BOARD OF COUNTY COMMISSIONERS
BOARD APPOINTMENT SUMMARY

Meeting Date: September 16, 2025

Department:
Submitted by: Community Services
Advisory Board: Palm Beach County HIV Care Council

I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve:

A) the appointment of one (1) member to the Palm Beach County (County) HIV Comprehensive AIDS Resources Emergency Act Council (HIV Care Council), for a three (3) year term from September 16, 2025 to September 15, 2028:

<u>Seat No</u>	<u>Appointment</u>	<u>Recommended By</u>
16	Glenn J. Krabec	HIV Care Council

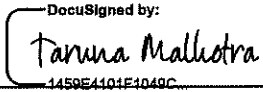

B) the appointment of one (1) member to the HIV Care Council, to fill an unexpired term, from September 16, 2025 to October 2, 2026, followed by a three (3) year term from October 3, 2026 to October 2, 2029:

<u>Seat No</u>	<u>Appointment</u>	<u>Recommended By</u>
27	Kenny Talbot	HIV Care Council

Summary: HIV Care Council establishes priorities for the allocation of Ryan White (RW) HIV/AIDS Program funds within the County; and develops a comprehensive plan for the organization and delivery of health services described in 42 U.S.C. § 300ff, et seq., that is compatible with any existing state or local plan regarding the provision of health services to individuals with HIV/AIDS disease. The United States Department of Health and Human Services, through the Health Resources and Services Administration (HRSA), requires the County to maintain a planning council responsible for establishing priorities and allocating RW grant funding. The HIV Care Council is that Council. Federal law requires that the HIV Care Council composition reflect the demographics of individuals with HIV/AIDS in the County. At least 33% of its members must be consumers of RW services who are not affiliated with subrecipient service providers. The law also requires that the HIV Care Council represent designated areas, including health care providers, social service providers, community-based organizations, local public health agencies, non-elected community leaders, and grantees of Federal HIV programs. Per Resolution R2011-1560, the total membership for the HIV Care Council shall not exceed 33 at-large members. The HIV Care Council recommends the appointment of Mr. Kenny Talbot and Mr. Glenn J. Krabec. There are 27 seats, and currently 22 seats are filled. Countywide (JBR)

Background and Justification: In accordance with the RW Comprehensive AIDS Resources Emergency Act of 1990 (RW Care Act) (P.L.101-381), the County was designated an eligible metropolitan area disproportionately affected by the HIV/AIDS epidemic, with a demand for services exceeding the capacity of local resources. The Federal Government, through HRSA, has made funds available to the County. In order to access these funds, Title I (Part A) of the RW Care Act mandates that the County designate a Title I (Part A) HIV Services Planning Council. To that end, the Board of County Commissioners (BCC) established the HIV Care Council, per Resolution R2011-1560, dated October 18, 2011, and amended it on January 23, 2018, through Resolution R2018-0015. The RW Care Act Amendments of 1996 mandate a nomination process for appointments to Title I (Part A) planning councils. As vacancies occur on the HIV Care Council, replacements are selected in accordance with the HIV Care Council nomination process that was adopted and approved by the HIV Care Council on June 25, 2012.

Submitted For: Palm Beach County HIV Planning Services Council

I. EXECUTIVE BRIEF

- A. **Motion and Title:** Staff recommends motion to adopt: A resolution of the Board of County Commissioners of Palm Beach County, Florida, designating the Palm Beach County HIV Comprehensive AIDS Resources Emergency Council, hereinafter referred to as the "CARE Council", as the HIV Services Planning Council Required Under Title I of the Ryan White Care Act; Repealing Resolution No. 93-1182; and Providing for an effective date.
- B. **Summary:** The Palm Beach County HIV Services Planning Council, Title I, and the Palm Beach County AIDS Consortium, Title II, voted separately to recommend the establishment of one Council to effectively and efficiently carry out the mandates of Ryan White CARE Act Title I and Title II. The initial membership of the CARE Council shall consist of all members in good standing of the Palm Beach HIV Services Planning Council and the Palm Beach County AIDS Consortium, the Board formerly constituted to administer Title II funds, on the day this resolution is enacted. As vacancies occur on the CARE Council, replacements shall be selected in accordance with the required "Nomination Process" which shall be adopted by the CARE Council. The nomination process must be in compliance with Article II of the CARE Council By-Laws and the requirements of Title I of the Ryan White Care Act, as amended. The CARE Council shall provide a written report to the Board of County Commissioners by January 15th of each year on the membership, attendance records and activities and accomplishments of the CARE Council. (Ryan White) Countywide (TKF)
- C. **Background and Justification:** Per the Ryan White Comprehensive Aids Resources Emergency Act of 1990 (P.L. 101-381); Palm Beach County was designated an eligible metropolitan area disproportionately affected by the HIV epidemic and having a demand for services exceeding the capacity of local resources to meet that demand. The federal government, through the Department of Health and Human Services has made funds available to Palm Beach County to meet such demand. In order to access these funds, it is legally mandated that Palm Beach County designate a HIV Services Planning Council, which was done in 1993. The HIV Services Planning Council has worked with the grantees for the Title II and HOPWA funding to establish a coordinated planning and advisory system for all HIV funding in Palm Beach County. The CARE Council was established to fulfill this purpose. It is recommended by the currently appointed HIV Services Planning Council that the CARE Council be designated to fulfill the function of the HIV Services Planning Council as required under Title I of the Ryan White Care Act.
