

PALM BEACH COUNTY  
BOARD OF COUNTY COMMISSIONERS  
BOARD APPOINTMENT SUMMARY

Meeting Date: July 8, 2025

Department:  
Submitted by: Community Services  
Advisory Board: Palm Beach County HIV CARE Council

I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve:

A) the appointment of one (1) member to the Palm Beach County (County) HIV Comprehensive AIDS Resources Emergency Act Council (HIVCC) to fill an unexpired term, from July 8, 2025 to November 4, 2026, followed by a full three (3) year term from November 4, 2026 to November 3, 2029:

<u>Seat No</u>	<u>Appointment</u>	<u>Recommended By</u>
1	Orquidea Acevedo	HIV CARE Council; and

B) the reappointment of one (1) member to the HIVCC for the term July 8, 2025 to July 7, 2028:

<u>Seat No</u>	<u>Appointment</u>	<u>Recommended By</u>
24	Cynthia Ann Walker	HIV CARE Council

**Summary:** HIVCC establishes priorities for the allocation of Ryan White (RW) HIV/AIDS Program funds within the County; and develops a comprehensive plan for the organization and delivery of health services described in 42 U.S.C. § 300ff, et seq., that is compatible with any existing state or local plan regarding the provision of health services to individuals with HIV/AIDS disease. The United States Department of Health and Human Services, through the Health Resources and Services Administration (HRSA), requires the County to maintain a planning council responsible for establishing priorities and allocating RW grant funding. The HIVCC is that council. Federal law requires that the HIVCC composition reflect the demographics of individuals with HIV/AIDS in the County. At least 33% of its members must be consumers of RW services who are not affiliated with subrecipient service providers. The law also requires that the HIVCC represent designated areas, including health care providers, social service providers, community-based organizations, local public health agencies, non-elected community leaders, and grantees of Federal HIV programs. Per Resolution R2011-1560, the total membership for the HIVCC shall not exceed 33 at-large members. The HIVCC recommends the new appointment of Ms. Acevedo, who will complete the term of Lilia Perez, and the reappointment of Ms. Walker. There are currently 23 seats filled. Countywide (HH)

**Background and Justification:** In accordance with the RW Comprehensive AIDS Resources Emergency Act of 1990 (RW Care Act) (P.L.101-381), the County was designated an eligible metropolitan area disproportionately affected by the HIV/AIDS epidemic, with a demand for services exceeding the capacity of local resources. The Federal Government, through HRSA, has made funds available to the County. In order to access these funds, Title I (Part A) of the RW Care Act mandates that the County designate a Title I (Part A) HIV Services Planning Council. To that end, the Board of County Commissioners (BCC) established the HIVCC, per Resolution R2011-1560, dated October 18, 2011, and amended it on January 23, 2018, through Resolution R2018-0015. The RW Care Act Amendments of 1996 mandate a nomination process for appointments to Title I (Part A) planning councils. As vacancies occur on the HIVCC, replacements are selected in accordance with the nomination process that was adopted and approved by the HIVCC on June 25, 2012.

**RESOLUTION NO. R-2011-1560**

**RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF PALM BEACH COUNTY, FLORIDA, DESIGNATING THE PALM BEACH COUNTY HIV COMPREHENSIVE AIDS RESOURCES EMERGENCY COUNCIL, HEREAFTER REFERRED TO AS "CARE COUNCIL", AS THE HIV SERVICES PLANNING COUNCIL REQUIRED UNDER PART A OF THE RYAN WHITE ACT: REPEALING RESOLUTION NO. R97-1067; AND UPDATING GRANT TITLE TO RYAN WHITE PART A AND PART B.**

**WHEREAS**, Palm Beach County has been identified as a locality which is disproportionately affected by the HIV epidemic and which has a substantial need for service; and

**WHEREAS**, the local demand for services far exceeds the capacity of local resources to meet that demand; and

**WHEREAS**, Congress has enacted the Ryan White Comprehensive AIDS Resources Emergency Act of 1990, P.L. 101-381, as amended, for the purpose of providing emergency financial support services to persons affected by the AIDS epidemic; and

**WHEREAS**, the Ryan White Act requires a grantee to establish or designate a HIV Services planning Council; and

**WHEREAS**, the current HIV Services Planning Association has worked with the grantees for Ryan White Part B and Housing Opportunities for Persons With AIDS (HOPWA) funds to establish a coordinated planning and advisory body to enhance the delivery of services to HIV-infected persons in Palm Beach County, and has created the CARE Council; and

**WHEREAS**, the Palm Beach County Board of County Commissioners wishes to designate the CARE Council as the HIV Services Planning Council.

**NOW, THEREFORE BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF PALM BEACH COUNTY, FLORIDA**, that:

- I. Designation of the CARE Council. IV. Duties and Responsibilities. The CARE Council shall:

- a) Develop a comprehensive plan for the organization and delivery of health services described in the Ryan White Act, as amended, that is compatible with any existing state or local plan regarding the provision of health services to individuals with HIV disease;

  - 1. Documented need of the HIV-infected population;

- e) Participate in the development of a Statewide Coordinate Statement of Need initiated by the state public health agency responsible for administering grants under Part B of the Ryan White Act.

I. EXECUTIVE BRIEF

- A. **Motion and Title:** Staff recommends motion to adopt: A resolution of the Board of County Commissioners of Palm Beach County, Florida, designating the Palm Beach County HIV Comprehensive AIDS Resources Emergency Council, hereinafter referred to as the "CARE Council", as the HIV Services Planning Council Required Under Title I of the Ryan White Care Act; Repealing Resolution No. 93-1182; and Providing for an effective date.
- B. **Summary:** The Palm Beach County HIV Services Planning Council, Title I, and the Palm Beach County AIDS Consortium, Title II, voted separately to recommend the establishment of one Council to effectively and efficiently carry out the mandates of Ryan White CARE Act Title I and Title II. The initial membership of the CARE Council shall consist of all members in good standing of the Palm Beach HIV Services Planning Council and the Palm Beach County AIDS Consortium, the Board formerly constituted to administer Title II funds, on the day this resolution is enacted. As vacancies occur on the CARE Council, replacements shall be selected in accordance with the required "Nomination Process" which shall be adopted by the CARE Council. The nomination process must be in compliance with Article II of the CARE Council By-Laws and the requirements of Title I of the Ryan White Care Act, as amended. The CARE Council shall provide a written report to the Board of County Commissioners by January 15th of each year on the membership, attendance records and activities and accomplishments of the CARE Council. (Ryan White) Countywide (TKF)
- C. **Background and Justification:** Per the Ryan White Comprehensive Aids Resources Emergency Act of 1990 (P.L.101-381); Palm Beach County was designated an eligible metropolitan area disproportionately affected by the HIV epidemic and having a demand for services exceeding the capacity of local resources to meet that demand. The federal government, through the Department of Health and Human Services has made funds available to Palm Beach County to meet such demand. In order to access these funds, it is legally mandated that Palm Beach County designate a HIV Services Planning Council, which was done in 1993. The HIV Services Planning Council has worked with the grantees for the Title II and HOPWA funding to establish a coordinated planning and advisory system for all HIV funding in Palm Beach County. The CARE Council was established to fulfill this purpose. It is recommended by the currently appointed HIV Services Planning Council that the CARE Council be designated to fulfill the function of the HIV Services Planning Council as required under Title I of the Ryan White Care Act.
