Summary: On November 2, 2021, the Board of County Commissioners (Board) approved a Fiscal Strategy for the spending of American Rescue Plan Act (ARPA) funds, which included an allocation of \$4,000,000 for the acquisition of environmentally sensitive lands. The parcels owned by Diane Michalski and Edmund Michalski, Jr.(Michalski parcel), Wayne Witt, Jr. and Traci McQuiston (Witt/McQuiston parcel), and Steven Delawar and Dana Delawar (Delawar parcel) are interior parcels located in an area known as Palm Beach Heights (part of the Pal-Mar Ecosite). The Pal-Mar Ecosite is part of a large ecological greenway that stretches from just west of the Atlantic Ocean to just east of Lake Okeechobee. The area provides habitat for a wide variety of native plants and animals and it is part of a hydrologically significant region that includes the headwaters of the federally designated Wild and Scenic Northwest Fork of the Loxahatchee River. Hence its value as environmentally sensitive land. Appraisals were obtained from Anderson & Carr, Inc. and M.R. Ford & Associates, Inc. who assigned a \$15,000 and \$16,000 per acre value for interior Palm Beach Heights parcels, respectively. Callaway & Price, Inc. reviewed the appraisals and concluded a reasonable aggregate value of \$15,500 per acre for interior Palm Beach Heights parcels, which is the basis of the offers. The Agreements allow for the County's due diligence review of the parcels within 45 days of Board approval. The County will pay title insurance policy premiums, closing and recording costs estimated to be \$515 for the Michalski parcel, \$500 for the Witt/McQuiston parcel and \$515 for the Delawar parcel. The Environmental Resources and Management (ERM) Department will perform pre-acquisition environmental assessments for the parcels prior to closing. Boundary surveys will not be obtained for any of the parcels due to their remote locations. ERM will be responsible for the administration of the parcels. All costs related to the acquisitions will be paid from existing funds received from the American Rescue Plan Act of 2021 (ARPA) Response Replacement Fund. **These are County ARPA Response Replacement funds that do not require a local match. These acquisitions must be approved by a supermajority vote (5 Commissioners). (Property & Real Estate Management) District 1 (HJF)**

Background and Policy Issues: Lands in the Pal-Mar Ecosite were on the County’s proposed acquisition list for both the Palm Beach County Environmentally Sensitive Lands Bond Referendum of March 12, 1991, and the Palm Beach County Lands for Conservation Purposes Bond Issue Referendum of March 9, 1999. Some of the proceeds from those two referendums were used to acquire buildable tracts of land within the Pal-Mar Ecosite. However, the funds ran out before the County could initiate a willing seller program within the Palm Beach Heights portion of the Pal-Mar Ecosite.

In November 2021, the Board approved the use of ARPA Response Project Funds to initiate a willing seller program to acquire environmentally sensitive lands within the County. One of the areas identified for potential acquisition was Palm Beach Heights. Phase I of the Palm Beach Heights willing seller program focuses on negotiating and acquiring interior parcels located between two portions of the state-owned and managed John C. and Marianna Jones/Hungryland Wildlife and Environmental Area (Hungryland WEA), a 16,600 plus acre conservation area in northern Palm Beach County and southern Martin County. This area was deemed a high priority due to its location between two sections of an existing conservation area and the relatively high percentage of County-owned parcels (approximately 42 percent). Additional acquisitions within this area will help facilitate the management of both county- and state-owned lands for conservation purposes and potentially allow for the creation of connected, passive recreational trails. Phase II of the Palm Beach Heights willing seller program will consist of negotiating and acquiring non-county owned, interior parcels west of the Hungryland WEA.

The County currently owns 162 of the 434 parcels in the Palm Beach County portion of Palm Beach Heights. The County has been acquiring parcels in this area as they become available. The subject parcels are bordered by, or are contiguous to, County owned parcels and contain high-quality depression marsh, mesic flatwoods and/or wet flatwoods habitats. A summary of acquisitions approved by the Board to date under the ARPA-funded willing seller program to acquire environmentally sensitive lands within the County is provided in Attachment 5.

