B. Recommended Sources of Funds/Summary of Fiscal Impact:

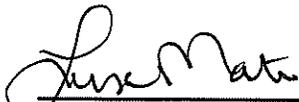

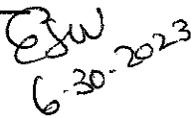

All costs are paid from airport revenues; no ad valorem dollars are used.

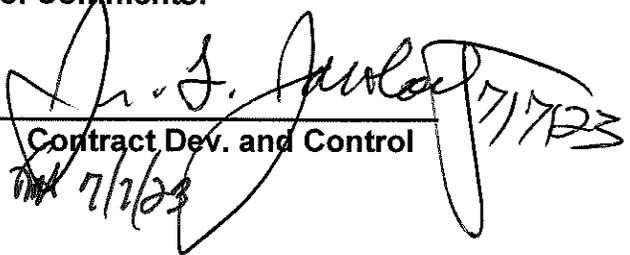

The amount listed above for FY2024 is approximately 10% higher than the current FY2023 annual operating budget of \$2,275,522 for operation of the airport parking facilities at PBI. The difference is mostly related to the management fee under the new agreement as well as anticipated higher wage and benefit costs. Successive years are illustrated as increasing by approximately 3% annually. Operating costs shown above include estimated reimbursable expenses paid based on approved documented costs; also included are management fees pursuant to the proposal response. The RFP established increased wage and benefit requirements for cashiers and drivers to better attract and retain employees who will provide improved customer service to travelers. The budget transfer (being processed in the 1st Public Hearing) is to increase the original FY2024 budget submission to realign with the approximation shown above.

- A. Operator agrees that the ACDBE participation in this Agreement shall be at least equal to Thirteen and Four/Tenths percent (13.4%) of Operator's total purchases of goods and services hereunder, or Operator shall clearly demonstrate to the Department its good faith efforts to achieve the ACDBE goal. "Good faith efforts" are those efforts that could reasonably be expected to result in ACDBE participation. Operator shall actively seek to obtain ACDBE participation in this Agreement and shall document those efforts. Efforts that are merely "pro forma" are not considered good faith efforts in meeting the ACDBE goal. In determining whether or not Operator has made such good faith efforts, Department will refer to the description of good faith efforts as provided in 49 CFR Parts 23 and 26.
 - B. For the purpose of verifying Operator's good faith efforts, Operator shall keep and maintain such books of account and records as necessary to document compliance with 49 CFR Part 23, as now or hereafter amended or any successor regulation, and

this Section. County and its representatives shall have the right to inspect and audit such books of account and records upon reasonable notice to Operator at a location convenient for County and its representatives.

- C. Operator shall not terminate an ACDBE firm without the Department's prior written consent. Operator may only terminate an ACDBE firm for good cause. Prior to submitting a request to terminate an ACDBE firm to the Department, Operator shall give written notice to the ACDBE firm, with a copy to the Department, of its intent to terminate and the reason(s) for the termination. Operator shall give the ACDBE firm five (5) days to respond to Operator and the Department with the reasons, if any, why the ACDBE firm objects to the proposed termination and why the Department should not consent to the proposed termination.
- D. Operator shall provide written quarterly reports on or before the 20th of each reporting month (January, April, July and October of each Contact Year) to the Department, in a form and detail satisfactory to the Department, as to the participation of ACDBE's in this Agreement. The quarterly reports shall include certification of receipt payment from the ACDBE firms participating in this Agreement, in a form and detail satisfactory to the Department. In the event the ACDBE participation level drops below the established ACDBE participation goal, Operator shall take immediate corrective measures to ensure that the DBE participation is increased to the established ACDBE participation goal. Operator shall document its good faith efforts to achieve the ACDBE participation goal and provide written reports to the Department documenting such good faith efforts.
- E. Operator shall provide the Department with copies of all subcontracts and agreements with ACDBE firms providing goods or services under this Agreement upon request.

