I. EXECUTIVE BRIEF

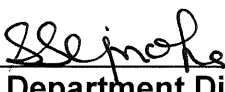

**Motion and Title:**      Staff recommends motion to:      approve: Contract for Consulting/Professional Services with Lee Giordano for a not-to-exceed contract of \$13,200 for the period January 10, 2023 through September 30, 2024 to provide customized training and consultation on the Intimate Partner Violence Prevention Curriculum (IPV PEC) to enhance offender accountability;

**Summary:** Palm Beach County Public Safety Department’s Division of Victim Services (PBCVS) in conjunction with project partners Aid to Victims of Domestic Abuse, Inc. (AVDA), and the PBC Criminal Justice Commission (CJC) was selected for a continuation grant from the U.S. Department of Justice (DOJ), Office on Violence Against Women (OVW) FY 2021 Improving Criminal Justice Responses to Sexual Assault, Domestic Violence, Dating Violence, and Stalking (ICJR) Grant Program (CFDA# 16.590) for the period October 1, 2021 through September 30, 2024. The purpose of this continuation grant is to enhance victim safety and hold offenders accountable through a coordinated community response team (CCR) to better respond to incidents of domestic violence, dating violence and stalking. To enhance offender accountability Lee Giordano will provide training and consultation on the IPV PEC. He was selected through a competitive procurement process. The training will be customized to fit the needs of Palm Beach County created in consultation with PBCVS, project partners, and advanced professionals to improve their capacity to increase offender accountability. The IPV PEC is a 3-hour cognitive-behavioral educational intervention program for offenders of intimate partner violence. The purpose of IPV PEC is to provide a trauma-informed learning experience that encourages abusive men to observe and address their use of intimate partner violence. Studies show that cognitive-behavioral based educational programs are the most effective in preventing and intervening with aggressive and violent behaviors. Lee Giordano will train facilitators to conduct the IPV PEC Class in Palm Beach County and provide consultation to support effective implementation.  
Countywide (RS)

**Background and Justification:** The focus of the 2021 OVW ICJR program encourages state, local, tribal governments, courts, victim service providers, coalitions and rape crisis centers, to treat domestic violence, dating violence, sexual assault and stalking as serious violations of criminal law requiring the coordinated involvement of the entire criminal justice system. This is the fourth time the County has been awarded this three-year grant and victims of domestic violence, dating violence, sexual assault and stalking and the array of responders and service providers who work with them in the County will be impacted by the implementation of this worthwhile project.

If the CONSULTANT transfers all public records to the COUNTY upon completion of the Contract, the CONSULTANT shall destroy any duplicate public records that are exempt, or confidential and exempt from public records disclosure requirements. If the CONSULTANT keeps and maintains public records upon completion of the Contract, the CONSULTANT shall meet all applicable requirements for retaining public records. All records stored electronically by the CONSULTANT

**> Award Special Conditions**

**This award is offered subject to the conditions or limitations set forth in the Award Information, Project Information, Financial Information, and Award Conditions.**

Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements—whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period—may result in the Office on Violence Against Women (OVW) taking appropriate action with respect to the recipient and the award. Among other things, OVW may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OVW, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. §§ 1001 and/or 1621, and/or 34 U.S.C. §§ 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. §§ 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or unenforceable, such provision shall be deemed severable from this award.

Applicability of Part 200 Uniform Requirements and DOJ Grants Financial Guide

The recipient agrees to comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements"), and the current edition of the DOJ Grants Financial Guide as posted on the OVW website, including any updated version that may be posted during the period of performance. The recipient also agrees that all financial records pertinent to this award, including the general accounting ledger and all supporting documents, are subject to agency review throughout the life of the award, during the close-out process, and for three years after submission of the final Federal Financial Report (SF-425) or as long as the records are retained, whichever is longer, pursuant to 2 C.F.R. §§ 200.334, 200.337.

### Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify OVW in writing of the potential duplication, and, if so requested by OVW, must seek a budget-modification or change-of-project-scope Grant Award Modification (GAM) to eliminate any inappropriate duplication of funding.

### Requirements related to System for Award Management and unique entity identifiers

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov>. This includes applicable requirements regarding registration with SAM, as well as maintaining current information in SAM.

The recipient also must comply with applicable restrictions on subawards (subgrants) to first-tier subrecipients (subgrantees), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier assigned by SAM.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OVW website at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Requirements related to System for Award Management (SAM) and unique entity identifiers), and are incorporated by reference here.

### Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any subrecipient at any tier) must have written procedures in place to respond in the event of an actual or imminent breach (as defined in OMB M-17-12) if it (or a subrecipient) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of personally identifiable information (PII) (as defined in 2 C.F.R. § 200.1) within the scope of an OVW grant-funded program or activity, or 2) uses or operates a Federal information system (as defined in OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OVW Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OVW authority to terminate award)

The recipient, and any subrecipient (subgrantee) at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients (subgrantees), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OVW website at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OVW authority to terminate award)), and are incorporated by reference here.

Determinations of suitability to interact with participating minors

This condition applies to this award if it is indicated in the application for the award (as approved by DOJ) (or in the application for any subaward at any tier), the DOJ funding announcement (solicitation), or an associated federal statute that a purpose of some or all of the activities to be carried out under the award (whether by the recipient or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status. The details of this requirement are posted on the OVW website at <https://www.justice.gov/ovw/award-conditions> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The recipient, and any subrecipient (subgrantee) at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears on the OVW website at <https://www.justice.gov/ovw/conference-planning>.

### OVW Training Guiding Principles

The recipient understands and agrees that any training or training materials developed or delivered with funding provided under this award must adhere to the OVW Training Guiding Principles for Grantees and Subgrantees, available at <https://www.justice.gov/ovw/resources-and-faqs-grantees#Discretionary>.

### Effect of failure to address audit issues

The recipient understands and agrees that OVW may withhold award funds, or may impose other related requirements, if (as determined by OVW) the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

### Potential imposition of additional requirements

The recipient agrees to comply with any additional requirements that may be imposed by OVW during the period of performance for this award, if the recipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

### Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

The recipient, and any subrecipient (subgrantee) at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

### Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The recipient, and any subrecipient (subgrantee) at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38.

Among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to recipient and subrecipient (subgrantee) organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

#### 14

### Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 54

#### 15

### Restrictions on "lobbying" and policy development

In general, as a matter of federal law, federal funds may not be used by the recipient, or any subrecipient (subgrantee) at any tier, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, in order to avoid violation of 18 U.S.C. § 1913. The recipient, or any subrecipient (subgrantee) may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 34 U.S.C. § 12291(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

Another federal law generally prohibits federal funds awarded by OVW from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. *See* 31 U.S.C. § 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OVW for guidance, and may not proceed without the express prior written approval of OVW.

#### 16

### Compliance with general appropriations-law restrictions on the use of federal funds for this fiscal year

The recipient, and any subrecipient (subgrantee) at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, for each fiscal year, are set out at <https://www.justice.gov/ovw/award-conditions> (Award Condition: General appropriations-law restrictions on use of federal award funds), and are incorporated by reference here. Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OVW for guidance, and may not proceed without the express prior written approval of OVW.

17

Reporting potential fraud, waste, and abuse, and similar misconduct

The recipient and any subrecipients (subgrantees) must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

2. If the recipient does or is authorized under this award to make subawards (subgrants), procurement contracts, or both--

a. it represents that--

(1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward (subgrant), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. § 4712, including all applicable provisions that prohibit, underspecified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. § 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. § 4712 to this award, the recipient is to contact OVW for guidance.

If the recipient is designated high risk by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the recipient must disclose that fact and certain related information to OVW by email to [OVW.GFMD@usdoj.gov](mailto:OVW.GFMD@usdoj.gov). For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following: (1) the federal awarding agency that currently designates the recipient high risk; (2) the date the recipient was designated high risk; (3) the high-risk point of contact at that federal awarding agency (name, phone number, and email address); and (4) the reasons for the high-risk status, as set out by the federal awarding agency.

Recipients may provide sex-segregated or sex-specific programming if doing so is necessary to the essential operations of the program, so long as the recipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming. The recipient agrees that it will comply with this provision. The recipient also agrees to ensure that any subrecipients (subgrantees) at any tier will comply with this provision.

The recipient understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under an award, and civil and/or criminal penalties.

#### 27

##### Limitation on use of funds to approved activities

The recipient agrees that grant funds will be used only for the purposes described in the recipient's application, unless OVW determines that any of these activities are out of scope or unallowable. The recipient must not undertake any work or activities that are not described in the recipient's application, award documents, or approved budget, and must not use staff, equipment, or other goods or services paid for with grant funds for such work or activities, without prior written approval, via Grant Award Modification (GAM), from OVW.

#### 28

##### Non-supplantation

The recipient agrees that grant funds will be used to supplement, not supplant, non-federal funds that would otherwise be available for the activities under this grant.

