**INTERLOCAL AGREEMENT AMONG BROWARD COUNTY, MIAMI-DADE COUNTY,
MONROE COUNTY, AND PALM BEACH COUNTY FOR COST SHARE SUPPORT OF SERVICES FOR
THE SOUTHEAST FLORIDA REGIONAL CLIMATE CHANGE COMPACT**

This Agreement ("Agreement") is made and entered into by and among Broward County ("Broward"), Miami-Dade County ("Miami-Dade"), Monroe County ("Monroe"), and Palm Beach County ("Palm Beach"), political subdivisions of the State of Florida, (collectively referred to as the "Parties" and, when excluding Broward, the "Contributing Counties").

Recitals

- A. Southeast Florida is one of the most vulnerable areas in the country to the impacts of climate change.
- B. The Parties adopted the Southeast Florida Regional Climate Change Compact ("Compact") in 2009.
- C. Since adopting the Compact, the Parties have worked with one another and numerous other stakeholders to address climate change at the regional level.
- D. In the eleven years since the Compact was adopted, the Parties and other stakeholders successfully completed a Regional Climate Action Plan ("RCAP") of 110 recommendations and a significant update to the RCAP after a five-year implementation period, a unified sea level rise projection for Southeast Florida and two subsequent updates, a regional greenhouse gas emissions inventory, a regional vulnerability analysis, joint annual state and federal legislative programs, planning and execution of twelve Regional Climate Leadership Summits, and other joint activities, earning significant national and international attention.
- E. The Parties have recognized the benefits of regional coordination since the adoption of the Compact.
- F. The Institute for Sustainable Communities, a Vermont not-for-profit corporation registered to do business in the State of Florida ("ISC"), has provided coordination and facilitation services to the Parties since 2011 to advance the aims of the Compact.
- G. The Kresge Foundation ("Kresge") has supported ISC coordination and facilitation services for the Compact to further augment Compact implementation with One Million Eight Hundred and Seventy Five Thousand Dollars (\$1,875,000) in funding from 2013 through 2020, but reduced funding from Two Hundred Thousand Dollars (\$200,000) annually for 2018 and 2019, to One Hundred Thousand (\$100,000) for 2020, with no further funding, requiring the Parties to increase their individual contributions to maintain the same level of ISC support.

- H. The Parties desire to continue to engage ISC to provide coordination and facilitation services.
- I. The Parties acknowledge that a contract for services with ISC would be most efficiently retained and supervised by one county; and
- J. The Parties desire to enter into this Agreement for cost-sharing support of ISC.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

ARTICLE 1. DEFINITIONS

- 1.1 **Board**. The Board of County Commissioners of Broward County, Florida.
- 1.2 **Compact Leadership Committee**. A committee made up of one representative from each Party, the requirements for which are further specified in Article 2. The Committee will provide formal, unified advice and recommendations on climate change and resilience issues to the Parties' governing bodies.
- 1.3 **Contract Administrator**. The Deputy Director of the Broward County Environmental Protection and Growth Management Department.
- 1.4 **County Administrator**. The administrative head of Broward appointed by the Board.
- 1.5 **County Attorney**. The chief legal counsel for Broward appointed by the Board.
- 1.6 **Fiscal Year**. The County Fiscal Year begins on October 1st of each year and continues through September 30th of the following calendar year.

ARTICLE 2. OBLIGATIONS OF PARTIES

- 2.1 Broward shall pay ISC for coordination and facilitation services for the Compact pursuant to an agreement between Broward and ISC for such services ("ISC Coordination and Facilitation Services Agreement"). Upon receipt of an invoice pursuant to section 4.2 of this Agreement, Contributing Counties agree to each remit up to Two Hundred Seventy-Five Thousand Dollars (\$275,000) to Broward to be used as their share of costs Broward will incur pursuant to the ISC Coordination and Facilitation Services Agreement. All Parties agree to contribute equal amounts, within the dollar limits of this Agreement. To this end, Broward agrees to also remit up to Two Hundred Seventy-Five Thousand Dollars

(\$275,000) to ISC for Services under the ISC Coordination and Facilitation Services Agreement. and, on behalf of the Parties, to retain and supervise ISC's performance of the ISC Scope of Services, attached as Exhibit A.