A Disclosure of Beneficial Interests is not required from Diane Michalski, Edmund Michalski, Jr., Wayne Witt, Jr., Traci McQuiston, Steven Delawar and Dana Delawar, since they are all individuals.

In the event that such inspections shall reveal a deficiency in the Property, as determined by County in its sole and absolute discretion, County shall have the right to terminate this Agreement at any time during the Inspection Period by giving written notice thereof to Seller, whereupon the parties shall be relieved of all further obligations hereunder.

6. **EVIDENCE OF TITLE.**

6.1 Within thirty (30) days after the Effective Date of this Agreement, the County shall obtain an owner's title insurance commitment, together with legible copies of all exceptions to coverage reflected therein, issued by Southeast Guaranty and Title, Inc. agreeing to issue to the County upon the recording of the Statutory Warranty Deed to the Real Property, an owner's title insurance policy in the amount of the Purchase Price, insuring the marketability of the fee title of the County to the Real Property, subject only to the Permitted Exceptions. The cost of said title insurance commitment and title insurance policy and any premium therefor shall be borne by County.

The County shall have until the later of ten (10) days after receipt of the title insurance commitment, or the end of the Inspection Period, whichever is later, in which to review same. In the event the title insurance commitment shall show as an exception any matter other than the Permitted Exceptions, County shall notify Seller of County's objection thereto, and Seller shall act with reasonable effort, including bringing suit, to remove such exception(s), which exception(s) shall be deemed to constitute title defects. The Seller shall be entitled to ninety (90) days from the date of notification by County (with adjournment of the Closing Date, if necessary) within which to cure such defects or to make arrangements with the title insurer for deletion of any such title defects from the title insurance commitment without the inclusion of any additional exceptions to coverage. Notwithstanding the foregoing, Seller shall have the option of discharging any such matters at Closing with the closing proceeds. If the defect(s) shall not have been so cured or removed from the title insurance commitment by endorsement thereto at the termination of the said ninety (90) day period, County shall have the option of: (a) accepting title to the Property as it then exists; or (b) terminating this Agreement, by giving written notice thereof to Seller, provided, however, County shall not thereby waive any rights or remedies available to County due to such default by Seller, including an action for damages.

6.2 County may request, prior to the Closing, an endorsement of the title insurance commitment making it effective to within fifteen (15) days of the Closing Date. At Closing, County shall cause the title insurance commitment to be endorsed to remove, without the inclusion of any additional exceptions to coverage, any and all requirements or preconditions to the issuance of an owner's title insurance policy, and to delete any exceptions for: (a) any rights or claims of parties in possession not shown by the public records; (b) encroachments, overlaps, boundary line disputes and any other matters which would be disclosed by an accurate survey and inspection of the Property (provided County obtains a survey in accordance with Section 7 hereof); (c) easements or claims of easement not shown by the public records (provided County obtains a survey in accordance with Section 7 hereof); (d) any lien, or right to a lien, for services, labor or material heretofore or hereinafter furnished, imposed by law and not shown by the public records; (e) taxes for the year of Closing and all prior years, and taxes or special assessments which are not shown as existing liens by the public records; (f) matters arising or attaching subsequent to the effective date of the title insurance commitment but before the acquisition of record of title to the Property by the County; and (g) any general or specific title exceptions other than the Permitted Exceptions.

6.3 From and after the Effective Date of this Agreement, Seller shall take no action which would impair or otherwise affect title to any portion of the Property, and shall record no documents in the Public Records which would affect title to the Real Property, without the prior written consent of the County.

7. **SURVEY.** County shall have the right, within the time period provided in Section 6 for delivery and examination of title, to obtain a current survey of the Real Property and all improvements thereon. If the survey reveals any encroachments, overlaps, boundary disputes, or other defects, or any matters other than the Permitted Exceptions, the same shall be treated as title defects as described in Section 6 of this Agreement, and County shall have the same rights and remedies as set forth therein.

8. **MAINTENANCE.** Between the Effective Date and Closing, Seller shall maintain the Property in the condition in which it existed as of the Effective Date. Notwithstanding the foregoing, Seller shall deliver the Property at Closing free of any trash, refuse or other debris, and in full compliance with all governmental regulations. Seller shall bear the risk of any loss, damage or casualty to the Property prior to Closing. County shall have access to the Property at any reasonable time prior to Closing to verify Seller's compliance herewith.

