I. EXECUTIVE BRIEF

Motion and title: Staff recommends motion to:

A) approve a Memorandum of Agreement (MOA) between the Department of the Army (DA) and Palm Beach County (County), Florida for Additional Sand Placement in Connection with Flood Control and Coastal Emergency (FCCE) Rehabilitation of the Delray Beach Segment of the Palm Beach County, Florida Shore Protection Project (Project);

B) approve Interlocal Agreement for Shoreline Protection between Palm Beach County and the City of Delray Beach (City) (ILA) to establish cost sharing for the placement of additional sand as described in the MOA. The ILA will begin upon execution and expire on December 31, 2027;

C) approve a Budget Amendment to recognize revenue of \$16,000,000 from the City ILA, which includes a transfer of \$2,000,000 from Beach Improvement Fund Reserves to the Delray Beach Shore Protection Project;

D) delegate authority to the County Administrator, or designee, to sign all future time extensions, task assignments, certifications, and other forms associated with the ILA and the MOA, and any necessary minor amendments that do not substantially change the scope of work, terms, or conditions of the ILA and the MOA.

Summary: Hurricane Nicole made landfall in Florida on November 10, 2022, causing significant beach erosion in Delray Beach. The DA has authority under Public Law 84-99, FCCE for emergency management activities including repair of federally authorized shore protective works damaged by coastal storms. The County is the non-federal sponsor for the FCCE Rehabilitation, signing all agreements requiring federal participation from the DA. The City manages all required design, engineering, permitting, monitoring, and state grant funding requests.

On May 6, 2025 the Board of County Commissioners (BCC) approved a Cooperation Agreement (R2025-0650) (Agreement) with the DA providing 100% federal cost share for placement of approximately 450,000 cubic yards of sand within the FCCE Rehabilitation scope. The MOA facilitates placement of an additional 750,000 cubic yards of sand on the Project beach beyond the limits of the FCCE Rehabilitation scope. The additional sand will be placed by the DA at a cost share of 0% Federal, 100% non-Federal share. Under the MOA, the estimated non-Federal share is \$18,000,000 plus any costs that may exceed the estimated amount due to claims or other unforeseen circumstances. The transfer from reserves provides an additional \$2,000,000 for contingencies and ancillary costs bringing the total Project budget to \$20,000,000. Pursuant to the ILA, the City will be responsible for reimbursing the County for 80% of the total costs. The City and County will save approximately \$5,000,000 in typical dredge mobilization costs by adding locally funded sand placement volume to the federally funded FCCE Rehabilitation. The MOA contains indemnification/liability provisions that differ from that adopted by the County under PPM CW-F-049. The MOA language states the County will be responsible for all costs, including any contract claims or other liability, associated with the additional sand placement. The Risk Management Department and the County Attorney's Office have reviewed the indemnification requirements and advised staff accordingly. Given that the City will be responsible for 80% of the non-Federal share, the \$5,000,000 in dredge mobilization cost savings, and that the Project will allow for the full permitted beach template to be filled, staff recommends BCC approval. **The County's allocated portion for this Project is 20% of the total costs. Background and Justification: The County, as the public sponsor for the FCCE Rehabilitation, requested an MOA for additional sand placement to restore storm damages on beaches beyond the limits of the FCCE Rehabilitation. By taking advantage of the FCCE Rehabilitation mobilization, the County and City realize significant cost savings while preparing area beaches against future storm events. The Project was last nourished via limited DA FCCE placement in 2020 following impacts from Hurricane Irma, and was last nourished to the fully permitted template in 2013. The ILA establishes cost share for the additional sand placement with the City of Delray Beach.

MEMORANDUM OF AGREEMENT
BETWEEN
THE DEPARTMENT OF THE ARMY
AND
PALM BEACH COUNTY, FLORIDA
FOR ADDITIONAL SAND PLACEMENT
IN CONNECTION WITH FLOOD CONTROL AND COASTAL EMERGENCIES
REHABILITATION OF
THE DELRAY BEACH SEGMENT OF
THE PALM BEACH COUNTY, FLORIDA SHORE PROTECTION PROJECT

This MEMORANDUM OF AGREEMENT (hereinafter the "MOA") is entered into this 8th day of July, 2025, by and between the Department of the Army (hereinafter the "Government"), represented by the U.S. Army Commander, Jacksonville District (hereinafter the "District Commander"), and Palm Beach County, Florida (hereinafter the "Non-Federal Interest"), represented by the Board of County Commissioners with the Mayor signing on its behalf.

WITNESSETH, THAT:

WHEREAS, the Delray Beach Segment of the Palm Beach County, Florida Shore Protection Project (hereinafter the "Project") was authorized for construction by Section 101 of the Rivers and Harbors Act of 1962, Public Law 87-874;

WHEREAS, by letter dated February 28, 2025, the Non-Federal Interest requests placement of approximately 750,000 cubic yards of sand on its beaches beyond the limits of the Project (hereinafter the "Additional Placement") and agrees to pay all costs of such sand placement; and

WHEREAS, the Government is authorized pursuant to 33 U.S.C. 701h to carry out the Additional Placement in connection with Flood Control and Coastal Emergencies (FCCE) Rehabilitation of the Project pursuant to Public Law 84-99.

