I. EXECUTIVE BRIEF

**Motion and Title:** Staff recommends motion to approve: a Contract for Provision of Services with 211 Palm Beach/Treasure Coast, Inc. (211), for the period October 1, 2023 through September 30, 2024, in an amount not-to-exceed \$298,500, for the Transportation Administration Services (TAS) Pilot Program for low-income residents, and General Helpline Services (GES) to persons requesting information, assessment and referral services in Palm Beach County.

**Summary:** 211 will provide two (2) services under the new contract. TAS is a new pilot program, which will provide on-demand transportation via ride share to low-income clients, as well as Ryan White and Human Services clients. 211 will include and/or coordinate TAS to the target population, as determined by the Community Services Department approved referral sources. TAS will include transportation from the client's location to medical appointments, pharmacies, detoxification facilities, CareerSource, public assistance offices and other local service providers, to ensure clients make it to their appointments with minimal impact on their personal schedule. 211 will also provide confidential, community helpline and crisis hotline services and immediate guidance and support, emergency intervention, and disaster relief/recovery services to individuals and families in Palm Beach County seeking guidance. In FY 2024, TAS will provide on- demand transportation assistance and general helpline, emergency intervention and disaster relief/recovery services to approximately 1,400 clients and persons seeking referral services. (Financially Assisted Agencies) Countywide (HH).

**Background and Justification:** In providing for human service needs, Palm Beach County augments its own service mix through the provision of funding for programming and services delivered by community-based agencies. The FAA Program was established in the early 1980s to overcome the adverse impact of reduced federal funding. It is now an important component of the federal, state, and local funding sources that support the County's system of care. The Board of County Commissioners has directed staff to pursue data-driven, evidence-based programming and outcome measures that ensure effective changes in the lives of those in our community. Funded organizations are monitored by the Community Services Department to maintain programmatic and fiscal accountability. Agreements include the following safeguards to protect the County: insurance coverage is mandatory and agencies are fiscally monitored to ensure funds are appropriately expended.

This Contract is made as of \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_, by and between Palm Beach County, a Political Subdivision of the State of Florida, by and through its Board of County Commissioners, hereinafter referred to as the COUNTY, and **211 Palm Beach/Treasure Coast, Inc.**, hereinafter referred to as the AGENCY, a not-for-profit corporation authorized to do business in the State of Florida, whose Federal Tax I.D. is **23-7153017**.

**WHEREAS**, the COUNTY has entered into a contract with the U.S. Department of Health and Human Services and is designated Recipient Administrator of the Ending the HIV Epidemic Initiative Program in Palm Beach County; and

**WHEREAS**, the AGENCY has agreed to assure access to funded services for COUNTY departments, divisions and/or programs; and to assure that individuals referred from COUNTY departments, divisions and/or programs will receive services on a timely basis.

**NOW, THEREFORE**, in consideration of the mutual promises contained herein, the COUNTY and the AGENCY agree as follows:

**ARTICLE 1 INCORPORATION OF RECITALS**

The foregoing recitals are true and correct and incorporated herein by reference.

**ARTICLE 2 FUNDED SERVICES**

The AGENCY agrees to provide Transportation Administration Services (TAS) Pilot and General Helpline services to low-income residents of Palm Beach County as set forth in the **EXHIBIT A - SCOPE OF WORK AND SERVICES**. The AGENCY also agrees to provide deliverables, including reports, as specified in **ARTICLE 19 - AGENCY'S PROGRAMMATIC REQUIREMENTS**. No changes in the scope of work or services are to be conducted without the written approval of the Palm Beach County Community Services Department (the DEPARTMENT). The AGENCY receiving funds must be an agency within Palm Beach County and the AGENCY’S services, with these contracted funds, are limited to meeting the needs of Palm Beach County residents.

No part of the funding is intended to benefit any specific individual or recipient. All funding is intended for the overall benefit of all recipients of the services provided by the programs being funded herein.

