At the option of the COMPANY, employees may be required to complete a physical examination as well as drug and

5 which they are returning. An employee's recall rights shall expire in twenty-four (24)
6 months from the date of their layoff.

7

8 **SECTION 5.** In the event of a layoff, the COMPANY agrees to pay the group

11 the employee's option, the laid off employee may continue group insurance in
12 accordance with the insurance policy by providing the cost of the monthly premiums to
13 the COMPANY in advance. Furloughed employees returning to work will be eligible to
14 be insured in accordance with the insurance policy of re-employment.

15

16 **SECTION 6. SEVERANCE PAY:** In the event an employee is given notice of Lay-Off

6 competency, fitness, suitability, and other qualifications to perform the work for which
7 they were chosen.

8
9 **SECTION 2.** All new employees shall serve a one (1) year probationary period from the
10 date of employment. If during the probationary period the employee is out on any type
11 of Leave of Absence, Worker's Compensation, disability or other non-paid absence, the

13 absent from work.

14
15 **SECTION 3. NEW EMPLOYEES:** If, during the probationary period, the employee does
16 not meet all the necessary standards for the position, or if in the sole discretion of the
17 COMPANY, an employee is deemed not suitable, the employee may be terminated and

ARTICLE 13
PHYSICAL EXAMINATIONS

SECTION 1. PHYSICAL EXAMINATIONS: Employees who are required to possess a valid State of Florida Commercial Driver's License shall be required to successfully obtain a Florida Department of Transportation (FDOT) Medical Examination for Bus Transit System Drivers. The medical examination requirements shall include an examination at least once every two years for existing employees and a return to duty examination for any covered employee prior to returning to duty after;

- (A) an absence lasting greater than thirty (30) calendar days,
- (B) an absence resulting from an illness, medical condition, or injury-related absence as determined by the Palm Beach County Occupational Health Clinic,
- (C) instances required by FDOT regulation, or
- (D) other instances of reported lack of physical or mental fitness.

Physical examination may be scheduled to be taken during normal workdays of the employees or on the employee's normal off-day. Physical examination shall include drug tests for employees after an absence lasting greater than ninety (90) calendar days.

A Tuberculosis (T.B.) test requires an unpaid follow-up visit and will be performed at the option of the employee. The expense of such physical examination shall be borne by the COMPANY. The physical examination shall be conducted at the Palm Beach County Occupational Health Clinic by a licensed physician.

Employees taking the physical during their normal off-time shall receive an allowance equal to the actual time required for the physical examination or two (2) hours pay whichever is greater. The allowance will be paid at the employee's straight time rate of pay.

Employees will be notified by email and posting in advance of the month their physical is due. The COMPANY will provide transportation if the physical is scheduled during the employee's normal working hours.

An employee, who is aware of their scheduled appointment and fails to attend without a legitimate excuse, will be rescheduled to a COMPANY physical, without pay to the employee. An employee who fails to make the rescheduled physical appointment will not be allowed to return to work until such time as they take and pass a physical examination. The rescheduled appointment will be as immediate as possible, and in no

3
4 event longer than five (5) working days from the scheduled original appointment.

5
6 **SECTION 2.** As a condition of continued employment with the COMPANY, any
7 physical examinations provided for herein must reveal the physical and mental fitness of
8 the employee involved to perform the duties for which they are employed.

9
10 **SECTION 3.** Should any required physical examination reveal the physical or mental
11 unfitness of the employee to perform the duties for which they were employed, they may
12 at their option have a review of the case in the following manner:

- 13
14 (A) They may employ a licensed physician of their own choosing and at their
15 own expense for the purpose of conducting a further physical examination
16 for the same or recommended purpose of the physical examination made
17 by the physician employed by the COMPANY. A copy of the findings of
18 the physician so chosen by the employee involved shall be furnished to
19 the Palm Beach County Occupational Health Clinic, and in the event such
20 findings verify the findings of the physician employed by the COMPANY,
21 no further medical review of the case will be afforded.

22
23 If the employee's medical condition is of a permanent nature, the
24 employee will be given priority consideration for any other open position at
25 Palm Tran for which they are deemed qualified by management. They will
26 also be given consideration for open positions in the County for which they
27 are qualified. If there are no other open positions for which the employee
28 qualifies, they will be given a Leave of Absence consistent with Article 19
29 (Leave of Absence).

