HRSA Electronic Handbooks (EHBs) Registration Requirements

The Project Director of the grant (listed on this NoA) and the Authorizing Official of the grantee organization are required to register (if not already registered) within HRSA's Electronic Handbooks (EHBs). Registration within HRSA EHBs is required only once for each user for each organization they represent. To complete the registration quickly and efficiently we recommend that you note the 10-digit grant number from box 4b of this NoA. After you have completed the initial registration steps (i.e., created an individual account and associated it with the correct grantee organization record), be sure to add this grant to your portfolio. This registration in HRSA EHBs is required for submission of noncompeting continuation applications. In addition, you can also use HRSA EHBs to perform other activities such as updating addresses, updating email addresses and submitting certain deliverables electronically. Visit <https://grants3.hrsa.gov/2010/WebEPSEExternal/Interface/common/accesscontrol/login.aspx> to use the system. Additional help is available online and/or from the HRSA Call Center at 877-Go4-HRSA/877-464-4772.

Terms and Conditions

Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.

Grant Specific Term(s)

1. This Notice of Award is issued based on HRSA's approval of the Non-Competing Continuation (NCC) Progress Report. All post-award requests, such as significant budget revisions or a change in scope, must be submitted as a Prior Approval action via the Electronic Handbooks (EHBs) and approved by HRSA prior to implementation. Grantees under "Expanded Authority," as noted in the Remarks section of the Notice of Award, have different prior approval requirements. See "Prior-Approval Requirements" in the DHHS Grants Policy Statement: <https://www.hhs.gov/sites/default/files/grants/grants/policies-regulations/hhsgps107.pdf>.
2. Due to the provision of partial funding, this award is being made without itemized reporting requirements. Award recipients are reminded of the continuation of FY2023 specialized reporting requirements and provided reference to previous HRSA guidelines and instructions. Subsequent FY2024 reporting requirements to include defined due dates will be contained on the final FY2024 NoA. Failure to comply with reporting requirements will result in deferral or additional restrictions for future funding decisions.
3. This Notice of Award is issued to approve the request submitted in FY 2022 to waive the penalty associated with the following RWHAP statutory and administrative requirement:
Unobligated Balances Penalty - The requirement regarding the timeframe for obligation and expenditure of formula and supplemental RWHAP funds within the designated timeframe, and associated penalties for noncompliance. Recipients are still required to submit a final FFR. §§ 2603(c), 2609(d)(2), and 2622 of the PHS Act.
4. HRSA is operating under a Continuing Resolution; therefore, this award provides partial funding based on the continuation of FY 2023 program requirements, funding levels, and specialized reporting requirements. Additions and revisions to these Terms and Conditions may be necessary once HRSA receives a final FY 2024 appropriations. A revised NoA will be issued to reflect any changes to funding amounts, Terms and Conditions, and/or reporting requirements.

Program Specific Term(s)

1. The recipient is required to notify the Project Officer, within 30 days, of any changes to Planning Council (PC) composition that impact legislative compliance with "reflectiveness", the mandated membership categories, and/or the composition requirement that 33% of the PC membership should be comprised of persons receiving Part A HIV-related services who are non-conflicted and accurately reflect the demographics of the epidemic in the EMA/TGA.
You must notify your Project Officer to initiate a Request for Information via EHB to submit this requirement. The notification and letter must be accompanied by revised PC roster and reflectiveness tables or a narrative describing compliance with PC composition and Reflectiveness. Reflectiveness must be based on the prevalence of HIV Disease (AIDS Prevalence plus HIV Prevalence, real or estimated) in the EMA/TGA as reported in the current fiscal year application.
2. Consistent with Departmental guidance, HRSA recipients that purchase, are reimbursed or provide reimbursement to other entities for outpatient prescription drugs are expected to secure the best prices available for such products and to maximize results for the recipient organization and its patients. Eligible health care organizations/covered entities that enroll in the 340B Program must comply with all 340B Program requirements and will be subject to audit regarding 340B Program compliance. 340B Program requirements, including eligibility, can be found at www.hrsa.gov/opa.
3. The recipient shall make all files, including captioning, audio descriptions, videos, tables, graphics/pictures, registration forms, presentations (both audio and video) or other types of proprietary format files – e.g., Adobe Portable Document Format (.pdf), Microsoft Office PowerPoint (.ppt) and Microsoft Excel (.xls), fully accessible to members of the public with disabilities. Technical and functional standards for accessibility are codified at 36 CFR Part 1194 and may be accessed through the Access Board's Web site at <http://www.access-board.gov>
4. Submit, every two (2) years, to the lead State agency for the Ryan White HIV/AIDS Part B program, audits consistent with 45 CFR 75

Subpart F, regarding funds expended in accordance with this title and include necessary patient level data to complete unmet need calculations and the Statewide Coordinated Statements of Need process.