**ARTICLE 3 ORDER OF PRECEDENCE**

Conflicting provisions hereof, if any, shall prevail in the following descending order of precedence: (1) Laws passed by Congress, which are codified in provisions of the United States Code (U.S.C.) applicable to the funding source for this Contract; (2) Rules or regulations adopted by a federal agency, which are codified in the Code of Federal Regulations (C.F.R) and applicable to the funding source for this Contract; (3) the federal award or funding document for this Contract; (4) the

provisions of the Contract, including **EXHIBIT A** and **EXHIBIT B**; and (5) all other documents, if any, cited herein or incorporated herein by reference.

**ARTICLE 4 SCHEDULE**

The AGENCY shall commence services on October 1, 2023 and complete services on September 30, 2024.

The parties shall amend this Contract if there is a change to the scope of work, funding, and/or federal, state, and local laws or policies affecting this Contract.

Monthly billing, reports and other items shall be delivered or completed in accordance with the detailed schedule set forth in **EXHIBIT A, EXHIBIT B, and ARTICLE 19 - PROGRAMMATIC REQUIREMENTS.**

**ARTICLE 5 PAYMENTS TO AGENCY**

The total amount to be paid by the COUNTY under this Contract for all services and materials shall not exceed a total contract amount of **TWO HUNDRED AND NINETY-EIGHT THOUSAND FIVE HUNDRED DOLLARS AND ZERO CENTS (\$298,500.00).**

The AGENCY will bill the COUNTY on a monthly basis, or as otherwise provided, at the amounts set forth in **EXHIBIT B** for services rendered toward the completion of the Scope of Work. Where incremental billings for partially completed items are permitted, the total billings shall not exceed the estimated percentage of completion as of the billing date.

The program and unit cost definitions for this Contract year are set forth in **EXHIBIT B**. All requests for payments of this Contract shall include an original cover memo on AGENCY letterhead signed by the Chief Executive Officer, Chief Financial Officer or their designee.

The AGENCY is obligated to provide the COUNTY with the properly completed requests for all funds to be paid relative to this Contract. Any amounts not submitted by AGENCY shall remain the COUNTY'S and the COUNTY shall have no further obligation with respect to such amounts.

Payment of invoices shall be contingent on timely receipt of all required reports. Invoices received from the AGENCY pursuant to this Contract will be submitted through the Services and Activities Management Information System (SAMIS) website, reviewed and approved by the COUNTY'S representative, to verify that services have been rendered in conformity with the Contract. Approved invoices will then be sent to the Finance Department for payment. Invoices will normally be paid within thirty (30) days following the COUNTY representative's approval. Any payment due by COUNTY under the terms of this Contract shall be withheld until all reports due from the AGENCY and necessary adjustments have been approved by the COUNTY. In the event that the AGENCY has drawn down all possible funds prior to the end of the fiscal year and does not comply with all reporting requirements, the COUNTY will take this into consideration during the next funding year.

COUNTY funding can be used to match grants from non-COUNTY sources; however, the grantee cannot submit reimbursement requests for the same expenses to more than one funding source or under more than one COUNTY funded program.

**Final Invoice:** In order for both parties herein to close their books and records, the AGENCY will clearly state "final invoice" on the AGENCY'S final/last billing to the COUNTY. This shall constitute AGENCY'S certification that all services have been properly performed and all charges and costs have been invoiced to Palm Beach County. Any other charges not properly included on this final invoice are waived by the AGENCY.

In order to do business with Palm Beach County, agencies are required to create a Vendor Registration Account OR activate an existing Vendor Registration Account through the Purchasing Department's Vendor Self Service (VSS) system, which can be accessed at <https://pbcvssp.co.palm-beach.fl.us/webapp/vssp/AltSelfService>. If AGENCY intends to use subagencies, AGENCY must also ensure that all subagencies are registered as agencies in VSS. All subcontractor agreements must include a contractual provision requiring that the subagency register in VSS. COUNTY will not finalize a contract award until the COUNTY has verified that the AGENCY and all of its subagencies are registered in VSS.

## **ARTICLE 6 AVAILABILITY OF FUNDS**

The obligations of the COUNTY under this Contract for the current or any subsequent grant year are subject to the availability of funds lawfully appropriated for its purpose by the Board of County Commissioners of Palm Beach County, and received from the United States Government under the U.S Department of Health and Human Services (HHS).