9. **CONDITION PRECEDENT TO CLOSING.** The following are conditions precedent to County's obligation to close upon its purchase of the Property: (1) Seller shall have performed all of the covenants and obligations under this Agreement that it is obligated to perform at or prior to Closing, on or prior to the dates such performance is required hereby; (2) Seller's representations and warranties identified in this Agreement shall be true and correct; (3) there shall have been no change in the condition of the Property or the status of title to the Property, other than as specifically permitted by this Agreement. The foregoing conditions precedent are for the exclusive benefit of County and may be unilaterally waived by the County.

10. **CLOSING.** The parties agree that the Closing upon the Property shall be consummated as follows:

10.1 **Place of Closing.** The Closing shall be held at the Property and Real Estate Management Division office, 2633 Vista Parkway, West Palm Beach, Florida.

10.2 **Closing Date.** The Closing shall take place within fifteen (15) days after expiration of the Inspection Period, or at such earlier date as is mutually agreed upon by the parties.

10.3 **Closing Documents.** County shall be responsible for preparation of all closing documents. County shall submit copies of same to Seller no less than ten (10) days before Closing. At Closing, Seller shall deliver, or cause to be delivered to County, the following documents, each fully executed and acknowledged as required.

10.3.1 **Statutory Warranty Deed.** A Statutory Warranty Deed conveying good and marketable fee simple title to the Property, subject only to the Permitted Exceptions.

10.3.2 **Seller's Disclosure of Beneficial Interests.** A Seller's Disclosure of Beneficial Interests as required by Section 286.23, Florida Statutes, which accurately discloses the name and address of any person or entity having a 5% or greater beneficial interest in the ownership of the Property as of the date of Closing. The foregoing shall be in addition to any Disclosure or notice of change thereto previously provided to County, and in the same form as previously provided to County. In the event Seller is an individual, Seller is exempt from this provision.

10.3.3 **Affidavit of Seller.** A Seller's Affidavit stating that the Property is free and clear of all encumbrances, mortgages, liens, leases, licenses, contracts or claim of rights in a form sufficient to permit the title insurer to delete the "Gap" and "Standard Exceptions" from the title insurance policy and insure County's title to the Property in accordance with Section 6 of this Agreement, subject only to the Permitted Exceptions.

10.3.4 **Non-Foreign Affidavit.** Seller represents and warrants to County that Seller is not a "foreign person" as defined by the Federal Foreign Investment in Real Property Tax Act (the "Act"). At Closing, the Seller shall execute and deliver to County a "Non-Foreign Affidavit", as required by the Act. Seller acknowledges that in the event Seller fails to deliver the Non-Foreign Affidavit, County shall be authorized to withhold from the closing proceeds an amount equal to ten percent (10%) of the gross amount of the purchase price and to remit same to the Internal Revenue Service, as required by the Act.

10.3.5 **Closing Statement.** A Closing Statement prepared in accordance with the terms hereof.

10.3.6 **Additional Documents.** Seller shall also deliver and/or execute such other instruments as are necessary or reasonably required to consummate the transactions herein contemplated including, without limitation, if applicable, such documents as County or the title company may require evidencing Seller's existence, good standing, power and authority to enter into and consummate the transaction herein contemplated.

Seller's prorata share of all taxes and assessments shall include the day of Closing.

12.2 **Assessments.** If as of the Closing Date, assessments or charges have been imposed against the Property or any part thereof which are, or which may become payable in annual installments, the first installment of which is then a charge or lien, or has been paid, then for the purposes of this Agreement, all of the unpaid installments of any such assessments, including those which become due and payable after the Closing Date, shall be deemed to be due and payable and to be a lien upon the premises affected thereby, and shall be paid and discharged by the Seller on or before the Closing Date. All surveys, testing and inspections shall be conducted by County at its expense, and shall be performed by licensed persons or firms dealing in the respective areas or matters tested. In the event County elects not to close upon its purchase of the Property, County shall restore the Property to the condition in which it existed prior to such inspections, using materials of like kind and quality. Nothing contained herein shall be construed to prohibit County from disclosing the results of said inspections as may be required by applicable law. In the event that such inspections shall reveal a deficiency in the Property, as determined by County in its sole and absolute discretion, County shall have the right to terminate this Agreement at any time during the Inspection Period by giving written notice thereof to Seller, whereupon the parties shall be relieved of all further obligations hereunder.

