Summary: On February 11, 2020, the Board of County Commissioners (Board) approved the annual minor construction contract (R2020-0142 through R2020-0151). The work consists of construction services associated with repairs, improvements and renovations to County properties. The contractor now joins the list of thirty-five (35) prequalified contractors for a total of thirty-six (36) prequalified contractors with a contract expiration date of February 10, 2025. The specific requirements of the work will be determined by individual work orders issued against this annual contract. These contracts are five (5) year indefinite-quantity contracts with a maximum cumulative value of \$15,000,000. Work is to be awarded as work orders on a lump-sum, competitively bid basis across all prequalified contractors. Contractors are allowed to qualify at any time and be added to this annual contract. Projects \$100,000 and over are advertised on the vendor self-service (VSS) website while projects \$200,000 and over are also advertised in the newspaper. Projects under \$100,000 are bid among the pool of prequalified contractors and for projects over \$100,000, the bidding pool is expanded to include any additional bidders responding to the specific project advertisement that submit a qualification application at least 10 calendar days before the bid due date. This minor construction annual contract was presented to the Goal Setting Committee on August 21, 2019. The Committee applied the following three Affirmative Procurement Initiatives (API): 1) sheltered market for projects less than \$100,000; or 2) 10% Small Business Enterprises (SBE) Price Preference for single-trade projects greater than \$100,000; or 3) a minimum mandatory 25% SBE subcontracting goal for multi-trade projects. Actual Small/Minority/Women Owned Business Enterprise (S/M/WBE) participation will be identified on each work order, and will be tracked cumulatively for all work orders issued. To date, the cumulative S/M/WBE participation for all work orders under the annual minor construction contract is 77.08%. (Capital Improvements) Countywide (MWJ)

Background and Justification: The pre-qualification for this contract was advertised on September 29, 2019. The contractor has met the established criteria and now joins the list of thirty-five (35) contractors pre-qualified for the contract. For projects under \$100,000, work is awarded as work orders on a lump-sum, competitively bid basis among the pool of pre-qualified minor construction contractors. Additionally, projects \$100,000 and over are advertised on VSS, and projects \$200,000 and over are also advertised in the newspaper. Contractors may become pre-qualified and added to the general minor construction services contract at any time throughout the duration of the annual contract.
