BOARD OF COUNTY COMMISSIONERS

AGENDA ITEM SUMMARY

Meeting Date: July 12, 2022 Consent Regular
Public Hearing

Department: Water Utilities Department

I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to: **A) adopt** a Resolution of the Board of County Commissioners, confirming the Special Assessment Roll for the 80th Lane North Water Main Extension (Project) and; **B) approve** Work Authorization (WA) No. 23 to Johnson-Davis Incorporated (Contractor) under the Palm Beach County Water Utilities Department (PBCWUD) 2019 Pipeline Continuing Construction Contract (Contract) (R2020-0160) in the amount of \$160,364.80. The total assessable cost including WA No. 23 for this Project is \$213,285.72.

Summary: The Project will provide potable water service to twelve (12) residential properties currently on private wells. Petitions in favor of the installation of a potable water main were provided to PBCWUD with a 67% favorability rate (8 in favor, 0 not in favor, and 4 no response). Individual assessments of \$17,773.81 per parcel (See Exhibit A) will be assessed based on 90% of the total estimated cost of the Project. Each individual assessment was determined by using the parcel method to divide the assessable cost per parcel. The Assessment is payable over a 20-year time period in equal annual payments of principal and 5.5% interest. The total assessable cost of the Project is \$213,285.72 and includes the costs of surveying, design, drafting, permitting, construction, inspection, administration and construction contingency. WA No. 23 will provide for the construction of the Project. This Contract was procured under the requirements of the Equal Business Opportunity Ordinance. On April 3, 2019, the Goal Setting Committee applied an Affirmative Procurement Initiative of a mandatory 20% Small Business Enterprise (SBE) subcontracting participation. This Contract provides for 20.07% SBE participation. WA No.23 includes 20.04% SBE participation. The cumulative SBE participation including WA No. 23 is 23.36%. Contractor is a Palm Beach County based company. The Project is included in the PBCWUD FY22 budget. (PBCWUD Project No. 21-013) District 6 (MWJ)

Background and Policy Issues: On November 19, 2020 signed petitions were received from a majority of the property owners on 80th Lane North. The original estimated assessable cost based on parcel method of the special assessment was \$18,451.49 per parcel for the construction of water mains and service lines. The assessable cost was revised after project design was completed. The tentative assessable cost is \$17,773.81 per parcel. The original signed petition forms are on file and available for public inspection at the Engineering Division of PBCWUD.

On Sunday, May 8, 2022 a Notice of Special Assessment was published in The Palm Beach Post. All property owners subject to assessment have been sent notification by regular mail pursuant to Ordinance 2001-0010. A final informational meeting was held on June 29, 2022 with the property owners prior to the Public Hearing to explain the proposed improvements and the cost of the project.

PURSUANT TO PALM BEACH COUNTY ORDINANCE NO. 2001-0010 ASSESSED BY PARCEL
80TH LANE NORTH WATER MAIN EXTENSION
SPECIAL ASSESSMENT PROGRAM
PROJECT NO. WUD 21-013
SECTION 19, TOWNSHIP 42, RANGE 41
PALM BEACH COUNTY, FLORIDA

NOTICE IS HEREBY GIVEN TO OWNERS OF REAL PROPERTY ABUTTING THE ABOVE REFERENCED IMPROVEMENT PROJECT, that each parcel of land shall be subject to a special assessment so that 100% of the assessable cost of the water main extension improvement project described above shall be paid by special assessments upon all specially benefited parcels in 80th Lane North project area.

YOU ARE FURTHER ADVISED that all parcels subject to special assessment shall be assessed by the parcel method of assessment in the amount of \$18,451.49 per parcel, so as to fairly allocate the cost of said project, and that if said assessment is approved by the Board of County Commissioners, a lien will be placed on all parcels subject to special assessment pending satisfaction of the individual parcel assessment balance. The total assessable cost for the twelve (12) properties is \$221,417.88. The special assessment shall be collected by the Tax Collector of Palm Beach County through the Uniform Assessment Collection Act in the annual property tax bill and shall be collected in twenty equal annual installments of principal plus 5.5% interest or may be paid in full without interest within thirty (30) days of notification of final completion of the special assessment project by the Clerk of the Circuit Court. Failure to pay the special assessment will cause a tax certificate to be issued against the property, which may result in additional fees and loss of title.

ALL INTERESTED PERSONS are advised that the description of each parcel to be specially assessed and the amount to be assessed to each parcel, may be ascertained at the Administration office of the Palm Beach County Water Utilities Department located at 8100 Forest Hill Blvd, West Palm Beach, Florida 33413, or by contacting the Project Manager, Ralph Estime (telephone: 561-493-6144). The amount of said special assessments and the confirmation of the assessment roll are subject to final approval by the Board of County Commissioners at a Public Hearing to be held beginning at **9:30 A.M., on Tuesday, July 12, 2022** in the Commission Chambers of the Board of County Commissioners, 6th Floor of Governmental Office Center, 301 North Olive Avenue, West Palm Beach, Florida, at which time and place any necessary adjustment or equalization of said special assessments will be made in accordance with the law. Property owners have a right to appear and file written comments with the Board of County Commissioners prior to or during the Public Hearing.

ALL INTERESTED PERSONS are invited to attend said Public Hearing. If any person decides to appeal a decision made by this Commission with respect to any matter considered at the Public Hearing, they will need a record of the proceedings, and that for such purpose, they may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony of evidence upon which the appeal is to be based.