6. **EVIDENCE OF TITLE.**

6.1 Within thirty (30) days after the Effective Date of this Agreement, the County shall obtain an owner's title insurance commitment, together with legible copies of all exceptions to coverage reflected therein, issued by Southeast Guaranty and Title, Inc. agreeing to issue to the County upon the recording of the Statutory Warranty Deed to the Real Property, an owner's title insurance policy in the amount of the Purchase Price, insuring the marketability of the fee title of the County to the Real Property, subject only to the Permitted Exceptions. The cost of said title insurance commitment and title insurance policy and any premium therefor shall be borne by County.

The County shall have until the later of ten (10) days after receipt of the title insurance commitment, or the end of the Inspection Period, whichever is later, in which to review same. In the event the title insurance commitment shall show as an exception any matter other than the Permitted Exceptions, County shall notify Seller of County's objection thereto, and Seller shall act with reasonable effort, including bringing suit, to remove such exception(s), which exception(s) shall be deemed to constitute title defects. The Seller shall be entitled to ninety (90) days from the date of notification by County (with adjournment of the Closing Date, if necessary) within which to cure such defects or to make arrangements with the title insurer for deletion of any such title defects from the title insurance commitment without the inclusion of any additional exceptions to coverage. Notwithstanding the foregoing, Seller shall have the option of discharging any such matters at Closing with the closing proceeds. If the defect(s) shall not have been so cured or removed from the title insurance commitment by endorsement thereto at the termination of the said ninety (90) day period, County shall have the option of: (a) accepting title to the Property as it then exists; or (b) terminating this Agreement, by giving written notice thereof to Seller, provided, however, County shall not thereby waive any rights or remedies available to County due to such default by Seller, including an action for damages.

6.2 County may request, prior to the Closing, an endorsement of the title insurance commitment making it effective to within fifteen (15) days of the Closing Date. At Closing, County shall cause the title insurance commitment to be endorsed to remove, without the inclusion of any additional exceptions to coverage, any and all requirements or preconditions to the issuance of an owner's title insurance policy, and to delete any exceptions for: (a) any rights or claims of parties in possession not shown by the public records; (b) encroachments, overlaps, boundary line disputes and any other matters which would be disclosed by an accurate survey and inspection of the Property (provided County obtains a survey in accordance with Section 7 hereof); (c) easements or claims of easement not shown by the public records (provided County obtains a survey in accordance with Section 7 hereof); (d) any lien, or right to a lien, for services, labor or material heretofore or hereinafter furnished, imposed by law and not shown by the public records; (e) taxes for the year of Closing and all prior years, and taxes or special assessments which are not shown as existing liens by the public records; (f) matters arising or attaching subsequent to the effective date of the title insurance commitment but before the acquisition of record of title to the Property by the County; and (g) any general or specific title exceptions other than the Permitted Exceptions.

6.3 From and after the Effective Date of this Agreement, Seller shall take no action which would impair or otherwise affect title to any portion of the Property, and shall record no documents in the Public Records which would affect title to the Real Property, without the prior written consent of the County.

7. **SURVEY.** County shall have the right, within the time period provided in Section 6 for delivery and examination of title, to obtain a current survey of the Real Property and all improvements thereon. If the survey reveals any encroachments, overlaps, boundary disputes, or other defects, or any matters other than the Permitted Exceptions, the same shall be treated as title defects as described in Section 6 of this Agreement, and County shall have the same rights and remedies as set forth therein.

8. **MAINTENANCE.** Between the Effective Date and Closing, Seller shall maintain the Property in the condition in which it existed as of the Effective Date. Notwithstanding the foregoing, Seller shall deliver the Property at Closing free of any trash, refuse or other debris, and in full compliance with all governmental regulations. Seller shall bear the risk of any loss, damage or casualty to the Property prior to Closing. County shall have access to the Property at any reasonable time prior to Closing to verify Seller's compliance herewith.

