I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve:

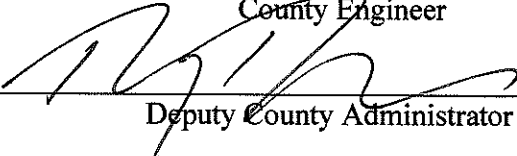

- A) Amendment No. 1 to the Drainage Improvements/Repairs and Minor Construction Continuing Services Contract (R2024-0211), dated March 5, 2024, with Johnson-Davis Incorporated (JDI) to extend the expiration date from September 4, 2025 to March 4, 2027 and increase the contract amount by \$6,000,000; and
- B) Amendment No. 1 to the Drainage Improvements/Repairs and Minor Construction Continuing Services Contract (R2024-0212), dated March 5, 2024, with Hinterland Group Inc. (HGI) to extend the expiration date from September 4, 2025 to March 4, 2027 and increase the contract amount by \$6,000,000.

SUMMARY: Approval of these amendments will extend the expiration date of the contracts from September 4, 2025 to March 4, 2027 and increase the total contract amount from \$12,000,000 to \$18,000,000 for each contract. The increased contract amount, per Section 1 of the special provisions of the contract, is based on updated estimates that exceed the current contract amounts to be expended throughout Palm Beach County by the user departments. This allowable extension, not to exceed 36 months total contract time, is per Section 3 of the special provisions in the contracts that allows for the parties to amend the contract while adhering to all other original terms, conditions, and unit prices of the contracts. This contract was presented to the Goal Setting Committee on August 16, 2023 and the Committee established an Affirmative Procurement Initiative (API) of a 15% minimum mandatory Small Business Enterprise (SBE) participation. JDI committed to 15% SBE participation and HGI committed to 19% SBE participation. To date, the overall SBE participation achieved by JDI is 12.40% and 0% by HGI. JDI and HGI expect to meet their SBE participation commitments by the end of the contract. To date, tasks in the amount of \$3,600,000 have been authorized for JDI's contract, and \$768,850 for HGI's contract. JDI and HGI both have offices located in Palm Beach County. Countywide (YBH)

Background and Justification: After reviewing the attached amendments and finding them in proper order, the Engineering and Public Works Department recommends approval by the Board of County Commissioners (BCC).