5. Jurisdictions that 1) are legislatively mandated to establish planning councils or 2) have elected to establish a planning council, must adhere to the requirement that the chief elected official (CEO) retains sole responsibility for appointment and removal of planning council members, as recommended by Planning Council leadership.
6. In accordance with the RWHAP guidance on determining client eligibility and complying with the payor of last resort requirement, while minimizing administrative burden and enhancing continuity of care and treatment services (HRSA HAB PCN 21-02: Determining Client Eligibility & Payor of Last Resort in the Ryan White HIV/AIDS Program), HRSA HAB expects all RWHAP recipients and subrecipients to establish, implement, and monitor policies and procedures to determine client eligibility based on each of the three factors outlined in PCN 21-02, including documentation requirements. See <https://ryanwhite.hrsa.gov/sites/default/files/ryanwhite/grants/pcn-21-02-determining-eligibility-polr.pdf>
7. The recipient is required to establish and maintain a process for protecting client confidentiality throughout the project period. Client confidentiality requirements apply to all phases of the project.
8. All Ryan White HIV/AIDS Program Part A, B, C, and D recipients must adhere to the legislative requirement to establish a clinical quality management program. HRSA HIV/AIDS Bureau expectations for clinical quality management are outlined in Policy Clarification Notice 15-02 (<https://ryanwhite.hrsa.gov/sites/default/files/ryanwhite/grants/pcn-15-02-cqm.pdf>).
9. The Ryan White HIV/AIDS Program legislation specifies criteria for the expenditure of Part A funds as follows:
The recipient may not use more than ten percent (10%) of total grant funds for direct and indirect costs associated with administering the award (including Planning Council or planning body expenses), and in accordance with the legislative definition of administrative activities and the allocation of funds to subrecipients, will not exceed an aggregate amount of 10 percent of such funds for administrative purposes. See Policy 15-01 for additional information on the 10% administrative cap.
The recipient shall not exceed the lesser of 5 percent of the total grant funds or \$3 million for the required clinical quality management (CQM) program.
The recipient must expend not less than 75% of total grant funds, exclusive of administration and CQM expenses, for core medical services, unless waived by the Secretary. Also see PCN 16-02 Ryan White HIV/AIDS Program Services: Eligible Individuals & Allowable Uses of Funds.
10. Unless otherwise specified, all Conditions and Reporting Requirements must be electronically submitted through the HRSA Electronic Handbooks (EHBs).
11. Funds awarded for pharmaceuticals must only be spent to assist clients who have been determined not eligible for other pharmaceutical programs, especially the AIDS Drug Assistance Program and/or for drugs that are not on the State ADAP or Medicaid formulary.
12. These funds may not be used for the following: purchasing or construction of real property, international travel, payments for any item or service to the extent that payment has been made, or reasonably can be expected to be made, with respect to that item or service under any State compensation program, insurance policy, Federal or State health benefits program or by an entity that provides health services on a prepaid basis (except for a program administered by or providing the services of the Indian Health Services or the U.S. Department of Veterans Affairs; see HAB PCN 16-01 available online at <https://ryanwhite.hrsa.gov/sites/default/files/ryanwhite/grants/clarification-services-veterans.pdf> for additional information regarding services provided to veterans).
13. RWHAP funds may not be used to make cash payments to intended clients of core medical or support services. This prohibition includes cash incentives and cash intended as payment for RWHAP services. Where direct provision of the service is not possible or effective, store gift cards, vouchers, coupons, or tickets that can be exchanged for a specific service or commodity (e.g., food or transportation) must be used. Store gift cards that can be redeemed at one merchant or an affiliated group of merchants for specific goods or services that further the goals and objectives of the RWHAP are also allowable as incentives for eligible program participants. Recipients are advised to administer voucher and store gift card programs in a manner which assures that vouchers and gift cards cannot be exchanged for cash or used for anything other than allowable goods or services, and that systems are in place to account for disbursed vouchers and store gift cards. Note: General-use prepaid cards are considered "cash equivalent" and are therefore unallowable. Such cards generally bear the logo of a payment network, such as Visa, MasterCard, or American Express, and are accepted by any merchant that accepts those credit or debit cards as payment. Gift cards that are cobranded with the logo of a payment network and the logo of a merchant or affiliated group of merchants are general-use prepaid cards, not store gift cards, and therefore are also unallowable.
14. The Ryan White HIV/AIDS Program (RWHAP) legislation requires, to the maximum extent practicable, that core medical and support services will be provided without regard to an individual's ability to pay, or to the current or past health condition of the individual to be served. Consequently, HRSA expects that RWHAP recipients and subrecipients utilize a grievance process, articulated in writing, to investigate complaints for denial of services.
15. Recipients must follow the guidance in all applicable HIV/AIDS Bureau Policy Notices and Program Letters to ensure compliance with programmatic requirements. See <https://ryanwhite.hrsa.gov/grants/policy-notices> and <https://ryanwhite.hrsa.gov/grants/program-letters>.