9. **CONDITION PRECEDENT TO CLOSING.** The following are conditions precedent to County's obligation to close upon its purchase of the Property: (1) Seller shall have performed all of the covenants and obligations under this Agreement that it is obligated to perform at or prior to Closing, on or prior to the dates such performance is required hereby; (2) Seller's representations and warranties identified in this Agreement shall be true and correct; (3) there shall have been no change in the condition of the Property or the status of title to the Property, other than as specifically permitted by this Agreement. The foregoing conditions precedent are for the exclusive benefit of County and may be unilaterally waived by the County.

10. **CLOSING.** The parties agree that the Closing upon the Property shall be consummated as follows:

10.1 **Place of Closing.** The Closing shall be held at the Property and Real Estate Management Division office, 2633 Vista Parkway, West Palm Beach, Florida.

10.2 **Closing Date.** The Closing shall take place within fifteen (15) days after expiration of the Inspection Period, or at such earlier date as is mutually agreed upon by the parties.

10.3 **Closing Documents.** County shall be responsible for preparation of all closing documents. County shall submit copies of same to Seller no less than ten (10) days before Closing. At Closing, Seller shall deliver, or cause to be delivered to County, the following documents, each fully executed and acknowledged as required.

10.3.1 **Statutory Warranty Deed.** A Statutory Warranty Deed conveying good and marketable fee simple title to the Property, subject only to the Permitted Exceptions.

10.3.2 **Seller's Disclosure of Beneficial Interests.** A Seller's Disclosure of Beneficial Interests as required by Section 286.23, Florida Statutes, which accurately discloses the name and address of any person or entity having a 5% or greater beneficial interest in the ownership of the Property as of the date of Closing. The foregoing shall be in addition to any Disclosure or notice of change thereto previously provided to County, and in the same form as previously provided to County. In the event Seller is an individual, Seller is exempt from this provision.

10.3.3 **Affidavit of Seller.** A Seller's Affidavit stating that the Property is free and clear of all encumbrances, mortgages, liens, leases, licenses, contracts or claim of rights in a form sufficient to permit the title insurer to delete the "Gap" and "Standard Exceptions" from the title insurance policy and insure County's title to the Property in accordance with Section 6 of this Agreement, subject only to the Permitted Exceptions.

10.3.4 **Non-Foreign Affidavit.** Seller represents and warrants to County that Seller is not a "foreign person" as defined by the Federal Foreign Investment in Real Property Tax Act (the "Act"). At Closing, the Seller shall execute and deliver to County a "Non-Foreign Affidavit", as required by the Act. Seller acknowledges that in the event Seller fails to deliver the Non-Foreign Affidavit, County shall be authorized to withhold from the closing proceeds an amount equal to ten percent (10%) of the gross amount of the purchase price and to remit same to the Internal Revenue Service, as required by the Act.

10.3.5 **Closing Statement.** A Closing Statement prepared in accordance with the terms hereof.

10.3.6 **Additional Documents.** Seller shall also deliver and/or execute such other instruments as are necessary or reasonably required to consummate the transactions herein contemplated including, without limitation, if applicable, such documents as County or the title company may require evidencing Seller's existence, good standing, power and authority to enter into and consummate the transaction herein contemplated.

10.4 **Possession.** At Closing, Seller shall deliver full, complete, and exclusive possession of the Property to the County.

6. **EVIDENCE OF TITLE.**

6.1 Within thirty (30) days after the Effective Date of this Agreement, the County shall obtain an owner's title insurance commitment, together with legible copies of all exceptions to coverage reflected therein, issued by Southeast Guaranty and Title, Inc. agreeing to issue to the County upon the recording of the Statutory Warranty Deed to the Real Property, an owner's title insurance policy in the amount of the Purchase Price, insuring the marketability of the fee title of the County to the Real Property, subject only to the Permitted Exceptions. The cost of said title insurance commitment and title insurance policy and any premium therefor shall be borne by County.

