Summary: Palm Beach County Resolution No. 2013-0193 established terms for the members of the Public Art Committee. Seven (7) Committee members are recommended for reappointment and two (2) members are recommended for a new appointment to the Public Art Committee. The Public Art Committee has the following diversity count with the proposed appointees: Native American: 1 (11%), Hispanic-American: 3 (33%), African-American: 1 (11%), Caucasian: 4 (44%). The gender ratio (female:male) would remain 7:2. **(FDO Admin) Countywide (MWJ)**

Background & Justification: The Public Art Committee is an advisory body focusing on the County's overall public art policy, selection of artistic elements for integration into County facilities, public education on the benefit of incorporating artwork into public projects, and making recommendations on applications for murals. Reappointing seven members along with the two new appointments will ensure that the mission of the County's Public Art Program advances.

David Lawrence is the President and CEO of the Cultural Council. The Public Art Committee provides no regulation, oversight, management, or policy-setting recommendations regarding the Cultural Council's contracts. Disclosure of the contractual relationship at a duly noticed public meeting is being provided in accordance with the provisions of Sect. 2-443 of the Palm Beach County Code of Ethics.