- 30
31 (B) In the event the findings of the physician chosen by the employee involved
32 shall disagree with the findings of the physician, the COMPANY, at the
33 written request of the employee involved, will jointly ask the two (2)
34 physicians to agree upon and appoint a third (3rd) qualified, licensed, and
35 disinterested physician.

36
37 This physician shall specialize in the field of the employee's physical
38 problem for the purpose of making a further physical examination of the
39 employee involved. The findings of a majority of the three (3) examining
40 physicians shall determine the disposition of the case and be final and
41 binding upon the parties hereto. The expense of the employment of such
42 third (3rd) medical examiner shall be shared equally by the COMPANY and
43 the employee.

3

4 **SECTION 4.** Should any physical examination provided for herein, reveal the physical
5 or mental unfitness caused by disease, defects, or disabilities of a temporary or curable
6 nature, and the employee involved is willing to have the cause or causes of such
7 unfitness treated and rectified, then in such an event, depending upon the particular
8 circumstances of each case, the employee may:

9

10 A. The employee involved may continue working while undergoing medical
11 treatment, if the examining physician, or a majority of the three (3)
12 examining physicians as herein provided, shall certify to their ability to
13 safely do so, or;

14

15 B. The employee involved shall be taken out of service and given a Medical
16 Leave of Absence for the purpose of undergoing medical treatment until
17 such time as the examining physician, or the majority of the three (3)
18 examining physicians, as herein provided, shall certify to his physical and
19 mental fitness to perform the duties for which they were employed.
20 However, such leave of absence shall be subject to the provisions of the
21 Article relating to Medical Leave of Absence (Article 19, Leave of
22 Absence), and any employee on Medical Leave of Absence because of
23 physical or mental unfitness to perform their duties may be required to
24 supply the COMPANY with a physician's report covering their condition at
25 such interval or intervals which the COMPANY may require. The
26 COMPANY shall have the sole discretion as to an extension of a Medical
27 Leave of Absence beyond the time limits set forth in the Article on Leaves
28 of Absence (Article 19, Leave of Absence).

29

30 **SECTION 5.** Physicians chosen by an employee as provided for in this Article, shall be
31 members of the American Medical Association or American College of Surgeons,
32 except, when permitted otherwise by mutual agreement between the COMPANY and
33 the employee.

34

35 **SECTION 6.** Nothing in this Article shall diminish the employee's rights under
36 Americans with Disabilities Act, the Vocational Rehabilitation Act, or any other Federal
37 or State law.

ARTICLE 14

EXTENDED SICKNESS OR DISABILITY: A medical Leave of Absence may be granted by the COMPANY after an employee's FMLA balance has been exhausted due to extended sickness or disability of the employee for a maximum duration of seven (7) months unless a longer period is required by applicable law, when requested in writing by the employee. 13 on similar circumstances will have no precedent. If such Leave of Absence is granted,
14 it will be for a maximum of three (3) months duration and the employees vacation leave
15 balance will be deducted. Employee and dependent group insurance coverage may be
16 continued at the employee's option for absences which extend beyond the first of the
17 month following the date the leave became effective by providing the COMPANY the
18 full cost of the premiums (Employee and COMPANY contributions) in advance.

19

ARTICLE 21
ANNUAL LEAVE - VACATIONS

SECTION 1. DEFINITION: Annual Leave is authorized, approved in advance, paid time off for the purpose of vacation or personal business. Annual Leave for vacations and for personal business or other reasons shall be granted in accordance with the provisions of this Article.

SECTION 2. ELIGIBILITY: All full-time employees coming under the scope of this AGREEMENT shall receive Annual Leave as provided herein based on an employee's longevity.

Employees must be in a pay status for a minimum of forty (40) hours during any bi-weekly pay period, in order to accrue vacation leave for that pay period.

SECTION 3. MAXIMUM ACCUMULATION: One hundred-sixty (160) past the end of any Calendar year (December 31). Any Annual Leave above 160 hours at the end of the calendar year may be transferred to the employee's Sick Leave balance. An employee who accrues 7.7 hours biweekly will be allowed to carry over the 160 hours to a maximum 200 hours, provided they bid a minimum of one (1) full week during the yearly vacation bid.