2.2 The Parties agree to participate in a four-County Compact Leadership Committee, which will provide formal, unified advice and recommendations on climate change and resilience issues to the Parties' governing bodies. The Parties will each select one representative to serve on the Compact Leadership Committee, which representative must have experience and knowledge in the area of resilience and climate change and must have a leadership position related to the area of resilience and climate change in the respective County's government. Each party may designate an alternate to the Compact Leadership Committee, but such alternate must meet the same qualifications as each party's representative. The initial representatives from each County are:

- The Chief Resilience Officer of Broward County.

The Compact Leadership Committee will serve in an advisory capacity to the Parties' governing bodies and lacks the power or authority to commit the Parties or any of their agencies or instrumentalities to any policies, incur any financial obligations, or to create any liability, contractual or otherwise, on behalf of the Parties or any of their agencies or instrumentalities.

All proceedings of the Compact Leadership Committee must be conducted in accordance with the Government in the Sunshine Law, § 286.011, F.S., and the Florida Public Records Act, Ch. 119, F.S. Members of the Compact Leadership Committee must also comply with all applicable ethics laws. Three members of the Compact Leadership Committee constitute a quorum. The Compact Leadership Committee will hold regular meetings and may create its own rules of procedure, as needed, provided that such rules are consistent with this Agreement and applicable laws. The Compact Leadership Committee shall decide on an annual basis the distribution of meeting locations to be held among the four Counties, with preference given to rotating meeting locations among each of the Counties.

The continuation of this Agreement beyond the end of any of the Parties' fiscal years is subject to both the appropriation and the availability of funds in accordance with Chapter 129, Florida Statutes. The failure of any party to budget or appropriate sufficient funds for this Agreement shall constitute additional grounds for any other party to terminate this Agreement pursuant to the procedures in sections 7.3 and 7.4 of this Agreement. Any extensions of time beyond the Term shall require an amendment to this Agreement, pursuant to the requirements for amendments stated herein.
- 3.2 Unless otherwise agreed by the Parties in writing, all duties, obligations, and responsibilities of the Parties required by this Agreement shall be completed no later than January 1, 2024. Time is of the essence in performing the duties, obligations, and responsibilities required by this Agreement.

In addition, nothing herein shall be construed as consent to be sued by third parties in any matter arising out of this Agreement or any other contract. The Parties are political subdivisions as defined in Section 768.28, Florida Statutes, and each party shall be fully responsible for the acts and omissions of its agents or employees to the extent permitted by law.

ARTICLE 7. TERMINATION

7.1 This Agreement may be terminated for cause by an aggrieved party if a party in breach has not corrected the breach within ten (10) days after receipt of written notice from the aggrieved party identifying the breach. This Agreement may also be terminated for convenience by the Board. Termination for convenience by the Board shall be effective on the termination date stated in the written notice provided by Broward, which termination date shall be not less than thirty (30) days after the date of such written notice. This Agreement may also be terminated by Broward's County Administrator upon such notice as Broward's County Administrator deems appropriate under the

circumstances in the event Broward's County Administrator determines that termination is necessary to protect the public health, safety, or welfare. If Broward erroneously, improperly, or unjustifiably terminates for cause, such termination shall, at Broward's sole election, be deemed a termination for convenience, which shall be effective thirty (30) days after such notice of termination for cause is provided.

- 7.2 This Agreement may be terminated for cause for reasons including, but not limited to, submission for payment of false or incorrect bills or invoices or failure to promptly make payment pursuant to invoices. This Agreement may be terminated for convenience by any party to this Agreement if ISC is placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List created pursuant to Section 215.473, Florida Statutes, or if ISC provides a false certification submitted pursuant to Section 287.135, Florida Statutes.
- 7.3 Notice of termination shall be provided in accordance with the "Notices" section of this Agreement except that notice of termination by Broward's County Administrator, which Broward's County Administrator deems necessary to protect the public health, safety, or welfare, may be verbal notice that shall be promptly confirmed in writing in accordance with the "Notices" section of this Agreement.
- 7.4 In the event this Agreement is terminated by any party pursuant to the provisions of this Agreement, Broward shall be paid in accordance with Article 4 for any Services performed under the agreement with ISC so that Broward may pay ISC through the termination date specified in the written notice of termination. Broward shall notify ISC to refrain from performing further Services or incurring additional expenses under the terms of its agreement with ISC. In the event that Broward, in its sole discretion, determines ISC is not entitled to payment for Services and elects to not pay ISC for particular Services, Broward shall refund each Contributing County its *pro rata* share of money received by Broward that will not be paid to ISC. Contributing Counties acknowledge that they have received good, valuable, and sufficient consideration from Broward, the receipt and adequacy of which are hereby acknowledged by Contributing Counties, for Broward's right to terminate this Agreement for convenience.