16. In accordance with Policy Clarification Notice 16-02, grant funds may not be used for outreach programs which have HIV prevention education as their exclusive purpose. See <https://ryanwhite.hrsa.gov/sites/default/files/ryanwhite/grants/service-category-pcn-16-02-final.pdf>.
17. The recipient must maintain EMA/TGA political subdivision expenditures for HIV-related activities at a level which is not less than the level of expenditures for such activities during the one-year period preceding the fiscal year for which the applicant is applying to receive the grant (see Section 2605(a)(1)(B) of the PHS Act).
18. All providers of services available in the Medicaid State plan must have entered into a participation agreement under the State plan and be qualified to receive payments under such plan, or receive a waiver from this requirement.
19. Minority AIDS Initiative (MAI) funds available under Section 2693 of the Public Health Service Act are disbursed on a formula basis together with the RWHAP Part A formula grant funds as required by legislation. Funds must be used to improve HIV-related health outcomes to reduce existing racial and ethnic disparities. MAI funds must be tracked and reported separately.
20. RWHAP Part A recipients are required to meet specific legislative, programmatic, and grant regulations requirements regarding the monitoring of both their grant and their subrecipients. Guidance for compliance is detailed in the National Monitoring Standards for RWHAP recipients. (<https://ryanwhite.hrsa.gov/grants/manage/recipient-resources>)
21. Prior approval for rebudgeting is required when cumulative transfers among direct cost budget categories (i.e., Personnel, Fringe, Travel, Equipment, Supplies, Contractual, etc.) for the current budget period exceed 25% of the total approved budget (which includes direct and indirect costs) for that budget period or \$250,000, whichever is less; or substantial changes are made to the approved work plan or project scope (e.g., changing the model of care, transferring substantive work from personnel to contractual); or the recipient wants to purchase a piece of equipment that exceeds \$5,000 and was not included in the approved project budget/application. Any of the aforementioned post-award changes in Part A and/or Minority AIDS Initiative (MAI) grant allocations must be submitted to the Project Officer via prior approval along with a letter of concurrence from the Planning Council Chair(s).
22. This action reflects a new document number. Please refer to this number when contacting the Payment Management System or submitting drawdown requests. Reporting on the Federal Financial Report (FFR) SF-425 Federal Cash Transaction Report (FCTR) should reflect this number for all disbursements related to this project period.
23. Ryan White HIV/AIDS Program (RWHAP) funds cannot pay for pre-exposure prophylaxis (PrEP) or non-occupational Post-Exposure Prophylaxis (nPEP) as the person using PrEP is not an individual living with HIV and the person using nPEP is not diagnosed with HIV prior to the exposure and therefore are not eligible for RWHAP funded medications or medical services. RWHAP Parts A and B recipients and subrecipients may provide some limited services under the EIS service category. (See the HIV/AIDS Bureau June 22, 2016 Program Letter available online at <https://ryanwhite.hrsa.gov/sites/default/files/ryanwhite/grants/prep-letter-06-22-2016.pdf>.)
24. Recipients are required to track and report all sources of service reimbursement as program income on the annual Federal Financial Report and in annual data reports. All program income earned must be used to further the objectives of the RWHAP program. For additional information, see PCN #15-03 available online at <https://ryanwhite.hrsa.gov/sites/default/files/ryanwhite/grants/pcn-15-03-program-income.pdf>
25. The funds for this award are sub-accounted in the Payment Management System (PMS) and will be in a P type (sub accounted) account. This type of account allows recipients to specifically identify the individual grant for which they are drawing funds and will assist HRSA in monitoring the award. The P sub account number and the sub account code (provided on page 1 of this Notice of Award) are both needed when requesting grant funds. You may use your existing PMS username and password to check your organizations P account access. If you do not have access, fill out a New User Access Request form at: <https://pmsapp.psc.gov/pms/app/userrequest/request/newuser?>. If you have any questions about accessing PMS, contact the PMS Liaison Accountant as identified at: <https://pms.psc.gov/find-pms-liaison-accountant.html>.
26. The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards, 45 CFR § 75.352, requires recipients to monitor the activities of subrecipients to ensure funding is used for authorized purposes, in compliance with federal statutes, regulations, and the terms and conditions of the subaward, as well as to ensure that performance goals are achieved. Recipients must ensure that subrecipients track, appropriately use, and report program income generated by the subaward. Recipients must also ensure that subrecipient expenditures adhere to legislative mandates regarding the distribution of funds. To meet the monitoring requirements, RWHAP Parts A and B recipients must conduct annual subrecipient site visits.
27. Some aspects of Syringe Services Programs are allowable with HRSA's prior approval and in compliance with HHS and HRSA policy. See <https://www.hiv.gov/federal-response/policies-issues/syringe-services-programs>.
28. If applicable, recipients must submit the Tangible Personal Property Report (TPPR) (SF-428) and any related forms. The report must be submitted within 90 days after the project period ends. Recipients are required to report all equipment with an acquisition cost of \$5,000 or more per unit acquired by the recipient with award funds. TPPRs must be submitted electronically through HRSA EHBs.
29. Funds may not be used by recipients or subrecipients for the purchase of vehicles without written prior approval from the Division of Grants

Management Operations (DGMO).

