I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: Work Order No. 24-005 to the annual minor construction services contract (R2020-0143) with Andrea Construction, Inc. (Contractor) in the amount of \$270,490 for the Coconut Cove Waterpark-Pool Deck Resurfacing (Re-bid) project for a period of 90 calendar days from notice to proceed.

Summary: The project consists of the resurfacing of the entire pool deck. The existing cool deck around the pool is delaminating and needs to be replaced. Work Order No. 24-005 authorizes the construction services necessary to furnish all labor, equipment, devices, tools, materials, transportation, supervision, drawings, permitting and all miscellaneous requirements necessary to resurface the entire pool deck at the Coconut Cove Waterpark Facility while the pool is closed for the winter season. The resurfaced pool deck will create a stable walking surface and will better serve the users of the Coconut Cove Waterpark. This project was competitively advertised and new contractors were invited to bid by submitting prequalification documents prior to the submission of the bid response. The Contractor will have 90 calendar days from notice to proceed to substantially complete the project. Liquidated damages for failure to achieve certification of substantial completion within the contract time or approved time extension thereof are \$120 per day. This work order was solicited pursuant to the annual minor construction services contract and the requirements of the Equal Business Opportunity (EBO) Ordinance. The annual minor construction services contract was presented to the Goal Setting Committee on August 21, 2019. The Committee applied the following three Affirmative Procurement Initiatives (APIs): 1) sheltered market for projects under \$100,000; or 2) a small business enterprise (SBE) contractor will be given a price preference if its bid is within 10% of the lowest non-small business bid on a single trade project \$100,000 or greater; or 3) a mandatory 25% SBE subcontracting goal for a multi-trade project \$100,000 or greater. Since this is a single-trade project greater than \$100,000, the price preference API was applied. SBE participation for this Work Order is 24.27%. Cumulative SBE participation on the annual minor construction services contract is 62.28%. The Contractor is a Palm Beach County business and an SBE certified firm. Funding for this project is from the Park Improvement Fund. **(Capital Improvements Division) District 5 (MWJ)**

Background and Justification: This project was openly, competitively advertised and procured. Bids for this project were opened on October 19, 2023 and the Contractor submitted the lowest responsive and responsible bid of the four (4) bids received. The resurfaced pool deck will create a stable walking surface and will better serve the users of the Coconut Cove Waterpark.