## **ARTICLE 7 TRUTH-IN-NEGOTIATION CERTIFICATE**

Signature of this Contract by the AGENCY shall also act as the execution of a truth-in-negotiation certificate certifying that the wage rates, over-head charges, and other costs used to determine the compensation provided for in this Contract are accurate, complete and current as of the date of the Contract and no higher than those charged to the AGENCY'S most favored customer for the same or substantially similar service.

The said rates and costs shall be adjusted to exclude any significant sums should the COUNTY determine that the rates and costs were increased due to inaccurate, incomplete or noncurrent wage rates or due to inaccurate representations of fees paid to outside agencies. The COUNTY shall exercise its rights under this Article within three (3) years following final payment.

## **ARTICLE 8 AMENDMENTS TO FUNDING LEVELS**

This Contract may be amended to decrease and/or increase funds for the delivery of services depending upon the utilization and rate of expenditure of funds.

AGENCY shall be subject to decrease of funds if funds are not utilized at the anticipated rate of expenditures. The anticipated rate of expenditures is determined by dividing the Contract service

amount by the months in the Contract unless otherwise provided for in this Contract. A 10% increase over the monthly expenditure rate must be pre-approved by the COUNTY. The anticipated rate of expenditure will be figured on a per service basis. The formula for reduction of funds shall be as follows:

At one quarter of the service period the AGENCY shall have provided at a minimum twenty percent (20%) of their anticipated services. If the minimum has not been reached ten percent (10%) of the unspent funds allocated for that service period may be reduced.

At one half of the service period the AGENCY shall have provided at a minimum forty percent (40%) of their anticipated services. If the minimum has not been reached fifty percent (50%) of the unspent funds allocated for that service period may be reduced.

At three quarters of the service period the AGENCY shall have provided at a minimum seventy-five percent (75%) of their anticipated services. If the minimum has not been reached one hundred percent (100%) of the unspent funds allocated for that service period may be reduced.

In the event that funds become available due to other agencies budgets being decreased, a currently funded AGENCY may apply for those funds. AGENCY may become eligible for an increase in funding if they have spent their funds at the anticipated rate and can present a proposal for the utilization of additional funds by delivering additional units of service.

Any increase or decrease of funding for any of the AGENCY’S contracted programs of up to 10% may be approved by the Director of Community Services or Designee. Any increase or decrease of funding over 10% must be approved by the Board of County Commissioners.

**ARTICLE 9 INSURANCE**

The AGENCY shall maintain at its sole expense, in force and effect at all times during the term of this Contract, insurance coverage and limits (including endorsements) as described herein. Failure to maintain at least the required insurance shall be considered default of the Contract. The requirements contained herein, as well as COUNTY’S review or acceptance of insurance maintained by AGENCY, are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by AGENCY under the Contract. AGENCY agrees to notify the COUNTY at least ten (10) days prior to cancellation, non-renewal or material change to the required insurance coverage. Where the policy allows, coverage shall apply on a primary and non-contributory basis.

- A. **Commercial General Liability:** AGENCY shall maintain Commercial General Liability at a limit of liability not less than \$500,000 combined single limit for bodily injury and property damage each occurrence. Coverage shall not contain any endorsement(s) excluding Contractual Liability or Cross Liability.
- B. **Additional Insured Endorsement:** The Commercial General Liability policy shall be endorsed to include, “Palm Beach County Board of County Commissioners, a Political Subdivision of the