30. This award is subject to 45 CFR part 75--Uniform Administrative Requirements, Cost Principles, and Audit Requirement for HHS Awards.
31. RWHAP Part A recipients are required to use a minimum amount/percentage of this award to provide services to women, infants, children and youth (WICY) living with HIV/AIDS. The minimum set-aside amounts/percentages for each eligible metropolitan area/transitional grant area (EMA/TGA) must be determined separately for each priority population, and may not be less than the percentage of each population to the total number of persons estimated to be living with HIV/AIDS within the EMA/TGA. Waiver: If the recipient can document that one or more WICY priority populations are receiving HIV-related services through the state Medicaid program under Title XIX of the Social Security Act, the Children's Health Program (CHIP) under Title XXI of the same Act, or other qualified federal or state programs in accordance with HRSA guidelines, then the recipient may request a waiver of the minimum WICY expenditure requirement from HRSA. Recipients requesting a waiver may utilize the WICY Expenditure Report to document that all priority populations are receiving HIV/AIDS health services through other funding sources.

Standard Term(s)

- Your organization is required to have the necessary policies, procedures, and financial controls in place to ensure that your organization complies with all legal requirements and restrictions applicable to the receipt of federal funding, per HRSA Standard Terms (unless otherwise specified on your Notice of Award), and Legislative Mandates. The effectiveness of these policies, procedures, and controls is subject to audit.

Reporting Requirement(s)

- Due Date: Annually (Budget Period) Beginning: Budget Start Date Ending: Budget End Date, due 90 days after end of reporting period.**
The recipient must submit, within 90 days after budget period end date, an annual Federal Financial Report (FFR). The report should reflect cumulative reporting within the project period of the document number. **All FFRs must be submitted through the Payment Management System (PMS).** Technical questions regarding the FFR, including system access should be directed to the PMS Help Desk by submitting a ticket through the self-service web portal (**PMS Self-Service Web Portal**), or calling 877-614-5533.
- Due Date: 12/31/2024**
The recipient must submit an estimate of their FY 2024 Unobligated Balances (UOB) and an estimated carryover request no later than December 31, 2024, consistent with reporting guidelines, instructions, and/or reporting templates provided in the HRSA EHBs.
- Due Date: Within 90 Days of Budget End Date**
The recipient must submit a Final FY 2024 Part A Annual Progress Report no later than 90 days after the budget period end date, consistent with reporting guidelines, instructions, and/or reporting templates provided in the HRSA EHBs.
- Due Date: Within 90 Days of Budget End Date**
The recipient must submit the Ryan White HIV/AIDS Program Expenditure Report no later than 90 days after the budget period end date, consistent with reporting guidelines, instructions, and/or reporting templates provided in the HRSA EHBs.
- Due Date: 03/31/2025**
Submit the Ryan White Services Report (RSR) which consists of recipient, service provider, and patient level reports for the calendar year via the EHBs by 6:00 PM ET on the last Monday in March. See <http://hab.hrsa.gov/manageyourgrant/reportingrequirements.html> for additional information.

Failure to comply with these reporting requirements will result in deferral or additional restrictions of future funding decisions.

HRSA Electronic Handbooks (EHBs) Registration Requirements

The Project Director of the grant (listed on this NoA) and the Authorizing Official of the grantee organization are required to register (if not already registered) within HRSA's Electronic Handbooks (EHBs). Registration within HRSA EHBs is required only once for each user for each organization they represent. To complete the registration quickly and efficiently we recommend that you note the 10-digit grant number from box 4b of this NoA. After you have completed the initial registration steps (i.e., created an individual account and associated it with the correct grantee organization record), be sure to add this grant to your portfolio. This registration in HRSA EHBs is required for submission of noncompeting continuation applications. In addition, you can also use HRSA EHBs to perform other activities such as updating addresses, updating email addresses and submitting certain deliverables electronically. Visit <https://grants3.hrsa.gov/2010/WebEPSEExternal/Interface/common/accesscontrol/login.aspx> to use the system. Additional help is available online and/or from the HRSA Call Center at 877-Go4-HRSA/877-464-4772.

