AGENDA ITEM SUMMARY

Meeting Date: **March 14, 2023** Consent Regular
 Ordinance Public Hearing

Department: Department of Public Safety
Submitted By: Department of Public Safety
Submitted For: Division of Justice Services

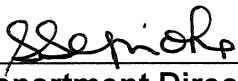

I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: Contract with Choice to Change (C2C), a not-for-profit corporation, to provide community service assistance and restitution sponsorship services to eligible youth reentry participants for the period of March 14, 2023, through September 30, 2023 in an amount not to exceed \$24,021.00.

Summary: The Public Safety Department's Youth Reentry Program under their Justice Services Division provides critical services to juvenile-justice involved youth returning to the community from incarceration. Youth reentry services are comprised of targeted case management, certified peer support, support services, and partnerships with community partners to create a continuum of coordinated care across systems and providers. As part of support services, C2C will organize community service events for youth reentry participants to earn community service hours. Once community service hours are completed, C2C will provide proportionate financial payments towards their restitution and court fee payments. C2C's program will help build skills, strengths, and competencies that positively impact the youth's criminogenic risk and needs. **Countywide** (RS)

Background and Justification: In 2012, the Criminal Justice Commission (CJC) received funding to develop a juvenile reentry strategic plan. In 2013, the CJC received a Second Chance Act grant from the Office of Juvenile Justice and Delinquency Prevention. Through this effort, an enhanced reentry process for juveniles transitioning from residential settings back to their respective communities was developed. On July 12, 2022, the BCC approved to insource the Youth Reentry Program under the Public Safety Department's Division of Justice Services. PBC developed a Strategic Plan for providing effective and coordinated reentry services to youth returning from the residential programming within the Department of Juvenile Justice. Programming is intended to reduce recidivism among reentry youth who are transitioning back to PBC, as well as reduce future victimization, enhance public safety and, improve the quality of life of all residents.

Where incremental billings for partially completed items are permitted, the total billings shall not exceed the estimated percentage of completion as of the billing date.

Invoices received from the ENTITY pursuant to this Contract will be reviewed and approved by the COUNTY's representative, to verify that services have been rendered in conformity with the Contract. Approved invoices will then be sent to the Finance Department for payment. Invoices will normally be paid within thirty (30) days following the COUNTY representative's approval.
- C. "Out-of-pocket" expenses will be reimbursed up to an amount not to exceed Dollars (\$ 0), and in accordance with the list of the types and amounts of expenditures eligible for reimbursement as set forth in Exhibit "B". SCOPE OF WORK
FY2023 (Mar 14, 2022 – Sep 30, 2023)
Contract between Palm Beach County and Choice to Change, Incorporated

Overview: Palm Beach County (PBC) provides reentry services through programming that is data-driven, outcome-focused, and evidence-based. Reentry services help reintegrate youth and young adults returning from incarceration into the community by creating opportunities that improve outcomes for youth and families, improve public safety, and reduce recidivism. PBC reentry services are comprised of targeted case management, certified peer support, support services, and partnerships with community partners to create a continuum of coordinated care across systems and providers.

Choice to Change (C2C) will provide assistance for juvenile justice-involved reentry youth (and their families) by facilitating community events with the goal of assisting youth with opportunities to complete community service hours, fulfill restitution requirements (through court fee payment assistance), and/or build skills that impact criminogenic risk and needs. C2C provides financial payments towards restitution and court fees by providing a stipend that converts completed community service hours to dollars earned at a fixed rate. These payments are funded through C2C's own sustained funding and are paid directly to the Clerk of Court on behalf of the youth.

Client Referral Eligibility:

Eligible reentry clients are those who have been identified as needing this assistance, sentenced to local jail or the Florida Department of Juvenile Justice's (DJJ) residential commitment facilities, and returning to PBC upon release from confinement. Clients referred for contracted services will be identified by PBC Youth Reentry Program staff as needing individualized assistance with at least one of the following:

- Community Service Hours
- Restitution and/or Court Fee Payment Assistance
- Prosocial community engagement and peer relations

Geographic Areas to Serve: County-wide

Program Services:

Community Service Work Events:

C2C will provide opportunities for reentry participants to engage in events assisting others in the community, focusing primarily on giving back, actively engaging and making connections in the community, having a positive impact on others, providing acts of service to benefit those in need, developing empathy and life skills, and building prosocial values and connections with peers and supportive adults.

Court Fines, Fees, and Restitution Sponsorship:

Community service events organized by C2C will be facilitated for reentry participants, with the ultimate intention of matching youth with events that align with their interests

and needs. Reentry participants will be sponsored for their completed community service hours by C2C through payment of stipends proportionate to completed community service hours, at a rate established by the provider, to be paid directly to the Clerk of Court to reduce court fines, fees, and restitution requirements.

Program Outcomes:

1. # of Clients Referred for Services
2. # of Clients Enrolled in Services
3. # of Community Service Hours Completed per Client
4. Amount of Court Fee Payments Made per Client
5. Amount of Restitution Payments Made per Client

Reports:

Program Activity Report (PAR) is required to be provided to PBC by the 15th of each month, to report on the program activity of the previous calendar month. PAR must include the required program outcomes for each client served by C2C during the reporting period.

Required Meetings:

Attendance at Monthly Reentry Partners Meeting is required.

Attendance at Monthly Community Reentry Case Review Meeting is required.

Attendance at the Quarterly Reentry Task Force's Youth Reentry Subcommittee Meeting is required.

Deliverables:

1. Document the service delivery per client through the utilization of case notes and disbursement records within the Reentry Information Database, RENEW. The records must be in sufficient detail to substantiate the services provided and disbursements made per client.
2. Collect and input all required data in PBC's RENEW database within three business days of service delivery.
3. Submit Monthly PAR's to PBC by the 15th of each month for the previous month's activities.

Non-Compliance: C2C will not be compensated for contracted services that fail to comply with this Scope of Work.

Invoicing: C2C will prepare and submit complete and accurate monthly invoices electronically via SAMIS for all service categories to the PBC Reentry Public Safety Department (PSD) by the 15th day of the subsequent month. Invoices will be reviewed and approved by PBC Reentry's representative to verify that services have been rendered in conformity with the contract.