#### 29

The recipient agrees to comply with the provisions of 34 U.S.C. § 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information. The recipient also agrees to comply with the regulations implementing this provision at 28 C.F.R. § 90.4(b) and "Frequently Asked Questions (FAQs) on the VAWA Confidentiality Provision (34 U.S.C. § 12291(b)(2))" on the OVW website at <https://www.justice.gov/ovw/resources-and-faqs-grantees>. The recipient also agrees to ensure that all subrecipients (subgrantees) at any tier meet these requirements.

Activities that compromise victim safety and recovery or undermine offender accountability

The recipient agrees that grant funds will not support activities that compromise victim safety and recovery or undermine offender accountability, such as: procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or sex of their children; procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services; procedures or policies that impose requirements on victims in order to receive services (e.g., seek an order of protection, receive counseling, participate in couples' counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.); procedures or policies that fail to ensure service providers conduct safety planning with victims; project design and budgets that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or are Deaf or hard of hearing; or any other activities outlined in the solicitation or companion guide under which the application was submitted.

 **32**

Termination or suspension

The Director of OVW, upon a finding that there (1) has been substantial failure by the recipient to comply with applicable laws, regulations, and/or the terms and conditions of the award or relevant solicitation, (2) has been failure by the recipient to make satisfactory progress toward the goals, objectives, or strategies set forth in the application, or (3) have been project changes proposed or implemented by the recipient to the extent that, if originally submitted, the application would not have been selected for funding, will terminate or suspend until the Director is satisfied that there is no longer such failure or changes, all or part of the award, in accordance with the provisions of 28 C.F.R. Part 18, as applicable mutatis mutandis. The federal regulation providing uniform rules for termination of grants and cooperative agreements is 2 C.F.R. § 200.340.

 **33**

Semiannual and final performance progress report submission

The recipient agrees to submit semiannual performance progress reports that describe activities conducted during the reporting period, including program effectiveness measures. Reports must

be submitted throughout the project period, even if no funds were spent and no activities were conducted in a given reporting period. Delinquent reports may affect future discretionary award decisions and may lead to suspension and/or termination of the award.

The information that must be collected and reported to OVW can be found in the reporting form associated with the grant program or initiative under which this award was made. Performance progress reports must be submitted within 30 days after the end of the reporting periods, which are January 1 - June 30 and July 1 - December 31. Recipients are required to submit their reports through the Justice Grants System, unless and until OVW issues updated instructions for report submission. The final report is due 90 days after the end of the project period and should be marked "final" in the Report Type field.

#### 34

##### Quarterly financial status reports

The recipient agrees that it will submit quarterly financial status reports (the SF 425 Federal Financial Report) to OVW in the Justice Grants System, not later than 30 days after the end of each calendar quarter. The final report shall be submitted not later than 90 days following the end of the award period. Delinquent reports may affect future discretionary award decisions and may lead to suspension and/or termination of the award.

#### 35

##### Program income

Program income, as defined by 2 C.F.R. § 200.1, means gross income earned by the non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval from OVW, program income must be deducted from total allowable costs to determine the net allowable costs. In order to add program income to the OVW award, the recipient must seek approval from its program manager via a budget modification Grant Award Modification (GAM) prior to generating any program income. Any program income added to the federal award must be used to support activities that were approved in the budget and follow the conditions of the OVW award. Any program income approved via budget modification GAM must be reported in the recipient's quarterly Federal Financial Report SF-425 in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, it must be approved via a budget modification GAM by the end of the project period. If the budget modification is not submitted and approved, it could result in audit findings for the recipient.

 38

Submission of all materials and publications

The recipient agrees to submit to OVW one copy of all materials and publications (written, web-based, audio-visual, or any other format) that are funded under this award not less than twenty days prior to distribution or public release. If the materials are found to be outside the scope of the program, or in some way to compromise victim safety, the recipient will need to revise the materials to address these concerns or the recipient will not be allowed to use award funds to support the development or distribution of the materials.

 39

Publication disclaimer

The recipient agrees that all materials and publications (written, web-based, audio-visual, or any other format) resulting from award activities shall contain the following statement: "This project was supported by Grant No. \_\_\_\_\_ awarded by the Office on Violence Against Women, U.S. Department of Justice. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the U.S. Department of Justice." The recipient also agrees to ensure that any subrecipient at any tier will comply with this condition.

 40

Copyrighted works

Pursuant to 2 C.F.R. § 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient (subgrantee) of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier)

must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor, or subcontractor as applicable) to ensure that this condition is included in any subaward, contract, or subcontract under this award.