Terms and Conditions

Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.

Grant Specific Term(s)

1. 45 CFR Part 75 applies to all federal funds associated with the award. Part 75 has been effective since December 26, 2014. All references to prior OMB Circulars for the administrative and audit requirements and the cost principles that govern Federal monies associated with this award are superseded by the Uniform Guidance 2 CFR Part 200 as codified by HHS at 45 CFR Part 75.
2. The funds for this award are in a sub-account in the Payment Management System (PMS). This type of account allows recipients to specifically identify the individual grant for which they are drawing funds and will assist HRSA in monitoring the award. Access to the PMS account number is provided to individuals at the organization who have permissions established within PMS. The PMS sub-account code can be found on the HRSA specific section of the NoA (Accounting Classification Codes). Both the PMS account number and sub-account code are needed when requesting grant funds. **Please note that for new and competing continuation awards issued after 10/1/2020, the sub-account code will be the document number.**
You may use your existing PMS username and password to check your organizations' account access. If you do not have access, complete a PMS Access Form (PMS/FFR Form) found at: <https://pmsapp.psc.gov/pms/app/userrequest>. If you have any questions about accessing PMS, contact the PMS Liaison Accountant as identified at:
<http://pms.psc.gov/find-pms-liaison-accountant.html>
3. This Notice of Award is issued based on HRSA's approval of the Non-Competing Continuation (NCC) Progress Report. All post-award requests, such as significant budget revisions or a change in scope, must be submitted as a Prior Approval action via the Electronic Handbooks (EHBs) and approved by HRSA prior to implementation. Grantees under "Expanded Authority," as noted in the Remarks section of the Notice of Award, have different prior approval requirements. See "Prior-Approval Requirements" in the DHHS Grants Policy Statement: <https://www.hhs.gov/sites/default/files/grants/grants/policies-regulations/hhsgps107.pdf>.
4. As a condition of accepting this award the recipient must comply with data requirements of the RSR and will mandate compliance by each of your subrecipients. The RSR captures information necessary to demonstrate program performance and accountability. All EHE core service and support service providers are required to submit client-level data as instructed in the RSR manual. Please refer to the RSR Webpage for additional information.
5. HRSA is operating under a Continuing Resolution; therefore, this award provides partial funding based on the continuation of FY 2023 program requirements, funding levels, and specialized reporting requirements. Additions and revisions to these Terms and Conditions may be necessary once HRSA receives a final FY 2024 appropriations. A revised Notice of Award (NoA) will be issued to reflect any changes to funding amounts, Terms and Conditions, and/or reporting requirements.

Program Specific Term(s)

1. In accordance with 45 CFR § 75.322(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was purchased, under an award. HRSA HAB reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for Federal purposes, and to authorize others to do so.
2. Funding beyond this budget period is contingent upon the availability of appropriated funds for this program in subsequent fiscal years, recipient satisfactory performance, and a decision that continued funding is in the best interest of the Federal Government.
3. Unless otherwise specified, all Conditions and Reporting Requirements must be electronically submitted through the HRSA Electronic Handbooks (EHBs).
4. As required by the Federal Funding Accountability and Transparency Act of 2006 (Pub. L. 109-282), as amended by section 6202 of Public Law 110-252, recipients must report information for each subaward of \$30,000 or more in Federal funds and executive total compensation

of the project period and so include all subsequent award actions to aforementioned HRSA grants and cooperative agreement awards (e.g., Type 2 (competing continuation), Type 5 (non-competing continuation), etc.). Subawards to individuals are exempt from these requirements. For more information, visit: <http://www.hrsa.gov/grants/ffata.html>.

