Good Morning – ok instead of animals this aircraft is for soccer players?

The \$200k is comprehensive and takes care of the AGL and Aircraft liability.

But are any vehicles coming onto the tarmac to transport players or handle equipment / luggage etc.? If via a contract with Iberia we need proof of that coverage.

WC – will Iberia have employees other than pilots?

Hi (again).

The attached operating permit (just like DHL bongos) has insurance requirements. Iberia provided the attached COI. I let them know the additional insured name needs to be updated, and while the \$200,000,000 exceeds some limits, we're missing business auto, workers comp, and waiver of subrogation.

Do you agree?