SECTION 4. ANNUAL LEAVE ACCRUAL: The number of hours of Annual Leave an employee earns during a year is based on the length of continuous employment with the COMPANY as indicated below:

FULL-TIME EMPLOYEES: If the Length of Employment is:

<u>Years of Employment</u>	<u>Hours Accrued per Pay Period</u>
First (1 st) Year	3.10 hours
Beginning of the second (2 nd) year thru the completion of the fifth (5 th) year	4.62 hours
Beginning of the 6 th year	4.93 hours
Beginning of the 7 th year	5.24 hours
Beginning of the 8 th year	5.54 hours
Beginning of the 9 th year	5.85 hours
Beginning of the 10 th year and all years thereafter	6.16 hours

*Employees hired (excluding Storekeepers) prior to October 1, 2003 with a length of employment of 18 years or more with The COMPANY will accrue annual leave at a rate of 7.7 hours.

3

4 **SECTION 5. CHARGE OF ANNUAL LEAVE:** Employees who are absent from their
5 scheduled work assignment on authorized Annual Leave shall be paid and have their
6 Annual Leave balance reduced by eight (8) hours per day for a five (5) day scheduled
7 work week and ten (10) hours per day for a four (4) day scheduled work week. Annual
8 Leave may not be taken in less than whole shift or “Run” increments.

9

10 Employees may not use Annual Leave/Vacation to supplement loss of pay due to
11 suspension.

12

13 **SECTION 6. VACATION BIDDING:** Vacations will be bid by Total COMPANY
14 Seniority within each Section. A vacation bid will be posted during the month of
15 December each year for vacations in the upcoming year. Employees may bid vacation
16 in whole week increments (40 hour increments) up to the amount of their accumulated
17 Annual Leave/Vacation balance. The Employee must have sufficient balance accrued
18 two (2) pay periods prior to the start of the bid vacation week. Once vacations are bid,
19 employees may not alter, change or trade vacation weeks. Employees who exhaust
20 their accrued vacation leave on sick and/or FMLA prior to their vacation bid week(s)
21 must opt, two (2) pay periods prior to the vacation bid week(s), to either take the
22 vacation bid week(s) without pay or partially without pay, or forfeit the bid vacation in its
23 entirety. If a vacation week or weeks become available in the course of the year as a

25 leave due to being used for sick and/or FMLA, The COMPANY will post the available
26 week(s) and an employee with a sufficient leave balance may request the time. This
27 procedure will be on a first-come, first-served basis, not subject to the bidding process,
28 and not based on seniority.

29

30 Any employee who is out for documented illness and is taking Sick Leave at the time
31 their scheduled bid vacation occurs, shall be eligible to use any accumulated Sick
32 Leave hours for the portion of their scheduled vacation in which he or she remains out
33 on documented illness. The documentation must include a doctor’s statement indicating
34 the date when the employee visited the doctor and the estimated time of recovery.

35

36 The doctor’s statement must be acceptable to the Palm Beach County Occupational
37 Health Clinic and Palm Tran before Annual Leave hours will be switched to paid Sick
38 Leave hours. If an employee does not have sufficient Annual Leave balance to cover
39 the entire week for which they bid vacation when the week becomes due, the employee
40 will not be allowed off on unpaid leave and the employee will be required to work their
41 normal schedule. If a bus operator “Run” has been bid for a “Hold Down” for the
42 vacation week and the employee is not allowed to take the vacation week, then the

43

44

3

4 "Extra Board" bus operator who bid the "Hold Down" will get to keep the "Hold Down"
5 off days and will return to the "Extra Board" rotation and the "Regular" bus operator will
6 work their normal assigned "Run".

7

8 Employees may work their normal off-day during a scheduled vacation week.

9

10 The COMPANY shall have the sole discretion to determine the number of vacation slots
11 open for bid each week.

13 During emergencies, or when a critical work force shortage occurs, the COMPANY may
14 alter or suspend any Annual Leave previously bid.

15

16 STOREKEEPERS: A maximum of one (1) employee from each facility will be allowed
17 off on either bid or approved unscheduled Annual Leave at any time. Once vacations
18 are bid, a copy of the bid will be posted. Employees at each facility may request an
19 open week on a first come first serve basis, not subject to seniority. The open week
20 must be requested a minimum of one (1) week prior to the beginning of the time off and
21 verified by the employee's supervisor.

