I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: an annual contract with the following contractor for demolition services on an as-needed basis through April 3, 2028.

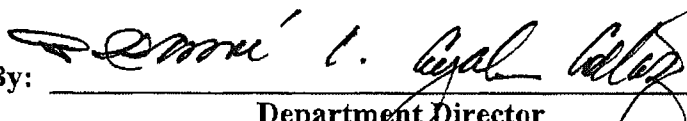

<u>Contractor</u>	<u>Status</u>	<u>SBE or Non-SBE</u>
"2" S. B. W. & Associates Inc.	Local	S/MBE

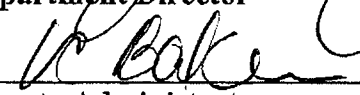

Summary: On April 4, 2023, the Board of County Commissioners (Board) approved the annual demolition contract (R2023-0414 through R2023-0415). The work consists of demolition services to County-owned properties on an as needed basis. The Contractor now joins the list of four (4) prequalified contractors for a total of five (5) prequalified contractors with a contract expiration date of April 3, 2028. The specific requirements of the work will be determined by individual work orders issued against this annual demolition contract. These contracts are five (5) year indefinite-quantity contracts with a maximum cumulative value of \$1,000,000 across all prequalified contractors. Work will be awarded as work orders on a lump-sum, competitively bid basis across all prequalified contractors. Contractors may qualify at any time and be added to this annual demolition contract before the term ends. Projects \$100,000 or greater are advertised on the vendor self-service (VSS) website and are bid among the pool of certified Small Business Enterprise (SBE) contractors, when three (3) or more small businesses are qualified under the contract. Projects \$200,000 or greater are advertised on the VSS website and additionally advertised in the newspaper, further expanding the bidding pool to include additional bidders responding to the specific project advertisement that submit a qualification application at least ten (10) calendar days before the bid due date. The annual demolition contract was presented to the Goal Setting Committee on December 7, 2022 and the Committee established Affirmative Procurement Initiatives (APIs) of sheltered market for projects less than \$100,000 (when three (3) or more small businesses are qualified under the annual contract) or an SBE contractor will be given a price preference for projects \$100,000 or greater if its bid is within 10% of the lowest non-small business bid. Actual Small/Minority/Women Owned Business Enterprise (S/M/WBE) participation will be identified on each work order, and will be tracked cumulatively for all work orders issued. To date, the cumulative S/M/WBE participation for all work orders under the annual demolition contract is 14.97% (Capital Improvements) Countywide (MWJ)

Background and Justification: The pre-qualification for this contract was advertised on December 18, 2022. The Contractor has met the established criteria and now joins the list of four (4) contractors already pre-qualified for the contract. Work will be awarded as work orders on a lump-sum, competitively bid basis across all prequalified contractors. Projects \$100,000 or greater are advertised on the VSS website and are bid among the pool of certified SBE contractors, when three (3) or more small businesses are qualified under the contract. Projects \$200,000 or greater are advertised on the VSS website and additionally advertised in the newspaper, further expanding the bidding pool to include additional bidders responding to the specific project advertisement that submit a qualification application at least ten (10) calendar days before the bid due date. Contractors may qualify at any time and be added to this annual demolition contract before the term ends.