ARTICLE 8. EEO COMPLIANCE

- 8.1 No party to this Agreement may discriminate on the basis of race, color, sex, religion, national origin, disability, age, marital status, political affiliation, sexual orientation, pregnancy, or gender identity and expression in the performance of this Agreement. Failure by any party to carry out any of the requirements of this section shall constitute a material breach of this Agreement, which shall permit any other party to terminate this Agreement or to exercise any other remedy provided under applicable law, all such remedies being cumulative.

ARTICLE 9. MISCELLANEOUS

- 9.1 Rights in Documents and Work. Any and all reports, photographs, surveys, and other data and documents provided or created in connection with this Agreement are and shall remain the property of Broward and, if ISC has claimed a copyright, ISC has agreed to grant Broward a non-exclusive license to use the copyrighted item(s) indefinitely, to prepare derivative works, and to make and distribute copies to the public, which license Broward agrees to grant to and share with Contributing Counties.
- 9.2 Public Records. The Parties are public agencies subject to Chapter 119, Florida Statutes. To the extent ISC is a subcontractor acting on behalf of the Parties pursuant to Section 119.0701, Florida Statutes, the ISC Coordination and Facilitation Services Agreement shall contain any language required pursuant to Section 119.0701, Florida Statutes.
- 9.3 Truth-In-Negotiation Representation. This Agreement is based upon representations supplied by the Parties to each other and the Parties certify that the information supplied, including without limitation in the negotiation of this Agreement, is accurate, complete, and current at the time of contracting.
- 9.4 Public Entity Crime Act. Each of the Parties represents that it is familiar with the requirements and prohibitions under the Public Entity Crime Act, Section 287.133, Florida Statutes, and represents that its entry into this Agreement will not violate that Act. In addition to the foregoing, each of the Parties further represents that there has been no determination that it committed a "public entity crime" as defined by Section 287.133, Florida Statutes, and that it has not been formally charged with committing an act defined as a "public entity crime" regardless of the amount of money involved or whether it has been placed on the convicted vendor list. Notwithstanding any provision in this Agreement to the contrary, if any representation made by a party pursuant to this paragraph is false, each of the Parties shall have the right to immediately terminate this Agreement.
- 9.5 Independent Contractor. Parties are independent contractors under this Agreement. In providing services under this Agreement, neither Broward nor its agents shall act as officers, servants, employees, or agents of Contributing Counties. Contributing Counties and each entity's agents shall not act as officers, servants, employees, or agents of Broward. Broward shall have control of the work performed by Broward in accordance with the terms of this Agreement and of all persons performing the same, and Broward shall be responsible for the acts and omissions of its officers, agents, servants, and employees, if any. None of the Parties shall have the right to bind any other party to any obligation not expressly undertaken under this Agreement.

ISC is an independent contractor under its agreement with Broward. The ISC Coordination and Facilitation Services Agreement provides that neither ISC nor its agents shall act as officers, employees, or agents of Parties. Contributing Counties recognize that ISC shall

not have the right to bind Parties to any obligation. Broward shall not be responsible to Contributing Counties for any adverse actions taken by ISC, unless caused by the sole negligence of Broward or Broward's employees.

- 9.6 Third Party Beneficiaries. Neither Contributing Counties nor Broward intends to directly or substantially benefit a third party by this Agreement. Therefore, the Parties acknowledge that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a right or claim against any party based upon this Agreement. Nothing in this Agreement, express or implied, is intended to (i) confer upon any entity or person other than the Parties and their successors or assigns any rights or remedies under or by reason of this Agreement as a third party beneficiary or otherwise, except as specifically provided in this Agreement; or (ii) authorize anyone not a party to this Agreement to maintain an action pursuant to or based upon this Agreement.
- 9.7 Notices. For a notice to a party to be effective under this Agreement, notice must be sent via U.S. first-class mail with a contemporaneous copy via email to the addresses listed below. Broward consents to use of its name and logo in marketing and publicity materials related to the Compact by the Contributing Counties.
- 9.24 Force Majeure. If the performance of this Agreement, or any obligation hereunder, is prevented by reason of hurricane, earthquake, or other casualty caused by nature, or by labor strike, war, or by a law, order, proclamation, regulation, or ordinance of any governmental agency, the party so affected, upon giving prompt notice to the other party, shall be excused from such performance to the extent of such prevention, provided that the party so affected shall first have taken reasonable steps to avoid and remove such cause of non-performance and shall continue to take reasonable steps to avoid and remove such cause, and shall promptly notify the other Parties in writing and resume performance hereunder whenever such causes are removed; provided, however, that if such non-performance exceeds sixty (60) days, the party that is not prevented from performance by the force majeure event shall have the right to terminate this Agreement