22

23 **SECTION 7. UNSCHEDULED ANNUAL LEAVE:** Annual Leave may be used for
24 personal business or emergency reasons **provided that the employee requests and**
25 **is granted** the leave in advance. Approval of Unscheduled Annual Leave will be at the
26 sole discretion of the COMPANY based on the available work force and for the day
27 requested, provided however, that:

28

29 1. a maximum of ten percent (10%) of the employees scheduled to
30 work in each Section's operating facility shall be allowed off on
31 Unscheduled Annual Leave and vacation combined during any
32 day, and

33

34 2. that a maximum of two (2) employees in the Maintenance Division
35 on each shift and in each operating facility will be allowed off on
36 Unscheduled Annual Leave and vacation combined on any
37 Saturday or Sunday.

38

39 Requests for Unscheduled Annual Leave, in increments of three (3) days or less must
40 be made to the employee's supervisor no later than 11:00 A.M. the day prior or to the
41 day(s) requested however, in order to be eligible to receive Unscheduled Annual Leave
42 in increments of greater than three (3) consecutive scheduled work days, the request

6 come, first-serve basis, within the Section 7 (1) threshold and adequate leave balance
7 requirements.

8

9 Unscheduled Annual Leave may not be requested more than forty-five (45) days prior to
10 the day(s) desired off.

11

12 **SECTION 8. STOREKEEPERS:** A maximum of one (1) employee from each facility will
13 be allowed off on either bid or unscheduled Annual Leave at any time. Unscheduled
14 Annual Leave may be taken for a period of not less than one (1) hour and not more than
15 three (3) consecutive work days excluding days off. Employees who submit a request
16 for Unscheduled Annual Leave for an open day(s) and provide a minimum of three
17 (3) days notice shall be granted the request. Approval of unscheduled Annual
18 Leave requested with less than three (3) days notice shall be at the discretion of the
19 COMPANY.

20

21 **SECTION 9. CHARGE OF ANNUAL LEAVE:** Employees who are absent from their
22 scheduled work assignment on authorized Annual Leave shall be paid using and have
23 their Annual Leave balance reduced by eight (8) hours per day for a five (5) day

ARTICLE 22
SICK LEAVE & SICK PAY

SECTION 1. DEFINITION: Sick Leave is defined as time-off from work for doctor and dental appointments, illness, hospitalization or extended sickness of the employee or member of the employees' immediate family. Employees must be in a paid status for a minimum of forty (40) hours during any biweekly pay period in order to accrue sick leave for that pay period.

For purpose of this Article, immediate family is defined as the spouse, registered domestic partner, child, step-child, legal guardian of the employee, parents or step-parents of the employee, **any of which, must reside full time in the employees domicile.**

SECTION 2. SICK LEAVE ACCRUAL: Employees shall accrue Sick Leave hours at a rate of 3.8 hours per pay period up to a maximum accumulation of one thousand (1000) hours.

For new employees Sick Leave accrual shall begin on the first calendar day of the employee's first full payroll period and biweekly thereafter.

SECTION 3. USE OF ACCUMULATED SICK LEAVE: Employees who have an accumulated Sick Leave balance will receive **paid** time-off using their accumulated Sick Leave beginning on the first (1st) day of their absence. Once an employee has exhausted their accrued sick leave balance, their accrued vacation leave will be charged prior to leave without pay. Employees may use accumulated sick leave for prearranged doctor and dental appointments with forty-eight (48) hours notice to the dispatcher and proof of the visit upon their return to work. Absences due to doctor's appointments of four (4) hours or less shall not count as an occurrence. All employees are urged to make every attempt to schedule doctor's appointments during their time off. Absences for medical appointments that have not been requested within the above time limits shall be counted as an occurrence.

All Sick Leave hours paid will be at the employee's current straight-time rate of pay.

If an employee is off on Sick Leave due to the sickness of a qualified immediate family member as defined herein, which exceeds three (3) consecutive calendar days, the employee must present acceptable documentation to the appropriate Supervisor within three (3) days from returning to work in order for the absence to be excused and/or paid if applicable.

SECTION 4. Under no circumstances may employees use accumulated Sick Leave to cover the following:

3
4 vacation, unless at the sole option of the COMPANY the illness is documented
5 and excused by the appropriate Division Director within five (5) days of returning
6 to work.

