=====

Meeting Date: December 19, 2023

Department: Facilities Development & Operations

Advisory Board: Public Art Committee

=====

I. EXECUTIVE BRIEF

Motion & Title: Staff recommends motion to approve: the appointment of one (1) new member to the Public Art Committee as follows:

Appoint	Seat No.	Requirement	Term
Constance Roy-Fischer	8	Landscape Architect	12/19/2023 – 9/30/2025

Summary: The Public Art Committee will advise the BCC as to the overall art policy in Palm Beach County, set the direction of all County works of art, and develop an education program to expand the traditional definition and perception of art and the benefit of incorporating artwork into public design projects. Pursuant to Resolution No. R2013-1160, the Public Art Committee consists of nine (9) members that are appointed for a term of three (3) years. One (1) new member is recommended to complete the term of an individual that recently resigned from the Public Art Committee. The new recommended appointment is Constance (Connie) Roy-Fisher to replace Carolyn Pendleton-Parker. Ms. Roy-Fisher is the owner of Studio Sprout, which is subcontracted to provide professional landscape architecture services to the County; however, the Public Art Committee provides no regulation, oversight, management or policy setting recommendations regarding those contracts, transactions or services. Disclosure of these contractual relationships at a duly noticed public meeting is being provided in accordance with the provisions of Section 2-443 of the Palm Beach County Code of Ethics. The term expires on September 30, 2025. The nominee is a Caucasian female. The Public Art Committee has the following diversity count with the nominee: Caucasian: 4 (44%), Hispanic American: 3 (33%), African American: 1 (11%) and Native American: 1 (11%). The resulting gender ratio (female:male) would remain 7:2. Staff has addressed the need to increase diversity within its boards and committees and will continue to encourage this in an effort to maintain and/or expand the Committee's diversity. **(FDO Strategic Planning) Countywide (MWJ)**

Background and Justification: The Public Art Committee is an advisory body focusing on the County's overall public art policy, selection of artistic elements for integration into County facilities, public education on the benefit of incorporating artwork into public projects, and making recommendations on applications for murals. Appointing one (1) new member will restore the seat to service through the September 30, 2025 expiration of the current term, and ensure that the mission of the County's Public Art Program advances.
