**Motion and Title:** Staff recommends motion to adopt: a Resolution rescinding and replacing Resolution No. R2010-2092 pertaining to the Public Art Committee (PAC).

**Summary:** On December 21, 2010, the BCC approved the current resolution (R2010-2092) creating and governing the PAC. The resolution is being modified to add the PAC's new role in reviewing and making recommendations to the County Administrator and/or BCC relating to murals, as set forth in the recently adopted amendments to the Unified Land and Development Code (ULDC). The resolution is also being modified to conform with the BCC's recent modifications to the uniform policies and procedures on advisory boards as provided in Resolution No. R2013-0193. (FDO Admin) Countywide (MJ)

**Background and Justification:** The PAC is a nine member advisory committee that recommends the selection, acquisition and placement of work of art in and on County-owned facilities and properties. The PAC possesses extensive experiences in reviewing and approving the design of proposed public art for appropriateness, compatibility and quality. This experience lends well to expanding the involvement of the Committee in the review and recommendation of murals proposed by private individuals and entities as well as government agencies. This resolution expands the duties and functions of the PAC to perform that function, pursuant to the ULDC, as well as revises Resolution No. 2010-2092 for conformance with uniform policies and procedures on advisory boards as set forth in Resolution No. R2013-0193. No other material changes have been made to Resolution No. 2010-2092.