The County shall have until the later of ten (10) days after receipt of the title insurance commitment, or the end of the Inspection Period, whichever is later, in which to review same. In the event the title insurance commitment shall show as an exception any matter other than the Permitted Exceptions, County shall notify Seller of County's objection thereto, and Seller shall act with reasonable effort, including bringing suit, to remove such exception(s), which exception(s) shall be deemed to constitute title defects. The Seller shall be entitled to ninety (90) days from the date of notification by County (with adjournment of the Closing Date, if necessary) within which to cure such defects or to make arrangements with the title insurer for deletion of any such title defects from the title insurance commitment without the inclusion of any additional exceptions to coverage. Notwithstanding the foregoing, Seller shall have the option of discharging any such matters at Closing with the closing proceeds. If the defect(s) shall not have been so cured or removed from the title insurance commitment by endorsement thereto at the termination of the said ninety (90) day period, County shall have the option of: (a) accepting title to the Property as it then exists; or (b) terminating this Agreement, by giving written notice thereof to Seller, provided, however, County shall not thereby waive any rights or remedies available to County due to such default by Seller, including an action for damages.

6.2 County may request, prior to the Closing, an endorsement of the title insurance commitment making it effective to within fifteen (15) days of the Closing Date. At Closing, County shall cause the title insurance commitment to be endorsed to remove, without the inclusion of any additional exceptions to coverage, any and all requirements or preconditions to the issuance of an owner's title insurance policy, and to delete any exceptions for: (a) any rights or claims of parties in possession not shown by the public records; (b) encroachments, overlaps, boundary line disputes and any other matters which would be disclosed by an accurate survey and inspection of the Property (provided County obtains a survey in accordance with Section 7 hereof); (c) easements or claims of easement not shown by the public records (provided County obtains a survey in accordance with Section 7 hereof); (d) any lien, or right to a lien, for services, labor or material heretofore or hereinafter furnished, imposed by law and not shown by the public records; (e) taxes for the year of Closing and all prior years, and taxes or special assessments which are not shown as existing liens by the public records; (f) matters arising or attaching subsequent to the effective date of the title insurance commitment but before the acquisition of record of title to the Property by the County; and (g) any general or specific title exceptions other than the Permitted Exceptions.

6.3 From and after the Effective Date of this Agreement, Seller shall take no action which would impair or otherwise affect title to any portion of the Property, and shall record no documents in the Public Records which would affect title to the Real Property, without the prior written consent of the County.

7. **SURVEY.** County shall have the right, within the time period provided in Section 6 for delivery and examination of title, to obtain a current survey of the Real Property and all improvements thereon. If the survey reveals any encroachments, overlaps, boundary disputes, or other defects, or any matters other than the Permitted Exceptions, the same shall be treated as title defects as described in Section 6 of this Agreement, and County shall have the same rights and remedies as set forth therein.

8. **MAINTENANCE.** Between the Effective Date and Closing, Seller shall maintain the Property in the condition in which it existed as of the Effective Date. Notwithstanding the foregoing, Seller shall deliver the Property at Closing free of any trash, refuse or other debris, and in full compliance with all governmental regulations. Seller shall bear the risk of any loss, damage or casualty to the Property prior to Closing. County shall have access to the Property at any reasonable time prior to Closing to verify Seller's compliance herewith.

9. **CONDITION PRECEDENT TO CLOSING.** The following are conditions precedent to County's obligation to close upon its purchase of the Property: (1) Seller shall have performed all of the covenants and obligations under this Agreement that it is obligated to perform at or prior to Closing, on or prior to the dates such performance is required hereby; (2) Seller's representations and warranties identified in this Agreement shall be true and correct; (3) there shall have been no change in the condition of the Property or the status of title to the Property, other than as specifically permitted by this Agreement. The foregoing conditions precedent are for the exclusive benefit of County and may be unilaterally waived by the County.

10. **CLOSING.** The parties agree that the Closing upon the Property shall be consummated as follows:

10.1 **Place of Closing.** The Closing shall be held at the Property and Real Estate Management Division office, 2633 Vista Parkway, West Palm Beach, Florida.

10.2 **Closing Date.** The Closing shall take place within fifteen (15) days after expiration of the Inspection Period, or at such earlier date as is mutually agreed upon by the parties.

