supervision of the ENTITY.
3. Perform medical treatments and analyses for adopted animals. This includes heartworm check, fecal analysis for internal parasites, and other laboratory analyses that may be appropriate or warranted depending on the species and health of each particular animal. The ENTITY will be responsible for the actual physical examination of each animal that is to be adopted. The ENTITY, in conjunction with standard Division policy, will make the final decision as to an animal's fitness for adoption.
4. Surgically sterilize pre-scheduled adopted dogs and cats, older than eight weeks of age, unless medically inappropriate.
5. Monitor impounded animals with potentially dangerous diseases that may affect animal or human populations. The ENTITY is responsible for initiating appropriate medical responses to such occurrences.
6. Use and direct personnel in the use of existing diagnostic equipment (x-ray, processor, etc.) for injured/sick animals where additional testing is indicated or required.

B. CRUELTY CASES AND COURT PROCEEDINGS

On occasion, ENTITY may be asked to provide, coordinate, and direct appropriate medical care, analysis and treatment for animals that may be the subject of neglect or cruelty proceedings. ENTITY may be asked to prepare a summary of medical care, analysis, treatment, findings and conclusions for the purpose of court proceedings. ENTITY may have to appear in court to testify as a witness if ENTITY examines or treats an animal that is or becomes the subject of a custody or court proceeding if ENTITY's presence is requested at the hearing by the County. In such cases, ENTITY will be paid in accordance with Exhibit "B." If ENTITY is subpoenaed for a hearing by the State or another party, that party shall be responsible to pay for ENTITY's time and expenses.

C. FACILITIES AND EQUIPMENT

During the term of this Contract, the COUNTY shall provide the ENTITY with necessary drugs, surgical equipment, surgical apparel and supplies used to perform sterilization of animals and medical care. The COUNTY will attempt to comply with the ENTITY'S request for preferred surgical equipment, materials, gowns, gloves, and drugs as may be reasonably necessary for the ENTITY to perform duties as required by this Contract. The COUNTY will provide a full time veterinary assistant for assistance in the surgery area.

Medical supplies used to treat injured/sick animals will be provided by the COUNTY, unless the animal is treated at an alternately approved veterinary clinic.
