I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve:

- A) an Agreement for Purchase and Sale of a 8.53 acre parcel of vacant land located on Bee Line Highway north of Indiantown Road from Ramon Vilarino for \$344,151 plus closing, title insurance and recording costs estimated to be \$2,292; and
- B) a Memorandum of Agreement with Ramon Vilarino to be recorded in the public records to provide notice of this Agreement.

Summary: On November 2, 2021, the Board of County Commissioners (Board) approved a Fiscal Strategy for the spending of American Rescue Plan Act (ARPA) funds, which included an allocation of \$4,000,000 for the acquisition of environmentally sensitive lands. The parcel owned by Ramon Vilarino (Vilarino Parcel) is a road front parcel located in an area known as Palm Beach Heights (part of the Pal-Mar Ecosite). The Pal-Mar Ecosite is part of a large ecological greenway that stretches from just west of the Atlantic Ocean to just east of Lake Okeechobee. The area provides habitat for a wide variety of native plants and animals and it is part of a hydrologically significant region that includes the headwaters of the federally designated Wild and Scenic Northwest Fork of the Loxahatchee River. Hence its value as environmentally sensitive land. Appraisals were obtained from Anderson & Carr, Inc. and M.R. Ford & Associates, Inc. who assigned a \$35,000 and \$40,922 per acre value for road frontage parcels in Palm Beach Heights, respectively. Callaway & Price, Inc. reviewed the appraisals and concluded a reasonable aggregate value of \$40,346 per acre for road frontage Palm Beach Heights parcels, which is the basis of the purchase price. The Agreement allow for the County’s due diligence review of the parcel within 45 days of Board approval. The County will pay title insurance policy premium, closing and recording costs estimated to be \$2,292 for the Vilarino parcel. The Environmental Resources and Management (ERM) Department will perform a pre-acquisition environmental assessment for the parcel prior to closing. A boundary survey will not be obtained for the parcel due to its environmentally sensitive and wet nature. ERM will be responsible for the administration of the parcel. All costs related to the acquisition will be paid from existing funds received from the ARPA Response Replacement Fund. **These are County ARPA Response Replacement funds that do not require a local match. This acquisition must be approved by a supermajority vote (5 Commissioners). (Property & Real Estate Management) District 1 (HJF)**

Background and Policy Issues: Lands in the Pal-Mar Ecosite were on the County’s proposed acquisition list for both the Palm Beach County Environmentally Sensitive Lands Bond Referendum of March 12, 1991, and the Palm Beach County Lands for Conservation Purposes Bond Issue Referendum of March 9, 1999. Some of the proceeds from those two referendums were used to acquire larger tracts of land within the Pal-Mar Ecosite. However, the funds ran out before the County could initiate a willing seller program within the Palm Beach Heights portion of the Pal-Mar Ecosite.

In November 2021, the Board approved the use of ARPA Response Project Funds to initiate a willing seller program to acquire environmentally sensitive lands within the County. One of the areas identified for potential acquisition was Palm Beach Heights. Willing seller offer letters have been sent to all owners of parcels within the Palm Beach Heights area that front Bee Line Highway.

The County currently owns 199 of the 434 parcels in the Palm Beach County portion of Palm Beach Heights. The County has been acquiring parcels in this area as they become available. The Vilarino parcel is bordered by County owned parcels to the west, northwest, east and northeast; it contains wet flatwoods, mesic flatwoods, wet prairie and depression marsh habitats. A summary of acquisitions approved by the Board to date under the ARPA-funded willing seller program to acquire environmentally sensitive lands within the County is provided in Attachment 4.

A Disclosure of Beneficial Interests is not required from Ramon Vilarino since he is an individual.

In the event the title insurance commitment shall show as an exception any matter other than the Permitted Exceptions, County shall notify Seller of County's objection thereto, and Seller shall act with reasonable effort, including bringing suit, to remove such exception(s), which exception(s) shall be deemed to constitute title defects. The Seller shall be entitled to ninety (90) days from the date of notification by County (with adjournment of the Closing Date, if necessary) within which to cure such defects or to make arrangements with the title insurer for deletion of any such title defects from the title insurance commitment without the inclusion of any additional exceptions to coverage. Notwithstanding the foregoing, Seller shall have the option of discharging any such matters at Closing with the closing proceeds. If the defect(s) shall not have been so cured or removed from the title insurance commitment by endorsement thereto at the termination of the said ninety (90) day period, County shall have the option of: (a) accepting title to the Property as it then exists; or (b) terminating this Agreement, by giving written notice thereof to Seller, provided, however, County shall not thereby waive any rights or remedies available to County due to such default by Seller, including an action for damages.