7
8 **SECTION 5. FAMILY MEDICAL LEAVE ACT (FMLA):** Under the provisions of the
9 Family Medical Leave Act, qualifying employees are permitted to be off for up to twelve
10 (12) weeks per year for illness of themselves or an immediate family member. The time
11 off on FMLA may be paid or non-paid leave depending on the employees Sick and
12 Vacation Leave balances. Employees who are absent for a serious health condition
13 more than three (3) consecutive calendar days will be placed on a conditional FMLA
14 status. Employees must exhaust all available Sick and Vacation hours prior to being
15 placed in a non-paid FMLA status. If an employee is absent on un-paid FMLA the
16 COMPANY will maintain, at the COMPANY's expense, the health insurance premium
17 for the employee.

18
19 The COMPANY will also provide the COMPANY's share of the dependent coverage, if
20 applicable, provided the employee has furnished the COMPANY the employee's share
21 of the premium for dependent coverage when the premium is due.

22
23 **SECTION 6.** Paid Sick Leave hours shall not count toward hours worked for the
24 computation of overtime.

25
26 **SECTION 7.** The COMPANY reserves the exclusive right to require a physician's note,
27 which will provide the COMPANY sufficient information regarding the diagnosis of the
28 employee's illness. All employees absent for more than three (3) consecutive work
29 days shall be required to report to the Palm Beach County Occupational Health Clinic
30 with a physician's statement for clearance before they can return to work. The
31 physician's statement should include the reason for the absence and the date the
32 employee can return to work.

33
34 Operations employees must bring the return to work documentation from the Clinic to
35 their immediate Supervisor by 11:00 a.m. the day prior to the day reporting back to
36 work.

37
38 Maintenance employees must bring the return to work documentation from the Clinic to
39 their immediate supervisor on the day prior to the day reporting back to work.

40
41 Should it be determined that an employee is taking Sick Leave under false pretenses,
42 the time-off shall be without pay. The employee will also be subject to disciplinary
43 action.

44
45 **SECTION 8.** Employees hired prior to 10-1-1997 who retire under the COMPANY'S
46 retirement plan, will receive payment at their current rate of pay for twenty-five percent

3
4 (25%) of their accumulated Sick Leave balance. Employees hired on and after 10/1/97
5 will receive payment for ten (10%) percent of their accumulated Sick Leave balance
6 upon retirement. Employees who are terminated or leave the COMPANY prior
7 to retirement, shall not be eligible to receive reimbursement for any accumulated
8 Sick Leave balance.

9
10 **SECTION 9.** Each time an employee is out sick will count as one (1) sick occurrence.
11 Employees who accumulate nine (9) sick occurrences or a maximum of twenty-five (25)
12 days sick in a rolling calendar year will be afforded a pre-termination hearing prior to
13 termination for excessive absenteeism.

14
15 Corrective disciplinary action will be administered according to the following schedule:

16
17 **Number of Sick Occurrences**

18
19 1st, 2nd, 3rd, 4th, 5th No Action

21 Disciplinary Actions

- 22
23 6th Written Warning
24 7th Final Written before suspension
25 8th One (1) day suspension

27
28 Notwithstanding the foregoing, an employee who is absent for twenty-five (25) or more
29 days in a rolling calendar year shall be afforded a pre-termination hearing prior to
30 termination for excessive absenteeism.

31
32 Upon ratification, and for the duration of this contract as specified in Article 49, all current
33 employees will revert to zero (0) sick occurrences on a one-time basis.

34
35
36 **Patterns of Abuse**

37
38 (1) Notwithstanding the occurrence schedule above, if an employee exhibits a
39 pattern of abusive sick leave usage it will be deemed as an intent to
40 circumvent the Sick Leave Article. The employee will be subject to

the work week on a regular basis; calling in sick before or after scheduled vacations or annual leave days.

(2) If an employee exhibits a pattern of repeated Sick Occurrences at level eight (8) or above within a rolling twelve (12) month period, (even if the employee drops below level eight (8) at some point during this period), it will be deemed as an intent to circumvent the purpose of the Sick Leave Article. For example, an employee reaches his/her eighth sick occurrence or above, has one or more sick occurrences roll off (i.e. drops to seven sick occurrences or below), then experiences additional unexcused absences, which causes the employee to reach level eight or above again for a second time within a rolling twelve month period. If this occurs, it will be deemed a pattern of abusive sick leave usage and an intent to circumvent the Sick Leave Article. The employee will be afforded a Pre-termination hearing prior to termination for abusive sick leave usage.