NOW, THEREFORE, the Government and the Non-Federal Interest agree as follows:

1. The Non-Federal Interest shall provide to the Government funds to pay all costs, including the costs of environmental compliance, supervision and administration, and engineering and design, associated with the Additional Placement to be carried out in connection with FCCE rehabilitation of the Project. While the Government will endeavor to limit the additional costs associated with the Additional Placement to the current estimate of \$18,000,000, the Non-Federal Interest acknowledges that the actual costs for the Additional Placement may exceed such estimated amount due to

claims or other unforeseen circumstances and that the Non-Federal Interest is responsible for all costs, including any claims, related to the Additional Placement.

2. Within twenty-one (21) calendar days of execution of this MOA, the Non-Federal Interest shall provide to the Government \$18,000,000. If at any time the Government determines that additional funds are needed, the Government shall notify the Non-Federal Interest in writing of the amount, and, no later than fifteen (15) calendar days from receipt of such notice, the Non-Federal Interest shall provide to the Government the full amount of the additional funds.

3. The Non-Federal Interest shall provide the funds to the Government by delivering a check payable to "FAO, USAED Jacksonville (K3)" to the District Commander or providing an Electronic Funds Transfer of such funds in accordance with procedures established by the Government.

4. The Government shall not commence the Additional Placement until: a) all applicable environmental laws and regulations have been complied with, including, but not limited to, the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4347) and Section 401 of the Clean Water Act (33 U.S.C. 1341); and b) the Non-Federal Interest has provided to the Government authorization for entry to all lands, easements, and rights-of-way the Government determines to be required for the Additional Placement.

5. The Government shall provide the Non-Federal Interest with quarterly reports of obligations for the Additional Placement. The first such report shall be provided within thirty (30) calendar days after the final day of the first full quarter of the Government fiscal year following receipt of the funds pursuant to this MOA. Subsequent reports shall be provided within thirty (30) calendar days after the final day of each succeeding quarter until the Government concludes the Additional Placement.

6. Upon completion of the Additional Placement and resolution of all relevant claims and appeals, the Government shall conduct a final accounting of the costs of such work and furnish the Non-Federal Interest with written notice of the results of such final accounting. Such final accounting shall in no way limit the Non-Federal Interest's responsibility to pay for all costs associated with the Additional Placement, including contract claims or any other liability that may become known after the final accounting. If such costs are more than the amount of funds provided by the Non-Federal Interest, the Non-Federal Interest shall provide the required additional funds within thirty (30) calendar days of such written notice by delivering a check payable to "FAO, USAED Jacksonville (K3)" to the District Commander or providing an Electronic Funds Transfer of such funds in accordance with procedures established by the Government. If such costs are less than the amount of funds provided by the Non-Federal Interest, the Government shall refund the excess to the Non-Federal Interest.

within thirty (30) calendar days of such written notice, subject to the availability of funds.

7. Before either party to this MOA may bring suit in any court concerning an issue relating to this MOA, such party must first seek in good faith to resolve the issue through negotiation or other forms of nonbinding alternative dispute resolution mutually acceptable to the parties.

8. In the exercise of their respective rights and obligations under this MOA, the Government and the Non-Federal Interest each act in an independent capacity, and neither is to be considered the officer, agent, or employee of the other.

2. Within twenty-one (21) calendar days of execution of this MOA, the Non-Federal Interest shall provide to the Government \$18,000,000. If at any time the Government determines that additional funds are needed, the Government shall notify the Non-Federal Interest in writing of the amount, and, no later than fifteen (15) calendar days from receipt of such notice, the Non-Federal Interest shall provide to the Government the full amount of the additional funds.

3. The Non-Federal Interest shall provide the funds to the Government by delivering a check payable to "FAO, USAED Jacksonville (K3)" to the District Commander or providing an Electronic Funds Transfer of such funds in accordance with procedures established by the Government.

4. 6. Upon completion of the Additional Placement and resolution of all relevant claims and appeals, the Government shall conduct a final accounting of the costs of such work and furnish the Non-Federal Interest with written notice of the results of such final accounting. Such final accounting shall in no way limit the Non-Federal Interest's responsibility to pay for all costs associated with the Additional Placement, including contract claims or any other liability that may become known after the final accounting. If such costs are more than the amount of funds provided by the Non-Federal Interest, the Non-Federal Interest shall provide the required additional funds within thirty (30) calendar days of such written notice by delivering a check payable to "FAO, USAED Jacksonville (K3)" to the District Commander or providing an Electronic Funds Transfer of such funds in accordance with procedures established by the Government. 8. In the exercise of their respective rights and obligations under this MOA, the Government and the Non-Federal Interest each act in an independent capacity, and neither is to be considered the officer, agent, or employee of the other.