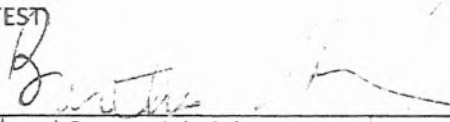

upon written notice to the Parties. This section shall not supersede or prevent the exercise of any right the Parties may otherwise have to terminate this Agreement.

Exhibit A – ISC Scope of Services

Support for the Southeast Florida Regional Climate Change Compact Statement of Work for FY2021 – 2023

During the contracted period, the Institute for Sustainable Communities ("ISC") must provide a level of effort and time per year that will not be less than the equivalent of two and a half (2.5) full-time employees. This level of effort will combine the time and expertise of ISC staff to provide services to the South Florida Regional Climate Change Compact ("Compact"), including governance process facilitation and support, strategic and technical assistance, communications delivery and support, and assistance in identifying additional financial resources from federal, state, and private philanthropic sources to support the growth and expansion of Compact service delivery. With respect to the Compact Leadership Committee ("CLC"), as well as working groups and advisory groups, ISC must conduct all tasks in accordance with the Sunshine Law, the Public Records Act, and all other applicable law. The details of the services ISC must perform are articulated in the tasks and deliverables set forth below.

Task 1: Provide Secretariat Services for the Compact

Task 1.1: Compact Leadership Committee Meeting Support

Representative tasks include: Coordinating a minimum of monthly meetings of the Compact Leadership Committee and providing meeting support, identifying key strategic and management issues for the ongoing success of the Compact; developing meeting agendas in partnership with the CLC and/or chairperson, as appropriate; compiling hot topics for discussion with the Compact; facilitating communications by Compact partners; assembling requests for Compact support and engagement; and conducting tasks in accordance with all applicable laws.

Task 1.2: Biannual (2x annually) Compact Retreats

Representative tasks include: Identifying key strategic and management issues for the ongoing success of the Compact; providing strategic advice to the CLC and associated staff from the Parties; developing the retreat agenda with input by CLC and resilience staff from the Parties; conducting the retreat in accordance with all applicable laws, and paying for various retreat-related expenses for all attendees, including venue and audiovisual equipment costs, if applicable, ISC staff travel costs, breakfast and lunch, printing, and other miscellaneous costs.

Task 1.3: General Compact Support – Priority Tasks

Deliverables

ISC must provide a quarterly narrative report detailing activities across these four key tasks, including an ISC accounting of staff time and expenses for review and approval by the Contract Administrator.

Personnel and Fringe Benefits—salaries are budgeted as gross wages and reflect current or comparable rates from ISC's current projects. ISC fringe benefits are based on each employee's salary, timesheet allocations, and its Negotiated Indirect Cost Rate Agreement ("NICRA") (included as Attachment A), which is approved by the United States Agency for International Development, ISC's cognizant audit agency.

Travel—ISC requires travelers to take reasonable steps to lower travel costs and air travel is based on economy or coach class fares. ISC pays for actual hotel costs and provides per diem rates for meals and incidental expenses that do not exceed US Government rates.

Other Direct Costs—ISC's estimates include communication and photocopying expenses and a portion of ISC's A-133 audit expense. These expenses have been budgeted for this program based on ISC's overall program cost and budget.

Indirect Costs—ISC's indirect cost calculation methodology uses a modified total direct cost base consisting of total direct costs, less grant agreement amounts that exceed \$25,000. ISC's NICRA is currently 28.75% percent of its modified total direct cost base.

Dear Ms. Settles:

The Overhead, Special Costs and Closeout Branch of the Office of Acquisition and Assistance within the Management Bureau is the central unit authorized to negotiate indirect cost rates with concerns awarded contracts, cooperative agreements, or grants by the U.S. Agency for International Development (USAID).

Enclosed is the USAID Negotiated Indirect Cost Rate Agreement (NICRA) for the appropriate official in your organization to sign. The NICRA establishes negotiated final indirect cost rates for the fiscal year ended September 30, 2017; and sets provisional indirect cost rates for the fiscal year beginning October 1, 2017, until amended.