5. RWHAP funds may not be used to make cash payments to intended clients of RWHAP-funded services. This prohibition includes cash incentives and cash intended as payment for RWHAP services. Where direct provision of the service is not possible or effective, store gift cards, vouchers, coupons, or tickets that can be exchanged for a specific service or commodity (e.g., food or transportation) must be used. Store gift cards that can be redeemed at one merchant or an affiliated group of merchants for specific goods or services that further the goals and objectives of the RWHAP are also allowable as incentives for eligible program participants. Recipients are advised to administer voucher and store gift card programs in a manner which assures that they cannot be exchanged for cash or used for anything other than the allowable goods or services, and that systems are in place to account for disbursed vouchers and store gift cards. Note: General-use prepaid cards are considered "cash equivalent" and are therefore unallowable. Such cards generally bear the logo of a payment network, such as Visa, MasterCard, or American Express, and are accepted by any merchant that accepts those credit or debit cards as payment. Gift cards that are cobranded with the logo of a payment network and the logo of a merchant or affiliated group of merchants are general-use prepaid cards, not store gift cards, and therefore are also unallowable.
6. If applicable, recipients must submit the Tangible Personal Property Report (TPPR) (SF-428) and any related forms. The report must be submitted within 90 days after the project period ends. Recipients are required to report all equipment with an acquisition cost of \$5,000 or more per unit acquired by the recipient with award funds. TPPRs must be submitted electronically through HRSA EHBs.
7. The Ryan White HIV/AIDS Program (RWHAP) legislation requires, to the maximum extent practicable, that core medical and support services will be provided without regard to an individual's ability to pay, or to the current or past health condition of the individual to be served. Consequently, HRSA expects that RWHAP recipients and subrecipients utilize a grievance process, articulated in writing, to investigate complaints for denial of services.
8. Any recipients that collect rebates on ADAP medication purchases funded through EHE must adhere to outlined provisions in HRSA HAB PCN # 15-04: Utilization and Reporting of Pharmaceutical Rebates. See https://hab.hrsa.gov/sites/default/files/hab/Global/pcn_15-04_pharmaceutical_rebates.pdf
9. All recipients who are providing services under EHE that are available in the Medicaid State plan must have entered into a participation agreement under the State plan and be qualified to receive payments under such plan, or receive a waiver from this requirement.
10. If the recipient expends any of the Initiative award on the AIDS Drug Assistance Program (ADAP), it must comply with data reporting requirements of the ADAP Data Report (ADR) for those funds. Acceptance of this award indicates that you will comply with data requirements of the ADR and will mandate compliance by each of your contractors and subcontractors. The ADR captures information necessary to demonstrate program performance and accountability. Please refer to the ADR Webpage for more information.
11. Submit, every two (2) years, to the lead State or MTA agency for the EHE initiative, audits consistent with 45 CFR 75 Subpart F, regarding funds expended in accordance with this title.
12. Consistent with Departmental guidance, HRSA recipients that purchase, are reimbursed or provide reimbursement to other entities for outpatient prescription drugs are expected to secure the best prices available for such products and to maximize results for the recipient organization and its patients. Eligible health care organizations/covered entities that enroll in the 340B Program must comply with all 340B Program requirements and will be subject to audit regarding 340B Program compliance. 340B Program requirements, including eligibility, can be found at www.hrsa.gov/opa.
13. As a condition of accepting this award the recipient must adhere to all program policies and guidance governing the EHE program
14. During each budget period, recipients must include in their program budget travel support for staff members (one staff member must be the program director or a designated representative) to attend meetings/conferences identified by HRSA HAB as essential to EHE administration and implementation. HRSA HAB meetings may include, but are not limited to, the biennial National Ryan White Conference on HIV Care and Treatment, grant-specific Administrative Reverse Site Visits (ARSV), or targeted technical assistance events. Meetings are generally held in the Washington, D.C. metropolitan area. If no essential meetings are held during the budget period, recipients can reallocate funds for other allowable grant expenses. Recipients must comply with 45 CFR Part 75.474 and all other applicable HHS and Federal policies governing travel supported under Federal assistance awards.
15. Funds may not be used for payments for any item or service to the extent that payment has been made, or reasonably can be expected to be made, with respect to that item or service under any state compensation program, insurance policy, federal or state health benefits program or by an entity that provides health services on a prepaid basis (except for a program administered by or providing the services of the Indian Health Services).

In addition, funds may not be used for the following purposes:

- ◦ Cash payment to intended recipients of services.

