EXECUTIVE BRIEF

**Motion and Title:** **Staff recommends motion to receive and file:** an extension to Memorandum of Agreement (MOA) with the City of Miami R2024-1230/R2025-0501 for the Urban Area Security Initiative (UASI) GY 2023 agreement #R0924 extending the grant period through December 31, 2025 in order to complete emergency management equipment purchases and planning projects totaling \$428,997.

**Summary:** The City of Miami offered an extension on the original MOA, which expired March 30, 2025. A first extension was approved by the Board of County Commissioners (BCC) on April 8, 2025 extending the period of performance to June 1, 2025. A second extension was offered to extend the period of performance until December 31, 2025, allowing additional time to spend the funds efficiently. The original MOA (CFDA # 97.067) provides a means of funding various domestic security activities within the County using Federal UASI funds through the City of Miami as the UASI's fiscal agent. The projects include an award for Community Preparedness Videos; Deployable Generator, Field Carts; IT upgrades; and Regional Citizens Corps/CERT training and planning. R2013-0622 gave the authority to the County Administrator, or designee, to execute these agreements. No County matching funds are required. Countywide (DB)

**Background and Justification:** In 2006, the State of Florida and the Federal Department of Homeland Security established a new UASI. This new UASI was created using the cities of Fort Lauderdale, Miramar, Miami Gardens, Hollywood, and Coral Springs as the core cities. At the first organizational meeting of the UASI, the core cities invited the Counties of Broward and Palm Beach to participate as equal partners. Subsequently, the City of Coral Springs and the Sheriff's Office of Broward and Palm Beach Counties were also invited to participate as equal partners. In May of 2011, the Miami UASI and the Fort Lauderdale UASI were combined by the Department of Homeland Security into the Fort Lauderdale/Miami UASI. The City of Miami has accepted the duties and responsibilities of representing the UASI to the State and Federal governments as the UASI's fiscal agent and point of contact.
