I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to:

A) ratify the signature of the Mayor on the U.S. Department of Housing and Urban Development (HUD) FY 2022 Community Project Funding/Congressional Directed Spending (CPF/CDS) Grant Application for Federal Assistance SF-424, in the amount of \$1,000,000, as granted by Congresswoman Lois Frankel, for medical respite services for homeless residents who are in need of further medical care;

B) ratify the signature of the Mayor on the HUD FY 2022 CPF/CDS Grant Agreement No. B-22-CP-FL-0253, for the period October 17, 2023 through August 31, 2030, in the amount of \$1,000,000, as granted by Congresswoman Lois Frankel, for medical respite services for homeless residents who are in need of further medical care;

C) approve a Budget Transfer in the amount of \$451,828 from the Emergency Rental Assistance Fund to the Capital Outlay Fund; and

D) approve a Budget Amendment in the amount of \$1,451,828 in the Capital Outlay Fund to recognize the grant award, the transfer from the Emergency Rental Assistance Fund, and appropriate it to the project.

Summary: The Consolidated Appropriations Act, 2022, (P.L. 117-103) made available grants for purposes of CPF/CDS. The CPF/CDS awards are administered by HUD. On March 14, 2023, the Board of County Commissioners (BCC) approved the HUD FY 2022 CPF/CDS Application. On July 31, 2023, the Community Services Department (CSD) was notified of the award letter and request for signatures. The HUD award of \$1,000,000 will be used for the rehabilitation and reconfiguration of the Lewis Center Health Clinic (Lewis Center). The total cost of the project is \$1,451,828. The remaining \$451,828 will be funded from interest earned from the Emergency Rental Assistance Program. Medical respite care is acute and post-acute medical care for people experiencing homelessness or HIV/AIDS, who are too ill, or frail to recover from a physical illness, or injury on the streets, but not ill enough to be in a hospital. The program closes the gap between hospitals and homeless shelters/housing facilities that do not have the capacity to provide medical support services to the frail or recovering. The Division of Human Services and Community Action Program will receive the funds as the Lead Entity for the Palm Beach County Homeless Continuum of Care pursuant to 420.624 (6), F.S. Catalog of Federal Domestic Assistance (CFDA) #14.251. No County match required. (Human Services and Community Action Program) Countywide (HH)

Background and Justification: Discharges from hospitals to homelessness continue to rise throughout Palm Beach County and often result in remittance to area hospitals and/or frequent uses of the emergency medical services. Palm Beach County area shelters for the homeless are not able to accept medically involved clients or clients that are seeking medical respite. The need for a designated medical respite facility in our community has never been higher as the homeless providers struggle to find safe placement for persons who are injured or have physical illnesses who are residing on the streets of Palm Beach County.

Mr. Todd Bonlarron
Authorized Representative
Palm Beach County
301 N. Olive Avenue, Suite 1101.4
West Palm Beach, FL 33401
Email: tbonlarr@pbcgov.org

Dear Mr. Bonlarron:

This letter provides important updates concerning your FY2022 Community Project Funding (CPF) award. The recently enacted Consolidated Appropriations Act, 2023, (P.L. 117-328)¹ (the FY2023 Act) includes changes for Fiscal Year 2022 CPF grants initially authorized in the Consolidated Appropriations Act, 2022 (P.L. 117-103) (the FY2022 Act). Additionally, HUD has taken action and determined that all of its FY2022 CPF grants will not be subject to the Build America, Buy America (BABA) provisions.

To account for these changes and clarify the applicable requirements for your grant, HUD has revised its FY2022 CPF Grant Agreement and prepared a new "FY2022 Community Project Funding Grant Guide: Version 2.0" to replace the former grant guide.

This letter provides a brief overview of the changes and the process that FY2022 Community Project Funding grantees should take to fill out and sign the "Revised FY2022 CPF Grant Agreement". As a clarification, this letter applies only to your FY2022 CPF grant. If you have also been designated to receive a FY2023 CPF grant, HUD will provide a separate correspondence regarding that grant.