- International travel.
 - Construction (minor alterations and renovations to an existing facility to make it more suitable for the purposes of the award program are allowable with prior HRSA approval).
 - Syringe Services Programs (SSPs). Some aspects of SSPs are allowable with HRSA's prior approval and in compliance with HHS and HRSA policy.
 - Pre Exposure Prophylaxis (PrEP) medications and related medical services or Post-Exposure Prophylaxis (PEP), as the person using PrEP or PEP does not have HIV and therefore not eligible for HRSA HAB initiative funded medication.
16. Recipients must submit an annual Non-Competing Continuation (NCC) Progress Report via the HRSA EHBs 90 days prior to the budget period end date. Submission and HRSA approval of this NCC Progress Report triggers the budget period renewal and release of subsequent year funds. The report demonstrates recipient progress on program-specific goals and collects core performance measurement data to measure the progress and impact of the project.
17. The EHE initiative specifies criteria for the expenditure of program funds as follows:
- Recipient costs for grant administration may not exceed ten (10) percent of the grant award. Planning and evaluation costs may not exceed ten (10) percent of the grant award. Collectively, recipient administration and planning and evaluation costs may not exceed fifteen (15) percent of the grant award. The aggregate total of administrative expenditures for subrecipients, including all indirect costs, may not exceed 10 percent of the aggregate amount of all subawards.
 - If the recipient elects to expend funds for clinical quality management activities that amount shall not exceed the lesser of 5 percent of the total grant funds or \$3 million.
18. This action reflects a new document number. Please refer to this number when contacting the Payment Management System or submitting drawdown requests. Reporting on the Federal Financial Report (FFR) SF-425 Federal Cash Transaction Report (FCTR) should reflect this number for all disbursements related to this project period.
19. Funds may not be used by grantees or subcontractors for the purchase of vehicles without written approval from the Division of Grants Management Operations (DGMO).
20. The recipient shall make all files, including captioning, audio descriptions, videos, tables, graphics/pictures, registration forms, presentations (both audio and video) or other types of proprietary format files – e.g., Adobe Portable Document Format (.pdf), Microsoft Office PowerPoint (.ppt) and Microsoft Excel (.xls), fully accessible to members of the public with disabilities. Technical and functional standards for accessibility are codified at 36 CFR Part 1194 and may be accessed through the Access Board's Web site at <http://www.access-board.gov>.
21. This award is subject to 45 CFR part 75--Uniform Administrative Requirements, Cost Principles, and Audit Requirement for HHS Awards.
22. Funding will be provided in the form of cooperative agreement. A cooperative agreement, as opposed to a grant, is an award instrument of financial assistance where substantial involvement is anticipated between HRSA and the recipient during performance of the contemplated project. The recipient is expected to collaborate with HAB and its RWHAP recipients to achieve the expectations described in the program expectations section. Certain activities must be planned jointly and include HAB's input. HRSA HAB must be aware of all project activities in sufficient time to provide input and/or assistance. This substantial involvement is in addition to the usual monitoring and technical assistance provided under the cooperative agreement.
- As a cooperative agreement, HRSA programmatic involvement will include:
- Providing the expertise of HRSA HAB personnel and other relevant resources to support the efforts of the initiative activities;
 - Facilitating partnership and communication with other federal agencies, particularly CDC, to improve coordination efforts;
 - Facilitating collaboration with the TAP and SCP to assist in the development, implementation, coordination, and integration of initiative activities;
 - Participating in the design and direction of the strategies, interventions, tools, and processes to be established and implemented for accomplishing the goals of the cooperative agreement;
 - Approving uses of funds outside of existing allowable RWHAP costs and service categories;
 - Providing ongoing review of the establishment and implementation of activities and measures for accomplishing the goals of the cooperative agreement;
 - Participating, as appropriate, in conference calls and meetings that are conducted during the project period of the cooperative agreement;
 - Reviewing and concurring with all information products prior to dissemination; and
 - Facilitating the dissemination of project findings, best practices, evaluation data, and other information developed as part of this project to the broader network of RWHAP recipients.

In collaboration with HRSA, the cooperative agreement recipient's responsibilities will include:

- Completing proposed initiative work plan activities within the five-year project period;
 - Collaborating with HRSA on review of activities, procedures, and budget items, including timely communication with project officer;
 - Developing and implementing a methodology, including proposed metrics, to measure the impact of proposed activities, as well as reporting on outcomes;
 - Ensuring proposed activities are based on documented need, targeted for maximum impact on HIV care continuum outcomes, and designed to reach the identified target population(s);
 - Coordinating the initiative activities with their existing RWHAP programs;
 - Collaborating with CDC funded organizations, health centers, and other local and state government agencies on implementing initiative activities;
 - Collaborating with the TAP and SCP on the development, implementation, coordination, and integration of initiative activities;
 - Developing a sustainability plan to support successful activities following conclusion of the cooperative agreement;
 - Modifying activities as necessary to ensure relevant outcomes for the project; and
23. For all action steps that require input from the HAB Project Officer and other HAB staff, you must allow for at least a three (3) week response time for information, approval, planning, or technical assistance. Work plan tables must be adjusted to include the minimum response time for all relevant activities.
24. Per 45 CFR §75.351 - .353, recipients must monitor the activities of their subrecipients as necessary to ensure that the subaward is used for authorized purposes, in compliance with Federal statutes, Ryan White HIV/AIDS Program legislative requirements, regulations, and the terms and conditions of the subaward; and that subaward performance goals are achieved. Recipients must ensure that subrecipients track, appropriately use, and report program income generated by the subaward. Recipients must also ensure that subrecipient expenditures adhere to legislative mandates regarding the distribution of funds.
25. Recipients are required to track and report all program income on the annual Federal Financial Report. All program income earned must be used to further the objectives of the Ryan White HIV/AIDS Program. For additional information, see PCN #15-03 available online at <https://hab.hrsa.gov/program-grants-management/policy-notices-and-program-letters>.
26. As outlined in Notice of Funding Opportunity HRSA-20-078, the only requirement for determining eligibility for EHE service provision is that the individual has a documented HIV diagnosis. HRSA expects that all new clients who are provided any services (whether EHE or RWHAP) in an EHE-funded jurisdiction will be counted as an EHE client.
27. Resumes/CV for key personnel supported by this cooperative agreement and not named in the FY 2020 application must be submitted to the HRSA Grants Management Office through the EHB Prior Approval Portal for review prior to appointment to the project. This requirement also includes all key personnel hired due to vacancy, resignation, termination or attrition subsequent to the issue date on the Notice of Award.
28. Recipients may request carryover of any unobligated balance (UOB) from the Ending the HIV Epidemic in the U.S. initiative funding throughout the life of the period of performance ending on February 28, 2025. A Prior Approval request for carryover of UOB must be submitted via HRSA's Electronic Handbooks (EHBs). Funds may not be used without written approval from the Division of Grants Management Operations (DGMO). When submitting your Prior Approval request, you must include the year you are requesting the funds to be carried from and the amount. It is your responsibility to track the UOB based on the project budget period during the five year period of performance.
29. The recipient is required to establish and maintain a process for protecting client confidentiality throughout the project period. Client confidentiality requirements apply to all phases of the project.