6.2 County may request, prior to the Closing, an endorsement of the title insurance commitment making it effective to within fifteen (15) days of the Closing Date. At Closing, County shall cause the title insurance commitment to be endorsed to remove, without the inclusion of any additional exceptions to coverage, any and all requirements or preconditions to the issuance of an owner's title insurance policy, and to delete any exceptions for: (a) any rights or claims of parties in possession not shown by the public records; (b) encroachments, overlaps, boundary line disputes and any other matters which would be disclosed by an accurate survey and inspection of the Property (provided County obtains a survey in accordance with Section 7 hereof); (c) easements or claims of easement not shown by the public records (provided County obtains a survey in accordance with Section 7 hereof); (d) any lien, or right to a lien, for services, labor or material heretofore or hereinafter furnished, imposed by law and not shown by the public records; (e) taxes for the year of Closing and all prior years, and taxes or special assessments which are not shown as existing liens by the public records; (f) matters arising or attaching subsequent to the effective date of the title insurance commitment but before the acquisition of record of title to the Property by the County; and (g) any general or specific title exceptions other than the Permitted Exceptions.

6.3 From and after the Effective Date of this Agreement, Seller shall take no action which would impair or otherwise affect title to any portion of the Property, and shall record no documents in the Public Records which would affect title to the Real Property, without the prior written consent of the County.

7. **SURVEY.** County shall have the right, within the time period provided in Section 6 for delivery and examination of title, to obtain a current survey of the Real Property and all improvements thereon. If the survey reveals any encroachments, overlaps, boundary disputes, or other defects, or any matters other than the Permitted Exceptions, the same shall be treated as title defects as described in Section 6 of this Agreement, and County shall have the same rights and remedies as set forth therein.

8. **MAINTENANCE.** Between the Effective Date and Closing, Seller shall maintain the Property in the condition in which it existed as of the Effective Date. Notwithstanding the foregoing, Seller shall deliver the Property at Closing free of any trash, refuse or other debris, and in full compliance with all governmental regulations. Seller shall bear the risk of any loss, damage or casualty to the Property prior to Closing. County shall have access to the Property at any reasonable time prior to Closing to verify Seller's compliance herewith.

9. **CONDITION PRECEDENT TO CLOSING.** The following are conditions precedent to County's obligation to close upon its purchase of the Property: (1) Seller shall have performed all of the covenants and obligations under this Agreement that it is obligated to perform at or prior to Closing, on or prior to the dates such performance is required hereby; (2) Seller's representations and warranties identified in this Agreement shall be true and correct; (3) there shall have been no change in the condition of the Property or the status of title to the Property, other than as specifically permitted by this Agreement. The foregoing shall be in addition to any Disclosure or notice of change thereto previously provided to County, and in the same form as previously provided to County. In the event Seller is an individual, Seller is exempt from this provision.

10.3.3 **Affidavit of Seller.** A Seller's Affidavit stating that the Property is free and clear of all encumbrances, mortgages, liens, leases, licenses, contracts or claim of rights in a form sufficient to permit the title insurer to delete the "Gap" and "Standard Exceptions" from the title insurance policy and insure County's title to the Property in accordance with Section 6 of this Agreement, subject only to the Permitted Exceptions.

10.3.4 **Non-Foreign Affidavit.** Seller represents and warrants to County that Seller is not a "foreign person" as defined by the Federal Foreign Investment in Real Property Tax Act (the "Act"). At Closing, the Seller shall execute and deliver to County a "Non-Foreign Affidavit", as required by the Act. Seller acknowledges that in the event Seller fails to deliver the Non-Foreign Affidavit, County shall be authorized to withhold from the closing proceeds an amount equal to ten percent (10%) of the gross amount of the purchase price and to remit same to the Internal Revenue Service, as required by the Act.

10.3.5 **Closing Statement.** A Closing Statement prepared in accordance with the terms hereof.

In the event that any section, paragraph, sentence, clause, or provision hereof be held by a court of competent jurisdiction to be invalid, such shall not affect the remaining portions of this Agreement and the same shall remain in full force and effect.

27. **NO THIRD PARTY BENEFICIARY.** No provision of this Agreement is intended to, or shall be construed to, create any third party beneficiary or to provide any rights to any person or entity not a party to this Agreement, including but not limited to any citizens of Palm Beach County or employees of County or Seller.