The FY2023 Act includes the following changes for FY2022 CPF grants:

- 1) Clarifies that eligible expenses include administrative, planning, operations, and maintenance costs;
- 2) Authorizes the grant funds to be used for reimbursement of otherwise eligible expenses incurred on or after the date of enactment of the FY 2022 Act, and prior to the date of grant execution, some exceptions may apply in accordance with 2 CFR 200.305.
- 3) Expenditures for planning and management development and administration are no longer capped at 20 percent of the grant amount.

¹ The FY2023 Act language related to Congressionally-directed Economic Development Initiative/Community Project Funding is on pages 696-697: [www.federalregister.gov/documents/2023/03/07/2023-04611a-117-328-act-2023-03-07](#)

In addition to this letter, we are providing an updated “Grant Award Package” that includes:

- 1) The updated “FY2022 Community Project Funding Grant Guide” (FY22 CPF Grant Guide: Version 2.0) which provides:
 - a. Information on the appropriations-specific and cross-cutting Federal requirements that govern these funds.
 - i. Award instructions that provide guidance for various grant administration-related actions. Please refer to this document as it includes important information and forms for accessing the Disaster Recovery Grant Reporting (DRGR) system which manages the reimbursement process and periodic reporting of project status and accomplishments. Links to the required forms are included in grant guide and on our website:
<https://www.hud.gov/eas/programs/development/development/development>.
- 2) The Revised FY2022 CPF Grant Agreement which:
 - a. Specifies the applicable statutory provisions, regulations, and administrative requirements for this award.
 - b. Should be read carefully, including its incorporated appendices, which contain additional mandatory award terms as well as information specific to your award, such as your organization’s indirect cost information.
 - c. Should be reviewed to ensure all grantee information and award-specific information is entered completely and accurately before signing.
 - d. Must be signed and dated by the Authorized Representative or the grantee’s legal signatory.
 - e. Should also be retained for your records, after submission, pending receipt of the fully executed copy from HUD.

To assist you with understanding the materials that you have received, HUD will be hosting a series of regular webinars and “office hours” to review these changes and support grantees through the grant award process and beyond.

Overview of Changes from the FY2023 Act

To be eligible, expenses must comply with applicable Federal requirements. This includes administrative requirements under 2 CFR Part 200, environmental laws, statutes, and Executive Orders, and other “cross-cutting” federal requirements adhered to by HUD. In addition, environmental reviews are required for all HUD funded programs and project activities. This includes soft costs as well as hard costs.

In keeping with the National Environmental Policy Act (NEPA) and HUD’s NEPA-implementing regulations at 24 CFR Part 50 or 24 CFR Part 58, **environmental reviews must be completed, and a Request for Release of Funds and Certification must be approved by**

HUD, as applicable, for all projects prior to taking any ‘choice limiting actions.’²

Environmental reviews must be completed before a grantee can undertake actions that prevent the grantee from taking an alternative action to minimize or avoid environmental harm, or that would have an adverse environmental impact (“choice limiting actions”). This step is required to avoid violations under:

- 24 CFR 58.22 which provides limitations on activities pending clearance; and
- Section 110(k) of the National Historic Preservation Act which prohibits anticipatory demolition or significant harm of cultural and / or historic resources prior to completion of the historic preservation review process known as Section 106 review.

HUD defines the “Federal Nexus” for a program or project as the event that triggers the requirements for federal environmental review under a host of laws, regulations, and Executive Orders, including the prohibition on choice limiting actions.

Under the original process for the FY2022 EDI/CPF grants, given that grantees were not aware of the federal requirements at enactment of the FY 2022 Act and that recipients could not be reimbursed for eligible expenses that occurred before obligation (interpreted to mean the execution of the grant agreement), HUD determined that the Letter of Invitation (LOI) would serve as notification of the federalization of the award.