When a self-insured retention (SIR) or deductible exceeds \$10,000, COUNTY reserves the right, but not the obligation, to review and request a copy of AGENCY'S most recent annual report or audited financial statement. For policies written on a "claims-made" basis, AGENCY warrants the Retroactive Date equals or precedes the effective date of this Contract. In the event the policy is canceled, non-renewed, switched to an Occurrence Form, retroactive date advanced, or any other event triggering the right to purchase a Supplement Extended Reporting Period (SERP) during the term of this Contract, AGENCY shall purchase a SERP with a minimum reporting period not less than three (3) years after the expiration of the Contract term. The requirement to purchase a SERP shall not relieve the AGENCY of the obligation to provide replacement coverage. The Certificate of Insurance providing evidence of the purchase of this coverage shall clearly indicate whether coverage is provided on an "occurrence" or "claims-made" form. If coverage is provided on a "claims-made" form the Certificate of Insurance must also clearly indicate the "retroactive date" of coverage.
- E. **Waiver of Subrogation:** Except where prohibited by law, AGENCY hereby waives any and all rights of Subrogation against the COUNTY, its officers, employees and agents for each required policy except Professional Liability. When required by the insurer, or should a policy condition not permit an insured to enter into a pre-loss agreement to waive subrogation without an endorsement, then AGENCY shall notify the insurer and request the policy be endorsed with a Waiver of Transfer of Rights of Recovery Against Others, or its equivalent. This Waiver of Subrogation requirement shall not apply to any policy that includes a condition to the policy specifically prohibiting such an endorsement or voids coverage should AGENCY enter into such an agreement on a pre-loss basis.
- F. **Certificates of Insurance:** On execution of this Contract, renewal, within forty-eight (48) hours of a request by COUNTY, and upon expiration of any of the required coverage throughout the term of this Contract, the AGENCY shall deliver to the COUNTY or COUNTY'S designated representative a signed Certificate(s) of Insurance evidencing that all types and minimum limits of insurance coverage required by this Contract have been obtained and are in force and effect. AGENCY shall protect, defend, reimburse, indemnify, save and hold the COUNTY, its agents, employees, officers and elected officials harmless from and against any and all claims, liability, expense, loss, cost, damages or causes of action of every kind or character, including attorney's fees and costs, whether at trial or appellate levels or otherwise, arising during and as a result of their performance of the terms of this Contract or due to the acts or omissions of AGENCY.

AGENCY will hold the COUNTY harmless and will indemnify the COUNTY for any funds that the COUNTY is obligated to refund the Federal Government based on the AGENCY'S provision of services, or failure to provide services, pursuant to this Contract, including but not limited to, determinations of client eligibility for Ending the HIV Epidemic Initiative funds. 3. CERTIFICATION REGARDING LOBBYING

Title 31, United States Code, Section 1352, entitled "Limitation on use of appropriated funds to influence certain Federal contracting and financial transactions," generally prohibits recipients of Federal grants and cooperative agreements from using Federal (appropriated) funds for lobbying the Executive or Legislative Branches of the Federal Government in connection with a SPECIFIC grant or cooperative agreement. Section 1352 also requires that each person who requests or receives a Federal grant or cooperative agreement must disclose lobbying undertaken with non-Federal (non-appropriated) funds. These requirements apply to grants and cooperative agreements EXCEEDING \$100,000 in total costs (45 CFR Part 93).

The undersigned (authorized official signing for the applicant organization) certifies, to the best of his or her knowledge and belief, that:

- (1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the under-

signed, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(If needed, Standard Form-LLL, "Disclosure of Lobbying Activities," its instructions, and continuation sheet are included at the end of this application form.)
- (3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

4. CERTIFICATION REGARDING PROGRAM FRAUD CIVIL REMEDIES ACT (PFCRA)

The undersigned (authorized official signing for the applicant organization) certifies that the statements herein are true, complete, and accurate to the best of his or her knowledge, and that he or she is aware that any false, fictitious, or fraudulent statements or claims may subject him or her to criminal, civil, or administrative penalties. The undersigned agrees that the applicant organization will comply with the Public Health Service terms and conditions of award if a grant is awarded as a result of this application.

5. CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law also applies to children’s services that are provided in indoor facilities that are constructed, operated, or maintained with such Federal funds. The law does not apply to children’s services provided in private residence, portions of facilities used for inpatient drug or alcohol treatment, service providers whose sole source of applicable Federal funds is Medicare or Medicaid, or facilities where WIC coupons are redeemed.

Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible entity.

By signing the certification, the undersigned certifies that the applicant organization will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act.

The applicant organization agrees that it will require that the language of this certification be included in any subawards which contain provisions for children’s services and that all subrecipients shall certify accordingly.

The Public Health Services strongly encourages all grant recipients to provide a smoke-free workplace and promote the non-use of tobacco products. This is consistent with the PHS mission to protect and advance the physical and mental health of the American people.