Note that these indirect cost rates apply to all flexible priced awards/contracts incorporating provisional indirect cost rates. For awards that incorporate these rates, you are directed within 120 days to take the necessary actions to adjust your invoices or financial expenditure reports (SF-425) for the difference between the billed indirect rates (provisional and final) in the NICRA. Further, be aware that the NICRA does not change any monetary ceiling, obligation or specific cost allowance or disallowance provided for in each award between the parties. Therefore, care needs to be taken to ensure that amounts claimed do not exceed award limitations or indirect cost rate ceilings.

Please print and sign the attached electronic copy of the NICRA. Retain one signed copy and email a signed copy to Catrina Burgess at cburgess@usaid.gov at your earliest convenience. If you prefer, send a signed copy of the NICRA to me at the following address: M/OAA/CAS/OCC, SA-44, Room 822B, USAID, 1300 Pennsylvania Ave., NW, Washington, DC 20523-7802.

If you have any questions concerning the indirect cost rate agreement, contact Catrina Burgess at (202) 567-4662.

Sincerely,

SECTION II: GENERAL

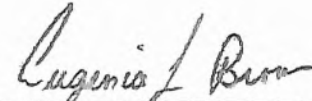

- A. LIMITATIONS: Use of the rate(s) contained in this Agreement is subject to all statutory or administrative limitations and is applicable to a given grant, contract or other agreement only to the extent that funds are available. Acceptance of the rate(s) agreed to herein is predicated upon the following conditions:
1. That no costs other than those incurred by the grantee/contractor or allocated to the grantee/contractor via an approved central service cost allocation plan were included in its indirect cost rate proposal and that such incurred costs are legal obligations of the grantee/contractor and allowable under the governing cost principles,
 2. That the information provided by the grantee/contractor which was used as a basis for acceptance of the rate(s) to herein is not subsequently found to be materially inaccurate,
 3. That the same costs that have been treated as indirect costs have not been claimed as direct costs, and
 4. That similar types of costs have been accorded consistent treatment.
- B. ACCOUNTING CHANGES: The grantee/contractor is required to provide written notification to the indirect cost negotiator prior to implementing any changes which could affect the applicability of the approved rates. Any changes in accounting practice to include changes in the method of charging a particular type of cost as direct or indirect and changes in the indirect cost allocation base or allocation methodology require the prior approval of the Office of Overhead, Special Cost and Closeout (OCC). Failure to obtain such prior written approval may result in cost disallowance.
- C. NOTIFICATION TO FEDERAL AGENCIES: A copy of this document is to be provided by this organization to other Federal funding sources as a means of notifying them of the Agreement contained herein.
- D. PROVISIONAL-FINAL RATES: The grantee/contractor must submit a proposal to establish a final indirect cost rate within nine months after its fiscal year end. Billings and charges to Federal awards must be adjusted if the final rate varies from the provisional rate. If the final rate is greater than the provisional rate and there are no funds available to cover the additional indirect costs, the organization may not recover all indirect costs. Conversely, if the final rate is less than the provisional rate, the organization will be required to pay back the difference to the funding agency.

E. SPECIAL REMARKS:

1. Indirect costs charged to Federal grants/contracts by means other than the rate(s) cited in the agreement should be adjusted to the applicable rate(s) cited herein which should be applied to the appropriate base to identify the proper amount of indirect costs allocable to the program.
2. Grants/contracts providing for ceilings as to the indirect cost rate(s) or amount(s), which are indicated in Section I above, will be subject to the ceilings stipulated in the grant, contract or other agreement. The ceiling rate(s) or the rate(s) cited in this Agreement, whichever is lower, will be used to determine the maximum allowable indirect cost on the grant or contract agreement.
3. The rates hereby approved are subject to periodic review by the Government at any time their use is deemed improper or unreasonable. You are requested to advise the Government promptly of any circumstances, which could affect the applicability of the approved rates.
4. You are directed to submit adjustment or final financial expenditure reports (SF-425) for all flexibly priced grants and other agreements; or adjustment or final vouchers for all flexibly priced contracts within 120 days after settlement of the final annual indirect cost rates. Audit adjustments should be clearly delineated so as to be readily identifiable for verification by this office. Care should be taken that amounts claimed do not exceed award limitations or indirect cost rate ceilings. USAID will deobligate any remaining funds if the required financial expenditure reports or vouchers are not submitted within 120 days. Once the money is de-obligated, it will not be reinstated.