Standard Term(s)

1. Your organization is required to have the necessary policies, procedures, and financial controls in place to ensure that your organization complies with all legal requirements and restrictions applicable to the receipt of federal funding, per HRSA Standard Terms (unless otherwise specified on your Notice of Award), and Legislative Mandates. The effectiveness of these policies, procedures, and controls is subject to audit.

Reporting Requirement(s)

1. **Due Date: Annually (Budget Period) Beginning: Budget Start Date Ending: Budget End Date, due 90 days after end of reporting period**

The recipient must submit, within 90 days after budget period end date, an annual Federal Financial Report (FFR). The report should reflect cumulative reporting within the project period of the document number. **All FFRs must be submitted through the Payment Management System (PMS).** Technical questions regarding the FFR, including system access should be directed to the PMS Help Desk by submitting a ticket through the self-service web portal (**PMS Self-Service Web Portal**), or calling 877-614-5533.

2. Due Date: 09/30/2024

Biannual Progress Report: Recipients must submit two progress reports during the budget period via the HRSA Electronic Handbooks (EHB) system. The information will include recipient progress on program specific goals and strategies; key accomplishments including a list of all developed materials, tools and websites; barriers encountered and how resolved; and responses to summary questions regarding overall impact. Recipients must submit the report on-line in the EHBs. The format for these reports will be provided by the program staff within the EHB.

3. Due Date: 03/31/2025

Biannual Progress Report: Recipients must submit two progress reports during the budget period via the HRSA Electronic Handbooks (EHB) system. The information will include recipient progress on program specific goals and strategies; key accomplishments including a list of all developed materials, tools and websites; barriers encountered and how resolved; and responses to summary questions regarding overall impact. Recipients must submit the report on-line in the EHBs. The format for these reports will be provided by the program staff within the EHB.

4. Due Date: 03/24/2025

Submit the Ryan White Services Report (RSR) which consists of recipient, service provider, and client level reports for the calendar year via the EHBs by 6:00 PM ET on the last Monday in March. See <http://hab.hrsa.gov/manageyourgrant/reportingrequirements.html> for additional information

5. Due Date: Within 90 Days of Project End Date

The recipient must submit an annual Initiative Expenditure Report.

6. Due Date: 06/15/2024

As a condition of accepting this award the recipient must comply with data requirements of the Ending the HIV Epidemic Aggregate Module and will mandate compliance by each of your subrecipients. EHE funded subrecipients must submit a report of aggregate data on a triannual basis. Subrecipients will report using a standard template that captures aggregate counts of services received by clients during the triannual period.

7. Due Date: 10/15/2024

As a condition of accepting this award the recipient must comply with data requirements of the Ending the HIV Epidemic Aggregate Module and will mandate compliance by each of your subrecipients. EHE funded subrecipients must submit a report of aggregate data on a triannual basis. Subrecipients will report using a standard template that captures aggregate counts of services received by clients during the triannual period.

8. Due Date: 02/15/2025

As a condition of accepting this award the recipient must comply with data requirements of the Ending the HIV Epidemic Aggregate Module and will mandate compliance by each of your subrecipients. EHE funded subrecipients must submit a report of aggregate data on a triannual basis. Subrecipients will report using a standard template that captures aggregate counts of services received by clients during the triannual period.

9. Due Date: Within 90 Days of Project End Date

The recipient must submit a final report. The final report is due within 90 days after the project period ends. The final report collects information relevant to program-specific goals and progress on strategies; core performance measurement data; impact of the overall project; the degree to which the recipient achieved the mission, goal and strategies outlined in the program; recipient objectives and accomplishments; barriers encountered; resolutions to barriers encountered and responses to summary questions regarding the recipient's overall experiences during the entire project period.

Failure to comply with these reporting requirements will result in deferral or additional restrictions of future funding decisions.
