I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: an annual contract with the following contractor for overhead door replacement services on an as-needed basis through October 16, 2028.

Contractor

Status

SBE or Non-SBE

Door Systems of South Florida, Inc.

Non-Local

Non-SBE

Summary: The purpose of this annual contract is to pre-qualify contractors to provide overhead door replacement services on an as-needed basis. The specific requirements of the work shall be determined by individual work orders issued against this annual overhead door replacement services contract. These contracts are five (5) year indefinite-quantity contracts with a maximum cumulative value of \$5,000,000 across all prequalified contractors. Work will be awarded as work orders on a lump-sum, competitively bid basis across all prequalified contractors. Contractors may qualify at any time and be added to this annual overhead door replacement services contract before the term ends. Projects less than \$100,000 are bid among the pool of certified Small Business Enterprise (SBE) contractors, when three (3) or more small businesses are qualified under the contract. Projects \$100,000 or greater are advertised on the vendor self-service (VSS) website and are bid among the pool of pre-qualified contractors while projects \$200,000 or greater are advertised on the VSS website and additionally advertised in the newspaper. The bidding pool is further expanded, for projects \$100,000 or greater, to include additional bidders responding to the specific project advertisement that submit a qualification application at least ten (10) calendar days before the bid due date. The annual overhead door replacement services contract was presented to the Goal Setting Committee on April 5, 2023 and the Committee established Affirmative Procurement Initiatives (APIs) of sheltered market for projects less than \$100,000 (when three (3) or more small businesses are qualified under the annual contract) or an SBE contractor will be given a price preference if its bid is within 10% of the lowest non-small business bid. Actual Small/Minority/Women Owned Business Enterprise (S/M/WBE) participation will be identified on each work order, and will be tracked cumulatively for all work orders issued. (Capital Improvements) Countywide (MWJ)

Background and Justification: The pre-qualification for this contract was advertised on April 23, 2023. The contractor has met the established criteria. Work will be awarded as work orders on a lump-sum, competitively bid basis across all prequalified contractors. Projects less than \$100,000 are bid among the pool of certified SBE contractors, when three (3) or more small businesses are qualified under the contract. Projects \$100,000 or greater are advertised on the VSS website and are bid among the pool of pre-qualified contractors while projects \$200,000 or greater are advertised on the VSS website and additionally advertised in the newspaper. The bidding pool is further expanded, for projects \$100,000 or greater, to include additional bidders responding to the specific project advertisement that submit a qualification application at least ten (10) calendar days before the bid due date. Contractors may qualify at any time and be added to this annual overhead door replacement services contract before the term ends.