HUD has determined the federalization date of FY2022 CPF grants as July 18-28, 2022. The exact date for federalization depends on the date of your LOI. This is also referred to as the federal ‘nexus’ date for environmental review for CPF projects. To prevent choice limiting actions from occurring, following the LOI, you may not commit funds or take any actions (outside of existing contracts) until an environmental review is completed. Further explanation of choice limiting actions and the environmental review process, including historic preservation review, is included within the CPF Grant Guide.

Based on the FY2023 language changing the reimbursable expenses for HUD’s FY2022 CPF grantees, HUD evaluated how to increase eligible project costs while ensuring adherence to all “eligibility” requirements. Given that the specific reference to “otherwise eligible expenses” within the FY2023 Act’s language includes compliance with environmental requirements as paramount to project eligibility, the changes broaden costs reimbursement for the HUD CPF FY22 grantees:

1. For soft costs, HUD conducted a nationwide environmental review to clear activities such as administrative, planning, and operations and maintenance costs (including costs to prepare an environmental review). After your Grant Agreement is executed (and your approved budget is changed as necessary to account for these costs), you may use your grant funds to reimburse soft costs incurred on or after the date of enactment of the FY2022 Act (March 15, 2022).
2. For hard costs: After your Grant Agreement is executed (and your approved budget is changed, if necessary, to account for these costs), you may use your grant funds to reimburse hard costs that were incurred:

² Choice limiting actions constitute work such as entering construction contract agreements/commitments and earth-moving activities/clearing/grubbing as well as building renovation/upgrades that can have an adverse impact on cultural and / or historic resources or the environment, or prevent the avoidance, minimization, or mitigation of those impacts. Examples of ‘choice limiting actions’ include, but are not limited to, purchasing land, entering into contracts for property acquisition or construction, or physical work on the project.

- a. after the environmental review process was completed; and
- b. after the date of the LOI.

2) Grantee has signed your grant agreement but do not yet have an executed Grant Agreement:

Unless changed in accordance with Article III, section C of this Grant Agreement, the Grantee's Project shall be as described in the Project Narrative that is approved by HUD as of the date that HUD signs this Grant Agreement. The Grantee's indirect cost rate information is as provided in Appendix 3 to this Grant Agreement. Unless the Grantee is an Institution of Higher Education, the Grantee must immediately notify HUD upon any change in the Grantee's indirect cost rate during the Period of Performance, so that HUD can amend the Grant Agreement to reflect the change if necessary. Consistent with 2 CFR part 200, Appendix III (C.7), if the Grantee is an Institution of Higher Education and has a negotiated rate in effect on the date this Grant Agreement is signed by HUD, the Grantee may use only that rate for its indirect costs during the Period of Performance.

F. The Grantee must report and account for all property acquired or improved with Grant Funds as provided by 2 CFR part 200 using the applicable common forms approved by OMB and provided on the Grants.gov website (~~https://www.grants.gov/web/grants/forms.html~~). APPENDIX 4 –

Award Term and Condition for Grantee Integrity and Performance Matters

Reporting of Matters Related to Grantee Integrity and Performance

1. General Reporting Requirement

If the total value of the Grantee's currently active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then during that period of time the Grantee must maintain the currency of information reported to the System for Award Management (SAM) that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIIS)) about civil, criminal, or administrative proceedings described in paragraph 2 of this award term and condition. This is a statutory requirement under section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

2. Proceedings About Which Grantee Must Report

During any period of time when the Grantee is subject to the requirement in paragraph 1 of this award term and condition, the Grantee must submit the information required about each proceeding that:

- a. Is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from the Federal Government;
- b. Reached its final disposition during the most recent five-year period; and
- c. Is one of the following:
 - (1) A criminal proceeding that resulted in a conviction, as defined in paragraph 5 of this award term and condition;
 - (2) A civil proceeding that resulted in a finding of fault and liability and payment of a monetary fine, penalty, reimbursement, restitution, or damages of \$5,000 or more;
 - (3) An administrative proceeding, as defined in paragraph 5. of this award term and condition, that resulted in a finding of fault and liability and the Grantee's payment of either a monetary fine or penalty of \$5,000 or more or reimbursement, restitution, or damages in excess of \$100,000; or
 - (4) Any other criminal, civil, or administrative proceeding if:
 - (i) It could have led to an outcome described in paragraph 2.c.(1), (2), or (3) of this award term and condition;

(ii) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on the Grantee's part; and

(iii) The requirement in this award term and condition to disclose information about the proceeding does not conflict with applicable laws and regulations.