10.3 **Closing Documents.** County shall be responsible for preparation of all closing documents. County shall submit copies of same to Seller no less than ten (10) days before Closing. At Closing, Seller shall deliver, or cause to be delivered to County, the following documents, each fully executed and acknowledged as required.

10.3.1 **Statutory Warranty Deed.** A Statutory Warranty Deed conveying good and marketable fee simple title to the Property, subject only to the Permitted Exceptions.

10.3.2 **Seller's Disclosure of Beneficial Interests.** A Seller's Disclosure of Beneficial Interests as required by Section 286.23, Florida Statutes, which accurately discloses the name and address of any person or entity having a 5% or greater beneficial interest in the ownership of the Property as of the date of Closing. The foregoing shall be in addition to any Disclosure or notice of change thereto previously provided to County, and in the same form as previously provided to County. In the event Seller is an individual, Seller is exempt from this provision.

10.3.3 **Affidavit of Seller.** A Seller's Affidavit stating that the Property is free and clear of all encumbrances, mortgages, liens, leases, licenses, contracts or claim of rights in a form sufficient to permit the title insurer to delete the "Gap" and "Standard Exceptions" from the title insurance policy and insure County's title to the Property in accordance with Section 6 of this Agreement, subject only to the Permitted Exceptions.

10.3.4 **Non-Foreign Affidavit.** Seller represents and warrants to County that Seller is not a "foreign person" as defined by the Federal Foreign Investment in Real Property Tax Act (the "Act"). At Closing, the Seller shall execute and deliver to County a "Non-Foreign Affidavit", as required by the Act. Seller acknowledges that in the event Seller fails to deliver the Non-Foreign Affidavit, County shall be authorized to withhold from the closing proceeds an amount equal to ten percent (10%) of the gross amount of the purchase price and to remit same to the Internal Revenue Service, as required by the Act.

10.3.5 **Closing Statement.** A Closing Statement prepared in accordance with the terms hereof.

10.3.6 **Additional Documents.** Seller shall also deliver and/or execute such other instruments as are necessary or reasonably required to consummate the transactions herein contemplated including, without limitation, if applicable, such documents as County or the title company may require evidencing Seller's existence, good standing, power and authority to enter into and consummate the transaction herein contemplated.

10.4 **Possession.** At Closing, Seller shall deliver full, complete, and exclusive possession of the Property to the County.

10.5 **County's Obligations.** At Closing, County shall deliver, or cause to be delivered, to Seller the following:

10.5.1 **Cash due at Closing.** The required payment due in Current Funds as provided elsewhere herein.

11. **EXPENSES.**

11.1 County shall pay the following expenses at Closing.

11.1.1 The cost of recording the deed of conveyance.

11.1.2 All costs and premiums for the owner's title insurance commitment and policy.

11.2 Seller shall pay the following expenses at Closing:

11.2.1 Documentary Stamps required to be affixed to the deed of conveyance.

11.2.2 All costs necessary to cure title defect(s) or encumbrances, other than the Permitted Exceptions, and to satisfy or release of record all existing mortgages and liens upon the Property.

11.3 The Seller and County shall each pay their own attorney's fees.

12. **PRORATIONS.**

12.1 **Taxes.** On or before the Closing Date, Seller shall establish an escrow fund with the County Tax Collector pursuant to Florida Statutes Section 196.295, and shall pay into said escrow Seller's prorata portion of ad valorem and non-ad valorem real property taxes and assessments for the year of Closing and any prior years as determined by the Tax Collector. Seller's prorata share of all taxes and assessments shall include the day of Closing.

12.2 **Assessments.** If as of the Closing Date, assessments or charges have been imposed against the Property or any part thereof which are, or which may become payable in annual installments, the first installment of which is then a charge or lien, or has been paid, then for the purposes of this Agreement, all of the unpaid installments of any such assessments, including those which become due and payable after the Closing Date, shall be deemed to be due and payable and to be a lien upon the premises affected thereby, and shall be paid and discharged by the Seller on or before the Closing Date. Any other assessments not deemed to be due and payable as aforesaid which burden County owned property shall be deemed to be payable on a calendar year basis in arrears and prorated accordingly.