#### 41

##### Grantee orientation - mandatory attendance

First-time recipients, or continuation recipients if requested, must agree to have key staff members, as identified by OVW, attend the OVW grantee orientation seminar, which may be offered in-person, online, or a combination of both. Additionally, if there is a change in the project director/coordinator during the grant period, the recipient agrees, at the earliest opportunity, to send the new project director/coordinator, regardless of prior experience with this or any other federal award, to an in-person OVW grantee orientation seminar or require completion of the orientation online, whichever is available.

#### 42

##### Prior approval for non-OVW sponsored technical assistance

The recipient agrees that funds allocated for OVW-sponsored technical assistance may not be used for any other purpose without prior approval by OVW. To request approval, the recipient must submit a copy of the event's brochure, a curriculum and/or agenda, a description of the hosts or trainers, and an estimated breakdown of costs. The request must be submitted to OVW at least 20 days prior to registering for the event. Requests to attend non-OVW sponsored events will be considered on a case-by-case basis. This prior approval process also applies to requests for the use of OVW-designated technical assistance funds to pay a consultant or contractor not designated as an OVW technical assistance provider to develop and/or provide training and/or technical assistance.

#### 43

##### Participation in OVW-sponsored technical assistance

The recipient agrees to attend and participate in OVW-sponsored technical assistance. Technical assistance includes, but is not limited to, national and regional conferences, audio conferences, webinars, peer-to-peer consultations, and workshops conducted by OVW-designated technical assistance providers.

#### 44

##### Consultant compensation rates

The recipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum

rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds. Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, recipients are required to maintain documentation to support all daily or hourly consultant rates.

#### 45

##### Required SAM and FAPIIS reporting

The recipient must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this OVW award or any other grant, cooperative agreement, or procurement contract from the federal government. The details of recipient obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to FAPIIS within SAM are posted on the OVW website at: <https://www.justice.gov/ovw/award-conditions> (Award Condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIIS), and are incorporated by reference here.

#### 46

##### Safe policing and law enforcement subrecipients

The recipient agrees that it will not make any subawards to state, local, college, or university law enforcement agencies unless such agencies have been certified by an approved independent credentialing body or have started the certification process. To become certified, law enforcement agencies must meet two mandatory conditions: (1) the agency's use of force policies adhere to all applicable federal, state, and local laws; and (2) the agency's use of force policies prohibit chokeholds except in situations where use of deadly force is allowed by law.

For detailed information on this certification requirement, see

<https://cops.usdoj.gov/SafePolicingEO>. This certification requirement does not apply to tribal law enforcement agencies.

#### 47

##### Compliance with certifications

The recipient acknowledges that it has a continuing obligation to remain in compliance with the applicable certification requirements of 34 U.S.C. § 10461(c).

#### 48

##### Limitation on use of funds for direct legal representation

The recipient agrees not to use grant funds to provide legal representation in civil or criminal matters, such as family law cases (divorce, custody, visitation, and child support), housing cases, consumer law cases and others. Grant funds may be used to provide legal representation to victims of domestic violence, dating violence, sexual assault, or stalking only in the limited context of protection order proceedings (either temporary or long term relief), or for limited immigration matters that may impact and affect the victim's ability to maintain safety (such as U visas).

 **49**

Prohibition on public awareness activities

The recipient agrees that grant funds will not be used to conduct public awareness or community education campaigns or related activities. Grant funds may be used to support, inform, and conduct outreach to victims about available services.

 **50**

Indirect costs

The recipient may not obligate, expend, or draw down any award funds for indirect costs, unless and until either (1) the recipient submits to OVW a current, federally-approved indirect cost rate agreement, or (2) the recipient determines that it is eligible under the Part 200 Uniform Requirements to use the "de minimis" indirect cost rate described in 2 C.F.R. § 200.414(f), and advises OVW in writing of both its eligibility and its election.

 **51**

Conditional clearance with release of technical assistance funds

The recipient acknowledges that the budget for this award is pending review and approval. Until OVW approves the budget, the recipient may not obligate, expend, or draw down any funds, except those that OVW allows for participation in or travel-related expenses to attend OVW-sponsored technical assistance events. Any obligations or expenditures incurred by the recipient prior to the budget being approved are made at the recipient's own risk. If there is another condition on the award prohibiting any obligation, expenditure, and drawdown of any funds, that other condition will control. Remaining funds will not be available for drawdown until OVW's Grants Financial Management Division has approved the budget and budget narrative via a Grant Award Modification (GAM). If applicable, the Indirect Cost Rate will be identified in the GAM when the budget is approved.
