**Section 2-1. DISTRIBUTION OF LITERATURE OR PICKETING –
Registration Required, Procedures.**

A. No person, group of persons, association, organization or business entity (referred to herein as “applicant” or “registrant”) shall distribute literature or picket or display signs for any purpose whether charitable, nonprofit, commercial or otherwise, at the Airport without obtaining an approved registration form issued by the Director of the Department of Airports (hereinafter sometimes referred to as “Director” and may also include any designee of the Director), in accordance with the guidelines set forth herein, or without a license, permit, lease, or contract for a commercial enterprise to be conducted at the Airport. A “commercial enterprise” means any person, group of persons, association, organization or business entity engaging in any profit-making activity, and does not currently qualify for exemption from taxation under Section 501(c) of the Internal Revenue Code of 1954, as amended.

B. Authorization to distribute literature or to picket, as provided for in Section 2-1.A. of these Rules and Regulations, shall be issued using the Registration for Distribution of Literature or Picketing form (the “Registration”), included herein as Section 2-6. of these Rules and Regulations. All applicants shall provide the following required information:

1. The full name, mailing address and telephone number of the applicant;
2. The full name, address, and telephone number of each person who will participate in the authorized activities and of the authorized person(s) who shall have direct supervision of and formal responsibility for the proposed activities. In the alternative, the applicant may identify on the Registration one or more individuals who will act as coordinators or group leaders and, at the beginning of each day’s activities, provide to the Director the names and other information required by this subsection regarding the individuals who will be participating in the applicant’s activities on that day;
3. A description of the nature and purpose of the proposed activity, the type of communication to be involved and, if applicable, submit a copy of any and all literature, hand-outs or other materials or items requesting to be distributed as part of the proposed activities;
4. The requested date(s) and hour(s) on and during which the activities are proposed to be conducted, and the expected duration of the proposed activities;
5. The number of any and all persons to be engaged in such activities in accordance with the limitations set forth in these Rules and Regulations;
6. A statement that the Registration, if granted, will not be used or represented in any way as an endorsement by the County, or by any of its departments, officers or employees thereof;
7. A statement that the applicant has read these Rules and Regulations and agrees to abide thereby; and
8. A statement that applicant agrees to indemnify Palm Beach County for any action arising out of the performance of the proposed activities.

C. Upon the applicant providing all of the information required by the Registration and a finding that the information required is complete, the approved Registration shall be signed and issued immediately by the Director. The registrant may, upon issuance, immediately conduct the activities authorized by the Registration, subject to these Rules and Regulations.

D. Registration forms issued pursuant to these Rules and Regulations shall bear the name and address of the registrant, the identification number of the registration, the date issued, and a statement that the Registration does not constitute an endorsement by Palm Beach County or any of its departments, officers or employees.

E. Any Registration form issued under these Rules and Regulations shall be non-transferable and shall be valid only for the periods set forth therein.

F. During the term of any Registration granted herein, if there is any change in fact that would alter the information provided by the registrant, the registrant shall promptly notify the Director of such change, including, if applicable, any change in the literature to be distributed.

G. If a Registration submitted for signing by the Director is denied, a written statement shall be immediately furnished to the applicant setting forth the reason why the Registration has been denied. If such a statement of reasons for denial has not been mailed or delivered within forty-eight (48) hours of the date of receipt by the Director of the completed Registration, an interim Registration shall be deemed issued to the applicant and all activities proposed to be conducted in the Registration may be conducted as subject to the same restrictions and obligations established by these Rules and Regulations for other registrants. A Registration shall be denied for no reason other than any of the following:

1. The applicant has not furnished the information required by these Rules and Regulations;
2. The applicant is a commercial enterprise as set forth in Section 2-1.A. of these Rules and Regulations;
3. A determination of the Director that emergency conditions exist at the Airport which make the applicant's proposed activity incompatible with the operational function of the Airport. For the purposes of these Rules and Regulations, "emergency conditions" shall mean unusually congested conditions due to adverse weather, schedule interruptions, or extremely heavy traffic movements, or for emergency security measures as set forth in Section 496.425(8), Florida Statutes;
4. The Director has determined that one or more statements made in the Registration form are not true or that the activities permitted hereunder will not be under the control or supervision of responsible or reliable persons; or
5. The application is for charitable solicitation and is therefore subject to the Airport's Rules and Regulations for Solicitation of Funds.