28. **ENTIRE UNDERSTANDING.** This Agreement represents the entire understanding between the parties and supersedes all other negotiations, representations, or agreements, written or oral, relating to this Agreement.

29. **SURVIVAL.** The parties' warranties, agreements, covenants, and representations set forth in this Agreement shall not be merged and shall survive consummation of the transaction contemplated by this Agreement.

30. **WAIVER.** No waiver of any provision of this Agreement shall be effective against any party hereto unless it is in writing and signed by the party waiving such provision. A written waiver shall only be effective as to the specific instance for which it is obtained and shall not be deemed a continuing or future waiver.

31. **AMENDMENT.** This Agreement may be modified and amended only by written instrument executed by the parties hereto.

32. **INCORPORATION BY REFERENCE.** Exhibits attached hereto and referenced herein shall be deemed to be incorporated into this Agreement by reference.

33. **TIME COMPUTATION.** Any references in this Agreement to time periods of less than six (6) days shall, in the computation thereof, exclude Saturdays, Sundays, and federal or state legal holidays; any time period provided for in this Agreement that shall end on a Saturday, Sunday, federal or state legal holiday shall extend to 5:00 p.m. (EST) of the next day that is not a Saturday, Sunday, federal or state legal holiday.

34. **RADON GAS.** Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon testing may be obtained from your County public health unit.

35. **PALM BEACH COUNTY OFFICE OF THE INSPECTOR GENERAL AUDIT REQUIREMENTS.** Palm Beach County has established the Office of the Inspector General in Palm Beach County Code, Section 2-421 - 2-440, as may be amended. **REPORT ON LACK OF DEVELOPMENT POTENTIAL OF
PALM BEACH HEIGHTS PARCELS -
APRIL 2017**

Purpose:

The purpose of this report is to notify and help educate land owners and other interested parties regarding the lack of development potential (also known as "buildability") of parcels within the Palm Beach Heights portion of Palm Beach County (Palm Beach Heights; Attachment).

Lack of Development Potential:

As of April 2017 most of the parcels in Palm Beach Heights could not meet current land development regulations and therefore are not buildable. The eight parcels along the Beeline Highway and Indiantown Road described below may be an exception due to their direct access to an existing road and the timing of their original deeds. However, a number of significant regulatory hurdles must be overcome for those parcels to be considered buildable.

Factors Affecting Development Potential:

There are 434 individually-deeded parcels within this approximate 716-acre area. In order for parcels to be buildable they must have been created by legal subdivision, meet the density requirements of the Comprehensive Plan and meet the regulations in the Unified Land Development Code (ULDC) or qualify under the Potentially Buildable Lot Review. They also must have an approved drainage plan before they can be issued a permit for the operation of a septic system, and receive a wetland fill permit from the South Florida Water Management District (SFWMD) and the Army Corps of Engineers (ACOE) prior to impacting any existing wetlands.

Only 26 of the 434 parcels were deeded into separate ownership before February 5, 1973 and are considered "grandfathered" with respect to the subdivision rule requirements for a legal subdivision. Unlike some of the Jupiter Farms areas, the owners of the Palm Beach Heights area failed to apply for and obtain an Affidavit of Exemption which could have exempted the Palm Beach Heights area from the subdivision rule. As a result, all other Palm Beach Heights parcels are considered an illegal subdivision. Of the 26 grandfathered parcels, two were owned by the same entity on February 5, 1973 and were grandfathered only as a single, combined parcel. Two of the 26 grandfathered parcels are now owned by Palm Beach County. None of the grandfathered parcels can meet the ULDC requirement of having useable access from an existing road, in this case, to either the Beeline Highway or Indiantown Road. While some road easements exist, they are principally over submerged lands and are considered unusable.

Eight parcels along the Beeline Highway and Indiantown Road, which were originally deeded between February 5, 1973 and June 16, 1992, may be able to meet the requirements listed under Zoning's Potentially Buildable Lot Review. However, unless they get an approved drainage plan from the SFWMD and/or the PBC Engineering Department, in addition to the necessary wetland

permits, these eight parcels also would be unbuildable. None of these parcels have received drainage approval from the Land Development Division. As a result, they may not be able to receive approval for septic tank usage based on the Florida Department of Health's criteria. The likelihood of receiving SFWMD or ACOE permits for wetland fill is considered remote and building in wetland areas without such permits would be in violation of federal and state rules and regulations.

Confirmation of Factors Listed Above Which Affect the Development Potential and Buildability of Parcels within Palm Beach Heights:
