I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to receive and file: an Interlocal Grant Agreement Term Extension between Palm Beach County and the Solid Waste Authority (SWA) of Palm Beach County for \$50,000 for the demolition and removal of the Lake Lytal Park Racquetball Courts, extending the completion date from February 28, 2024 to September 30, 2024.

Summary: On November 23, 2022, the Parks and Recreation Department submitted a Solid Waste Authority 2022 Blighted and Distressed Property Cleanup and Beautification Grant application. The application requested \$50,000 in funding to cover the cost of demolition of the Lake Lytal Park racquetball courts. Grant funding was awarded and the Interlocal Grant Agreement (R2023-0606) was presented to the Board of County Commissioners (BCC) on May 2, 2023 for the Mayor's signature and to establish budget. The original grant term was from May 2, 2023 to February 28, 2024. Due to project delays, a grant extension was approved by SWA extending the completion date from February 28, 2024 to September 30, 2024. There are no other changes to the terms of the Agreement as a result of this extension. District 3 (AH)

Background and Justification: Lake Lytal Park is a 70 acre district park located in unincorporated Palm Beach County. The Park opened to the public in 1975 and features an aquatic complex, baseball, softball and multipurpose fields, tennis and basketball courts, playgrounds, a group picnic pavilion, veteran's memorial and an activities building.