3. Reporting Procedures

During any period of time when the Grantee is subject to the requirement in paragraph 1 of this award term and condition, the Grantee must enter in the SAM Entity Management area the information that SAM requires about each proceeding described in paragraph 2 of this award term and condition. The Grantee does not need to submit the information a second time under assistance awards that the Grantee received if the Grantee already provided the information through SAM because the Grantee was required to do so under Federal procurement contracts that the Grantee was awarded.

4. Reporting Frequency

During any period of time when the Grantee is subject to the requirement in paragraph 1 of this award term and condition, the Grantee must report proceedings information through SAM for the most recent five-year period, either to report new information about any proceeding(s) that the Grantee has not reported previously or affirm that there is no new information to report. If the Grantee has Federal contract, grant, and cooperative agreement awards with a cumulative total value greater than \$10,000,000, the Grantee must disclose semiannually any information about the criminal, civil, and administrative proceedings.

5. Definitions

For purposes of this award term and condition:

It does not include audits, site visits, corrective plans, or inspection of deliverables.

b. Conviction, for purposes of this award term and condition, means a judgment or conviction of a criminal offense by any court of competent jurisdiction, whether entered upon a verdict or a plea, and includes a conviction entered upon a plea of nolo contendere.

c. Total value of currently active grants, cooperative agreements, and procurement contracts includes—

(1) Only the Federal share of the funding under any Federal award with a cost share or match requirement; and

(2) The value of all expected funding increments under a Federal award and options, even if not yet exercised.

APPENDIX 5 – Specific Award Conditions

1. *Conflicts Subject to Procurement Regulations.* When procuring property or services, the grantee and its subrecipients shall comply with the applicable conflict-of-interest rules in 2 CFR 200.317 and 2 CFR 200.318(c). In all cases not governed by 2 CFR 200.317 and 2 CFR 200.318(c), the Grantee and its subrecipients must follow the requirements contained in paragraphs 2-5 below.

2. *General prohibition.* No person who is an employee, agent, consultant, officer, or elected or appointed official of the Grantee or subrecipient and who exercises or has exercised any functions or responsibilities with respect to assisted activities, or who is in a position to participate in a decision making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from the activity, or have a financial interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, either for himself or herself or for those with whom he or she has immediate family or business ties, during his or her tenure or for one year thereafter. 3. *Exceptions.* HUD may grant an exception to the general prohibition in paragraph (ii) upon the Grantee's written request and satisfaction of the threshold requirements in paragraph (iv), if HUD determines the exception will further the Federal purpose of the award and the effective and efficient administration of the Grantee's project, taking into account the cumulative effects of the factors in paragraph (v).

4. *Threshold requirements for exceptions.* HUD will consider an exception only after the Grantee has provided the following documentation:

a. A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how that disclosure was made; and

b. An opinion of the Grantee's attorney that the interest for which the exception is sought would not violate state or local law.

5. *Factors to be considered for exceptions.* In determining whether to grant a requested exception after the Grantee has satisfactorily met the threshold requirements in paragraph (iii), HUD will consider the cumulative effect of the following factors, where applicable:

a. Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available;

b. Whether an opportunity was provided for open competitive bidding or negotiation;

c. Whether the person affected is a member of a group or class of low- or moderate-income persons intended to be the beneficiaries of the assisted activity, and the exception

will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

d. Whether the affected person has withdrawn from his or her functions or responsibilities, or the decision-making process regarding the assisted activity in question;

e. Whether the interest or benefit was present before the affected person was in a position as described in paragraph (ii);

f. Whether undue hardship will result either to the Grantee or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and

g. Any other relevant considerations.

6. *Disclosure of potential conflicts of interest.* The Grantee must disclose in writing to HUD any potential conflict of interest.