ARTICLE 22 - COUNTY NOT LIABLE

County shall not be responsible or liable to Operator for any claims for compensation or any losses, damages or injury sustained by Operator resulting from failure of any water supply, heat, air conditioning, electrical current, or sewerage or drainage facility, or caused by natural physical conditions of the Airport, whether on the surface of underground, including stability, moving, shifting, settlement of ground, or displacement of materials by fire, water, windstorm, hurricane, tornado, act of God, state of war, civilian commotion or riot, or any cause beyond the control of County. All personal property placed on or moved on to the Airport Parking Facilities or Assigned Premises in accordance with the requirements of this Agreement shall be at the sole risk of Operator. Further, County shall not be responsible or liable to Operator for any claims for compensation or any losses, damages or injury sustained by Operator resulting from (a) cessation for any reason of air carrier operations at the Airport, or (b) diversion of passenger traffic to any other facility.

ARTICLE 23 - MISCELLANEOUS

- 23.01 Authorized Uses. Notwithstanding anything to the contrary herein, Operator shall not use or permit the use of the Airport Parking Facilities, Assigned Premises or any other area of the Airport for any illegal or improper purpose or for any purpose which would invalidate any policies of insurance, now existing or hereafter written on the Airport Parking Facilities, Assigned Premises or the Airport for County or Operator.
- 23.02 Non-waiver. The failure of County to insist on a strict performance of any of the agreements, terms, covenants and conditions hereof shall not be deemed waiver of any rights or remedies that County may have for any subsequent breach, default, or non-performance, and County's right to insist on strict performance of this Agreement shall not be affected by any previous waiver or course of dealing.
- 23.03 Subordination to Bond Resolution. This Agreement and all rights granted to Operator hereunder are expressly subordinated and subject to the lien and provisions of the pledge, transfer, hypothecation or assignment made by County in the Bond Resolution, and County and Operator agree that to the extent permitted by authorizing legislation, the holders of the Bonds or their designated representatives shall exercise any and all rights of County hereunder to the extent such exercise is necessary to ensure compliance by Operator and County with the terms and provisions of this Agreement and Bond Resolution.
- 23.04 Subordination to Governmental Agreements. This Agreement shall be subject and subordinate to all the terms and conditions of any instrument or document under which County acquired the land or improvements thereon, of which the Airport Parking Facilities are a part, and shall be given only such effect as will not conflict with nor be inconsistent with such terms and conditions. Operator understands and agrees that this Agreement shall be subordinate to the provisions of any existing or future agreement between County and the United States of America or State of Florida, or any of their agencies, relative to the operation or maintenance of the Airports, the execution of which has been or may be required as a condition precedent to the expenditure of state or federal funds for the development of the Airports.
- 23.05 Governmental Authority. Nothing in this Agreement shall be construed to waive or limit County's governmental authority as a political subdivision of the State of Florida to regulate Operator or its operations. All rights not specifically granted to Operator by this Agreement are reserved to County.
- 23.06 Invalidity of Clauses. The invalidity of any portion, article, paragraph, provision, clause or any portion thereof of this Agreement shall have no effect upon the validity of any other part or portion hereof.
- 23.07 Venue. To the extent allowed by law, the venue for any action arising from this Agreement shall be in Palm Beach County, Florida.
- 23.08 Governing Law. This Agreement shall be governed by and in accordance with the laws of the State of Florida.

23.09 Inspections. The authorized employees and representatives of County and any applicable Federal, State, and local governmental entity having jurisdiction hereof shall have the right of access to the Airport Parking Facilities at any time for the purposes of inspection for compliance with the provisions of this Agreement.

23.10 Notices. All notices and elections (collectively, “notices”) to be given or delivered by or to any party hereunder, shall be in writing and shall be (as elected by the party giving such notice) hand delivered by messenger, courier service or overnight mail, telecopied or faxed (provided in each case a receipt is obtained), or alternatively shall be sent by United States Certified Mail, with Return Receipt Requested. The effective date of any notice shall be the date of delivery of the notice if by personal delivery, courier services or overnight mail, or on the date of transmission with confirmed answer back if by telecopier or fax if transmitted before 5:00 p.m. (EST or EDT, whichever is in use) on a business day and on the next business day if transmitted after 5:00 p.m. (EST or EDT, whichever is in use) or on a non-business day, or if mailed, upon the date which the return receipt is signed or delivery is refused or the notice designated by the postal authorities as non-deliverable, as the case may be. The parties hereby designated the following addresses as the addresses to which notices may be delivered, and delivery to such addresses shall constitute binding notice given to such party:

- 23.11 Consent or Action. In the event this Agreement is silent as to the standard for any consent, approval, determination, or similar discretionary action, the standard shall be at the sole, absolute and unfettered discretion of County or Department, rather than any implied standard of good faith, fairness or reasonableness. Wherever this Agreement requires County or Department's consent or approval or permits County or Department to act, such consent, approval or action may be given or performed by the Airport Director or designee. Any designee must be designated in writing by the Airport Director. Wherever this Agreement requires the delivery by Operator of a report, audit or other documentation by a specific deadline, the Department may extend such deadline for reasons beyond the reasonable control of Operator or other good cause as reasonably determined by the Department in its sole and absolute discretion.
- 23.12 Paragraph Headings. The headings of the various articles and sections of this Agreement, and its Table of Contents, are for convenience and ease of reference only, and shall not be construed to define, limit, augment or describe the scope, context or intent of this Agreement or any part or parts of this Agreement.
- 23.13 Binding Effect. The terms, conditions and covenants of this Agreement shall inure to the benefit of and be binding upon the parties hereto and their permitted successors, assigns, and subcontractors, if any. This provision shall not constitute a waiver of any conditions against assignment, subletting or subcontracting.
- 23.14 Performance. The parties expressly agree that time is of the essence in this Agreement and the failure by Operator to complete performance within the time specified, or within a reasonable time if no time is specified herein, shall, at the option of County without liability, in addition to any other rights or remedies, relieve County of any obligation to accept such performance.
- 23.15 Non-Exclusivity of Remedies. No remedy herein conferred upon any party is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or inequity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.
- 23.16 Construction. Thus, the terms of this Agreement shall not be strictly construed against one party as opposed to the other party based upon who drafted it. In the event that any section, paragraph, sentence, clause, or provision hereof, shall be held by a court of competent jurisdiction to be invalid, such shall not affect the remaining portions of this Agreement and the same shall remain in full force and effect.
- 23.17 Incorporation by References. All terms, conditions and specifications of the RFP; Operator's Proposal; and all exhibits attached hereto and referenced herein shall be deemed to be incorporated in this Agreement by reference.
- 23.18 Conflict. In the event of any conflict and for the purpose of resolving any disputes which may arise regarding this Agreement, the RFP and/or Operator's Proposal, as referenced above, the order-of-precedence shall be (i) this Agreement; (ii) the RFP; and (iii) Operator's Proposal.

- 23.19 Entire Agreement. The parties agree that this Agreement sets forth the entire agreement between the parties, and there are no promises or understandings other than those stated herein. None of the provisions, terms and conditions contained in this Agreement may be added to, modified, superseded or otherwise altered except by written instrument executed by the parties hereto.
- 23.20 Annual Appropriation. This Agreement and all obligations of County hereunder are subject to and contingent upon annual budgetary funding and appropriations by the Palm Beach County Board of County Commissioners.
- 23.21 Inspector General. Palm Beach County has established the Office of the Inspector General in Palm Beach County Code, Section 2-421 - 2-440, as may be amended. The Inspector General's authority includes but is not limited to the power to review past, present and proposed County contracts, transactions, accounts and records, to require the production of records, and to audit, investigate, monitor, and inspect the activities of Operator, its officers, agents, employees and lobbyists in order to ensure compliance with contract requirements and detect corruption and fraud. Failure to cooperate with the Inspector General or interfering with or impeding any investigation shall be in violation of Palm Beach County Code, Section 2-421 - 2-440, and punished pursuant to Section 125.69, Florida Statutes, in the same manner as a second degree misdemeanor.
- 23.22 Public Entity Crimes. As provided in Section 287.132-133, Florida Statutes by entering into this Agreement or performing any work in furtherance hereof, Operator certifies that it, its affiliates, suppliers, subcontractors and consultants who will perform hereunder, have not been placed on the convicted vendor list maintained by the State of Florida Department of Management Services within the thirty-six (36) months immediately preceding the Effective Date. This notice is required by Section 287-133(3) (a), Florida Statutes.

