Initiate outreach to Senator Brandes and Education Commissioner Richard Corcoran and request a meeting to discuss a possible partnership with FAU, PB State and PBC School District and pilot program potential.</p>	BCC - Regular	McKinlay	----	<p>Proposal was reviewed by Administration and Youth Services. Tammy Fields has engaged Dreyfoos student Asher Moss by email and telephone on multiple occasions. They discussed areas of the proposal needing further development such as distinctions in education requirements between school psychologists and clinical psychologists. Asher held a telephone conference with Dr. Shayna Ginsburg of YSD Education and Training program to get further information. They also discussed the need for coordination with the school district; Asher followed-up with School Board Member Erica Whitfield and will continue the conversation with her. Asher was also advised of ongoing efforts through Birth to 22 and BeWellPBC to create a curriculum on mental health in the schools. Eight Allied Health teachers agreed to participate in the pilot program. The pilot had begun, and unfortunately was cut short as a result of school closure. Efforts will continue to create a curriculum for a mental health certification in high school. The process for development and approval of such a certification takes approximately 2 years. A video conference was held on 3/25th with students from several schools who are developing mental health clubs in high schools. Leadership Palm Beach County has chosen development of such schools as one of its 100 day challenges. Although the virus has impacted in person meetings, it was determined that momentum with the project should continue. Asher was invited to participate and extended the invitation to his fellow Dreyfoos students. Finally Asher was invited to participate in Future Leaders United for Change which will continue to meet monthly through video conferencing while schools are closed. It was concluded that this was exclusively within the school district's authority to implement this program and the County is ready, willing and able to assist as needed.</p>	Completed	05/28/2020

11/01/2016	<u>Lactation Area and Parking for Pregnant Women</u> Commissioner McKinlay directed staff to consider the addition of a lactation area and parking spaces for pregnant women in the Government Center building when it is improved according to the surtax project schedule.	BCC - Regular	McKinlay	Ottey	On March 23, 2010, the FLSA was amended to require employers to provide a space and break time for employees who are nursing mothers to express breast milk for 1 year after childbirth. The space must be located in a place other than a restroom, and be shielded from view and free from intrusion from co-workers. The county, through its FDO department, has complied with this requirement on a case-by-case basis, as the regulations do not require employers to provide space if there is no employee with a need to express breast milk. Commissioner McKinlay's request for this item to be considered, along with parking spaces for the Gov't Center (and we assume other County buildings) as they are improved post passing of the surtax are noted and will be considered by FDO. 10/18/2016	<u>Maritime Museum & Kennedy Bunker</u> Look into County takeover, including cost to bring it up to code	BCC - Regular	Taylor	Helfant	Maritime Museum lease with Port of Palm Beach terminated on October 31, 2017. The Port has contacted the County to begin negotiations for a possible long term contract (Port Commission Consent Agenda item H-4, 5/18/17). Parks staff toured the property in January 2018 with FDO, Weitz Construction, Code Enforcement and Port staff to perform an inspection of the buildings and premises. A general assessment of the overall condition of the facilities was performed by Weitz along with cost estimates to bring the facilities up to code and into a general good state of repair (approximately \$2.5 million). The Port approved an MOU and the BCC approved in March 2018 for Parks to maintain the old Coast Guard property (landscaping and property oversight), at Port expense, to ensure the site does not degrade further. County staff met multiple times with Riviera Beach and Port staff to advise of site history issues. At the Port meeting on December 17, 2020 staff submitted a letter advising of meetings that had occurred between the cities of Riviera Beach, Palm Beach, Palm Beach Shores, et. al summarized these discussions and encouraged moving forward in a collaborative fashion. Eventually, at the March 18, 2021, Port Commission gave direction to include the Museum and Kennedy bunker property in renewal of existing County leased property as well as for PBC to enter into a MOU with the Town of Palm Beach, Palm Beach Shores and Riviera Beach regarding the programmatic elements of this historical site. 02/25/2021	<u>Singer Island Submerged Land</u> Review development proposal and pending litigation related to filling of submerged land in Lake Worth Lagoon off Singer Island as reported in PB Post on 2/25/21. Report back to Board.	Zoning	Weiss	----	Staff is pursuing a determination as to whether the owner is a willing seller and interested in entering into a contract with PBC based on appraised value and other County criteria to sell the property to the County for preservation. Regarding the referenced development plan, there are multiple property owners in this area that claim that they have development rights inconsistent with the City of Riviera Beach's Comp Plan. A land owner would need to demonstrate that they had a judicially vested right to develop or alter submerged lands. Litigation related to the filling of submerged land in Lake Worth Lagoon off Singer Island is ongoing, with numerous intervenors on both sides of the issue, and no hearing date currently set. In short, there is much litigation to be resolved before we will have more specifics on this development proposal. Following initial discussion, no willing sellers came forward.	Completed	03/04/2022

Completed	02/24/2022
09/22/2020	<u>SR 80 Lighting</u> Research proposed SR 80 lighting project. Coordinate with FDOT and TPA on capital funding and annual O&M expense.	Workshop		----	The TPA board adopted this as a priority project. FDOT agreed to build even though the lights are not warranted provided the County commits to Operate and Maintain (O&M). FDOT will reimburse the County for O&M in accordance with the State Highway Lighting Maintenance and Compensation Agreement (SHLMCA). However, the County will fall short when the FDOT replaces the current SHLMCA, now anticipated at any time, at much lower compensation rate. FDOT is requiring the County to commit to the O&M of the lights through the project useful life, typically 30 years, under the penalty of reimbursing the state for the entire capital cost of the project. Engineering is coordinating with FDOT and the TPA for better terms to guarantee fair compensation. We have reviewed a couple of drafts of a potential agreement with FDOT. Engineering with TPA recently met with FDOT on 21 May to discuss the agreement. BCC adopted a resolution approving a Special Lighting Maintenance MOA w/FDOT at the 4/5/2022 meeting. 04/10/2018	<u>Electric Service Vegetation Standards</u> Staff was directed to look into adoption of local regulations and ordinances providing vegetation standards for proximity to electrical facilities and prohibiting interference with utility services in Palm Beach County.	BCC - Regular	Berger	---	At the BCC Zoning meeting on January 24, 2019, the Board approved on second and final reading the amendments to the ULDC. The amendments reflect staff discussions with FPL. Staff initially met with FPL on June 7. Discussed at that meeting was a model FPL ordinance regulating the location and maintenance of trees and branches and their proximity to overhead power lines. FPL and staff also reviewed similar regulations adopted by other local governments. Staff raised a number of concerns regarding aspects of implementation of such an ordinance. These include significant property rights issues as well as cost burdens placed on homeowners. Staff further pointed out that a number of the aspects of the regulations sought were already included in current County code. A follow-up meeting was held on July 20. Additional information and concepts were presented and reviewed.	Completed	01/24/2019