(3) Notwithstanding the occurrence schedule above, employees who have three (3) consecutive "No-call, No-Show" events shall be placed in an unpaid pre-termination status. Once placed in the unpaid pre-termination status, the employee must contact the COMPANY within three (3) days. The COMPANY agrees to inform the UNION of any changes in regular schedules of more than fifteen (15) minutes on any single route so that they be in a position to inform their membership of such schedule changes.

Once the bid has been completed, employees will be required to work at that facility for an entire year unless a reduction of service or a shortage of workforce at one (1) facility requires the company to re-evaluate the number of employees needed at each facility. Employees shall bid on their annual work location based on Classification Seniority.

If during the calendar year, it becomes necessary to adjust the number of employees required in any Classification working from one facility to another facility, the COMPANY will post a list of available positions and allow employees to volunteer to switch facilities. General bids forms will indicate the number of positions by Classification and Maintenance Technician "Specialty Areas" available on each shift and the working hours of each shift. All Maintenance employees will bid in Classification Seniority order. Maintenance Technicians will bid using the following three (3) steps. 20 or his/her designee. The UNION President and/or their designee shall bid on behalf of those
21 employees who have provided choices and are not present. In the event the choices left
22 with the UNION representative are not available, the UNION representative shall

ARTICLE 27
EXTRA BOARD OPERATION/PROCEDURES

1
2
3
4 **SECTION 1. DEFINITION:** The "Extra Board" is established for the primary purpose
5 of having operators available under normal conditions to cover work open as a result of
6 days off, vacations, sickness, suspension, leave of absence or to cover work which was
7 not made into regular "Runs" during the general bidding process. An "Extra Board"
8 may be established, at general bid time only, for each of the Company's working
9 divisions/facilities, if on a scheduled basis, available work hours justifies establishment
10 of one (1) or more full-time positions to cover regular operator work. "Regular
11 Operators" assigned to "Runs" will not be allowed to perform "Extra Board" work as
12 long as there are "Extra Board Operators" available which can cover the open work.
13 The most current and up-to-date Extra Board Guidelines for each facility as agreed to
14 by the COMPANY and UNION will be posted and followed.
15

16 **SECTION 2. NUMBER OF "EXTRA BOARD" POSITIONS:** During the General Bid
17 process, the COMPANY shall, at its sole discretion, determine the number of "Extra
18 Board" positions required to cover open work under normal conditions. During the
19 General Bid process, bus operators will have the option to bid on a regular "Run" or bid
20 on one of the positions available on the "Extra Board".
21

22 **SECTION 3. DISTRIBUTION OF "EXTRA BOARD" WORK:** In the distribution of daily
23 open work, the Company agrees that all open work will be made available to "Extra
24 Board Operators" first. No "Regular Operators" will be pulled from their regular "Run"
25 nor will any "Regular Operator" or "Extra Board Operator" who has volunteered to work
26 their off-day be assigned open or special assignment work until all scheduled "Extra
27 Board Operators" who are normally scheduled to work have been utilized.
28

29 **SECTION 4. "EXTRA WORK":** Work which cannot be handled by "Extra Board
30 Operators" on any particular day as a result of greater than anticipated absenteeism
31 shall be considered "Extra Work" and shall be offered to any operator ("Extra Board
32 Operator" or "Regular Operator") who wish to work their scheduled off-day. An "Extra
33 Work" sign-up sheet shall be posted each morning or weekly for all operators to
34 voluntarily sign-up for open work on their days-off or open work which can be handled
35 by "Regular Operators" prior to or at the completion of their normal "Run". No open
36 work will be made available to operators who have signed the "Extra Work" sheet until
37 all "Extra Board Operators" scheduled to work have been exhausted.
38
39

1 Article 27: Extra Board Operation/Procedures

2 Page -2-

3

4 It will be the responsibility of operators who have signed up for "Extra Work" to check
5 the "Extra Board" or call the dispatcher on the day(s) they have signed-up for "Extra
6 Work" to determine if they have been assigned additional work for the next day.

7

8 Operators shall not use the bus radio system to determine if they have been assigned
9 additional work.

10

11 "Regular Operators" working on their off-day cannot refuse work or any portion thereof
12 once they have signed up for "Extra Work" on their off-day. Refusal to work assigned
13 work which any operator has volunteered to work will result in discipline.

14

15 Off-day operators may switch their assigned run with another off-day operator prior to
16 the run pulling out provided they have both signed a "Run Switch" form and turned it in
17 to the dispatcher.

18

19 An Operator will be permitted to switch runs no more the twice (2x) during a bid.

20

21 **SECTION 5. "EXTRA BOARD" ROTATION:** On the first effective day of a new
22 "General Bid", operators who have bid the "Extra Board" will be assigned to the "Extra
23 Board" in Classification seniority order. New employees or other employees returning
24 from an extended leave who are assigned to the "Extra Board" between "General Bids",
25 shall be placed on the "Extra Board" in Classification seniority order as of the day that
26 they report for work.

27

28 Each day, the "Extra Board Operator" who has served at the top of the Extra Board the
29 previous day, shall be moved to the bottom of the "Extra Board" for the next day's
30 assignments, and each "Extra Board Operator" below shall move up one (1) position,
31 thus creating a revolving "Extra Board".

32

33 **SECTION 6. "EXTRA BOARD" DAILY ASSIGNMENT:** For an Open Regular "Run" of
34 less than one (1) week duration, special assignment or other open work shall be
35 scheduled to the "Extra Board" on a daily basis. Daily assignments to "Extra
36 Board Operators" scheduled to work that day and operators which have signed up for
37 extra work on the "Extra Work" sheet the previous day will be made in accordance
38 with the following procedure:

39

40

41

3

4 All known or foreseen "Open Work" as a result of vacancies in a Regular "Run" of less
5 than one (1) week in duration, charters, unscheduled vacations, sickness, suspension
6 or permanent pieces of "Open Work" which are known to the COMPANY prior to 11:00
7 a.m. of the day in which

8

9 (A) the "Extra Board" is completed for the next day, shall be assigned to
10 "Extra Board Operators" according to their position on the "Extra Board".
11 In assignment of work to "Extra Board Operators", the following
12 procedure will be used:

13

14 (1) a. FIRST: All "Open Work" in the following order:

15

- 16 1. Ten (10) hour "Straight Runs" in most pay time order
- 17 2. Ten (10) hour "Split Runs" in most pay time order
- 18 3. Eight (8) hour "Straight Runs" in most pay time order
- 19 4. Eight (8) hour "Split Runs" in most pay time order

20

21 b. SECOND: If the number of assignments listed in number
22 one (1) above, exceeds the number of "Extra Board
23 Operators" for that day, then and only then, the dispatcher
24 will attempt to fit the remaining pieces with the assignments
25 originally listed. If an open piece, or a piece of a Split "Run"
26 can be worked in combination with one of the assignments
27 listed originally, then that piece of work will be combined
28 with the one which fits and placed in its most pay time
29 order. Special Service work and Standby work will not be
30 used for the purpose of combining work.

31

32 (2) Special Service Work

33 (3) Standby

34

35 (B) All "Open Work" assigned to "Extra Board Operators" in accordance with
36 the order specified in (A) above, shall be assigned in sequential order
37 based on the operator's position on the "Extra Board" for that day, except
38 for the following:

39

40

- 3
- 4 (1) Should an "Extra Board Operator" be scheduled for a regular off-
- 5 day, they shall be marked as "off" and be passed for purposes of
- 6 assigning "Open Work" for that day.
- 7
- 8 (2) All operators who have been out on any type of unscheduled leave
- 9 (Sick Leave, Workers' Compensation, Leave of Absence, etc.) shall
- 10 be considered not available for the next day's "Extra Board" work;
- 11 unless they have notified the dispatch office prior to 11:00 a.m. on
- 12 the day the "Extra Board" is being prepared for the next day.
- 13
- 14 (3) If an "Extra Board Operator's" normal assignment on the "Extra
- 15 Board" would result in the operator having less than eight (8) hours of
- 16 off-time between assignments, the operator's assignment on the next
- 17 day's "Extra Board" will be the first assignment available by their