Pursuant to Section 287.135(3)(b), F.S., if Operator is found to have been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel, this Agreement may be terminated at the option of the County. When contract value is greater than \$1 million, as provided in Section 287.135, F.S., by entering into this Agreement or performing any work in furtherance hereof, the Operator certifies that it, its affiliates, suppliers, subcontractors and consultants who will perform hereunder, have not been placed on the Scrutinized Companies With Activities in Sudan List or Scrutinized Companies With Activities in The Iran Petroleum Energy Sector List created pursuant to Section 215.473, F.S., or is engaged in business operations in Cuba or Syria. If the County determines, using credible information available to the public, that a false certification has been submitted by Operator, this Agreement may be terminated and a civil penalty equal to the greater of \$2 million or twice the amount of this Agreement shall be imposed, pursuant to Section 287.135, F.S. Said certification must also be submitted at the time of Agreement renewal, if applicable.

- 23.24 No Third Party Beneficiaries. No provision of this Agreement is intended to, or shall be construed to, create any third party beneficiary or to provide any rights to any person or entity not a party to this Agreement, including but not limited to any citizen or employees of County and/or Operator.
- 23.25 Public Records. Operator shall comply with the Public Records Provisions set forth in Exhibit “B”, attached hereto and made a part hereof (the “Public Records Provisions”).
- 23.26 E-Verify Employment Eligibility. Operator warrants and represents that it is in compliance with section 448.095, Florida Statutes, as may be amended, and that it: (1) is registered with the E-Verify System (E-Verify.gov), and uses the E-Verify System to electronically verify the employment eligibility of all newly hired workers; and (2) has verified that all of Operator’s subcontractors performing the duties and obligations of this Agreement are registered with the E-Verify System, and use the E-Verify System to electronically verify the employment eligibility of all newly hired workers.

Operator shall obtain from each of its subcontractors an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an Unauthorized Alien, as that term is defined in section 448.095(1)(k), Florida Statutes, as may be amended. Operator shall maintain a copy of any such affidavit from a sub for, at a minimum, the duration of the subcontract and any extension thereof. This provision shall not supersede any provision of this Agreement which requires a longer retention period.

County shall terminate this Agreement if it has a good faith belief that Operator has knowingly violated Section 448.09(1), Florida Statutes, as may be amended. If County has a good faith belief that Operator’s subcontractor has knowingly violated section 448.09(1), Florida Statutes, as may be amended, County shall notify Operator to terminate its contract with the subcontractor and Operator shall immediately terminate its contract with the subcontractor. If County terminates this Agreement pursuant to the above, Operator shall be barred from being awarded a future contract by County for a period of one (1) year from the date on which this Agreement was terminated. In the event of such contract termination, Operator shall also be liable for any additional costs incurred by County as a result of the termination.

- 23.27 Survival. Notwithstanding any early termination of this Agreement, Operator shall remain obligated hereunder to perform any duty, covenant or obligation imposed upon Operator hereunder arising prior to the date of such termination.

A. Title VI Clauses for Compliance with Nondiscrimination Requirements.

During the performance of this Agreement, Operator, for itself, its assignees, and successors in interest, agrees as follows:

1. **Compliance with Regulations:** Operator will comply with the Title VI List of Pertinent Nondiscrimination Acts and Authorities ("Nondiscrimination Acts and Authorities" as set forth in paragraph B below), as they may be amended from time to time, which are herein incorporated by reference and made a part of this Agreement.
2. **Nondiscrimination:** Operator, with regard to the work performed by it during this Agreement, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. Operator will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when this Agreement covers any activity, project, or program set forth in Appendix B of 49 CFR part 21.
3. **Solicitations for Subcontracts, including Procurements of Materials and Equipment:** In all solicitations, either by competitive bidding or negotiation made by Operator for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by Operator of Operator's obligations under this Agreement and the Nondiscrimination Acts and Authorities on the grounds of race, color, or national origin.
4. **Information and Reports:** Operator will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, Operator will so certify to the sponsor or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.
5. **Sanctions for Noncompliance:** In the event of a contractor's noncompliance with the non-discrimination provisions of this Agreement, County will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:
 - a. Withholding payments to Operator under this Agreement until Operator complies; and/or
 - b. Cancelling, terminating, or suspending a contract, in whole or in part.
6. **Incorporation of Provisions:** Operator will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations, and directives issued pursuant thereto. Operator will take action with respect to any subcontract or procurement as the sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if Operator becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, Operator may request the sponsor to

enter into any litigation to protect the interests of the sponsor. In addition, Operator may request the United States to enter into the litigation to protect the interests of the United States.