13. **CONDEMNATION.** In the event that all or any part of the Property shall be acquired or condemned for any public or quasi-public use or purpose, or if any acquisition or condemnation proceedings shall be threatened or begun prior to the Closing of this transaction, County shall have the option to either terminate this Agreement and the obligations of all parties hereunder shall cease, or to proceed, subject to all other terms, covenants, conditions, representations, and warranties of this Agreement to Closing, receiving, however, any and all damages, awards, or other compensation arising from or attributable to such acquisition or condemnation proceedings. County shall have the right to participate in any such proceedings.

14. **REAL ESTATE BROKER.** Seller represents and warrants to County that it has not dealt with any broker, salesman, agent, or finder in connection with this transaction and agrees to indemnify, defend, save, and hold County harmless from the claims and demands of any real estate broker, salesman, agent or finder claiming to have dealt with Seller. All indemnities provided for in this Section shall include, without limitation, the payment of all costs, expenses and attorney's fees incurred or expended in defense of such claims or demands. The terms of this Section shall survive the Closing or termination of this Agreement.

15. **NOTICES.** All notices and elections (collectively, "notices") to be given or delivered by or to any party hereunder shall be in writing and shall be (as elected by the party giving such notice) hand delivered by messenger, courier service, or national overnight delivery service, telecopied or faxed, or alternatively shall be sent by United States Certified Mail, with Return-Receipt Requested. **REPORT ON LACK OF DEVELOPMENT POTENTIAL OF
PALM BEACH HEIGHTS PARCELS -
APRIL 2017**

Purpose:

The purpose of this report is to notify and help educate land owners and other interested parties regarding the lack of development potential (also known as "buildability") of parcels within the Palm Beach Heights portion of Palm Beach County (Palm Beach Heights; Attachment).

Lack of Development Potential:

As of April 2017 most of the parcels in Palm Beach Heights could not meet current land development regulations and therefore are not buildable. The eight parcels along the Beeline Highway and Indiantown Road described below may be an exception due to their direct access to an existing road and the timing of their original deeds. However, a number of significant regulatory hurdles must be overcome for those parcels to be considered buildable.

Factors Affecting Development Potential:

There are 434 individually-deeded parcels within this approximate 716-acre area. In order for parcels to be buildable they must have been created by legal subdivision, meet the density requirements of the Comprehensive Plan and meet the regulations in the Unified Land Development Code (ULDC) or qualify under the Potentially Buildable Lot Review. They also must have an approved drainage plan before they can be issued a permit for the operation of a septic system, and receive a wetland fill permit from the South Florida Water Management District (SFWMD) and the Army Corps of Engineers (ACOE) prior to impacting any existing wetlands.

Only 26 of the 434 parcels were deeded into separate ownership before February 5, 1973 and are considered "grandfathered" with respect to the subdivision rule requirements for a legal subdivision. Unlike some of the Jupiter Farms areas, the owners of the Palm Beach Heights area failed to apply for and obtain an Affidavit of Exemption which could have exempted the Palm Beach Heights area from the subdivision rule. As a result, all other Palm Beach Heights parcels are considered an illegal subdivision. Of the 26 grandfathered parcels, two were owned by the same entity on February 5, 1973 and were grandfathered only as a single, combined parcel. Two of the 26 grandfathered parcels are now owned by Palm Beach County. None of the grandfathered parcels can meet the ULDC requirement of having useable access from an existing road, in this case, to either the Beeline Highway or Indiantown Road. While some road easements exist, they are principally over submerged lands and are considered unusable.

Eight parcels along the Beeline Highway and Indiantown Road, which were originally deeded between February 5, 1973 and June 16, 1992, may be able to meet the requirements listed under Zoning's Potentially Buildable Lot Review. However, unless they get an approved drainage plan from the SFWMD and/or the PBC Engineering Department, in addition to the necessary wetland

permits, these eight parcels also would be unbuildable. None of these parcels have received drainage approval from the Land Development Division. As a result, they may not be able to receive approval for septic tank usage based on the Florida Department of Health's criteria. The likelihood of receiving SFWMD or ACOE permits for wetland fill is considered remote and building in wetland areas without such permits would be in violation of federal and state rules and regulations.