H. If the Director notifies the applicant that the Registration is denied, the County Attorney's Office shall within five (5) days of such denial file an appropriate action in a court of competent jurisdiction and venue for a judicial determination as to whether the proposed activity described in the complaint may be prohibited, naming the applicant as a party defendant. Palm Beach County shall exert every reasonable effort to have the issue heard on its merits without delay and as quickly as legally possible. The burden of showing that the proposed activity may be prohibited shall rest with the County. If the issue for judicial determination is not heard and decided on the merits by the court within ten (10) days from the date the complaint is filed then an interim Registration shall be deemed issued to the applicant as set forth in Section 2-1.G. of these Rules and Regulations.

**Section 2-2. DISTRIBUTION OF LITERATURE OR PICKETING –

2. Continued, substantial complaints from the public concerning harassment;
3. Any action by the registrant or its agents that adversely affect the health or safety of the public; or
4. Fraud or misrepresentation in the Registration.

B. A suspension shall not exceed a period of six (6) months. If a registration has been revoked, a new Registration may not be issued to the person or organization for six (6) months after the revocation. Notice of suspension or revocation shall be in writing and shall be supported by a statement of facts and shall include a list of any witnesses thereto. Such notice shall be personally served upon the registrant or any of its agents, or in the alternative, may be mailed to the registrant by certified mail, return receipt requested. The registrant may request a hearing on a suspension or revocation which shall be held within sixty (60) days of such request.

**Section 2-3. DISTRIBUTION OF LITERATURE OR PICKETING –
Duration of Registration and Notice to Commence Activities.**

A. An approved Registration form shall be effective for one (1) year from the date of issuance. Once expired, a registrant may apply again on the same basis and subject to the same requirements as any other applicant.

B. During the effective term of the Registration, a registrant may request permission to distribute literature or picket by written request to the official designated on the registration form, or, in the alternative, by reporting in person to such official. Permission will be granted subject only to the limitations set forth in Section 2-4. of these Rules and Regulations.

**Section 2-4. DISTRIBUTION OF LITERATURE OR PICKETING –

A. All authorized activities shall be conducted in person by the registrant or the registrant's authorized representatives. No registrant shall place donation boxes, booths, tables, chairs, kiosks or display racks within the Airport terminal building or any other areas of the Airport.

B. In order not to unduly interfere with the orderly flow of the traveling public, all distribution of literature or picketing activities shall be strictly limited to only those non-secured, public use areas of the Airport terminal building as specifically designated on Exhibit "2-6.A" of Section 2-6. of these Rules and Regulations. These designated areas shall be available on a first-come, first-served basis. No more than four (4) persons conducting distribution of literature activities, as authorized pursuant to these Rules and Regulations, shall be present at one time within those certain areas specified for the conduct of such activities and as designated on Exhibit "2-6.A". C. While participating in the activities as authorized by the Registration, registrants shall prominently display on his/her person an identification badge or insignia which shall be visible at all times. Such identification shall be furnished by the Registrant and shall require the prior written approval of the Director. All such badges shall bear the Identification Number of the Registration on file with the Department of Airports.

D. Registrants shall not be permitted to:

1. Obstruct, delay, or in any way interfere with the free movement of others;
2. Seek to coerce or physically disturb others;
3. Hamper or impede the conduct of business;
4. Use any sound or voice amplifying apparatus;
5. Use any drum, bell, tambourine, horn, or other noise making device;

No sign shall be attached to any portion of the premises of the Airport. All signs and any literature authorized for distribution shall be removed when registrant is not present. No person shall carry more than one (1) sign.

E. The Director may declare an emergency, as set forth in Section 496.425(8), Florida Statutes, as amended, due to unusually congested conditions in, on or about the Airport terminal building which may be caused by adverse weather, schedule interruptions, extremely heavy passenger traffic or any other emergency security situation. In such event, the Director shall cause the registrant or its representative(s) to be so advised either directly or via announcement, and either verbally or in writing. Immediately upon being so advised, the registrant and all representatives of the registrant shall cease conducting any and all activities until such time as the Director provides written notice that the declared emergency no longer exists and that the registrant is specifically authorized to resume its permitted activities.

Section 2-5. DISTRIBUTION OF LITERATURE OR PICKETING – Scope.

These Rules and Regulations shall apply to all Palm Beach County owned and operated airports except Section 2-4.B., which shall apply only at Palm Beach International Airport. The Director shall have the authority to prescribe from time-to-time the designated areas and maximum number of persons allowed within such areas for the conduct of authorized distribution of literature and picketing activities at all County owned and operated airports other than Palm Beach International Airport.
